

COUNCIL POLICY

SUBJECT: PARK DEVELOPMENT OR IMPROVEMENTS	DATE: February 26, 1990 Revised:
--	---

The following policy be adopted:

- a) Staff will develop a concept plan for all park development and improvement, to be vetted by the Parks and Recreation Committee, Council and other interested committees and further the Parks and Recreation Committee will hold public meetings to receive community input prior to review by Council;
- b) Where any work would involve natural areas, natural wildlife or ecologically sensitive areas, an environmental assessment will be conducted by the Municipality;
- c) All work in Municipal parks will be done either by Municipal crews or firms contracted by the Municipality. In all cases, work done in Municipal parks is to be completed under the supervision of the Parks and Recreation Department.
