

# Q1 How often do you visit the Park?

Answered: 596 Skipped: 9

ANSWER CHOICES	RESPONSES	
Daily	25.34%	151
Weekly	44.13%	263
Monthly	16.44%	98
Seasonally	13.59%	81
Never been to the Park	0.50%	3
<b>TOTAL</b>		<b>596</b>

## Q2 How much time, per visit, do you typically spend in the Park?

Answered: 591 Skipped: 14

ANSWER CHOICES	RESPONSES	
Under 1 hour	38.07%	225
1 to 2 hours	44.67%	264
More than 2 hours	17.26%	102
TOTAL		591

**Q3 What activities bring you to the park throughout the year? (please check all that apply)**

Answered: 587 Skipped: 18

Baseball/Softball	3.07%	18
Birdwatching	18.06%	106
Coffee/Snack/Meal at Golf Clubhouse	21.12%	124
Coffee/Snack/Meal at Rec Centre	0.34%	2
Community Meetings	12.95%	76
Golf - playing a round	25.04%	147
Golf lessons	5.62%	33
Passing through/community on foot (East/West connection)	18.57%	109
Passing through/community on bicycle (East/West connection)	18.91%	111
Photography	12.10%	71
Recreation Centre Programs or Facilities	40.03%	235
Running/Jogging	24.53%	144
Visiting the Arts Centre at Cedar Hill	25.38%	149
Visiting King's Pond (duck pond)	37.31%	219
Volunteering with the Pulling Together Program	3.75%	22
Walking (with dog)	25.04%	147
Walking (without dog)	65.42%	384
Walking (with stroller/walker, etc.)	16.87%	99
Saanich Volunteer Services	2.04%	12
Total Respondents: 587		

#	OTHER (PLEASE SPECIFY)	DATE
1	Squash	8/21/2017 3:56 PM
2	Note: I actually run the course 3 times a week but none of your categories under "How often do you visit the park?" captures this.	8/6/2017 10:44 AM
3	picking berries	8/5/2017 5:36 PM
4	live beside King's Pond	8/2/2017 10:10 AM
5	gymnastics/soccer	8/2/2017 9:21 AM
6	putting green	8/2/2017 9:11 AM
7	Volunteer Leader for Walk & Talk with Diabetes Canada	7/29/2017 5:24 AM
8	I walk around the chip trip once to three times a week, with my husband, and with friends for a great combination of socializing and exercise. I have done this ever since we moved to the area, which is now 14 years. It's great to have the trail for walking and running.	7/27/2017 8:20 AM
9	Pickleball events such as tournaments	7/17/2017 11:16 AM
10	We're there more than once a week but not daily. Usually 3x weekly.	7/15/2017 1:34 PM
11	Ducks	7/15/2017 11:20 AM
12	I normally play three rounds of golf per week as a member of the Cedar Hill Golf Club. I would prefer to be able to get breakfast at the restaurant Saturday and Sunday if it was open by 7am on the weekends.	7/13/2017 5:17 PM
13	Walking with dog	7/4/2017 6:27 PM

14	I wish I were going to the Clubhouse for coffee but I'm not... I continue to wish for a viable coffee shop in that beautiful space, with a barista who actually made lattes (please, no automatic machines!), and delicious fresh baked goods. Or a lunch place with fresh wholesome food. I hear golfers complaining about that non- restaurant all the time.	7/4/2017 4:02 PM
15	Observation of ecosystem and biospheric elements (including flora, fauna, rocks, soil, water, wind), life cycles, changing the biosphere over seasons, listening, sitting quietly, contemplating the past and future of the ecosystem in the area, thinking about and imagining pre-colonial and pre-human life in the area.	7/4/2017 11:59 AM
16	nature appreciation	6/28/2017 4:15 PM
17	Play special Olympics softball there	6/28/2017 12:33 PM
18	I live 5 minutes away and have never been to the park.	6/24/2017 7:13 AM
19	Just to get out and enjoy nature	6/22/2017 7:30 PM
20	Walking accounts for 99 percent of my time in the park; I have also enjoyed visiting the arts centre and am dependent on the rec centre and golf club for the use of their facilities five or six times a month	6/19/2017 1:26 PM
21	Sketching	6/19/2017 11:18 AM
22	tobogganing	6/18/2017 8:24 AM
23	Leave the park alone, give it back to First Nations.	6/17/2017 9:08 PM
24	Walk around Cedar Hill with my kids.	6/17/2017 8:18 PM
25	Our kids attend lessons at the rec centre, we visit the ducks at kings pond and we often walk the chip trail. We love it!	6/17/2017 7:09 PM
26	Meeting up with other friends and their kids to enjoy the park	6/17/2017 9:29 AM
27	Duck Pond!	6/17/2017 7:27 AM
28	Stargazing Snow games Berry Picking	6/16/2017 9:58 AM
29	Foot golf	6/15/2017 10:57 AM
30	Annual meeting dinner.	6/15/2017 10:48 AM
31	Enjoying wide vistas and green space.	6/15/2017 10:37 AM
32	I'm a 66 year old female senior who walks the chip trail for 1 hour and a half, 4 to 5 times a week. I earnestly hope the trail remains the way it is today. The trail is so well maintained with fresh cedar chips being added regularly. It's one of a very few places in Victoria where I feel safe walking at any time of day.	6/15/2017 8:03 AM
33	Work in the park. Employed by the golf course.	6/15/2017 7:41 AM
34	Tobogganing! We did this several times this past winter, and even went skating once. We also enjoy sitting on the various benches around the loop trail.	6/14/2017 8:52 PM
35	accompany young grandchildren to and from Doncaster School, daily, both directions, from their home on Maplewood Road side of golf course.	6/14/2017 8:41 PM
36	Walk the full chip trail several times a week...not every day of the week	6/14/2017 3:46 PM
37	plein air painting	6/14/2017 1:08 PM
38	work	6/14/2017 11:38 AM
39	nature walks with community members and students	6/14/2017 9:41 AM
40	Tennis	6/13/2017 7:29 PM
41	Tennis courts	6/13/2017 3:39 PM
42	TENNIS	6/13/2017 12:49 PM
43	Volunteering with the Greater Victoria Green Team once to twice per year. Also visiting park when I visit the Recreation Centre.	6/12/2017 10:36 PM
44	Tennis	6/11/2017 9:56 PM

45	Park offers the opportunity to get out in nature... to see wildlife, the amazing landscape, the vast array of flowers, shrubs, trees. It's a fantastic natural asset and environment for Saanich. It's a wonderful social asset... great to meet people.	6/11/2017 12:32 PM
46	Park offers the opportunity to get out in nature... to see wildlife, the amazing landscape, the vast array of flowers, shrubs, trees. It's a fantastic natural asset and environment for Saanich. It's a wonderful social asset... great to meet people.	6/11/2017 12:31 PM
47	Park offers the opportunity to get out in nature... to see wildlife, the amazing landscape, the vast array of flowers, shrubs, trees. It's a fantastic natural asset and environment for Saanich. It's a wonderful social asset... great to meet people.	6/11/2017 10:53 AM
48	Geocaching	6/10/2017 8:06 PM
49	Volunteering with Friends of Cedar Hill Park.	6/9/2017 7:36 PM
50	meetings at the rec centre in the cafeteria	6/9/2017 1:36 PM
51	Bowker Creek cleanup	6/9/2017 10:35 AM

## Q4 How do you typically get to the park?

Answered: 591 Skipped: 14

ANSWER CHOICES	RESPONSES	
Walk	44.33%	262
Bicycle	6.09%	36
Drive (vehicle, motorcycle, etc.)	48.22%	285
Public Transit	1.35%	8
<b>TOTAL</b>		<b>591</b>

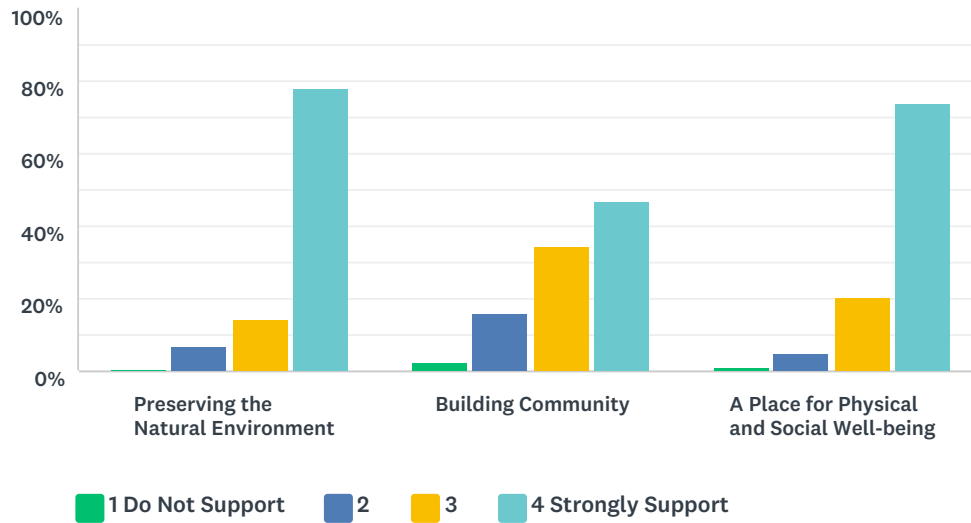

#	OTHER (PLEASE SPECIFY)	DATE
1	But drive if golfing to carry clubs and cart.	8/7/2017 6:31 AM
2	I also skied over last winter!	8/6/2017 10:44 AM
3	Mostly walking, but i bike as well, to or thru, at Derby and other spots.	7/31/2017 9:50 PM
4	Also drive	7/22/2017 7:36 AM
5	Also sometimes drive to golf course car park	7/4/2017 3:57 PM
6	When biking to area east of the park, I take the side streets and use the park connector or the upper half mile of the trail above the Club House, always yielding to pedestrians as I recognize this is primarily a walking and jogging trail - but it saves me some killer hills:))))	6/30/2017 9:47 PM
7	Jog/run	6/26/2017 12:07 PM
8	Walk, bike and drive	6/26/2017 11:36 AM
9	I drive by it	6/24/2017 7:13 AM
10	I drive to Pilates class but walk there if going to walk the trail.	6/23/2017 6:56 AM
11	I walk or use public transit. I am new to BC having just arrived from the Montreal area. Green spaces and climate along with family members already established in the area brought me here. Love it so far. I am an avid walker and golfer	6/19/2017 9:42 PM
12	or bike	6/19/2017 10:40 AM
13	Leave the park alone, give it back to First Nations.	6/17/2017 9:08 PM

14	varies between car and bicycle	6/15/2017 6:51 PM
15	Walk with dog, drive to rec program	6/15/2017 10:30 AM
16	Visit parents who live on Doncaster and then walk over.+	6/15/2017 9:44 AM
17	walk or drive, depending on weather and activity	6/15/2017 7:25 AM
18	Varies - all of these options	6/15/2017 6:57 AM
19	Sometimes walk, sometimes drive.	6/14/2017 6:03 PM
20	Sometimes drive and park at Kings Pond	6/14/2017 3:46 PM
21	Mobility scooter	6/14/2017 12:23 AM
22	often walk as well	6/13/2017 3:08 PM
23	Walk (could only select one above, but I walk or cycle)	6/9/2017 2:49 AM
24	Also by bicycle	6/8/2017 6:28 PM

**Q5 The following are a possible set of key values to help inform the future of the park. How do you support these values? Rate 1 to 4 (1 = DO NOT SUPPORT and 4 = STRONGLY SUPPORT)**

Answered: 522 Skipped: 83

	1 DO NOT SUPPORT	2	3	4 STRONGLY SUPPORT	TOTAL
Preserving the Natural Environment	0.58% 3	6.76% 35	14.48% 75	78.19% 405	518
Building Community	2.59% 13	15.94% 80	34.26% 172	47.21% 237	502
A Place for Physical and Social Well-being	0.78% 4	4.87% 25	20.47% 105	73.88% 379	513

## Q6 What other values do you think should form the future of the park?

Answered: 158 Skipped: 447

#	RESPONSES	DATE
1	Quiet enjoyment includes loud voices in the early morning. No cycling enforcement. Protection of bird sanctuary from traffic. We lose about 10 ducks to traffic annually.	9/6/2017 11:01 AM
2	Serenity. Respect for others - some golfers make the air blue with their bad language and shouting.	9/6/2017 10:54 AM
3	Recognize that natural ecosystems change and evolve overtime...don't try to make them static.	8/21/2017 3:58 PM
4	The park is a great community asset	8/21/2017 3:50 PM
5	Not EDPA. #1 point not good w/o background...is golf part of natural environment? Park is for people and Environmental Sensitive Areas are not primary in defining what the park should be--not that the environmental component cannot be accommodated.	8/21/2017 3:37 PM
6	Less is better. Please don't think that it needs huge upgrades, etc. The natural environment is the charm at times. Saanich seems to go over the top with upgrades (i.e., washrooms @ Gorge Park which are lovely but very expensive; unfunctional for events as only 2 washrooms for women, etc.). Keep it simple and functional.	8/9/2017 2:55 PM
7	A place of serenity	8/7/2017 12:49 PM
8	A greater focus on restoring the Garry oak ecosystem and providing opportunities for a broader range of activities than just golfing. Less focus on golfing and less use of fertilizers and pesticides and gas-powered machines to keep the greens.	8/6/2017 10:58 AM
9	ENHANCING the natural environment	8/6/2017 10:26 AM
10	protect ecosystem (Garry Oaks), protect wildlife, don't take out any more nature, add space to park if possible	8/5/2017 5:40 PM
11	A place for community gatherings.	8/5/2017 8:43 AM
12	Do not sell off any land or provide for encroachment by development.	8/4/2017 8:50 PM
13	accessibility	8/3/2017 9:36 AM
14	Increase the health of the Natural Environment Mitigate effects of climate change--more trees	8/2/2017 11:47 AM
15	gathering place for community	8/2/2017 11:40 AM
16	Mixed use--broad community use (not golf)	8/2/2017 11:21 AM
17	Natural beauty --no housing Preserve the natural birds, flowers and waterfowl	8/2/2017 11:11 AM
18	To make sure areas are kept garbage free.	8/2/2017 10:48 AM
19	family-friendly/multi-age, playground/pool?	8/2/2017 9:13 AM
20	A neighbourhood green space, accessible and welcome to all, play space for children and families.	7/31/2017 9:59 PM
21	If by community you mean providing space for kids and families and seniors, then 4. what does "A Place for Physical and Social Well-being" mean? If this is indoor sports facilities, yoga classes, Tai Chi, etc, then 4.	7/30/2017 11:26 AM
22	a place to encourage family gatherings	7/29/2017 7:53 AM
23	Cycling paths.	7/29/2017 7:40 AM
24	More free events to encourage social networking and physical activity.	7/29/2017 5:31 AM
25	Get rid of the golf players.	7/28/2017 4:31 PM
26	food security - the area where the baseball diamonds are right now should be turned into a permanent food forest.	7/28/2017 3:05 PM

