

## Attachment 5 – Example situations for project types

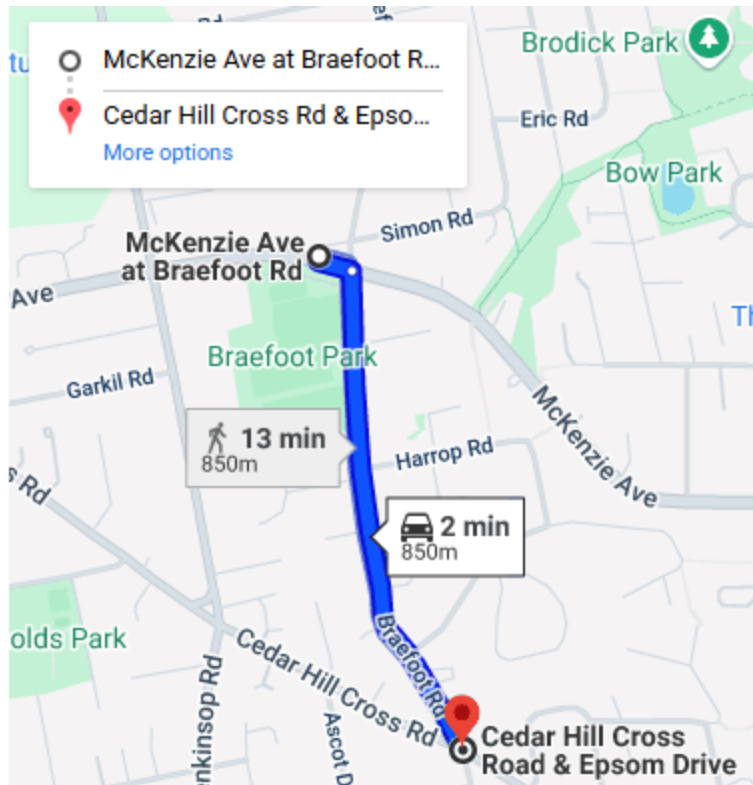

### Individual residential roads inside the Urban Containment Boundary

As a residential road inside the Urban Containment Boundary, Del Monte Avenue is an example.

