## Cedar Hill Cross Road Bicycle Lane

Construction Notice - June 2022

### What's happening?

The District of Saanich is planning to connect the existing westbound bicycle facilities along the north side of the 1700 and 1800 block of Cedar Hill Cross Road between Gordon Head Road and Iona Drive.

### Why are we doing this?

Mobility is an integral part of a sustainable community as it has environmental, social, and economic impacts. The District of Saanich has many initiatives and plans that support and direct development of transportation projects throughout the region. These initiatives create a vision for Saanich, where residents have many options for transportation and mobility and a sense of connection to community and nature.

By improving the bicycle and pedestrian networks, we are supporting and encouraging more people to choose active transportation and low/no emission transportation options that will improve our air quality and bring residents in closer contact with the community and nature. We understand that many commuters and university students to use this route.

### Construction Impacts

The on-street parking will no longer be permitted when the bike lane is implemented due to the lack of road width to accommodate it.

### Project Timeline

Construction is anticipated to begin and to be completed by Summer 2022.

### Project Location

Visit [www.saanich.ca](http://www.saanich.ca) to keep up to date on project progress.

If you have any questions or concerns, please contact the Engineering Department at (250) 475-5575 and ask for Eric Deibert, or email [engineering@saanich.ca](mailto:engineering@saanich.ca)

**Thank you for your understanding as we implement this bike lane connection.**