27	I would like the park to stay just as it is - a quiet, beautiful area where you can for a walk or run and hear the birds, be surrounded by nature.	7/27/2017 8:23 AM
28	Nature programs for the schools. Safe bike areas for kids	7/27/2017 12:59 AM
29	Connections	7/26/2017 9:15 PM
30	All ages and abilities access	7/26/2017 11:48 AM
31	Multi-use - I love how its integrated w/ golf course. The diversity of the park is its strength.	7/24/2017 9:30 AM
32	Golf courses aren't the natural environment. It's a giant waste of space and money that should be converted to something more useful.	7/19/2017 1:20 PM
33	less emphasis on golf and more on multi purpose community use, e.g. playgrounds, nature and trees, and walking paths.	7/19/2017 11:22 AM
34	Fun free things for new parents and for children. Evening/night events	7/18/2017 11:15 AM
35	Engaging seniors, in particular, in sporting activity such as Pickleball	7/17/2017 11:19 AM
36	Physical fitness stations	7/17/2017 7:13 AM
37	Usable for all family members Seniors, adults, children, dogs,	7/16/2017 1:28 PM
38	We need a community centre hub, for ino or & outdoor activities. Markets, festivals etc.	7/15/2017 3:45 PM
39	Make good use of the clubhouse by turning the upstairs into an excellent, contemporary coffee/wine bar with entertainment similar to that at Cafe Fantastico. Make better use of outdoor baseball field space when it isn't being used for baseball. Have outdoor concerts and outdoor summer events. Put a second story on the rec centre and add a community centre with more meeting rooms and extended classes similar to the offerings through the Oak Bay system. Build a community garden on the property if soil conditions are suitable. Saanich needs to complete bike lanes and sidewalks linking residents to Cedar Hill Park and Rec Centre so that fewer people drive there. Cedar Hill Road needs good sidewalk and safe bike lanes on both sides of the street...also more crosswalks. The neighbourhood needs to link up with the rec centre and park.	7/15/2017 1:51 PM
40	The above three cover what I value	7/14/2017 10:25 PM
41	Outside kiosk area for snacks and drinks. Washroom.	7/13/2017 9:34 PM
42	Natural retreat from urban life for citizens	7/13/2017 9:13 PM
43	Ensuring that saanich seniors continue to get their exercise, socializing with others and enjoying a round of golf with their friends. Certainly saves on medical expenses when one is healthy.	7/13/2017 9:12 PM
44	The main centre of the park for me is the golf course and I wish the restaurant was more functional.	7/13/2017 5:28 PM
45	a place where Saanich residents can recreate	7/13/2017 4:47 PM
46	Interpretation/education about the importance of green space and "wild" areas not filled with buildings and about local animals, plants and the inter-dependency of people, animals and green space.	7/11/2017 2:36 PM
47	Philosophically, Saanich should recognize that golf is an important recreational and wellness activity, and Council should stop insisting that it be completely self-supporting. The Rec Centres all receive substantial subsidy...why none for golf?	7/11/2017 12:31 PM
48	Sustainability	7/7/2017 8:20 AM
49	Better food	7/6/2017 7:16 PM
50	Supporting pollinators	7/4/2017 10:10 PM
51	Honesty....from those involved in its future. i have been following the island view park fiasco	7/4/2017 6:30 PM
52	Creating beauty. There was once a gardener who created stunning displays. It's getting leaner and sadder. Glad that the Victoria hanging baskets are still being displayed though!	7/4/2017 4:23 PM
53	Reconciliation with indigenous peoples Education on ecosystem health	7/4/2017 12:02 PM
54	Disc golf	7/4/2017 7:22 AM
55	Accessibility	7/2/2017 5:46 PM

56	Enhancing/maintaining Saanich's tree canopy, especially native species such as arbutus and Garry oak	7/2/2017 5:37 PM
57	Preservation of natural habitat, Garry Oak ecosystem with potential for teaching younger generations to do same. It would be lovely for small, single-day events as long as these events do not interrupt frog mating, bird migration, etc. For example, celebrating the arrival of Syrian families to Saanich; a one-off music performance	7/2/2017 8:48 AM
58	Preserve this space for future generations	7/2/2017 7:23 AM
59	Like focus on the natural environment as we have so little Garry Oak Meadow left.	6/30/2017 9:55 PM
60	Safety and inclusiveness.	6/28/2017 10:01 AM
61	community gardens	6/26/2017 11:38 AM
62	Garry oak conservation	6/26/2017 11:00 AM
63	Recognizing First Nations history and values (earth.nature, etc)	6/25/2017 1:36 PM
64	Inclusiveness	6/24/2017 2:09 PM
65	The ecology of the natural landscape should be foremost in any plans	6/24/2017 7:14 AM
66	Sustainability. Educational gardens would be wonderful. The flora signs are great, a few along the trail to point them out would be nice.	6/23/2017 7:06 AM
67	A place for all ages	6/22/2017 7:33 PM
68	Safety: out of control off-leash dogs are an issue (chasing wildlife and charging up to walkers/pedestrians)	6/22/2017 2:28 PM
69	Allowing dogs to be walked off-leash in some areas of the trail.	6/22/2017 12:10 PM
70	More community events.	6/21/2017 8:13 PM
71	Respect for the natural surrounding (animal and plant life).	6/21/2017 1:30 PM
72	services for all age groups	6/21/2017 7:58 AM
73	Easy access for all users	6/20/2017 3:17 PM
74	Accessibility for the handicapped or physically disabled. Concerts in the park in the evenings during the summer and indoor concerts in the other seasons	6/19/2017 9:46 PM
75	NO more building on site....	6/19/2017 3:38 PM
76	When it is possible, a return to native vegetation (removal of ivy as well as as of broom, in particular; other introduced vegetation might be removed after that). And preservation of a simple combination of trails and bush. No further building on or near the park. (Do not develop all available property close to the park!)	6/19/2017 1:30 PM
77	keep looking ahead a few generations, assume increased urban density = increased value in preserving inner city natural space	6/19/2017 10:40 AM
78	Continued balance between protecting natural values and providing recreational facilities	6/19/2017 10:33 AM
79	Restoration of the natural environment. Planting many oak trees and other native trees - creating a demonstration Garry oak meadow restoration program to instruct residents and possibly to have a camas harvesting area.	6/19/2017 7:58 AM
80	transportation connector	6/18/2017 8:26 AM
81	Multi-use space	6/18/2017 7:34 AM
82	Plant more trees to pickup CO2!	6/17/2017 9:26 PM
83	Leave the park alone, give it back to First Nations.	6/17/2017 9:09 PM
84	Safe for both dog-loving and dog-averse	6/17/2017 8:55 PM
85	Families. Play area for kids.	6/17/2017 8:23 PM
86	mix of preserving environment and encouraging sports / recreation	6/17/2017 1:40 PM
87	Family friendly	6/17/2017 1:21 PM

88	Don't money-around too much with something that isn't broken.	6/17/2017 9:30 AM
89	Natural habitat	6/17/2017 8:11 AM
90	I really love the concept of a library facility integrated at the recreation centres!	6/17/2017 7:38 AM
91	Include multigenerational	6/17/2017 6:50 AM
92	safety	6/16/2017 5:58 PM
93	Remain a place of relative solitude and quiet. No bicycles,dogs on leash,a [place of no conflict.	6/16/2017 11:36 AM
94	keep areas undeveloped for possible future food production	6/16/2017 11:07 AM
95	accessibility	6/16/2017 8:22 AM
96	Something for every age group. A gathering/meeting place for community.	6/15/2017 9:49 PM
97	It should also remain an excellent place to walk a dog. On the rare occasions we have snow, children should be able to sledge there.	6/15/2017 9:16 PM
98	Incorporating activities that will bring more youth into the park.	6/15/2017 7:07 PM
99	Enjoying Nature is a form of community and social Well-Being so not sure what you mean by these questions.	6/15/2017 11:32 AM
100	Family-based activities	6/15/2017 11:04 AM
101	More natural areas.	6/15/2017 10:55 AM
102	Keep it green, keep it natural-looking, leave it alone as much as possible. Resist any new permanent structures, pavement or "hard-scape".	6/15/2017 10:46 AM
103	public access to trails	6/15/2017 10:23 AM
104	maintenance of public green space. Inclusion of an outdoor playground/ activities for young children to support and draw young families to the area.	6/15/2017 10:05 AM
105	Restoring it to it's original habitat.	6/15/2017 9:56 AM
106	Protect it from the rampant housing development that is encroaching on its edges.	6/15/2017 9:44 AM
107	Day and night use.	6/15/2017 8:24 AM
108	Preserve it in it's current natural state	6/15/2017 8:14 AM
109	Leave things as they are in their current natural state	6/15/2017 8:11 AM
110	Safety for all visitors.	6/15/2017 8:05 AM
111	Incorporate cycling as part of the park by allowing bikes to commute on portions of the trail	6/15/2017 6:16 AM
112	climate change/environmental awareness	6/15/2017 5:23 AM
113	A place for families, a place for recreation.	6/14/2017 8:59 PM
114	More emphasis on education about the indigenous use of this land, prior to contact with incoming settlers. For example, try to retain, and perhaps expand, (and certainly tell about) some particular examples of long-ago indigenous use of this area, (eg. controlled burning of underbrush, in particular areas of this park, to control its growth and also to allow cultivation and harvesting of certain foods important in the local indigenous diet, such as Camas bulbs).	6/14/2017 8:54 PM
115	We have been walking the chip trail for over 30 years	6/14/2017 6:08 PM
116	Larger gym &more indoor courts,replace ball diamond with pickleball courts;	6/14/2017 6:01 PM
117	Children's outdoor play area needed	6/14/2017 5:11 PM
118	Preserving open spaces which will grow in importance as our population continues to grow.	6/14/2017 3:55 PM
119	Restoring the natural environment.	6/14/2017 2:41 PM
120	I believe we should keep access to the park and restore areas of the natural environment that need assistance while maintaining areas that are in better shape. I would limit the construction of play or other facilities if they impact the natural environment.	6/14/2017 2:34 PM
121	non-commercial social activities (via parks & rec)	6/14/2017 1:17 PM

122	Non commercial programs through parks and rec.	6/14/2017 1:11 PM
123	demonstration of ecological restoration;	6/14/2017 9:46 AM
124	Child friendly	6/14/2017 6:43 AM
125	Physical scivity	6/13/2017 7:33 PM
126	Legacy for our future generations - open green space, - a place to view the night sky	6/13/2017 2:41 PM
127	Children's and families area.	6/13/2017 1:38 PM
128	Municipality being pro-active for "well-being" facilities and services	6/13/2017 12:52 PM
129	Meeting the needs of a diverse community, and NOT the political agendas of Saanich council members	6/13/2017 12:45 PM
130	Preservation and conservation of native species	6/12/2017 8:19 PM
131	Better softball fields	6/12/2017 1:06 PM
132	I chose 3 (and not 4) for Preserving the Nat.Environment because I don't believe it should all be left to simply grow over. Eg King's Pond has a very long shoreline and so not all of it needs to be left totally natural and grown over. Please remove growth along the viewing area for ease of children to safely look out and for the neglected benches to be put into proper use again. (And wherever benches are not being used due to growth...please respect the donors and keep them attractive and usable.)	6/12/2017 1:06 PM
133	An emphasis on active physical fitness.	6/11/2017 9:58 PM
134	Understanding that everyone can enjoy the space - the golf course is such a gem and I would hate to see it closed.	6/11/2017 8:52 PM
135	Gathering place for social time Nature educaton	6/11/2017 7:47 PM
136	For future generations. Conserve and restore. Balance of natural, recreation and 'as built" infrastructure. Strive for excellence of community engagement. The unique nature of the landscape (trees, wildlife, plants, shrubs, two watersheds, wetlands). Such areas in a suburban setting are rare ... this is all we have. Future growth and climate change will place increasing value and pressure on this and other parks.	6/11/2017 12:57 PM
137	Access to popular recreation facilities in central greater Victoria aligned with the official community plan	6/11/2017 8:04 AM
138	Family friendly activities	6/10/2017 3:22 PM
139	Financially sustainable.	6/10/2017 11:47 AM
140	Preserve some quiet places in the city for solitude and escape from traffic noise and crowds	6/10/2017 9:00 AM
141	Bird habitat	6/10/2017 8:35 AM
142	Education about the local environment	6/9/2017 9:52 PM
143	Family Bonding / Activities, Getting kids outside and enjoying nature	6/9/2017 8:46 PM
144	Provide community access	6/9/2017 8:12 PM
145	a place for children and parents	6/9/2017 8:08 PM
146	Leaving open, green space that is not ruined with further development, a building or pavement	6/9/2017 5:14 PM
147	Support expansion of Cedar Hill Rec Centre.	6/9/2017 4:16 PM
148	being able to support future population growth in saanich and the region.	6/9/2017 12:22 PM
149	wetland and riparian area maintenance / migratory bird sanctuary	6/9/2017 10:40 AM
150	We loved the full restaurant service that existed at the clubhouse. I'm not sure what is going on there now, but I would love to have breakfast there again!	6/9/2017 9:53 AM
151	A place for socializing that includes all ages	6/9/2017 8:32 AM
152	The ability to get out in nature is fundamental, and for that to be available, nature needs a healthy home. The building community is supported by a good natural environment with gathering places.	6/9/2017 3:00 AM
153	A place for physical and spiritual well-being.	6/9/2017 2:18 AM

154	Ensuring wildlife are not impacted.	6/8/2017 9:38 PM
155	Recreation opportunities	6/8/2017 7:48 PM
156	Children's play area	6/8/2017 7:43 PM
157	anything to do with recycling, teaching about plants, historical info. about the park and old photos of when it was built.	6/8/2017 7:21 PM
158	Future generations need to be considered. Take a very long view about the importance in every way of CHP--our gem from peace & quiet, to feeling safe alone, to observing the seasons, to awe at the vistas and to protection in the watershed of birds, people and insects, and then there is the marvellous trail. There are mountains to be climbed for the children in unstructured play...	6/8/2017 5:08 PM

