

Saanich Engineering

Come join a fun and professional team that offers a range of opportunities

Did you know?

We offer positions for candidates with a range of experience and education.

- From entry level (labourer or building service worker), to semi-professional to professional careers, Engineering can help you start or take the next step in your career

Engineering roles are the heart of the community and jobs are really rewarding.

- We serve the public! We keep the water flowing, collect waste, clear snow after a snowfall, maintain roads, manage facilities, design and implement infrastructure projects and lots more in between!

There's room to grow here!

- Saanich offers growth and training opportunities to take you to the next level in our organization and your career.

Our job opportunities:

All our job opportunities are accessible online at saanich.ca/careers.

We offer lots of opportunities in various teams and day-to-day work is always exciting.

Water Resources

Love to design drawings, work with the community and manage projects? This team could be for you!

Public Works

This team could be a great fit for you if you are a professional driver, enjoy physical work outdoors, have experience with a skilled trade and much more!

Transportation

Do you have an interest in planning, creating safer routes to get around, and managing projects? This could be a great fit for you.

Facilities

Are you hands on? This team could be a great fit for you if you enjoy the challenge of helping others, keeping facilities running at an optimal level, or managing projects.

The District of Saanich is located on South Vancouver Island and is well known for its natural beauty as an urban, rural and coastal community.

We are committed to celebrating the rich diversity of people in our community. We are guided by the principle that embracing diversity enriches the lives of all people. We all share the responsibility for creating an equitable and inclusive community and for addressing discrimination in all forms.
