# WHAT PEOPLE APPRECIATE...

This information is a condensed description of the common/popular themes that have emerged from the online survey. This and other information will help inform and guide the development of the final plan through further discussion and consultation.

## Q7 What three things do you most appreciate about Cedar Hill Park?

### 1st Choice (most common/popular themes)

- Trails (safe, well maintained, mulch, Derby bike route)
- Greenspace and Natural Environment (open spaces, birds, wildness, Kings Pond, natural beauty , views & vistas)
- CH Golf Course and Amenities (course, clubhouse, washrooms, staff)

### 2nd Choice (most common/popular themes)

- Greenspace and Natural Environment (open spaces, birds, wildness, Kings Pond, natural beauty , views & vistas)
- Trails (safe, well maintained, mulch, Derby bike route)
- CH Recreation Centre and Amenities (programs, variety, building, café, staff)

### 3rd Choice (most common/popular themes)

- Greenspace and Natural Environment (open spaces, birds, wildness, Kings Pond, natural beauty , views & vistas)
- CH Golf Course and Amenities (course, clubhouse, washrooms, staff)
- Trails (safe, well maintained, mulch, Derby bike route)

## Q5 The following are a possible set of key values to help inform the future of the park. How do you support these values? Rate 1 to 4 (1 = DO NOT SUPPORT and 4 = STRONGLY SUPPORT)

## Q6 What other values do you think should inform the future of the park? (most common/popular themes)

- Retain and enhance natural areas and provide nature education
- Ensure park is for all ages
- Enhance sports/recreation facilities & programs

## Q13 Imagine your ideal Vision for Cedar Hill Park in the year 2035. What would it be like? (most common/popular themes)

- Natural areas have been enlarged, restored and enhanced
- There are a variety of outdoor activities and amenities for all ages
- More recreation amenities are located in the park

# THE GENERAL OPINION WAS...

Q12 Do you have any ideas regarding the following areas?

**Baseball Diamonds**  
(most common/popular themes)

- Under-used/re-use space for other activities
- Status Quo - okay as is
- Upgrade the baseball fields and publicize their use

**Mowed Field on Hill**  
below historical 'McRae House'  
(most common/popular themes)

- Status Quo – leave as is (no upgrades)
- Restore area and use for nature education
- Utilize for gathering space for community

**Parking Areas on Queensbury**  
(Kings Pond)  
(most common/popular themes)

- Status Quo - leave it as is (no upgrades)
- Improve parking layout and amenities

**Parking Areas off Finlayson**  
(most common/popular themes)

- Status Quo – leave as is (no upgrades)
- Re-use space for other activities
- Upgrade area and make improvements

**Kings Pond**  
(most common/popular themes)

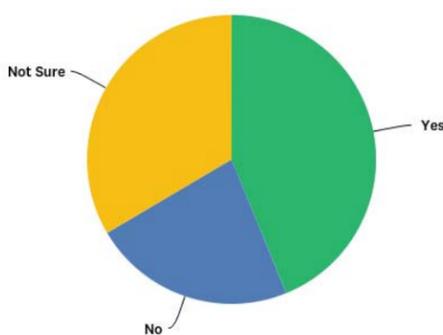

- Maintenance required
- Improve amenities
- Restore the area

**Q15 . What ideas do you have regarding pedestrian/cycling connections in the park?**  
(most common/popular themes)

- Enhance the separation of cycling route from Golf course and pedestrians
- Create/enhance bicycle routes in and around the park
- Keep chip trail for pedestrians only

Q14 Do you feel pedestrian/cycling connections could be improved in the park?