## Q7 What three (3) things do you most appreciate about Cedar Hill Park? Please list them in order of importance.

Answered: 478 Skipped: 127

ANSWER CHOICES	RESPONSES	
1.	100.00%	478
2.	94.56%	452
3.	83.05%	397

## Q8 If you were to improve any aspect of the park, what would it be? (list top 3)

Answered: 397 Skipped: 208

ANSWER CHOICES	RESPONSES	
1.	100.00%	397
2.	70.03%	278
3.	50.38%	200

#	1.	DATE
1	clear foliage around pond for better viewing	9/6/2017 11:01 AM
2	some areas of trail need long term winter	9/6/2017 10:54 AM
3	indoor swimming	9/6/2017 10:51 AM
4	very good way it is. \$\$ put towards insuring good maintenance	9/6/2017 10:45 AM
5	miss upstairs restaurant for lunch or dinner - bring it back	9/6/2017 10:40 AM
6	monitor dogs on leash	9/6/2017 10:35 AM
7	have a pool to exercise in	9/6/2017 10:27 AM
8	children's playground	9/6/2017 10:21 AM
9	add swimming pool	9/6/2017 10:14 AM
10	Bowker Creek Riparian zone	8/21/2017 3:58 PM
11	Widen Chip Trail	8/21/2017 3:50 PM
12	King's Pond needs to be better designed for poeple to see	8/21/2017 3:37 PM
13	I hope that the golf course will transition to greener choices for their machinery -- electric maintenance vehicles and mowers -- the small gas engines are likely big polluters, and also noisier than electric.	8/9/2017 7:13 PM
14	make the club house available for longer hours (trial basis)	8/9/2017 2:55 PM
15	Places to sit	8/8/2017 8:58 PM
16	Playground	8/7/2017 8:20 PM
17	Kings Pond transportation facilities - ducks in danger of cars and walkers	8/7/2017 12:49 PM
18	Improve the all weather performance of the walking trails.	8/7/2017 10:21 AM
19	Improve the cafe, restaurant experience	8/7/2017 8:42 AM
20	Move dripping hanging plant above mailbox at rec ctr	8/7/2017 6:47 AM
21	more rec classes	8/6/2017 3:11 PM
22	water fountain near NW corner (half way around loop trail from the rec centre)	8/6/2017 2:11 PM
23	Better enforcement of the on-leash bylaw for dogs.	8/6/2017 10:58 AM
24	Keep improving drainage, both on chip trail and on golf course	8/6/2017 10:26 AM
25	I think there need to be more signs from the rec centre to the walking trail. A lot of people come to the rec centre and don't realize the trail is there	8/5/2017 8:45 PM
26	fewer golf carts, less asphalt	8/5/2017 5:40 PM
27	A bathroom on the Kings pond end	8/5/2017 10:49 AM

28	Don't see any need for significant improvements.	8/5/2017 9:44 AM
29	It is as good as it gets, in my opinion. Just continue the present level of care and maintenance.	8/5/2017 9:29 AM
30	The baseball field	8/5/2017 8:43 AM
31	Put wood chips on the dirt trail between Glacier Place and Diana Road	8/4/2017 8:50 PM
32	Higher quality restaurant at the golf course	8/4/2017 7:52 PM
33	parking area along North Dairy	8/4/2017 11:07 AM
34	Keep politicians out of the process	8/4/2017 9:59 AM
35	Encourage more Art and Rec activities	8/3/2017 8:11 PM
36	better signs between trails and golf course/walkers wander onto course.	8/3/2017 9:36 AM
37	reduce amount of areas dedicated to golfing	8/2/2017 12:01 PM
38	More Garry oaks	8/2/2017 11:47 AM
39	south entrance improvements	8/2/2017 11:40 AM
40	mountain bike skills trail/circuit	8/2/2017 11:28 AM
41	all available for mixed use	8/2/2017 11:21 AM
42	plant native species when removing invasives	8/2/2017 11:15 AM
43	Kings Pond	8/2/2017 10:57 AM
44	support maintenance and restoration of natural areas	8/2/2017 10:41 AM
45	put floral garden in south end instead of an ugly parking lot	8/2/2017 10:34 AM
46	Possibility to cut through golf course on an approved trail! currently there's only the path @ Derby? but a North/South cut through would be good.	8/2/2017 9:56 AM
47	removing invasive plants --more support from government	8/2/2017 9:45 AM
48	restore Garry Oak Ecosystem	8/2/2017 9:37 AM
49	tennis court (outdoor)	8/2/2017 9:23 AM
50	multi-age playground	8/2/2017 9:13 AM
51	Improve trail to allow for some bike access, esp. Queenswood to Doncaster (school)	7/31/2017 9:59 PM
52	more walking trails	7/31/2017 2:31 PM
53	Quality of arts offered at facility. It's awful right now, if you could return to the collaborative approach with Island Blue for painting, etc., classes.	7/30/2017 11:26 AM
54	build a playground	7/29/2017 7:53 AM
55	Cycling Trails	7/29/2017 7:40 AM
56	Add outdoor workout stations along the trail.	7/29/2017 5:31 AM
57	Put more outdoor recreation infrastructure around rec center	7/29/2017 12:28 AM
58	Get rid of the golf players	7/28/2017 4:31 PM
59	Hours of clubhouse - more consistent/longer	7/28/2017 1:48 PM
60	get rid of the golf course, make it just a green park (that would suit me; I know the golfers wouldn't like it, and I'm not seriously suggesting it)	7/28/2017 12:26 PM
61	Off leash dog area	7/28/2017 11:13 AM
62	Find a use for the abandoned baseball field	7/27/2017 7:22 PM
63	Plant trees and shrubs on the south end to screen the trail from the street/provide a sound buffer.	7/27/2017 8:23 AM
64	Seperate bike lane from the rec centre to the duck pond	7/27/2017 7:50 AM
65	Seperate bike lane from the rec centre to the duck pond	7/27/2017 12:59 AM
66	Improve safety (lighting when it's dark)	7/26/2017 9:51 PM

67	Paving the east-West connection	7/26/2017 9:15 PM
68	Keep development of new houses at a distance!!	7/26/2017 5:51 PM
69	Fix the benches on the golf course	7/26/2017 4:47 PM
70	parking areas ( surfaces, number of stalls, separation from trail at Kings Pond	7/26/2017 4:40 PM
71	Not have it go so close to Finlayson Street	7/26/2017 3:33 PM
72	Put in a skate park/bmx pump track	7/26/2017 11:48 AM
73	like it the way it is	7/25/2017 10:26 PM
74	Stopping people from walking onto the golf course	7/25/2017 1:10 PM
75	Better signage	7/25/2017 12:26 PM
76	Less hills for walking haha	7/24/2017 11:44 PM
77	drainage of golf course	7/24/2017 4:47 PM
78	historical plaques - eg., of club house and unique park features	7/24/2017 9:30 AM
79	Get ride of golf course	7/23/2017 4:11 PM
80	Encourage outdoor fitness	7/22/2017 10:29 PM
81	off leash dog trail	7/22/2017 6:49 PM
82	Create "cafe destination" restaurant and address hours open	7/22/2017 7:46 AM
83	Golf Course Restaurant	7/22/2017 7:39 AM
84	times for the "restaurant" more congruent with client needs	7/21/2017 1:45 PM
85	Improve drainage on the golf course	7/20/2017 7:38 PM
86	More investment in golf infrastructure	7/20/2017 2:02 PM
87	Clean up area at Kings Pond	7/20/2017 11:37 AM
88	have the club open in the early mornings for breakfast especially in the summer, and open to have breakfast before 8 am	7/20/2017 11:02 AM
89	Benches repaired on course....many broken, rotted out	7/20/2017 7:52 AM
90	Easier access to seating area (benches) on hill	7/19/2017 9:05 PM
91	have the club open in the early mornings for breakfast especially in the summer, and open to have breakfast before 8 am	7/19/2017 4:56 PM
92	Get rid of the golf course, replace with something useful	7/19/2017 1:20 PM
93	playgrounds, more than one	7/19/2017 11:22 AM
94	needs a proper playground that is covered to keep out rain.	7/18/2017 11:15 AM
95	like it the way it is	7/17/2017 10:11 PM
96	Dedicate more park land to general park use like beacon hill park	7/17/2017 4:11 PM
97	winter golf conditions i.e. drainage	7/17/2017 3:16 PM
98	Provide Outdoor Physical Activity Station Areas	7/17/2017 2:57 PM
99	keeping the blackberry bush branches trimmed back from the walkway	7/17/2017 1:01 PM
100	Add a significant (8-12) outdoor Pickleball courts in a north-south court orientation	7/17/2017 11:19 AM
101	children's playground	7/17/2017 8:42 AM
102	Active fitness stations	7/17/2017 7:13 AM
103	golf	7/16/2017 6:12 PM
104	may be a bit better drainage of some spots	7/16/2017 3:16 PM
105	Provide public washrooms at the King's pond end	7/16/2017 1:00 PM

106	provide picnic tables	7/15/2017 8:39 PM
107	provide picnic tables, possibly on the hill to promote community gathering	7/15/2017 8:33 PM
108	Cancel sale of properties bordering the park	7/15/2017 8:32 PM
109	Better public transit for access	7/15/2017 3:45 PM
110	Remove bicycle traffic completely	7/15/2017 1:54 PM
111	Build a second floor community centre on the existing rec centre	7/15/2017 1:51 PM
112	Offering biking access across the north end.	7/15/2017 10:31 AM
113	restaurant	7/15/2017 10:21 AM
114	all chip, no gravel trails	7/15/2017 9:21 AM
115	Drainage improvement on golf course	7/15/2017 7:36 AM
116	More signage for walkers as they are often found walking in unsafe areas of the golf course	7/14/2017 10:25 PM
117	golf course	7/14/2017 4:03 PM
118	Extend Clubhouse Hours in the summer	7/14/2017 8:55 AM
119	drainage at the golf course	7/14/2017 8:44 AM
120	Like it as it is	7/14/2017 2:32 AM
121	Keep the pond area clean by washing off bird poop on benches, rails etc.	7/13/2017 9:34 PM
122	improved sitting areas for socializing	7/13/2017 9:27 PM
123	Better drainage on golf course to improve year round golf	7/13/2017 9:18 PM
124	Safety for walkers and joggers	7/13/2017 9:17 PM
125	Better hours for clubhouse	7/13/2017 9:13 PM
126	Better drainage on the course	7/13/2017 9:12 PM
127	Golf Course	7/13/2017 6:58 PM
128	A more functional restaurant	7/13/2017 5:28 PM
129	More trees on golf course	7/13/2017 4:48 PM
130	the golf course drainage...all year access	7/13/2017 4:47 PM
131	New pro shop (the existing one is an embarrassment)	7/13/2017 4:17 PM
132	Have the building open later in the summer so golfers and walkers could buy food,come in for a beer after five .it closes so early in the summer months ,it's losing all the business it could be makng and the public loses out at buying food or drinks in the evening.	7/13/2017 3:48 PM
133	Pave golf cart paths	7/13/2017 3:30 PM
134	longer hours the club house is open for breakfast and late dinners	7/13/2017 2:50 PM
135	Arborist to maintain trees, don't wait for falling limbs.	7/13/2017 2:42 PM
136	bowker creek	7/13/2017 2:38 PM
137	Arborist to maintain trees, don't wait for falling limbs.	7/13/2017 2:38 PM
138	Clubhouse hours. Extend	7/13/2017 2:24 PM
139	Washroom facility around the 13th hole & accessible to chip trail	7/13/2017 2:00 PM
140	Maintaining the Cedar Hill Golf Course	7/13/2017 1:44 PM
141	More access to Bowker Creek. Ability to sit beside the stream	7/11/2017 2:36 PM
142	improve drainage and practice facilities on golf course	7/11/2017 12:31 PM
143	more parking	7/11/2017 3:56 AM
144	the golf course should be nine holes	7/10/2017 10:00 PM

145	Plant more Garry Oaks	7/10/2017 12:33 PM
146	Outdoor tennis courts (4 or more)	7/9/2017 8:14 PM
147	drainage on the trail during rainy season	7/9/2017 11:44 AM
148	Washroom services	7/8/2017 1:49 PM
149	more protection from stray golf balls	7/7/2017 10:04 PM
150	the "busy-ness" of the loop trail	7/7/2017 6:00 PM
151	Design	7/7/2017 8:20 AM
152	privatise the club house restaurant and operations	7/6/2017 8:56 PM
153	No off leash dogs allowed.	7/6/2017 7:58 PM
154	Restaurant	7/6/2017 7:16 PM
155	Dedicated pickleball courts, 4-6 ideal.	7/6/2017 1:16 PM
156	ZIPLINE!~	7/6/2017 3:32 AM
157	Nothing	7/5/2017 6:09 PM
158	Remove traffic noise	7/4/2017 6:30 PM
159	Create stronger community through park events (and coffee shop as noted)	7/4/2017 4:23 PM
160	Reduction of manicured golf course lawns.	7/4/2017 4:20 PM
161	The idea of widening the banks of Bowker creek sounds good	7/4/2017 4:02 PM
162	More wild areas not accessible to human activity	7/4/2017 12:02 PM
163	improve trails on west slope	7/4/2017 10:37 AM
164	Have a children's natural play area or an activity of some sort	7/2/2017 10:48 PM
165	Eliminate golf & make park totally accessible	7/2/2017 8:36 PM
166	No golf and more trails	7/2/2017 5:46 PM
167	Increase tree stands, esp. native trees and shrubs	7/2/2017 5:37 PM
168	Accessible for baby stroller	7/2/2017 11:27 AM
169	Update or add interpretation about flora and fauna, e.g. frogs and flowers.	7/2/2017 8:48 AM
170	Provide bags for doggy poop	7/2/2017 7:23 AM
171	Less garbage left on trails at north end	7/1/2017 8:16 PM
172	Restore bird habitat and protect the native trees we have	6/30/2017 9:55 PM
173	Get rid of golf course	6/29/2017 3:03 PM
174	Build outside tennis courts	6/29/2017 2:07 PM
175	A playground	6/29/2017 1:37 PM
176	Make the golf course more environmentally sound.	6/29/2017 10:38 AM
177	Outdoor tennis courts	6/29/2017 7:43 AM
178	Eliminate 9 holes of golf course and install a disc golf course	6/28/2017 9:34 PM
179	enhanced trails/park features	6/28/2017 6:38 PM
180	restoration of natural areas	6/28/2017 4:17 PM
181	Clean	6/28/2017 12:35 PM
182	Restore the restaurant as a bistro/deli/bar	6/28/2017 10:01 AM
183	Picnic tables	6/28/2017 7:18 AM
184	Improved cycling conections	6/26/2017 7:18 PM
185	signage on the paved tail through the golf course change to: bicycle route, carts please keep right	6/26/2017 11:38 AM

