

COUNCIL POLICY

SUBJECT: SUBDIVISION - PROVISION OF SIDEWALKS	DATE: February 9, 1987 Revised:
---	--

1. The existing policy of requiring sidewalks on one side of a collector street and both sides of major streets in addition to residential streets identified as safe routes to school be continued.
2. Sidewalks not be required on residential streets other than those identified as safe routes to school.
3. Consideration be given to increasing the rate of implementation of the existing policy for sidewalk construction.
