LOCAL AREA PLAN

WE NEED YOUR INPUT!

It is time to update the Cadboro Bay Local Area Plan.

The new plan will help guide planning and land use decisions in your community for the next 20 to 30 years.

Over the next year, the Saanich planning team will be working closely with the community to examine topics such as:

- Housing
- Transportation and mobility
- Parks, trails, and open space.
- Cadboro Bay Village

Come to the Community Visioning Open House and tell us:

- What do you love about your community?
- What is your vision for the future?
- What issues and opportunities do you see?
- What are your priorities?

Visit saanich.ca/cadboro, attend the Community Visioning Open House, and fill out a survey.
