

# Project Notification

## Torquay Dr: Ash Rd to Longacre Dr - June 13, 2022 Notice of Construction

### What's happening?

Saanich will be replacing water main and adjoining services on Torquay Dr. from Ash Rd to Longacre Dr.

### Why are we doing this?

This water main is due for replacement as part of our annual upgrade program to remove aging water main infrastructure and reduce service interruptions.

### Construction Impacts

During construction, work will be taking place between 8:00 am and 4:00 pm from Monday to Friday. Torquay Dr. from Longacre Dr to Brymea Lane will be closed to through traffic for the duration of construction. Traffic control personnel and signage will be in place to help local residents, emergency vehicles and pedestrians through the work site as required.

Some properties will have their driveway inaccessible for a short period of time. Public Works staff will notify residents of those occasions and try to accommodate any access concerns.

Some disruption to water service in the area will occur during construction. Public Works will notify residents a minimum of 24 hours prior to any planned water shut-offs.

Garbage and recycling services will be maintained.

### Project Timeline

Construction is anticipated to begin in late June, 2022 and is expected to be completed by early September, 2022.