Answered: 445 Skipped: 160

**Q17 Cedar Hill Recreation Centre is a key facility in the park. It strives to meet current demand for services and programs. In the future, improvements in and around the facility (e.g., better pedestrian connections or improved program areas) may be required. Do you have any comments or ideas about this?**  
(most common/popular themes)

- None – like it as it is
- Improve connections in and around the recreation centre and improve outdoor amenities surrounding it
- Develop more space for programs in the Recreation Centre

# ROOM FOR IMPROVEMENT...

**Q16 What are your ideas for making accessibility improvements and features in the park (for those in wheelchairs or with mobility challenges)?**

(most common/popular themes)

- Create accessible trails to areas of high interest
- Resurface and widen Pathways
- Ensure features are designed for those with mobility challenges

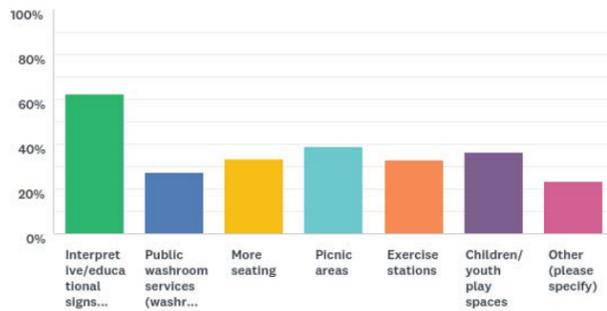

**Q18 Cedar Hill Park contains beautiful natural areas, which volunteers work hard at restoring. What else could be done to improve the conservation and restoration of the Garry Oak Ecosystems and Natural areas in the park?**

(most common/popular themes)

- Focus on restoration and planting of native plants
- Keep the status quo – happy with work of volunteers and how natural areas are managed.
- Saanich to commit more resources to this function of the park

**Q19 Are there additional features around the perimeter trail you'd like to see? (check all that apply)**

Answered: 396 Skipped: 209

**Q20 Do you have any other comments or concerns about Cedar Hill Park?**

(most common/popular themes)

- No – like it as it is
- Keep it natural (protect existing natural areas)
- Use under-utilized areas to create community amenities

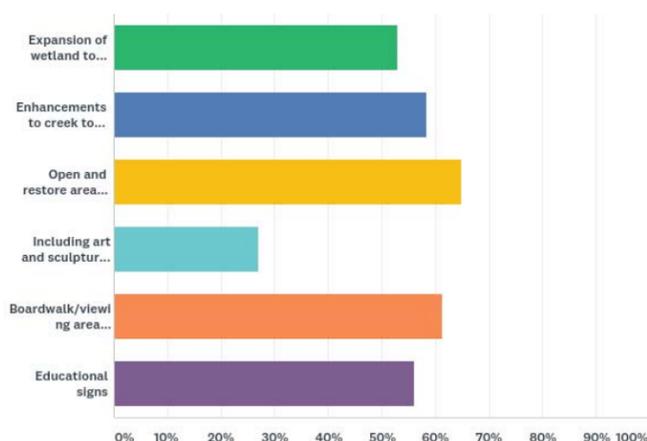

**Q9 Is there anything you'd like to do in the park which you currently cannot do?**

(most common/popular themes)

- Nothing - like it as is
- Play in a Playground or in other play spaces for Children and Youth
- Outdoor racquet sport opportunities such as tennis or Pickleball
- Bicycle on bicycle paths

**Q10 Reach 17, a tributary of Bowker Creek, flows through the park. Which of the following enhancement/restoration efforts would you like to see for Reach 17? (check all that apply)**

Answered: 441 Skipped: 164

**Q11 Do you have any other comments or concerns about Bowker Creek 'Reach 17'?**

(most common/popular themes)

- Support for ecological restoration
- Support for educational programming and signage
- Would like to ensure that the creek is well maintained, is clean and that pollution runoff is controlled

# WHAT YOUTH TOLD US...

These are the ideas that students from Cedar Hill Middle school shared with US...