186	More interpretive/educational signs	6/26/2017 11:00 AM
187	Would like a higher end restaurant/pub on site	6/26/2017 9:24 AM
188	Bike trails	6/25/2017 1:36 PM
189	improve the drainage on lower field, its a swamp in the winter	6/25/2017 6:19 AM
190	Improve drainage in the flooded areas of the trail (but only if by natural means)	6/24/2017 10:10 PM
191	do something with the space behind the tennis courts	6/24/2017 2:09 PM
192	create some reason I would visit the park rather than going any where else	6/24/2017 7:14 AM
193	Maintenance of Chip Trail	6/23/2017 11:50 AM
194	Goose cull	6/23/2017 11:08 AM
195	Plant hedges to give separate trail from homes currently visable	6/23/2017 10:24 AM
196	More visitor interaction through educational signs about plants and wildlife	6/23/2017 7:06 AM
197	Kids playground and/or water park	6/22/2017 7:33 PM
198	more workout options, similar to Henderson chip trail	6/22/2017 2:28 PM
199	Directional signs on the walking trail	6/22/2017 1:13 PM
200	allowing dogs to be walked off-leash in some areas of the trail	6/22/2017 12:10 PM
201	Expand soft surface trails	6/21/2017 9:30 PM
202	The ball park	6/21/2017 8:13 PM
203	Plant more trees	6/21/2017 8:10 PM
204	Fix the netting on the east side of the park	6/21/2017 3:15 PM
205	Wish I could get coffee earlier in the morning ( cafe seems to be closed a lot especially in the winter)	6/21/2017 1:51 PM
206	Solar lights along the chip trail for safer evening use.	6/21/2017 1:30 PM
207	Make it a central park (get rid of golf course)	6/21/2017 12:07 PM
208	Maintenance of Chip Trail	6/21/2017 11:32 AM
209	More benches	6/21/2017 11:22 AM
210	Invest in the drainage on the golf course so it would be sustainable.	6/21/2017 10:41 AM
211	Community Playground and viewing area similar to BeaconHill	6/21/2017 7:58 AM
212	Make it dog free	6/20/2017 10:50 PM
213	Bike paths	6/20/2017 8:38 PM
214	Add a swimming pool to the rec centre	6/20/2017 7:11 PM
215	fine as is	6/20/2017 5:11 PM
216	As a dog owner - a fenced off-leash area would be great! What about that big field down the hill from the volunteers' building (McRae House) on the east side of the park (just up from rec centre)?	6/20/2017 3:17 PM
217	Portable toilet at North end of park	6/19/2017 6:03 PM
218	enforce dogs being on leash	6/19/2017 5:23 PM
219	Continue removing broom & blackberries	6/19/2017 3:38 PM
220	ensuring that people pick up after their dogs; my companion and I have had several unpleasant experiences both on and near the paths (near when we had to step off the path to allow an incapacitated user to go by); more signage to cause dog-walkers to be more responsible? bags and more receptacles? Related to this: I am sorry report that I have seen more rats in the park this year than any other for the past 14 years -- probably a function of the cold, wet spring, but is all garbage well-managed?	6/19/2017 1:30 PM
221	A resteraunt or pub at the Golf Club House	6/19/2017 11:41 AM

222	better protection from golf balls on the trail at certain spots	6/19/2017 10:40 AM
223	reduction in invasive species	6/19/2017 10:33 AM
224	Make it easier to know which path belongs to the golf course and which path goes around the outskirts of the golf course. I found myself doging golf balls one weekend.	6/19/2017 9:04 AM
225	See above - start planting oaks and native species - restoration	6/19/2017 7:58 AM
226	periodic, unobtrusive, seating/gathering areas along the trail	6/19/2017 7:32 AM
227	Increase number of indoor tennis courts	6/18/2017 3:28 PM
228	Barriers for golf balls on some stretches of golf course	6/18/2017 1:30 PM
229	Increase the safety of walkers from errant golf balls	6/18/2017 11:35 AM
230	great as it is	6/18/2017 10:47 AM
231	address the need for more indoor tennis courts	6/18/2017 10:14 AM
232	more garbage disposal units	6/18/2017 8:33 AM
233	provide opportunity for bikes to travel tru/around the golf course	6/18/2017 8:26 AM
234	Add off leash area and/or times	6/18/2017 7:34 AM
235	outdoor tennis courts	6/17/2017 11:53 PM
236	Improve food service	6/17/2017 9:26 PM
237	Leave the park alone, give it back to First Nations.	6/17/2017 9:09 PM
238	Better trail around Kings Pond (elevated or less messy/wet/gross)	6/17/2017 8:55 PM
239	Needs a kids play ground	6/17/2017 8:23 PM
240	Parts of the trail are narrow	6/17/2017 7:40 PM
241	Better utilization of baseball fields & area	6/17/2017 7:14 PM
242	Add sand volleyball courts	6/17/2017 1:40 PM
243	add outdoor sand volleyball courts	6/17/2017 1:30 PM
244	Add a playground	6/17/2017 1:21 PM
245	Other than service vehicles and golf carts NO CARS in the park, even at the pro shop	6/17/2017 10:47 AM
246	keeping dogs on leash at all times	6/17/2017 9:31 AM
247	Trees and plants to screen from house and golf course	6/17/2017 8:11 AM
248	Access to washroom facilities!	6/17/2017 7:38 AM
249	More Bike connections	6/17/2017 6:50 AM
250	Better trail surface on west side of park	6/16/2017 4:37 PM
251	Better access to washrooms	6/16/2017 3:20 PM
252	Enforce leash requirements	6/16/2017 11:36 AM
253	Plant more trees around the Finlayson side of the trail.	6/16/2017 11:07 AM
254	Better trail maintenance	6/16/2017 10:07 AM
255	Dogs should be allowed in the rec centre	6/16/2017 9:55 AM
256	More garbage bins	6/16/2017 9:45 AM
257	Bring back the restaurant in the clubhouse, but run it properly	6/16/2017 8:22 AM
258	More community oriented events	6/16/2017 8:15 AM
259	Connect the separated ecosystems	6/16/2017 7:35 AM
260	Bike path	6/16/2017 5:57 AM
261	nicer coffee shop at the golf clubhouse	6/15/2017 10:08 PM

262	Better hours for food/drinks at clubhouse and advertising in the neighbourhood. We could easily walk there for dinner & a drink but we never know the hours or if they even serve food anymore.	6/15/2017 9:49 PM
263	Devise more ways for cyclists to safely pass through the park	6/15/2017 7:07 PM
264	add childrens playground area	6/15/2017 7:00 PM
265	protect walkers from golf balls	6/15/2017 6:53 PM
266	preserve the environment	6/15/2017 3:23 PM
267	no golf or baseball diamonds	6/15/2017 2:57 PM
268	add a pool	6/15/2017 1:55 PM
269	Enhance Garry Oak ecosystem values: Implement effective eradication strategy for invasive plants, including blackberries! Re-vegetate with native GOE species..	6/15/2017 1:20 PM
270	provide coffee and restaurant facilities	6/15/2017 1:04 PM
271	More use out of restaurant at club house	6/15/2017 1:03 PM
272	Higher utilization of the park as an amenity	6/15/2017 1:00 PM
273	Washroom available to public (if there is not one already)	6/15/2017 12:37 PM
274	More cycling corridors	6/15/2017 12:17 PM
275	monitor dogs - must be on leash	6/15/2017 12:08 PM
276	Continue with the pulling-together program	6/15/2017 11:32 AM
277	Water fountains	6/15/2017 11:04 AM
278	Too much space dedicated to one sport: golf, along with the danger of getting hit by the balls.	6/15/2017 10:55 AM
279	Remove businesses	6/15/2017 10:46 AM
280	A different walking surface than the hog fuel currently being used	6/15/2017 10:41 AM
281	ban cycling on the trails	6/15/2017 10:23 AM
282	include outdoor play area/ playground for young children	6/15/2017 10:05 AM
283	Removal of invasives and clean up of Bowker Creek.	6/15/2017 9:56 AM
284	Continue offering the week day golf pass	6/15/2017 9:47 AM
285	Create a buffer zone on the west side between chip trail and housing monstrosities.	6/15/2017 9:44 AM
286	Chip trail could be a little bit wider in some areas	6/15/2017 9:27 AM
287	Enforce dogs on leash	6/15/2017 8:36 AM
288	Pathway lighting for walking and biking	6/15/2017 8:24 AM
289	do nothing	6/15/2017 8:14 AM
290	do nothing	6/15/2017 8:11 AM
291	better cycling connections through (across) the park as it is a safer link for cyclists - protect peds and cyclists by better separation of use	6/15/2017 7:58 AM
292	outdoor exercise equipment instead of unused baseball diamond	6/15/2017 7:33 AM
293	Getting to and from the park.we need sidewalks as they are also walking paths. I walk their via tattersall shoulder to shoulder with speeding cars. It's dangerous	6/15/2017 7:10 AM
294	Exercise stations on the chip trail	6/15/2017 7:07 AM
295	Improved walking trail (muddy spots & extreme narrow spots)	6/15/2017 7:03 AM
296	Get rid of the golf course and just have it as a park with more space for everyone to enjoy (including wild life).	6/15/2017 6:50 AM
297	Golf course drainage improvement	6/15/2017 6:49 AM
298	Include a nature house.	6/15/2017 6:43 AM

299	build an indoor/outdoor Pickleball facility	6/15/2017 6:17 AM
300	Incorporate cycle commuting	6/15/2017 6:16 AM
301	Improve the golf course (drainage, etc.)	6/15/2017 6:13 AM
302	Love it as it is	6/15/2017 5:08 AM
303	It's not very navigable by bicycle	6/14/2017 8:59 PM
304	provide more benches for necessary "rest stops" for seniors using the chip trail. Kings pond is not the main, or only, place people like to stop and rest!!	6/14/2017 8:54 PM
305	Refresh the cafe, bring it into line with other coffee shops	6/14/2017 8:31 PM
306	Definatly do not develop any of it	6/14/2017 6:08 PM
307	Golf course drainage	6/14/2017 6:01 PM
308	Workout equipment along the loop	6/14/2017 5:46 PM
309	play area for children	6/14/2017 5:23 PM
310	Stewardship of natural areas, too many invasive species	6/14/2017 5:11 PM
311	all good	6/14/2017 4:39 PM
312	Continue to keep the walking trail in good condition	6/14/2017 3:55 PM
313	plant more Garry Oaks	6/14/2017 2:41 PM
314	Bowker Creek daylighting and water management of future flooding, etc.	6/14/2017 2:34 PM
315	remove invasive vegetation	6/14/2017 1:52 PM
316	A fenced area for dogs to go off leash	6/14/2017 1:37 PM
317	stronger marketing for arts program at Cedar Hill	6/14/2017 1:17 PM
318	Suggest log in King's pond for turtles	6/14/2017 1:11 PM
319	make all the services offered feel like a cohesive unit. Currently the rec center, trail, golf, clubhouse all feel like separate entities that do not take each other into consideration when developing strategy.	6/14/2017 12:38 PM
320	protect and highlight the natural vegetation and fauna	6/14/2017 9:46 AM
321	Children's playground	6/14/2017 6:43 AM
322	Make the west side of the chip trail more accessible to disabled (I wouldn't take my mobility scooter on that side).	6/14/2017 12:29 AM
323	Need pathway from parking area outside gym to chip trail (past pottery studio).	6/13/2017 8:33 PM
324	More indoor tennis courts	6/13/2017 7:33 PM
325	Better restaurant serve in the Club house (like it was before)	6/13/2017 5:02 PM
326	expansion of some facilities at CHRC, i.e. more courts	6/13/2017 4:23 PM
327	More tennis courts indoor and outdoor courts	6/13/2017 3:40 PM
328	add water station/s on trail	6/13/2017 3:09 PM
329	Regular trail maintenance	6/13/2017 2:41 PM
330	playground for children	6/13/2017 1:38 PM
331	Outdoor tennis courts	6/13/2017 1:34 PM
332	Additional outdoor tennis courts	6/13/2017 12:52 PM
333	Expand tennis facility	6/13/2017 12:45 PM
334	add indoor or outdoor tennis courts	6/13/2017 8:14 AM
335	remnant garry oak habitat	6/13/2017 7:09 AM
336	Continual restoration in the park	6/12/2017 10:39 PM

337	Improve chip trail	6/12/2017 8:26 PM
338	Adding a playground to the lower field, behind rec centre	6/12/2017 8:22 PM
339	enforcement of dogs on leash	6/12/2017 4:29 PM
340	More parking	6/12/2017 4:24 PM
341	N/A	6/12/2017 3:59 PM
342	A few benches along the trail	6/12/2017 3:03 PM
343	Improve trail by planting a hedge along Finlayson	6/12/2017 2:04 PM
344	remove invasive plants	6/12/2017 2:03 PM
345	Softball fields	6/12/2017 1:06 PM
346	remove invasive plants	6/12/2017 1:06 PM
347	Distance markers along the chip trail. This is very much needed for safety reasons. One can fall on the trail and not have a clue of the name of the road they are nearby nor the # of the fairway they were walking beside. There must be lots of ideas for these around the world. Perhaps coloured posts would be more memorable to people if they needed to identify where they are located. Would save time if emergency responders were needed.	6/12/2017 1:06 PM
348	please fix muddy patches on the trail faster	6/12/2017 10:51 AM
349	expand the tennis and rec facility	6/11/2017 9:58 PM
350	Add some fitness stops along a section of the trail	6/11/2017 8:52 PM
351	playground for kids/teens (adventure course?)	6/11/2017 7:47 PM
352	more accessible to a larger variety of visitors	6/11/2017 3:30 PM
353	Improved collaboration and communication with Saanich Parks at all levels.	6/11/2017 12:57 PM
354	Off leash park	6/11/2017 8:38 AM
355	Increase racquet sport opportunities	6/11/2017 8:04 AM
356	More kids play areas	6/10/2017 3:22 PM
357	clean and enhance King's Pond and the area around it (very mucky and messy looking), while still keeping it "wild" enough for birds to nest there	6/10/2017 2:29 PM
358	KEEP DOGS ON LEASH!!!! ENFORCEMENT!!!!!!!	6/10/2017 12:12 PM
359	Better maintenance of trails	6/10/2017 9:00 AM
360	Attract more birds	6/10/2017 8:35 AM
361	Improve bowker creek	6/10/2017 7:31 AM
362	8-12 pickleball courts	6/9/2017 10:02 PM
363	More native plants on the trails	6/9/2017 9:52 PM
364	discourage parking on residential streets that are next to the park	6/9/2017 8:46 PM
365	Periodically close golf for open park	6/9/2017 8:24 PM
366	Cycle trails to parallel some of the chip trail	6/9/2017 8:12 PM
367	playground at the northern end	6/9/2017 8:08 PM
368	No, to me, it's fantastic!	6/9/2017 7:51 PM
369	Keeping the long grass from growing into the pathway.	6/9/2017 7:42 PM
370	Preservation of green space	6/9/2017 5:14 PM
371	Remove invasive species	6/9/2017 4:16 PM
372	Expand Rec Centre - more indoor tennis	6/9/2017 1:39 PM
373	Expansion of the Rec Centre	6/9/2017 12:22 PM

