

Project Notification

McKenzie-Saanich Intersection

Construction Notification - February 9, 2022

What's happening?

The District will be replacing the traffic signal poles at the intersection of McKenzie Avenue and Saanich Road. The sidewalks and roadway will be reinstated after the signal installations.

Why are we doing this?

The existing traffic signals are aging and in need of replacement.

Construction Impacts

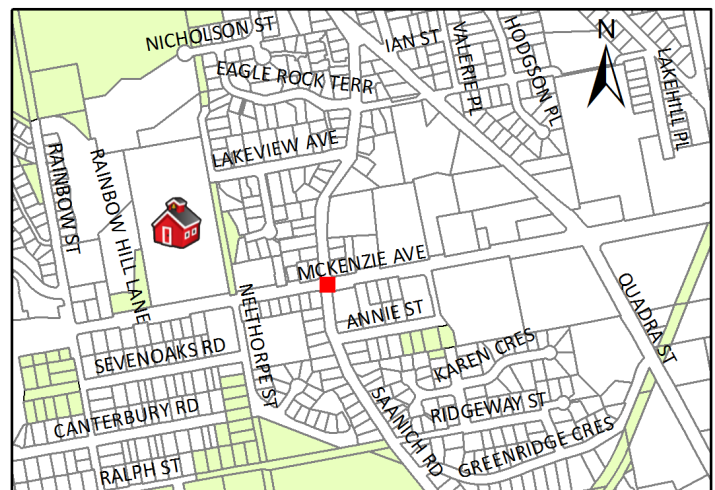

During construction you can expect crew and equipment to be on site Monday to Friday between the hours of **9:30am and 3:00pm**. Limited after hours and weekend work may be considered. Lane closures may be in effect and a delay in traffic may occur in this area during construction. Short term road closures on Saanich Road directly north of the intersection may be in effect. Access for local residents will be maintained. We kindly ask you to follow the instructions of the traffic control and construction personnel.

The District of Saanich will be responsible for restoration of the construction zone and will try to minimize any inconvenience to local residents during construction.

Project Timeline

Construction is anticipated to occur in March 2022.
