SUBJECT: OFFICIAL COMMUNITY PLAN AMENDMENTS - CONSULTATION PROCESS		
DATE: APRIL 2, 2001		REFERENCE: 01/137

The following are the three adopted approaches to the Official Community Plan consultation process required by *Local Government Act* Section 879:

Type 1 - Updates to General Plan, Local Area Plans and Action Plans Updates

For Official Community Plan Bylaw amendments involving proposed changes to the General Plan, Local Area Plans and Action Plans, the Director of Planning Services will submit a report to Council outlining the terms of reference, including details of proposed consultation processes, for approval prior to commencing the process.

Type 2 - Amendments to Accommodate Rezoning Applications

In accordance with "Official Community Plan Consultation Delegation Authorization Bylaw, 2001, No. 8254", that Council delegate to the Director of Planning Services consideration of the notification and consultation requirements within the established process for zoning applications.

Type 3 - Minor Amendments to Address Newly Identified Opportunities

In accordance with "Official Community Plan Consultation Delegation Authorization Bylaw, 2001, No. 8254", that Council delegate to the Director of Planning Services consideration of the notification and consultation requirements for minor amendments to the Official Community Plan, and that consultation undertaken be reported to the Committee of the Whole.
