

# STRATA CONVERSION APPLICATION

**Please return application to the Planning Department along with:**

- Application Fee of \$250.00       Current Certificate of Title, obtainable from the Land Title Office

***Policy Regarding the Approval of Strata Conversions***

1. Applications for strata conversions of three or more residential units shall not be considered if the vacancy rate for apartment units, as computed on April and October of each year by the Canada Mortgage and Housing Corporation is less than four percent;
2. Duplex applications will be considered independently of the vacancy rate;
3. Strata conversions shall be completed within eighteen months of approval, after which time the approval lapses unless an extension is granted upon request by the owner; and
4. Retain the existing policy whereby the applicant is required to enter into a restrictive covenant, approved by the Municipal Solicitor, preventing the eviction of tenants by reason of the conversion of the building into strata lots.
