## Tattersall Drive: Storm, Sewer, & Water Upgrades

### What's happening?

Saanich will be undertaking upgrades on Tattersall Drive from Quadra Street to Salsbury Way. The scope of the work includes the replacement of existing **storm drain, sanitary sewer, and water main** infrastructure. All services will be replaced and existing ditches will be filled in. Saanich will also be replacing a small section of the **storm drain** on Kathleen Street.

### Why are we doing this?

The existing underground infrastructure including storm drain, sanitary sewer, and water main infrastructure have reached their end of life and are required to be upgraded. New main pipes will be installed in the roadway and new service connections will be provided to each property.

### Project Location

See map below.

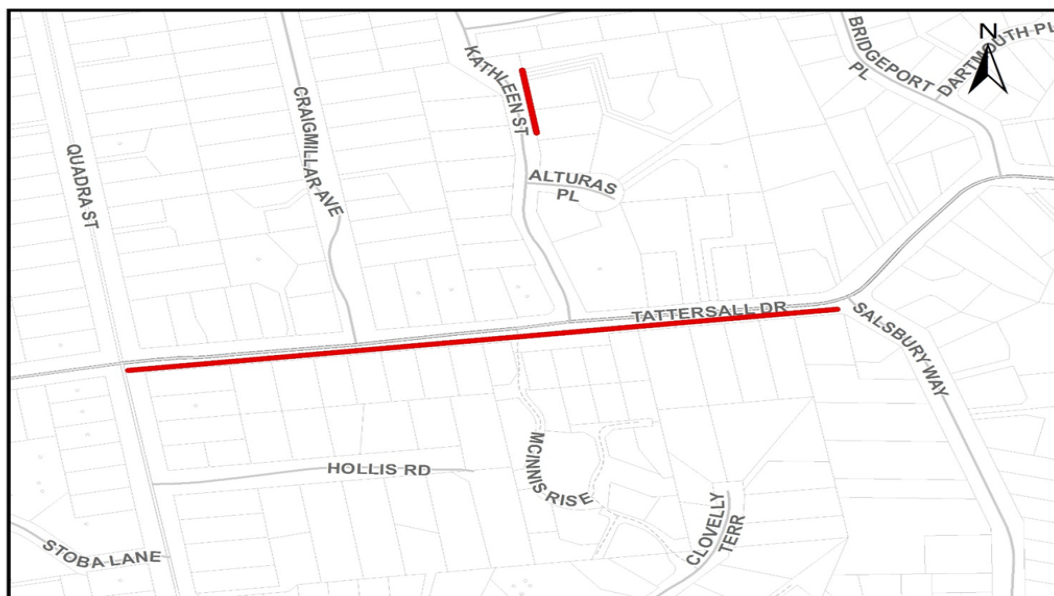

### Construction Impacts

During construction, work will take place between **8:00 am and 4:30 pm** from **Monday to Friday**. Vehicle access will be restricted to local traffic only. Minor detours may be required and will be communicated closer to the start of construction works. Traffic control personnel and signage will be in-place to help direct vehicles, cyclists, and pedestrians through and around the work areas.

Phased disruption to services in the area will occur during construction. Public Works will notify residents a minimum of 24 hours prior to any disruption of services. Garbage and recycling services will be maintained.

### Project Timeline

Construction is scheduled to start in **Early Summer 2023** and expected to complete in **Fall 2023**.

Project Location 

If you have any questions or concerns, please contact Ash Kayastha at 250-480-9046 or [ashish.kayastha@saanich.ca](mailto:ashish.kayastha@saanich.ca).

**Thank you for your patience as we continue to work on this project.**
