

COUNCIL POLICY

| | |
|--|---|
| SUBJECT: USE OF CHLOROFLUOROCARBONS AND HALONS | DATE: May 1, 1989 Revised: |
|--|---|

A policy be established whereby:

1. Saanich will not purchase chlorofluorocarbon based products which are nonessential and for which alternatives exist, where this can be identified.
2. Halon fire extinguishers continue to be used in the Computer Division but that specifications for other fire extinguishers exclude those containing halons.
3. That Council support a Fire Department policy to recommend to the general public the nonuse of halon portable fire extinguishers where a viable alternative exists.
