About the Park:

In May, particularly around Mother's Day, there is a spectacular show of colour throughout the rhododendron and azalea garden. Some of these plants are over 50 years old.

The park also features a Garry oak meadow with its own show of wildflowers in the spring and an ornamental perennial garden that

blooms all summer.

A playground nestled in the trees has a washroom building next to it that are open May 1 to October 30. Remember to leash your dog when within 10m of the playground.