374	enforce on leash trail rules thereare too many dogs off lease in spite of all the on leash signs	6/9/2017 11:24 AM
375	Bowker Creek wetland riparian restoration	6/9/2017 10:40 AM
376	Add outdoor fitness equipment	6/9/2017 10:16 AM
377	make trail wider	6/9/2017 10:02 AM
378	Resturant	6/9/2017 9:53 AM
379	The building of dedicated pickle ball courts	6/9/2017 8:32 AM
380	Volunteers are doing a great job of cleaning it out! Continue with that!	6/9/2017 8:23 AM
381	better food services at clubhouse	6/9/2017 7:37 AM
382	less space allocated to golf	6/9/2017 3:00 AM
383	downsize the golf course, or eliminate it entirely	6/9/2017 2:18 AM
384	Remove the broom!	6/8/2017 10:35 PM
385	removing any junk in bushes. I've noticed someone threw junk in some bushes. Just making sure it's removed	6/8/2017 9:38 PM
386	More benches	6/8/2017 7:48 PM
387	Wider chip trail	6/8/2017 7:43 PM
388	provide clearly marked safe place to cross ..in terms of flying golf balls.	6/8/2017 7:21 PM
389	Improvements to the chip trail to reduce conflict with users. ie strollers and runners	6/8/2017 6:58 PM
390	Outdoor tennis courts	6/8/2017 6:34 PM
391	Improve and widen chip trail to reduce conflicts	6/8/2017 6:33 PM
392	Get clear communication with Saanich Municipality so they can become advocates for the Parks without worrying about the Recreational side of things.	6/8/2017 5:08 PM
393	open the restaurant from the time the golf course opens till it closes - dawn to dusk as it was promised - and if not the restaurant then the Snack shop.	6/8/2017 3:45 PM
394	daylighting creek	6/8/2017 3:21 PM
395	more info on native species (flora & fauna) in the park	6/8/2017 2:53 PM
396	management of invasive non-native species, e.g., English ivy	6/8/2017 1:15 PM
397	dedicated outdoor pickleball court	6/8/2017 11:57 AM
#	2.	DATE
1	slow traffic at the Queensbury/Ascot Bend	9/6/2017 11:01 AM
2	duck pond needs safety and viewing improvements	9/6/2017 10:54 AM
3	monitor dog owners picking up dog poo	9/6/2017 10:35 AM
4	playground	9/6/2017 10:14 AM
5	Playground	8/21/2017 3:50 PM
6	Dog management 'rules' enforced	8/21/2017 3:37 PM
7	food that can be purchases	8/9/2017 2:55 PM
8	Splash park	8/7/2017 8:20 PM
9	a dog off leash area	8/7/2017 12:49 PM
10	Allow bike to pass through but design to minimize conflict.	8/7/2017 10:21 AM
11	Maintain chip trails	8/7/2017 8:42 AM
12	Few (but much improved) soggy spots on winter trail	8/7/2017 6:47 AM
13	small triangular area at Ocean View rd. near the entrance to the park is unkempt -- overgrown with weeds and not maintained	8/6/2017 2:11 PM

14	Reduce use of chemicals to maintain the golf course	8/6/2017 10:58 AM
15	Clubhouse should offer better food to encourage community to stop in, e.g., for muffin and coffee	8/6/2017 10:26 AM
16	buy adjacent land, revert to green space	8/5/2017 5:40 PM
17	It isn't broken, so why interfere	8/5/2017 9:29 AM
18	Add seating to baseball field	8/5/2017 8:43 AM
19	Have the maintenance people cut back the undergrowth on that trail [REDACTED]	8/4/2017 8:50 PM
20	ball diamonds - looking pretty sad for the groups that play there	8/4/2017 11:07 AM
21	Better restaurant on golf course	8/3/2017 8:11 PM
22	better safety signs on the connector path, bicycle riders do not dismount, safety issue for walkers	8/3/2017 9:36 AM
23	increase/restore natural areas	8/2/2017 12:01 PM
24	Restore bowker Creek Wetland	8/2/2017 11:47 AM
25	daylighting Bowker Creek/Detention wetland	8/2/2017 11:40 AM
26	playground for older kids	8/2/2017 11:28 AM
27	off leash area	8/2/2017 11:21 AM
28	interpretive signs such as ones in Summit Park	8/2/2017 11:15 AM
29	keep as much of the chip trail in chip	8/2/2017 10:57 AM
30	have a coffee house/cappuccino bar open 8:30 on	8/2/2017 10:41 AM
31	no more building in/near park	8/2/2017 9:45 AM
32	more walking trails	8/2/2017 9:37 AM
33	pool	8/2/2017 9:13 AM
34	A club house/resto more attractive to more patrons.	7/31/2017 9:59 PM
35	increase park size	7/31/2017 2:31 PM
36	Better tended litter collection. More opportunities to recycle. Maybe some adopt a segment of the park, a la Adopt-a-highway.	7/30/2017 11:26 AM
37	build a fastball field	7/29/2017 7:53 AM
38	Outdoor Fitness Stations	7/29/2017 7:40 AM
39	Create a cycling trail network throughout the entire course for ease of commuting through any direction.	7/29/2017 5:31 AM
40	Cut back foxtails in summer	7/29/2017 12:28 AM
41	Add a couple more benches	7/27/2017 8:23 AM
42	Toddler play park	7/27/2017 7:50 AM
43	Toddler play park	7/27/2017 12:59 AM
44	Add exercise equipment	7/26/2017 9:51 PM
45	Better way finding	7/26/2017 9:15 PM
46	Educate people about King's Pond (not over-feeding the mallards).	7/26/2017 5:51 PM
47	Improve garbage containers on golf course(too many rats)	7/26/2017 4:47 PM
48	finlayson entrance to the park	7/26/2017 4:40 PM
49	invasive plants	7/25/2017 12:26 PM
50	more evening activities using the club house - perhaps programs that leverage the natural surroundings? (eg trails)	7/24/2017 9:30 AM
51	Garden plots	7/23/2017 4:11 PM

52	Can ball field be used for arts (i.e. theatre)	7/22/2017 10:29 PM
53	night lighting at spaced intervals along the trail	7/22/2017 6:49 PM
54	Repaint lines in golf course parking lot	7/22/2017 7:46 AM
55	Washrooms	7/22/2017 7:39 AM
56	Better signage so people do not travel on the golf course during golfing hours	7/20/2017 7:38 PM
57	keep the clubhouse open in the evening, a lot of golfers around golfing and want to have a light dinner and drinks other rec centers stay open why not the course, cannot make money if you do not spend.	7/20/2017 11:02 AM
58	Continue to improve golf course drainage	7/20/2017 7:52 AM
59	Clean up area in Kings Pond	7/19/2017 9:05 PM
60	open longer in the evening like the rec centre for snacks not just the outside window, people like to have a light dinner and drinks after golf in the spring, summer and fall months people do not want to use the washrooms outside they are dirty.	7/19/2017 4:56 PM
61	phase out golf	7/19/2017 11:22 AM
62	better food/ drinks	7/18/2017 11:15 AM
63	Protected and expand the nature area around kings pool	7/17/2017 4:11 PM
64	Develop Gardens with Water Fixture - Close to Cedar Hill Rec Centre	7/17/2017 2:57 PM
65	Interpretation signs	7/17/2017 7:13 AM
66	trees	7/16/2017 6:12 PM
67	daylight Bowker creek	7/15/2017 8:39 PM
68	signage to highlight native plants	7/15/2017 8:33 PM
69	More varied activities	7/15/2017 3:45 PM
70	Restaurant open hours that are compatible with users	7/15/2017 1:54 PM
71	Serve good food and good coffee at a contemporary coffee/wine bar	7/15/2017 1:51 PM
72	Lighting in the winter evenings.	7/15/2017 10:31 AM
73	dog bags	7/15/2017 9:21 AM
74	More separation between golfers and walkers	7/15/2017 7:36 AM
75	More hours to meet friends in the restaurant. We used to enjoy going for dinner there	7/14/2017 10:25 PM
76	club house	7/14/2017 4:03 PM
77	Make use of open area near rec Centre (Playground???)	7/14/2017 8:55 AM
78	hours open for restaurant	7/14/2017 8:44 AM
79	fitness stations on chip trail	7/13/2017 9:27 PM
80	Removal of invasive plants	7/13/2017 9:17 PM
81	Drainage of golf course	7/13/2017 9:13 PM
82	Drainage	7/13/2017 6:58 PM
83	more organized parking	7/13/2017 5:28 PM
84	the "restaurant" operation	7/13/2017 4:47 PM
85	cull geese and deer (gasp!) as they damage the ecosystem	7/13/2017 4:17 PM
86	Renovate and/or paint golf "pro shop "	7/13/2017 3:30 PM
87	make sure the people riding bikes get off their bikes they go too fast	7/13/2017 2:50 PM
88	Get rid of blackberries and invasive plants.	7/13/2017 2:42 PM
89	skim ponds	7/13/2017 2:38 PM

90	Get rid of blackberries and invasive plants.	7/13/2017 2:38 PM
91	Water fountains on trail	7/13/2017 2:24 PM
92	Seating/viewpoint areas along the chip trail	7/13/2017 2:00 PM
93	More chips on the chip trail	7/13/2017 1:44 PM
94	Playground area with some wild areas -not all concrete and climbing equipment.	7/11/2017 2:36 PM
95	expand hours and menu at clubhouse	7/11/2017 12:31 PM
96	better signage for trail entrances	7/11/2017 3:56 AM
97	some of the space is not being utilized well	7/10/2017 10:00 PM
98	Have interpretation sign for the various ecosystems.	7/10/2017 12:33 PM
99	no smoking on the golf course	7/7/2017 10:04 PM
100	Aesthetics	7/7/2017 8:20 AM
101	invest in additional drainage for the golf course	7/6/2017 8:56 PM
102	Playground for kids, perhaps near the duck pond	7/6/2017 3:32 AM
103	To	7/5/2017 6:09 PM
104	Signage for bicycles ( it is dangerous for bicycles to be on the actual walking trails unless riders are walking their bikes to get to commuter route.)	7/4/2017 4:23 PM
105	Increase bird habitat.	7/4/2017 4:20 PM
106	More noise awareness - less noise	7/4/2017 12:02 PM
107	Reduce golf to 9 holes from 18	7/2/2017 8:36 PM
108	baby and toddler drop in activities	7/2/2017 5:46 PM
109	Encourage use of park as bicycle transitway	7/2/2017 5:37 PM
110	encourage cyclists to be aware of how bikes damage trails and what they can do to prevent or minimize	7/2/2017 8:48 AM
111	Open Bowker Creek from the culverts on the west side	7/2/2017 7:23 AM
112	Kids playground near golf clubhouse parking	7/1/2017 8:16 PM
113	As invasive plants are removed, plant more native species and perhaps some species that will be compatible and adapt to climate change	6/30/2017 9:55 PM
114	More trails for community	6/29/2017 3:03 PM
115	Build an outdoor art space for community markets etc.	6/29/2017 2:07 PM
116	Better netting of the golf course	6/29/2017 1:37 PM
117	Outside exercise stations along the trail	6/29/2017 7:43 AM
118	community centre programming	6/28/2017 6:38 PM
119	more inclusive (ie less golf)	6/28/2017 4:17 PM
120	Nice	6/28/2017 12:35 PM
121	Introduction to golf for at risk teens - (no fees)	6/28/2017 10:01 AM
122	Small climbing wall for children (Calgary has a great example)	6/28/2017 7:18 AM
123	Clear signs to access park and trail	6/26/2017 11:00 AM
124	Bandstand or stage for music or plays	6/25/2017 1:36 PM
125	Better dog control?	6/24/2017 10:10 PM
126	Pickle Ball Courts	6/23/2017 11:50 AM
127	Golf course drainage	6/23/2017 11:08 AM
128	Add exercise equipment along trail like in some other parks	6/23/2017 10:24 AM

129	Community garden, compost, educational	6/23/2017 7:06 AM
130	Better food / drink at clubhouse - so much potential	6/22/2017 7:33 PM
131	more protection from errant golf balls	6/22/2017 2:28 PM
132	Include a scent garden or something similar for sight impaired or people with other physical challenges to use.	6/22/2017 1:13 PM
133	more benches to sit on	6/22/2017 12:10 PM
134	Less golf, more nature	6/21/2017 9:30 PM
135	Area for community events	6/21/2017 8:13 PM
136	Get rid of the golf course	6/21/2017 8:10 PM
137	Include a mountain biking (cross country) trail around the perimeter.	6/21/2017 1:30 PM
138	Golf Course	6/21/2017 11:32 AM
139	Eliminate the pass system and charge green fees.	6/21/2017 10:41 AM
140	Seniors Rose Garden similar to Providence farm Duncan	6/21/2017 7:58 AM
141	Add a bike lane on the path that leads to the other side	6/20/2017 7:11 PM
142	Better signage in congested areas to slow down or walk bikes. Have been almost hit by cyclists a few times in front of the clubhouse.	6/20/2017 3:17 PM
143	cease using cedar chips on the trail - they get in shoes & socks causing discomfort - use fine gravel instead	6/19/2017 5:23 PM
144	More garbage cans around the chip trail!	6/19/2017 3:38 PM
145	community is built by the park as it is; I would not add any more facilities	6/19/2017 1:30 PM
146	Picnic tables where the unused baseball diamond is	6/19/2017 11:41 AM
147	keep the blackberry and ivy down from oaks	6/19/2017 10:40 AM
148	more community events/assets	6/19/2017 10:33 AM
149	Maybe include a "map" with the route suggestions and lengths and average time lines to walk the path.	6/19/2017 9:04 AM
150	Removal of invasive grasses	6/19/2017 7:58 AM
151	Outdoor gathering place	6/18/2017 3:28 PM
152	No bikes on paths	6/18/2017 1:30 PM
153	some areas are very underutilized, such as the ball diamond, and could be better served with the growing demand for tennis and pickleball.	6/18/2017 10:14 AM
154	more access to the natural environment	6/18/2017 8:26 AM
155	Chip trail (rather than gravel) all the way around	6/18/2017 7:34 AM
156	better drainage on the trail	6/17/2017 11:53 PM
157	Plant more trees	6/17/2017 9:26 PM
158	Leave the park alone, give it back to First Nations.	6/17/2017 9:09 PM
159	Beautify trail area near Finlayson (gravel fields)	6/17/2017 8:55 PM
160	Some parts of the trail need to be widened	6/17/2017 8:23 PM
161	Can get muddy in the winter	6/17/2017 7:40 PM
162	Expand & improve the trail	6/17/2017 7:14 PM
163	add grass badminton courts	6/17/2017 1:40 PM
164	add outdoor grass badminton courts	6/17/2017 1:30 PM
165	Ecological restoration & reclaiming areas for natural ecosystems	6/17/2017 1:21 PM

