Portage Inlet Low Pressure Sewer Project Project Construction Notification

June 25, 2021

Project Background

Three sanitary sewer lift stations located on Ashley Road, Murray Drive, and Glenwood Avenue are being retired. A low pressure sewer system will be installed to service the affected properties as shown in the project map. Other utility replacements will be completed.

Project Award

Saanich has awarded the project to Coast Utility Contracting Ltd. Within the next few weeks, we will be scheduling meetings with each affected homeowner to discuss the project works and schedule. This only includes those homeowners part of the low pressure system.

Upcoming Construction

Construction is anticipated from mid-July to October of this year. Minor traffic delays will be required during the work. Off-street parking may also not be available. Disruption to sanitary services in the area may occur during construction. Information regarding specific construction impacts will be provided closer to construction.

Where can I learn more about the project?

A Frequently Asked Questions and additional project background has been uploaded to the project page, <https://www.saanich.ca/EN/main/local-government/departments/engineering-department/current-projects.html#water>. Project notices, and other publishable project documents are also included at this link.
