## E - Supportive Documents

- Site Plan showing all existing structures, and other features on the property (see example).
  - Proposed buildings, structures, fencing and other physical elements proposed for the purpose of miniature goat-keeping.
  - Clearly indicate how the proposed shelter and enclosure area would be setback from the dwelling and side and rear lot lines.
  
- Area Map showing all neighboring properties within a 50 m radius (measured from property line on all sides; see example). To create a map on-line see GIS mapping tool at [www.saanich.ca/services/gis](http://www.saanich.ca/services/gis). If you need assistance, contact the Planning Department at [planning@saanich.ca](mailto:planning@saanich.ca).

Once you submit your application, staff will review for accuracy as well as any covenants, easements and potential impacts on natural features. Saanich staff may contact you as needed to follow-up.