166	Institute pay-parking at the club house as a way to increase revenue for golf without raising green fees as much	6/17/2017 10:47 AM
167	use the asphalt area for a play area for children and youth	6/17/2017 9:31 AM
168	Club house public dining breakfast, lunch and dinner seven days a week!	6/17/2017 7:38 AM
169	More appeal for young people - playground, skatepark	6/17/2017 6:50 AM
170	Playground needed	6/16/2017 4:37 PM
171	Better drainage on trail wet spots	6/16/2017 3:20 PM
172	cut the spear grass before it matures	6/16/2017 11:36 AM
173	More fencing to protect walkers from golf balls.	6/16/2017 11:07 AM
174	Replace light polluting area lights for better stargazing	6/16/2017 10:07 AM
175	More Seating on chip trail	6/16/2017 9:55 AM
176	more nature interpretation signage	6/16/2017 8:22 AM
177	Restore degraded Garry oak habitat	6/16/2017 7:35 AM
178	playgrounds for kids	6/15/2017 10:08 PM
179	Kids play area or splash park. Perhaps in the field behind rec center.	6/15/2017 9:49 PM
180	Return more of the land to it's natural state	6/15/2017 7:07 PM
181	add benches for viewing various areas of interest	6/15/2017 7:00 PM
182	ban bicycles from the chip trail	6/15/2017 6:53 PM
183	additional trails more available to invalid walkers (possibly a firmer surface on some?)	6/15/2017 3:23 PM
184	more greenery and wooded areas	6/15/2017 2:57 PM
185	Add a people & dog drinking fountain somewhere along the trail	6/15/2017 1:20 PM
186	enable golfers to get coffee early in the morning	6/15/2017 1:04 PM
187	Paved east-west bike trail that parallels the current gravel trail	6/15/2017 1:03 PM
188	Clean up all black berry and open the creek	6/15/2017 1:00 PM
189	Drop-in child minding in building	6/15/2017 12:37 PM
190	pickle ball courts	6/15/2017 12:17 PM
191	dog owners pick up after dogs!	6/15/2017 12:08 PM
192	a few educational signs about natural waterways and nature	6/15/2017 11:32 AM
193	More EV charging stations	6/15/2017 11:04 AM
194	Community gardens.	6/15/2017 10:55 AM
195	Replace golf course with natural-looking landscape	6/15/2017 10:46 AM
196	A proper restaurant at the clubhouse, used to meet people there for lunch, miss it.	6/15/2017 10:41 AM
197	signs to encourage walkers/joggers to keep to the right on trails	6/15/2017 10:23 AM
198	trail illumination for evening use and safety	6/15/2017 10:05 AM
199	A covered picnic area perhaps just above the ball park	6/15/2017 9:56 AM
200	Clear invasive species	6/15/2017 9:44 AM
201	A playground would be a nice addition	6/15/2017 9:27 AM
202	Outdoor year around exercise areas like are present in China and stanley park.	6/15/2017 8:24 AM
203	do nothing	6/15/2017 8:14 AM
204	do nothing	6/15/2017 8:11 AM
205	directional signage - especially with respect to cycling through	6/15/2017 7:58 AM

206	add picnic tables, additional benches along the trail	6/15/2017 7:33 AM
207	Better availability for the pottery room in the arts centre	6/15/2017 7:07 AM
208	Ability to have dinner at Golf course	6/15/2017 7:03 AM
209	Full length driving range (golf course or nearby)	6/15/2017 6:49 AM
210	Allow dogs to be off leash, if not just at certain times. These places are rare	6/15/2017 6:43 AM
211	build an outdoor Pickleball court	6/15/2017 6:17 AM
212	Build a pump track for kids	6/15/2017 6:16 AM
213	It could be more family friendly (blackberries - ouch! No playground, picnic areas, etc.)	6/14/2017 8:59 PM
214	make a serious effort to improve the conservation and cultivation of various native wildflowers in more areas, to improve the numbers of plants of each (eg. as the Camas have been conserved and much-increased in Playfair Park, for eg.	6/14/2017 8:54 PM
215	Improve the restaurant	6/14/2017 8:31 PM
216	Maintain the natural feeling.	6/14/2017 6:08 PM
217	Larger gym	6/14/2017 6:01 PM
218	The wonderful work of those who have worked getting rid of invasive spevies	6/14/2017 3:55 PM
219	stop encroachment by large houses	6/14/2017 2:41 PM
220	Removal of invasive species in forested areas and by the creek banks.	6/14/2017 2:34 PM
221	Water fountains	6/14/2017 1:37 PM
222	more open air arts performances in summer/fall	6/14/2017 1:17 PM
223	use the park more for ecological and cultural education	6/14/2017 9:46 AM
224	More benches along the chip trail for people who have to sit down often.	6/14/2017 12:29 AM
225	More indoor tennis courts	6/13/2017 7:33 PM
226	More tennis courts - indoor and outdoor	6/13/2017 5:02 PM
227	Regular golf course Maintenon including the clearing of detritus from the parking lots	6/13/2017 2:41 PM
228	Bbq area for families to enjoy	6/13/2017 1:38 PM
229	Seasonal outdoor cafe	6/13/2017 1:34 PM
230	Additional indoor tennis courts, if demand warrants	6/13/2017 12:52 PM
231	Expand tennis facility	6/13/2017 12:45 PM
232	trim dead limbs from trees overhanging paths	6/13/2017 8:14 AM
233	Space for off leach dog ?? area	6/12/2017 8:26 PM
234	posted trail etiquette suggestions e.g. vocal notice when about to pass, control of dogs when passing,	6/12/2017 4:29 PM
235	Leave golf course as is	6/12/2017 4:24 PM
236	N/A	6/12/2017 3:59 PM
237	More outdoor seating at the clubhouse for eating and drinking	6/12/2017 2:04 PM
238	keep dogs on leash in sensitive areas	6/12/2017 2:03 PM
239	signage/map of the whole Park at all parking areas with distance info and washroom eg; folks drive past King's Pond and since it is hidden from view with shrubbery people are simply driving by. A welcoming sign in the parking area would be wonderful.	6/12/2017 1:06 PM
240	outdoor exercise equipment	6/12/2017 10:51 AM
241	Outsource the clubhouse to a local catering company - it isnt a place for municipal employees	6/11/2017 8:52 PM
242	make a community meeting center at golf course building on derby for food and drink. Social meeting spot in evenings	6/11/2017 7:47 PM

243	downsize golf course to nine holes	6/11/2017 3:30 PM
244	Adequate funding for programs and planning to conserve and restore degraded natural areas including signage.	6/11/2017 12:57 PM
245	No changes to the park	6/11/2017 8:38 AM
246	Improve drainage of the soggy field	6/11/2017 8:04 AM
247	restrict bicycles to the middle connector only - very uncomfortable and even dangerous (for old folks and young kids) to encounter avid cyclists on the windy curves and bends of the regular walking trail	6/10/2017 2:29 PM
248	More nature, less golf	6/10/2017 12:12 PM
249	Welcome club house to public. Too focused on golfers only.	6/10/2017 9:00 AM
250	Maintain the trail in winter when it gets muddy	6/10/2017 8:35 AM
251	Habitat for wildlife	6/9/2017 9:52 PM
252	better access to washrooms for users of chip trail - maybe this is not realistic but people use the bushes too much	6/9/2017 8:46 PM
253	Dig out old skate board park	6/9/2017 8:24 PM
254	Enlarge grassy areas (reduce golf course monopoly)	6/9/2017 8:12 PM
255	ability to have a picnic (grassy area that does not belong to the golfcourse where my kids can run around, i.e. no thick trees/bushes restricting where they roam)	6/9/2017 8:08 PM
256	Quite often at the duck pond area, people park their cars right across the pathway.	6/9/2017 7:42 PM
257	Limited square footage of rec center -- build up, not out	6/9/2017 5:14 PM
258	Improve/expand the rec centre	6/9/2017 4:16 PM
259	Expand Rec Centre - another gym	6/9/2017 1:39 PM
260	Disc Golf course	6/9/2017 12:22 PM
261	since the derby bicycle connector went in there are more bike pedestrian conflicts on other parts of the chip trail. Seems to me there are more pedestrians than bikers but parks seem to be catering more to the organized bike lobby while ignoring the concept of encouraging more people to walk the park by having it as a safe space in which to walk without the fear of being run down by a speeding bike.	6/9/2017 11:24 AM
262	On-site public education and signage for the above	6/9/2017 10:40 AM
263	Add accessibility features (i.e.: easy walking trail)	6/9/2017 10:16 AM
264	outdoor fitness equipment	6/9/2017 10:02 AM
265	Playground	6/9/2017 9:53 AM
266	More trees	6/9/2017 8:32 AM
267	ecosystem interpretive signs	6/9/2017 7:37 AM
268	improve trail to reduce crowding/conflict between user types (runners, strollers, etc.)	6/9/2017 3:00 AM
269	remove current benches and install ergonomic benches that are actually comfortable for sitting on	6/9/2017 2:18 AM
270	Some exercise stations along the path	6/8/2017 7:48 PM
271	benches with great views of the park	6/8/2017 7:21 PM
272	Children's play area	6/8/2017 6:58 PM
273	Outdoor children's playground	6/8/2017 6:33 PM
274	Administratively re-org Parks & Recreation into 2 separate divisions. 13% of our tax dollar DOES NOT GO TO PARKS! But what % does go to Parks? Give Parks its own budget which it certainly deserves. AND a decent office building. This is 2017 and Nature matters more than ever.	6/8/2017 5:08 PM
275	more garbage cans for the dog poop baggies to go in :)	6/8/2017 3:45 PM
276	educational/ naturalist signage	6/8/2017 3:21 PM

277	removal of invasives	6/8/2017 2:53 PM
278	improved protection from errant golf balls	6/8/2017 1:15 PM
#	3.	DATE
1	enforce dogs on leash rules!	9/6/2017 11:01 AM
2	King's Pond	9/6/2017 10:35 AM
3	widen path around park	9/6/2017 10:14 AM
4	Outdoor fitness area	8/21/2017 3:50 PM
5	conflict between runners and walkers reduced	8/21/2017 3:37 PM
6	encourage the meeting place that is once was	8/9/2017 2:55 PM
7	Support continued vegetation management and tree planting.	8/7/2017 10:21 AM
8	Caution off leash dog owners !	8/7/2017 8:42 AM
9	better trail maintenance -- cutting back overgrown to keep the trail width. Also muddy in the winter -- needs a good gravel or cedar chip base -- west side near Tracksell avenue. Sometimes impassable when wet.	8/6/2017 2:11 PM
10	Leave trees that die or fall (so long as they're not a hazard) or at least move the logs to the natural areas to provide wildlife trees and woody debris (very important part of ecosystems).	8/6/2017 10:58 AM
11	The outside bathrooms are smelly, esp since going unisex	8/6/2017 10:26 AM
12	close to all bicycles	8/5/2017 5:40 PM
13	Provide a bulletin Board notifying the public of matters affecting the park. Place it near derby Road.	8/4/2017 8:50 PM
14	longer kitchen hours at the clubhouse	8/3/2017 9:36 AM
15	facilitate cycling and walking connections	8/2/2017 12:01 PM
16	Improve area around parking lot south end	8/2/2017 11:47 AM
17	add trees for future canopy	8/2/2017 11:40 AM
18	outside public and free tennis court (not old clay court fiasco)	8/2/2017 11:28 AM
19	find some area for tennis/pickleball	8/2/2017 11:15 AM
20	crosswalk to get from across Maplewood/Blenkinsop north of Tattersall--I realize it's not the park but I'd use it even more	8/2/2017 10:57 AM
21	make bowker creek more room to flow	8/2/2017 9:45 AM
22	open up the creek	8/2/2017 9:37 AM
23	fixing perimeter of Kings Pond - unsafe for kids now	8/2/2017 9:13 AM
24	connect to village/shopping area	7/31/2017 2:31 PM
25	More yoga, bigger rooms for yoga	7/30/2017 11:26 AM
26	better signage for dogs to be leached	7/29/2017 7:53 AM
27	Free Events and Outdoor Activities (Regular Walk & Talks)	7/29/2017 7:40 AM
28	Set up a disc golf course throughout the course.	7/29/2017 5:31 AM
29	Honestly it's pretty great	7/29/2017 12:28 AM
30	Add a water fountain near the trail	7/27/2017 8:23 AM
31	Programs for school age kids to attend on field trips. It's a walkable destination for 4 elementary schools	7/27/2017 7:50 AM
32	Programs for school age kids to attend on field trips. It's a walkable destination for 4 elementary schools	7/27/2017 12:59 AM
33	Lighting	7/26/2017 9:15 PM
34	Clear invasives out of Bowker Creek more often (near Rec.Centre)	7/26/2017 5:51 PM