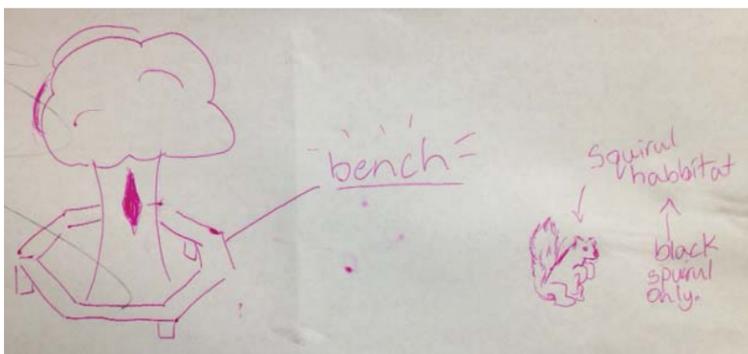

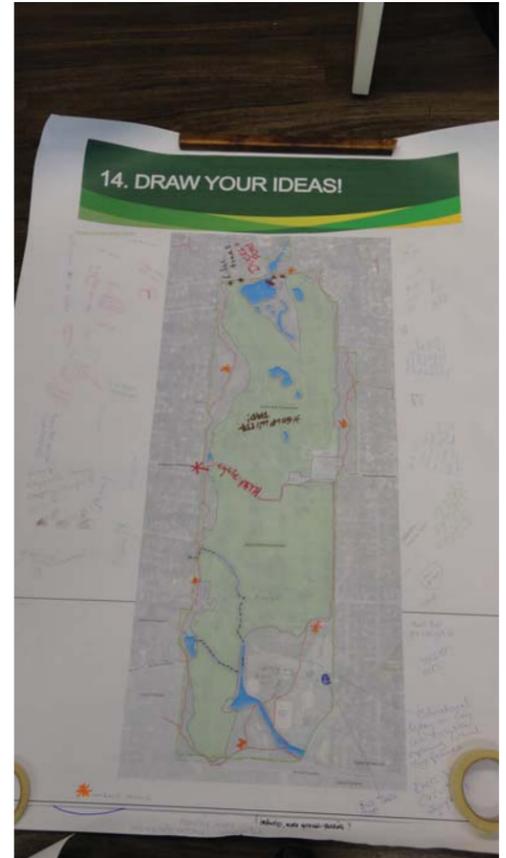

#### Park Amenities to consider:

- Zipline (down the hill)
- Mini golf
- Disc Golf
- Bike skills course (Hard core biking)
- Nature base obstacle course
- Nature Park
- Trampoline park
- Climbing Wall
- Giant Slip and Slide
- Bike Skiing
- More Benches
- Sport Court (basketball and hockey)
- Playground (for young kids ages 3 to 7 and older kids ages 8 to 13/at North end of the park)
- Gazebo
- Fountain
- Book Box ('natural')
- Tree Walk
- Another bridge over the creek
- Hammock in trees
- Tree house/tree climbing
- Splash Pad/spray park
- Dog Park
- Community Gardens
- Skate park (wooden)
- Fitness equipment (gymnastics bars/around the trail)
- Bench around the base of a tree (like at Lake Hill elementary)
- Multi-purpose fields
- Soccer nets

#### Facilities to consider:

- Sports Arena (soccer, tennis, basketball)
- Food places (ones that appeal to kids – Fastfood or Natural foods)
- Remove Golf
- Dance Studio in Recreation Centre
- Cemetary (instead of golf Course?)
- Small array of shops/mall
- Homeless Shelter
- Theatre
- Boat Rental at Kings Pond
- Nature Centre at Kings Pond
- More washrooms (clean)
- Cycling trails
- Fishing in the ponds/more ponds
- Golf
- Tennis courts
- Play/Equipment box near fields
- Bike Rack at Clubhouse
- More gravel paths for bikes (chips get caught in socks and spokes)
- Petting zoo

#### Natural Areas:

- More native plants
- Black Squirrel habitat
- Protect Nature, nature, nature
- Clean up area around Kings Pond

#### Programs to Consider:

- Challenging Treasure Hunts
- Close the golf course for ½ day and open for fun games like a scavenger hunt
- Golf with Dad
- Geocaching
- Sledding in the winter
- Nature walks/education
