

Qualified Environmental Professional (QEP) Contact List

As of January 1st 2017, the District of Saanich recognizes the following individuals and businesses have taken the Riparian Areas Regulation Qualified Environmental Professional (QEP) training and have submitted an accepted RAR assessment for a property located within the Capital Regional District.

The District of Saanich is not responsible for the management of the noted sources of information, nor does it recommend any one of the QEP's listed more than any other. It should be noted this is not a comprehensive list of all QEP's. For additional sources of information please consult the Yellow Pages or contact a Professional Association registered in British Columbia, such as the association of Professional Biology.