35	improve signage and remove invasive species	7/26/2017 4:47 PM
36	commuter bike routes to keep cyclists off golf cart paths	7/26/2017 4:40 PM
37	Picnic area	7/23/2017 4:11 PM
38	Natural playground adjacent to rec centre	7/22/2017 10:29 PM
39	add children's playground	7/22/2017 6:49 PM
40	Add signage to #5 warning golfers of trail and homes below	7/22/2017 7:46 AM
41	Improve Golf Course drainage and cart paths	7/22/2017 7:39 AM
42	Improve the hours when the restaurant is open	7/20/2017 7:38 PM
43	washrooms outside are dirty and since it is a municipal course street people were in using them and they are very dirty,	7/20/2017 11:02 AM
44	Better signs so walkers do not take the paths to fairways	7/20/2017 7:52 AM
45	Safe footing on large hill West side on chip trail	7/19/2017 9:05 PM
46	washrooms outside are dirty and since it is a municipal course street people were in using them and they are very dirty,	7/19/2017 4:56 PM
47	add pool to rec centre	7/19/2017 11:22 AM
48	needs something interesting like public art that is interactive	7/18/2017 11:15 AM
49	Widen the Path Around the Golf Course	7/17/2017 2:57 PM
50	Less golf focus	7/17/2017 7:13 AM
51	paths	7/16/2017 6:12 PM
52	signage for native plants	7/15/2017 8:39 PM
53	Outdoor entertainment missing	7/15/2017 3:45 PM
54	.	7/15/2017 1:54 PM
55	Expand program offerings at the rec centre beyond physical and art activities	7/15/2017 1:51 PM
56	Better cycling control past pro shop	7/15/2017 7:36 AM
57	walking trail	7/14/2017 4:03 PM
58	More variety of golfing pass options	7/14/2017 8:55 AM
59	preserve the natural habitat	7/13/2017 9:27 PM
60	Removal of non indigenous animals	7/13/2017 9:17 PM
61	Keeping the natural waterways through the park	7/13/2017 9:13 PM
62	An area for exuberant golfers and walkers to enjoy relaxation while not disturbing families having a leisurely lunch	7/13/2017 5:28 PM
63	Expand parking lot paved	7/13/2017 3:30 PM
64	washroom need to be cleaned more outside	7/13/2017 2:50 PM
65	Keep trail fresh with chip mixture.	7/13/2017 2:42 PM
66	better signage so that cyclists stay on their own trails	7/13/2017 2:38 PM
67	Keep trail fresh with chip mixture.	7/13/2017 2:38 PM
68	Coffee access	7/13/2017 2:24 PM
69	Add picnic area	7/13/2017 2:00 PM
70	Keeping invasive weeds / shrubs away	7/13/2017 1:44 PM
71	add exercise stations and flowering shrubs along walking path	7/11/2017 12:31 PM
72	Keep adjacent home owners from modifying the natural areas and keep them from dumping in the park.	7/10/2017 12:33 PM

73	Functionality	7/7/2017 8:20 AM
74	conduct a tree inventory	7/6/2017 8:56 PM
75	improved pathways, difficult to bike on some paths, specially in bad weather	7/6/2017 3:32 AM
76	Improve	7/5/2017 6:09 PM
77	Stop development of the big homes going up on the path.	7/4/2017 4:23 PM
78	More activity in tune with indigenous culture	7/4/2017 12:02 PM
79	Lease clubhouse upstairs to good restaurant operator	7/2/2017 8:36 PM
80	baby and toddler inclusive fitness activities	7/2/2017 5:46 PM
81	Removing invasives	7/2/2017 5:37 PM
82	Have some place where locals can walk to an inexpensive breakfast on a Saturday or Sunday	7/2/2017 8:48 AM
83	Maintain existing trails to minize short-cutting and environmental damage	7/2/2017 7:23 AM
84	Open the upper reaches of the creek across the golf course and landscape the creek with appropriate plants to provide shade for the water so it is not too hot for the aquatic life.	6/30/2017 9:55 PM
85	Accommodate community, not just golfers	6/29/2017 3:03 PM
86	Bike trails	6/29/2017 1:37 PM
87	Kings pond should have a fountain / filter to keep the water cleaner	6/29/2017 7:43 AM
88	golf club	6/28/2017 6:38 PM
89	More service	6/28/2017 12:35 PM
90	More water stations for humans/pets	6/28/2017 10:01 AM
91	Area for outdoor market or large gatherings for food/meals (bbq's, food fairs, etc)	6/25/2017 1:36 PM
92	Badminton courts	6/23/2017 11:50 AM
93	Stop feeding the ducks/Rats at Kings Pond	6/23/2017 11:08 AM
94	More protection from golf course	6/23/2017 10:24 AM
95	No cyclists on trails, dangerous and ruin chip trails	6/23/2017 7:06 AM
96	Nature interpretive signs	6/22/2017 7:33 PM
97	add disc golf course options with tee times	6/22/2017 2:28 PM
98	bathrooms along the trail	6/22/2017 12:10 PM
99	Places to gather / picnic / nicer coffeeshop	6/21/2017 9:30 PM
100	Get rid of the broom and blackberries	6/21/2017 8:13 PM
101	Community gardens	6/21/2017 8:10 PM
102	Outdoor nature playground for children (3-8 years of age)	6/21/2017 1:30 PM
103	Tennis / Pickle Ball Courts	6/21/2017 11:32 AM
104	Enforce the leashed dog bylaw.	6/21/2017 10:41 AM
105	Community produce garden similar to Gorge Park	6/21/2017 7:58 AM
106	Re-open the restaurant in the club house.	6/20/2017 3:17 PM
107	Keep bicyclists off trail - post notices..	6/19/2017 3:38 PM
108	further improved drainage; further attention to the mud near King's Pond in winter and spring	6/19/2017 1:30 PM
109	better access for more people to pottery space	6/19/2017 10:40 AM
110	better use of gravel parking lots (even if that means developmetn)	6/19/2017 10:33 AM
111	Potential better use for field behind the recreation center	6/19/2017 7:58 AM
112	More support for invasive removal	6/18/2017 1:30 PM

113	offer more healthy food options in the rec center cafe.	6/18/2017 10:14 AM
114	less golf (but keep 9 holes)	6/18/2017 8:26 AM
115	Maintain the Golf Course	6/17/2017 9:26 PM
116	Leave the park alone, give it back to First Nations.	6/17/2017 9:09 PM
117	Police dogs off leash (too many not on-lead)	6/17/2017 8:55 PM
118	More educational/ info boards	6/17/2017 8:23 PM
119	Create a family friendly community space (eg with drop in baby groups)	6/17/2017 1:21 PM
120	At the duck pond.....more information about habitat that live there.	6/17/2017 7:38 AM
121	Better drainage in the ball fields	6/16/2017 4:37 PM
122	Remove geese	6/16/2017 3:20 PM
123	Rent the restaurant to someone who can make a go of it as I think it could make money,I did eat there often when it was up and running.....it is such a great place to bring visitors.	6/16/2017 11:36 AM
124	Replace the baseball diamond with a community garden.	6/16/2017 11:07 AM
125	Require dogs to be on leash	6/16/2017 10:07 AM
126	Create more opportunity for diverse walking/running opportunities; not just the perimeter trail	6/16/2017 7:35 AM
127	improve drainage in ball diamond area then use it for a playground for the kids, ideally with a trials bike park or parkour course or similar "wild" playground, even an area with a basketball hoop, etc	6/15/2017 10:08 PM
128	Distance markers along the chip trail. Or even that outdoor fitness equipment that some parks have now.	6/15/2017 9:49 PM
129	Add more fun things for youth (outdoor rock climbing wall, pump track, volley ball courts)	6/15/2017 7:07 PM
130	improve practice area for golf (especially driving range)	6/15/2017 7:00 PM
131	lower price for osteofit classes	6/15/2017 6:53 PM
132	additional wetland areas and additional native vegetation areas	6/15/2017 3:23 PM
133	Do more to promote the clubhouse for coffee, snacks, etc	6/15/2017 1:20 PM
134	Create active park areas	6/15/2017 1:00 PM
135	Public Playground	6/15/2017 12:37 PM
136	more gym space	6/15/2017 12:17 PM
137	a small-footprint kids playground near rec center	6/15/2017 11:32 AM
138	More footgolf days and hours in winter	6/15/2017 11:04 AM
139	Some outdoor fitness equipment.	6/15/2017 10:55 AM
140	Remove invasive plants	6/15/2017 10:46 AM
141	perhaps a barrier at King's Pond to stop people parking on the trail	6/15/2017 10:23 AM
142	Perhaps the restaurant could run by lease. One of the best views in the city is going to waste.	6/15/2017 9:56 AM
143	More garbage cans around the trail	6/15/2017 9:27 AM
144	Paved and chip paths	6/15/2017 8:24 AM
145	preserve it exactly as it is	6/15/2017 8:14 AM
146	preserve it as it is	6/15/2017 8:11 AM
147	lighting	6/15/2017 7:58 AM
148	add boules/bocce courts and/or tennis courts	6/15/2017 7:33 AM
149	Continued invasive plant removal	6/15/2017 7:03 AM
150	Better utilization of the land on the south end of the park (baseball diamonds and adjacent areas)	6/15/2017 6:49 AM
151	Build a dirt jump park for kids	6/15/2017 6:16 AM

152	It could really be a showcase for Saanich - kind of a 'Beacon Hill North'; it isn't living up to its full potential	6/14/2017 8:59 PM
153	Continue to remove invasives	6/14/2017 8:31 PM
154	Cedar Hill Park is a special place just as it is.	6/14/2017 6:08 PM
155	More courts including pickleball	6/14/2017 6:01 PM
156	Keeping open spaces for children to play and picnic	6/14/2017 3:55 PM
157	Have a very good coffee house /restaurant at the Club House	6/14/2017 2:41 PM
158	Lower fields - perhaps restoring some areas of wetland would allow other areas to be less boggy in the winter.	6/14/2017 2:34 PM
159	guided interpretive walks history & natural history	6/14/2017 1:17 PM
160	control and remove invasive species	6/14/2017 9:46 AM
161	More indoor tennis courts	6/13/2017 7:33 PM
162	Larger gym	6/13/2017 5:02 PM
163	Regular maintenance of the nature reserve.	6/13/2017 2:41 PM
164	Tennis courts	6/13/2017 1:38 PM
165	Better drainage in winter	6/13/2017 12:45 PM
166	remove ugly, useless ball diamonds	6/13/2017 8:14 AM
167	Rec centre badly needs new equipment	6/12/2017 8:26 PM
168	no smoking on trails	6/12/2017 4:29 PM
169	Leave park as is	6/12/2017 4:24 PM
170	N/A	6/12/2017 3:59 PM
171	make the playing field more multi sport,soccer, rugby football	6/12/2017 2:03 PM
172	Overdue: please address the poor condition of the steep portion of the trail along the west side: narrow, blind corner, steep, obstacles-boulders, loose surface. Those with mobility issues are hooped at this spot!!	6/12/2017 1:06 PM
173	water fountain at King's Pond	6/12/2017 10:51 AM
174	Have a community picnic at the (almost always empty) baseball diamond next to the rec centre	6/11/2017 8:52 PM
175	More community outdoor events. Music in the park, big halloween bonfire, markets in derby parking lot, before and after school care, nature programs esp for kids	6/11/2017 7:47 PM
176	remediate and return upper portion of golf course near King's Pond to natural landscape	6/11/2017 3:30 PM
177	A strategic, integrated vision and plan for for buildings, creek, natural areas and green open space around the rec. centre	6/11/2017 12:57 PM
178	Create opportunities for seniors to be active safely	6/11/2017 8:04 AM
179	better signage commenting on the value and history of the park	6/10/2017 2:29 PM
180	open watercourses	6/10/2017 12:12 PM
181	Clean up kings pond	6/10/2017 9:00 AM
182	Do not sacrifice open space for tennis courts, pool, etc. - these are offered at other Saanich facilities	6/9/2017 5:14 PM
183	Improve operating hours at golf clubhouse	6/9/2017 4:16 PM
184	Expand Rec Centre - bigger weight room	6/9/2017 1:39 PM
185	Daylighting and repair of Bowker Creek	6/9/2017 12:22 PM
186	Support on-going invasive plant removal and replacement with native plants.	6/9/2017 10:40 AM
187	Add other amenities that draw a wide variety of users	6/9/2017 10:16 AM

188	outdoor sport courts	6/9/2017 10:02 AM
189	Outdoor exercise equipment	6/9/2017 9:53 AM
190	Comfortable benches ... not angled back or curved and not so high .	6/9/2017 8:32 AM
191	Improve east/west connector to reduce conflict with golfers - for example, cyclists should be asked to dismount	6/9/2017 3:00 AM
192	if downsizing the golf course, or eliminating it is not an option, then at least make the entire golf course available to the non-golfing public at least once a week, like they do in Scotland at the St. Andrew's Golf Course	6/9/2017 2:18 AM
193	More communication about community events	6/8/2017 7:48 PM
194	more types of ducks....	6/8/2017 7:21 PM
195	Adult outdoor fitness circuit	6/8/2017 6:58 PM
196	Outdoor adult fitness circuit	6/8/2017 6:33 PM
197	Improve the values of the leadership; let them be advocates who believe in Nature How about doing an official "count" of park users to really know how huge "the base" is	6/8/2017 5:08 PM
198	signs identifying the flowers, trees and animals that frequent the area	6/8/2017 3:45 PM
199	enforcement of off leash dogs	6/8/2017 2:53 PM
200	enhancement of teh riparian vegetation around kings pond (to curb erosion and spread of invasive species)	6/8/2017 1:15 PM

## Q9 Is there anything you'd like to do in the park which you currently cannot do? (please elaborate)

Answered: 203 Skipped: 402

#	RESPONSES	DATE
1	Nothing at all - status quo!!	9/6/2017 11:01 AM
2	swimming	9/6/2017 10:51 AM
3	swim and pool exercise programs	9/6/2017 10:50 AM
4	restaurant amenities could be improved, ie increase hours of operation, improved menu, ie make it into a real restaurant/pub, not just a coffee shop, would be good for community...	9/6/2017 10:35 AM
5	swim	9/6/2017 10:27 AM
6	swim	9/6/2017 10:24 AM
7	bring children to play	9/6/2017 10:21 AM
8	Playground for my grandchildren	8/21/2017 3:50 PM
9	Picnic Areas Open up vistas to the public	8/21/2017 3:37 PM
10	There needs to be a full outdoor calisthenics gym with pullup bars at various hights, dip bars, rings, inverted row bars, benches for ab exercises, and lots of level ground for doing jump-rope and other cardio intervals. There don't seem to be any serious calesthenic parks anywhere in Victoria, where adults of any age can do an out-door work out. Everything seems to be those ineffective machines , highly resctrictive equipment or play structures for children. There needs to be a place where adults who are serious about calisthenics can go and do things like pull ups, muscle ups and real body weight training.	8/7/2017 10:00 PM
11	Playground	8/7/2017 8:20 PM
12	play area for dog off leash	8/7/2017 12:49 PM
13	We have a wonderful restaurant location, with stellar vistas - lets build to improve the dining experience.	8/7/2017 8:42 AM
14	Eat an/or have a drink in the late afternoon or evening. Seems a missed opportunity to have such limited hours for the cafe. Get the right operator, and it could be a destination, at least in the summer.	8/6/2017 2:11 PM
15	I would like to be able to explore areas not currently accessible except to golfers (except when I was skiing last winter). There should be times when pedestrians could access the course, but currently, the staff shooes you off if you venture off the pedestrian trails.	8/6/2017 10:58 AM
16	We used to drop into the clubhouse for lunch with friends, but we stopped doing that with the current limited menu. It used to be a great visiting place for us.	8/6/2017 10:26 AM
17	No	8/5/2017 9:44 AM
18	Festivals in the ball diamond area.	8/5/2017 8:43 AM
19	Picnic. Off leash dog area.	8/4/2017 7:52 PM
20	Nicer area for picnicing would be great. People love to stop, visit and talk, and while benches here and there and the area around the golf buildings, would be nice to have tete-a-tete style seating throughout/along the entire chip trail.	8/4/2017 11:07 AM
21	cycle through without dismounting	8/2/2017 12:01 PM
22	Walk on the golf course	8/2/2017 11:47 AM
23	locations around the trail to stop and enjoy nature	8/2/2017 11:40 AM

