

Mount Douglas Park

This is the largest and most magnificent park administered by Saanich. Walk the shores of Cordova Bay, hike trails lush with the abundance of ferns and wildflowers towered by Douglas Fir and Cedar trees overhead. Trails lead you to the summit elevation of 227m. This 360° lookout is spectacular, with views of rural Saanich, the city lights of Victoria, and further still, to the Olympic and Cascade mountains in Washington State.

Please help to protect rare and endangered plant species by staying on designated trails and refraining from biking on any trail in the park.
