

COUNCIL POLICY

SUBJECT: FIRE CHIEF/DEPUTY FIRE CHIEF - USE OF MUNICIPAL VEHICLES	DATE: February 25, 1991 Revised:
---	---

That as a working condition for the Fire Chief and Deputy Fire Chief, who are required by the Municipality to be on call twenty-four hours per day, and because it is essential that the department be able to contact either or both of them at any time and to enable them to be in a position to respond at all times, the Municipality directs that they use departmental cars equipped with two-way radios at all times and it is understood that these cars are to be used by them for all purposes twenty-four hours per day, seven days per week.
