Vanalman Infrastructure Upgrade project Project Update : Upcoming Construction

January 25, 2022

What's happening?

Saanich will be undertaking a drain, sanitary, water and road upgrade project on Vanalman Avenue from Mann Avenue to Commerce Circle. The scope of work includes replacement of existing **drain, sewer** and **water** mains and services. There will also be a complete **re-paving** of this section of road.

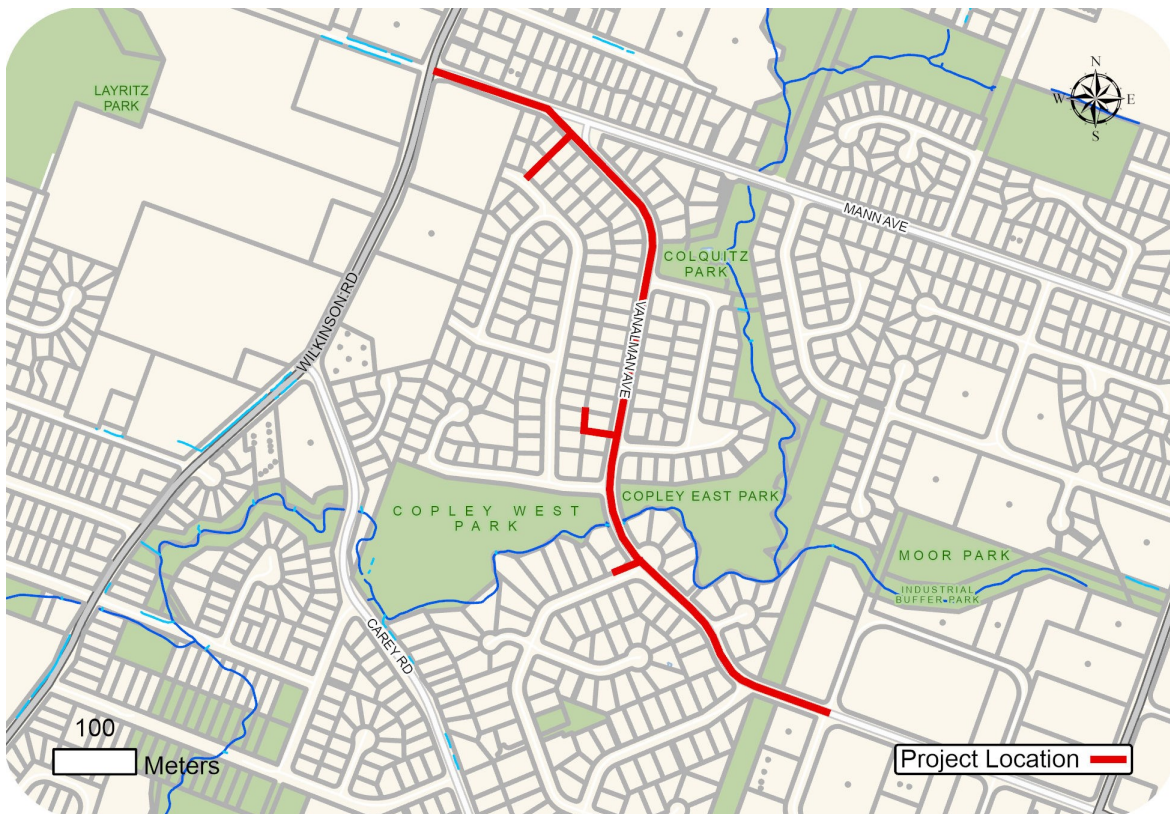

Why are we doing this?

Keeping up with future climate demands and urbanization, the District undertakes infrastructure improvement

programs as part of a proactive plan to achieve an efficient stress free distribution network. This section of Vanalman Avenue has been identified for such utility improvements.

Where are we?

The project is currently at the **tender stage** with construction anticipated to start in **May 2022**. More updates will be sent out once a Contractor is appointed and the construction schedule is confirmed.

If you have any questions or concerns please, contact Jameson Mtanga at
250-475-5575 or Jameson.Mtanga@saanich.ca.
Thank you for your patience as we continue to work on this project.
