

e-Bulletin #10 - RSTC Video & March 15th deadline

Hello,

We have a new video to share with you. Please take a moment to meet some of the Resilient Saanich Technical Committee (RSTC) members through *Working Together for Resilient Saanich*, which you will find on the [RSTC webpage](#).

While you are there, don't forget to complete the current Resilient Saanich public survey **before it closes on March 15, 2021 at 12-noon**.

Through the survey, you can tell us what you think of the RSTC's proposed vision, principles, goals and objectives... and any other ideas you have towards the development of Resilient Saanich.

- Visit the Virtual Open House at saanich.ca/biodiversity
- Fill out a feedback form available at the above link (online or print form)
- Contact staff with questions or for information: biodiversity@saanich.ca or 250-475-5471

A report to Council will be considered in March/April 2021 and direction given for the next phases of Resilient Saanich.

Thanks for any time you can give us to share your opinions and ideas,
