

Saanich OPERATIONS CENTRE REDEVELOPMENT our shared future

Did you know...

the Saanich Operations Centre (SOC) has served our community for 60 years?

Our quality of life depends on:

- water for drinking and waste removal;
- transportation, including roads, traffic control and pathways for pedestrians and bicycles;
- parks, boulevards, waterways and shorelines; and
- solid waste removal.

We are redeveloping...

the site at 1040 McKenzie into an operations centre that the community can depend on.

This will create...

a template for growth and prosperity in the coming decades.
