

Block Party Application Guidelines – District of Saanich

The District of Saanich supports neighbourhoods in the coordination of community celebrations with residents of their block. To ensure there is appropriate coordination and planning, the District requires that anyone planning a block party on streets, sidewalks and other public space has a permit. These guidelines will assist you in completing the permit application.

Please read the Guidelines and sign the statement on the bottom of the application form. Upon approval, a Letter of Support for your Block Party will be issued free of charge. Block Party approvals require 4 weeks advance notice.

The following restrictions apply:

- Block parties can take place only between the hours of 10:00 AM to 10:00 PM
- Block parties must be held on Saturdays, Sundays and statutory holidays
- All residents on the block must be notified with the majority in agreement for the event to take place.
- Alcohol is not permitted on public property.
- Amplification of music which would unreasonably disturb non-participating residents is prohibited.
- The organizer is responsible for participant conduct.
- A 20' emergency access lane must be maintained on closed streets.
- All structures (e.g. tables) should be placed at the side of the street or must be easily moved in the event of an emergency
- Cleaning up is the responsibility of the organizers. Green practices (e.g. recycling) are strongly recommended.
- Street barricades are provided free of charge. Organizers are responsible for the return of barricades and will be invoiced for any lost or damaged barricades. Please contact Saanich Public Works at 250-475-5487 to make arrangements for pick-up at the Public Works facility located at 1040 McKenzie Avenue.
- The site should not be used for any other purpose than that specified in the permit.
- The organizer is liable for any damage to public property during the event.
- Nothing can be fastened to or hung from boulevard trees, planters, or other City property unless otherwise approved
- Vehicles are not permitted on sidewalks, paths or grass areas.

Requirements for Block Parties that include Road Closures

1. Barricades must be erected at each access point to the closed area, and placed in such a manner that they are visible on approach and allow ample time and space to detour. Barricades are to be immediately removed, if required, on approach of an emergency vehicle
2. Clear and adequate signage must be erected at each barricade sight advising motorist of the event, its duration, and alternate routes
3. No person, other than a Certified Traffic Control Persons as defined in the Streets and Traffic Regulation Bylaw may engage in any form of traffic control

Organizer Liability

In signing the application form, the organizer agrees to indemnify and save harmless the District of Saanich in respect of any and all claims, demands, suits and costs arising out of any act or omission of the organizer or of any servant, agent or officer of the organizer arising out of or resulting from the use of the site by the organizer.

Costs

The organizer is required to provide proof of General Liability Insurance Coverage in the amount of 2,000,000. There are no costs to organizers for the permit or for use of barricades. The organizer will however be responsible for damage or any required clean-up of public space and for ensuring that District barricades are left in good condition and returned to the Public Works yard no later than the Tuesday following the event. Organizers will be invoiced following the event for equipment lost or damaged.

Notification

The organizer is responsible for notifying each home on the block and anywhere else that may be directly affected. This prevents people from being surprised on event day if, for example, arrangements have been made for movers, deliveries or parties. It also provides them with contact information should they have questions or concerns regarding your event (e.g. noise). The majority of the block must be in agreement for the event to take place. For the first year of the event, completion of a Sign-off form is required. In subsequent years, the same list of residents should be notified.

Noise

All events which include music or other amplified sound are required to have a plan for controlling the type and volume of sound produced by the event. Sound levels must not unreasonably disturb the surrounding neighbourhood and are subject to the Saanich Noise Bylaw. (<http://saanich.ca/living/pdf/noise7059.pdf>) The organizer will make attempts to address any complaints regarding sound levels.

Cancellation

The District of Saanich retains the right to cancel the event up to and including the day of the event or at any time during the event if there is an emergency or if permit conditions are not adhered to (e.g. loud music). Organizers must designate an on-site Liaison with authority to intervene and/or stop the event if necessary at any time during event.

Block Party Application – District of Saanich

This application form must be completed for any Block Party held on streets, sidewalks or in any other public space. Applicants are required to carefully follow the Block Party Application Guidelines and sign the statement on the bottom of the application form.

EVENT DETAILS		Day(s) and Date(s):
