## Portage Inlet Low Pressure Sewer Project PROJECT IMPLEMENTATION - NEXT STEPS

March 20, 2020

### Project Update—COVID-19

COVID-19 virus has been identified as a pandemic by the World Health Organization. In addition, the province of British Columbia has declared a provincial public health state of emergency. Due to these exceptional circumstances, Saanich will be engaging homeowners with alternative methods of communication in order to advance the project.

### What are the next steps?

Methods of communication will be limited to phone calls, electronic mail, and snail mail. Individual in-person meetings will be permitted in compliance with provincial Centre for Disease Control COVID-19 recommendations on social interactions. We will look at specifically engaging with individual homeowners that were not part of the previous project consultation. Subsequent updates on project progression will be provided as they become available. All homeowners are welcome to contact Saanich for any questions they may have.

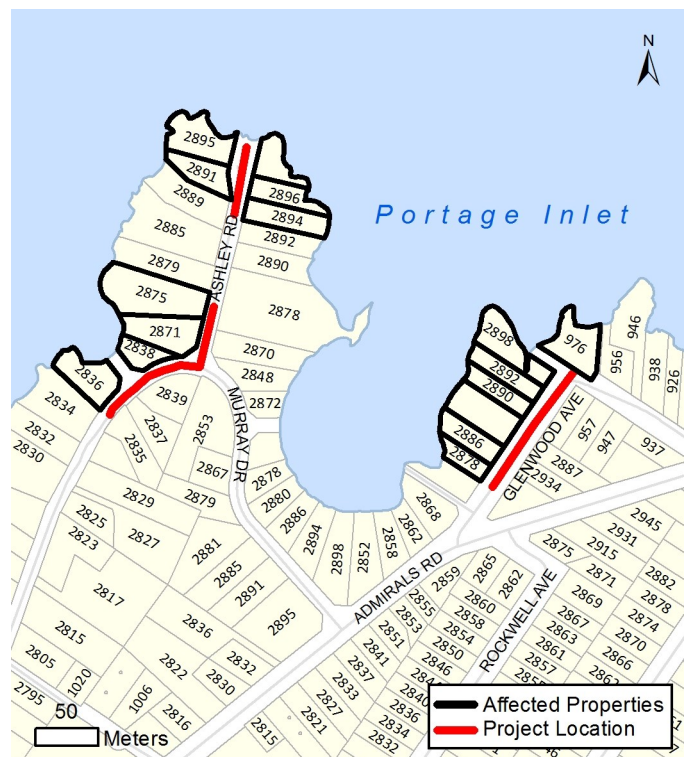

### Where can I learn more about the project?

We have dedicated a project portfolio on the Saanich website under our Current Projects section, <https://www.saanich.ca/EN/main/localgovernment/departments/engineering-department/current-projects.html#sewer>. This page contains a brief overview and discussion of the project. Project notices, Frequently Asked Questions, and other publishable project documents will also be included.

### Letter of Permission

A letter of permission is attached to this update. This letter permits Saanich and authorized contractors to enter and work on each individual property only for the purpose of this project including pre-construction inspections and construction works. Please review the letter and contact Saanich should you have any questions. We have provided a pre-stamped envelope to return the signed letter for your convenience.

### Project Location Map:

If you have any questions or concerns please, contact Joel Upsdell at  
250-475-5575 or [Joel.Upsdell@saanich.ca](mailto:Joel.Upsdell@saanich.ca)  
Thank you for your patience as we continue to work on this project.
