

Project Notification

Obed Infrastructure Upgrade Project **Harriet Rd. to Qu'Appelle St.** Notice of Construction—January 2022

What's happening?

Starting in late January, Saanich crews will be starting sewer and drain construction on Obed Avenue between Harriet Road. and Qu'Appelle Street.

Why are we doing this?

The replacement of underground infrastructure such as sanitary sewer and storm drain pipes is an on-going part of Saanich's upgrading of aging pipes. The sewer and drain in this area are in poor condition and are past their replacement dates.

Construction Impacts

During construction, work will be taking place between 8:00 am and 4:30 pm from Monday to Friday.

During these hours, Obed Avenue will be restricted to local traffic only between Harriet and Qu'Appelle. Traffic control personnel and signage will be in-place to help direct vehicles, cyclists and pedestrians through and around the work site as required.

Some properties will have their driveway inaccessible for a short period of time. Public Works staff will notify residents of these times and try to accommodate any access concerns.

Due to the amount of bedrock in the area we anticipate a significant amount of rock blasting to occur. In addition some Fortis Gas service may be interrupted for short periods of time while rock blasting is in progress. Garbage and recycling services will be maintained.

Upon the completion of the pipe replacements, Obed Avenue will be receive a new asphalt surface in this area.

Project Notification

Project Timeline

The Obed Avenue project is schedule to start in late January 2022 and it is anticipated to take approximately four months to complete.

Project Location

Obed Avenue between Harriet Road and Qu'Appelle Street as shown below.

Visit www.saanich.ca to keep up to date on project progress. If you have any questions or concerns please, contact Peter Kelly at 250-475-5575 Local 3464 or 250-920-6862

You may also contact Public Works Administration at 250-475-5599

Thank you for your patience as we continue to work on this project.
