

Project Notification

Seaton Street and Crease Avenue : Storm Upgrades

Construction Update - November 15, 2022

What's happening?

Saanich is undertaking a storm drain upgrade project on Seaton Street and Crease Avenue. The scope of the work includes replacement of existing **storm sewer mains** and service connections.

Project Timeline Update

Works have been completed west of Seaton Street along Crease Avenue. Due to emergent priorities the project will be paused and resume in the new year with an anticipated completion in winter 2023.

Construction Impacts

During construction, work will take place between **8:00 am and 4:30 pm** from **Monday to Friday**. Vehicle access will be restricted to local traffic only. Traffic control personnel and signage will be in-place to help direct vehicles, cyclists and pedestrians through and around the work area.

Phased disruption to services in the area will occur during construction. Public Works will notify directly affected residents a minimum of 24 hours prior to any planned shut-offs. Garbage and recycling services will be maintained.

Project Location

If you have any questions or concerns please, contact Joel Upsdell at
250-475-5575 or Joel.Upsdell@saanich.ca

Thank you for your patience as we continue to work on this project.
