Portage Inlet Low Pressure Sewer Project PUBLIC INFORMATION SESSION - **CANCELED**

March 13, 2020

UPDATE: Public Information Session Canceled Project Location Map:

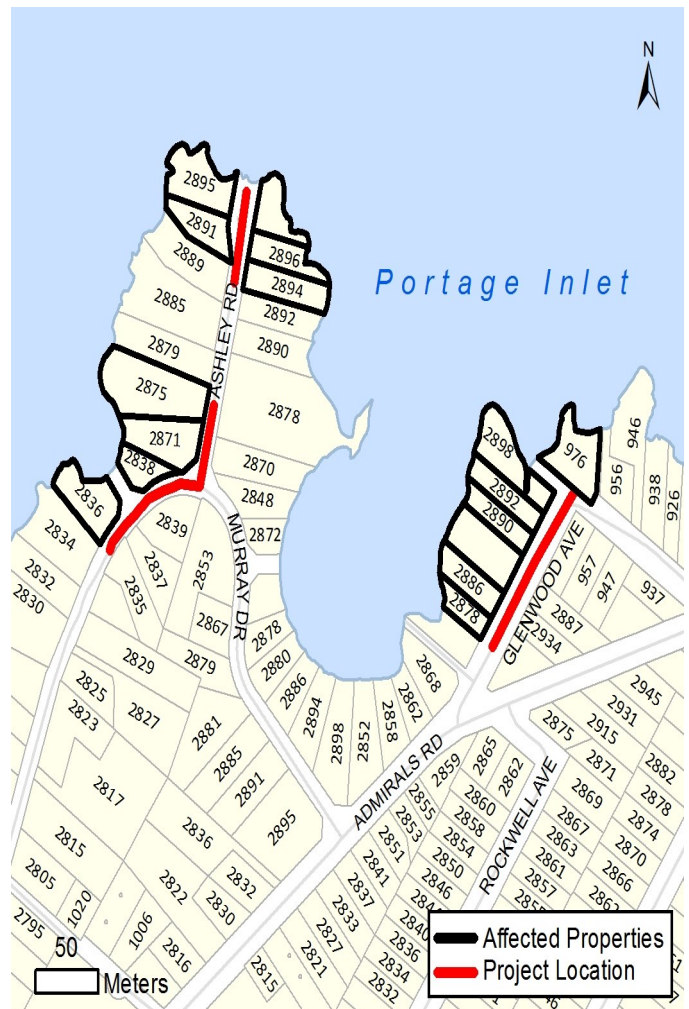

COVID-19 virus has been identified as a pandemic by the World Health Organization. As a result, Saanich is taking precautions including limiting public gatherings in the near term. We regretfully have to **CANCEL the Public Information Session** scheduled for Thursday March 19th.

What are the next steps?

Staff plan to reschedule this information session at an appropriate time in the near future. Until then, we will continue developing project plans and preparing for construction later this year. This work includes proceeding with site investigations in support of permits for construction. The affected homeowners will be individually contacted where this work is required to extend into private property. A general notice will be provided to the neighbourhood where work is planned for the roadway.

Where can I learn more about the project in the meantime?

Staff are developing a FAQ (Frequently Asked Questions) sheet for this project as several questions have already been received. A project portfolio is also being developed on the Saanich website under *Current Projects*, <https://www.saanich.ca/EN/main/local-government/departments/engineering-department/current-projects.html#sewer>. Project notices, FAQ's and any other publishable project documents will be posted there.

If you have any questions or concerns please, contact Joel Upsdell at
250-475-5575 or Joel.Upsdell@saanich.ca
Thank you for your patience as we continue to work on this project.
