

e-Bulletin #15 - Resilient Saanich RFQ Posting

Hello,

As part of Milestones Two & Three of Resilient Saanich, Council approved funds to hire a consultant team to produce a State of Biodiversity report, a Biodiversity Conservation Strategy, and to provide project coordination for the Resilient Saanich Technical Committee (RSTC). The RSTC approved the terms of reference for the consultant team and will be working closely with them once hired. A Request for Quotations (RFQ) has now been posted, inviting consultants to provide Saanich with proposals. If you would like more information about the responsibilities of the consultant team, please see the [RFQ posting](#).

For more information about the Resilient Saanich Technical Committee, see the [RSTC webpage](#).

Thank you for following the Resilient Saanich process,