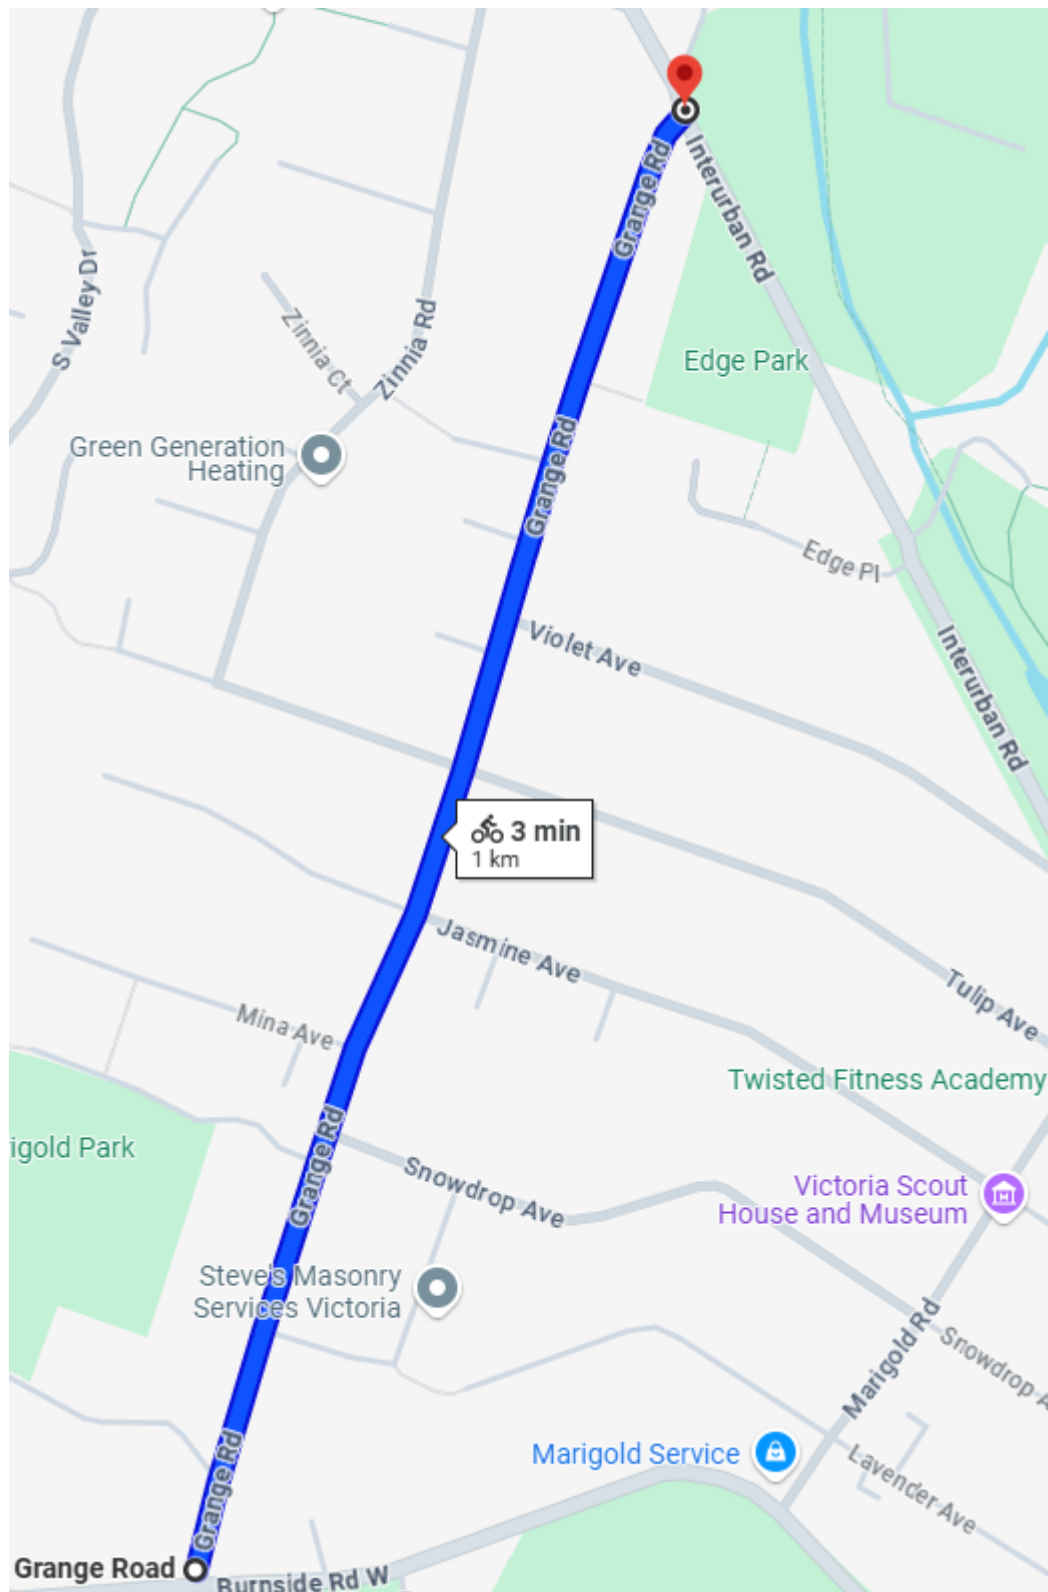

### Non-residential road designed as a Neighbourhood Bikeway

As a collector road designed as a Neighbourhood Bikeway, Braefoot Road is an example.

Special Project Area – collector or major road

As a single collector or major road, Grange Road is an example.

Special Project Area – two or more roads of any type

As a collection of many roads of different types, Tillicum Gorge area is an example.