24	picnic (tables; tennis; water park; library; music/amphitheatre; soccer net (not field); basketball; courses (gazebo); exercise stations (along trail); outside senior exercise station; older kid playground; sand pit	8/2/2017 11:28 AM
25	use whole area during daylight hours	8/2/2017 11:21 AM
26	would like pedestrian access to present golf course	8/2/2017 11:06 AM
27	No	8/2/2017 9:56 AM
28	swim, playground exploration, visit a nature house, have a picnic	8/2/2017 9:13 AM
29	Better bike/shared use pathway (as above). A naturalized play-area for kids (large rocks & logs). Water play area?	7/31/2017 9:59 PM
30	Swim. An outdoor pool would be amazing and a huge draw from all over the CRD. Good return on investment and a priceless opportunity for kids and parent to share.	7/30/2017 11:26 AM
31	Commute through north to south by bike.	7/29/2017 7:40 AM
32	Cycle through as a mode of commuting across north to south.	7/29/2017 5:31 AM
33	participate in a community food forest	7/28/2017 3:05 PM
34	Play at the playground with my son any hours unless occupied by your programs	7/28/2017 7:56 AM
35	No	7/27/2017 7:22 PM
36	No - it is really nice the way it is!	7/27/2017 8:23 AM
37	Bike through it	7/27/2017 7:50 AM
38	Bike through it as part of a commute	7/27/2017 12:59 AM
39	Nothing!	7/26/2017 5:51 PM
40	no	7/25/2017 10:26 PM
41	Garden plots	7/23/2017 4:11 PM
42	Have a morning coffee and muffin year round - make it a community destination for walkers etc. There are several walking clubs using the trail. Draw them in.	7/22/2017 7:46 AM
43	Work as a volunteer	7/19/2017 9:05 PM
44	Not dismounting when cycling through.	7/19/2017 1:20 PM
45	playground, swimming	7/19/2017 11:22 AM
46	not much for older children over age 8	7/18/2017 11:15 AM
47	BBQ and picnic	7/17/2017 4:11 PM
48	restaurant service for dinner	7/17/2017 3:16 PM
49	No	7/17/2017 2:57 PM
50	Pickleball	7/17/2017 11:19 AM
51	Family space	7/15/2017 3:45 PM
52	Have a coffee or breakfast before 10 or 11Am Have alcoholic beverages available as per liquor laws established in B.C. Hours can and should be modified to comply with every other course in the city	7/15/2017 1:54 PM
53	Yes..needs a picnic area and needs a good coffee place with good food. Would like community garden if conditions permit.	7/15/2017 1:51 PM
54	My kids and I would like to bike from the Northwest corner to the Northeast corner. We live in Maplewood and would like safer and easier access do the Shelbourne community.	7/15/2017 10:31 AM
55	Nothing comes to mind	7/14/2017 10:25 PM
56	Ride my bicycle	7/13/2017 9:34 PM
57	outside tennis, pickleball	7/13/2017 9:27 PM
58	I like it just as it is	7/13/2017 9:12 PM

59	No	7/13/2017 6:58 PM
60	We can become used to almost anything but the main wish I hear is to increase the functionality of the clubhouse facilities.	7/13/2017 5:28 PM
61	swim!	7/13/2017 4:47 PM
62	As said earlier gave food and beverage available in the summer months after five .	7/13/2017 3:48 PM
63	Play pickleball	7/13/2017 2:00 PM
64	Improve access for bicycles to the walking trail at Glacier and around to Epsom and Arbutus to make the north/south transit better, particularly for families taking children to Doncaster Elementary and for students from Doncaster area travelling to Reynolds High School. This would alleviate the need to ride along Tattersall to the east/west cross or to ride along Cedar Hill X to Cedar Hill as none of these streets have much in the way of bike lanes. Widening the trail and improving part of the surface for bicycles would also be helpful.	7/11/2017 2:36 PM
65	Disc golf	7/10/2017 10:00 PM
66	Play tennis outdoors	7/9/2017 8:14 PM
67	No	7/8/2017 1:49 PM
68	Grow food, educate public, showcase sustainability	7/7/2017 8:20 AM
69	Play pickleball outside. Inside courts are too small (very little back of court room) and not often available due to other gym activities	7/6/2017 1:16 PM
70	No	7/4/2017 6:30 PM
71	Listen to some live music in the park during the summer. Have community picnics or games.	7/4/2017 4:23 PM
72	No	7/4/2017 4:02 PM
73	Enjoy a good meal with a spectacular view. What a squandered resource!	7/2/2017 8:36 PM
74	Picnic areas	7/2/2017 5:46 PM
75	Since Cabin 12 closed, there is no longer a place to which I and my husband can walk through the park early in the morning for breakfast. We do incorporate into our walks a detour to the business on Gosworth for ice cream or donairs.	7/2/2017 8:48 AM
76	No. The park has a good combination of public access (chip trail, golf course and rec center), environmentally sensitive areas (Kings Pond), places for quiet contemplation and magnificent viewpoints	7/2/2017 7:23 AM
77	Not really. I'd prefer to keep out hard footprint as small as possible.	6/30/2017 9:55 PM
78	Swimming - it is the perfect spot for an outdoor swimming pool.	6/29/2017 3:03 PM
79	Play tennis outside.	6/29/2017 2:07 PM
80	Nope	6/29/2017 7:43 AM
81	Play disc golf	6/28/2017 9:34 PM
82	More benches along the trails would be helpful for older folks	6/28/2017 6:38 PM
83	Outdoor pool...we need one somewhere in the city!	6/28/2017 10:01 AM
84	Nothing	6/27/2017 5:07 PM
85	i dont see the need for improvement	6/27/2017 4:07 PM
86	bike from the end of Diana Rd to Ascot Dr	6/26/2017 7:18 PM
87	Community garden	6/26/2017 11:38 AM
88	Bike through it Listen/watch outdoor music/plays/movies.	6/25/2017 1:36 PM
89	No	6/24/2017 10:10 PM
90	Have a glass of wine on a bench ??	6/23/2017 7:06 AM
91	Disc golf	6/23/2017 6:53 AM
92	play disc golf	6/22/2017 2:28 PM

93	I currently cannot walk my dog off-leash.	6/22/2017 12:10 PM
94	Watch a ball game.	6/21/2017 8:13 PM
95	Would love to see the golf clubhouse better marketed as a dining destination. It's a beautiful facility that very few people know about for food. Totally underutilized, closed for several weeks in the winter, late openings, very limited menu. Both the cafes at the cedar hill rec center and commonwealth are well patronized, the clubhouse should be too. Lots of families, walkers , etc.	6/21/2017 1:51 PM
96	Cross country Mountain biking Nature playground for kids	6/21/2017 1:30 PM
97	Id like to be able to use the whole space, rather than having the golf course take up the majority of the space.	6/21/2017 12:07 PM
98	Better use of the baseball diamond green area.	6/21/2017 11:32 AM
99	no	6/20/2017 5:11 PM
100	Can't let dog off-leash. Nice to finish up a walk around the pathway with a little bit of off leash play that does not impede runners, other walkers or risk dogs getting onto golf course.	6/20/2017 3:17 PM
101	A children's playground - maybe near the farmhouse? - similar to that at Playfair Park	6/19/2017 3:38 PM
102	not that I am aware of! I want only to be able to walk freely there. I like the presence of runners and other walkers.	6/19/2017 1:30 PM
103	have a steam bath.	6/19/2017 10:40 AM
104	some part where my dog is permitted off-leash	6/19/2017 10:33 AM
105	no	6/19/2017 7:32 AM
106	Accommodate cyclists - from Epsom Rd to Jennifer. Either widen this section of pathway, or change the walkway on the golf course allow cyclists to access Jennifer or Derby.	6/18/2017 11:35 AM
107	high demand for the tennis courts frequently has me travelling to other municipalities to play tennis where there is more availability.	6/18/2017 10:14 AM
108	It is great as it is, don't see why you need to "fix" something that it;s not broken.	6/18/2017 8:33 AM
109	ride my bike along the edge of the park. Doesn't need to be the same path as walkers/runners but it is a great connection from King's Pond to the Rec Centre	6/18/2017 8:26 AM
110	Play tennis outdoors	6/17/2017 11:53 PM
111	Saanich needs more ice rinks. Many kids on waiting lists as they cannot join SMHA!	6/17/2017 9:26 PM
112	Leave the park alone, give it back to First Nations.	6/17/2017 9:09 PM
113	Would LOVE bike/rollerblade/etc. loop beside walking trail, but know that's a big ask!	6/17/2017 8:55 PM
114	Kids playground Outdoor tennis court	6/17/2017 8:23 PM
115	A playground, water park basketball/hockey/tennis courts could be nice additions	6/17/2017 7:14 PM
116	see above	6/17/2017 1:40 PM
117	volleyball and badminton	6/17/2017 1:30 PM
118	Take kids to a playground	6/17/2017 1:21 PM
119	Would LOVE a sauna or hot tub facility!	6/17/2017 7:38 AM
120	No playground for children	6/16/2017 4:37 PM
121	It might be fun to add an outdoor obstacle / parkour course for young and old near the rec center.	6/16/2017 11:07 AM
122	Community garden -- in a deer free, collaborative space; including some demonstrations (Can't do this in my own backyard because it is an EDPA zone).	6/16/2017 8:52 AM
123	Have a meal	6/16/2017 8:22 AM
124	Community events (e.g., concerts, block parties, movies)	6/16/2017 8:15 AM
125	Except for the cut-through trail, my experience as a non-golfer is restricted to the SE corner and the perimeter. I'd like more opportunities for walking, and more spots for quiet contemplation and conversation.	6/16/2017 7:35 AM

126	Have an off leash area to walk your dog	6/16/2017 7:15 AM
127	Walk on the golf course.	6/16/2017 5:57 AM
128	meet friends for coffee - current space is dated, not aesthetically appealing, serves poor quality food and beverages take the kids somewhere to play and meet other parents there	6/15/2017 10:08 PM
129	Nowhere to ride a bike, especially for our son.	6/15/2017 9:49 PM
130	No.	6/15/2017 9:16 PM
131	Cycle commute on the trails.	6/15/2017 7:07 PM
132	swim in pond	6/15/2017 6:53 PM
133	swim	6/15/2017 1:55 PM
134	An off-leash play area would be FANTASTIC.	6/15/2017 1:20 PM
135	We would like there to be an operating restaurant.	6/15/2017 1:04 PM
136	Perhaps more picnic and family areas.	6/15/2017 1:00 PM
137	off-leash dog space	6/15/2017 12:25 PM
138	Cycle from Derby Rd to Queensbury Ave.	6/15/2017 12:17 PM
139	entertain small Grandchildren	6/15/2017 11:32 AM
140	Swim :) I'd love to have a swimming pool here	6/15/2017 10:23 AM
141	play area for young children	6/15/2017 10:05 AM
142	I think the park is perfectly balanced as is. The golf course and rec centre are enough infrastructure. I love the walk around the course and big field in front of the McRae house.	6/15/2017 9:56 AM
143	Picnic space or an off-leash dog area (fenced, of course!)	6/15/2017 9:27 AM
144	Evening walks after dark or twilight.	6/15/2017 8:24 AM
145	no. it is perfect the way it is	6/15/2017 8:14 AM
146	No	6/15/2017 8:05 AM
147	activities such as bocce or use outdoor exercise equipment in area currently occupied by baseball diamond	6/15/2017 7:33 AM
148	I would like to be able to meet friends for dinner or drinks	6/15/2017 7:03 AM
149	Perhaps a disk golf course	6/15/2017 6:49 AM
150	Walk my dog off leash.	6/15/2017 6:43 AM
151	yes, play Pickleball outdoors	6/15/2017 6:17 AM
152	Cycle. I want to commute on a portion of the trail	6/15/2017 6:16 AM
153	Requires a longer (length) driving range	6/15/2017 6:13 AM
154	No	6/15/2017 6:10 AM
155	A bandstand, and summer music programs, would be very cool. Community gardens would be a nice touch somewhere in the park. Some grassy space for lounging in the sun would be great!	6/14/2017 8:59 PM
156	no	6/14/2017 8:54 PM
157	See above #2. Would love to be able to walk around the park, then have a decent meal in an attractive spot	6/14/2017 8:31 PM
158	water fountain	6/14/2017 8:23 PM
159	No, just enjoy it.	6/14/2017 6:08 PM
160	Love the feeling of open spaces and a neighbourhood area where this can be enjoyed	6/14/2017 3:55 PM
161	Sit down to socialize over coffee/ beer/ meal in a beautiful setting	6/14/2017 2:41 PM

162	I believe the lower fields could be used more for things like Community Garden or picnic areas but due to the boggy fields, this is not usually possible. If the restoration of Bowker Creek's banks and development of some areas of wetlands could alleviate this, that could be a good thing. If the area is all natural wetland then perhaps it should be restored to such. Thank you!	6/14/2017 2:34 PM
163	no	6/14/2017 1:52 PM
164	No. Park is for all to enjoy naturally abundant features through effective parks & rec programs, not a zone for businesses development	6/14/2017 1:17 PM
165	walk on the greens :)	6/14/2017 9:46 AM
166	Go to the bathroom!	6/14/2017 12:29 AM
167	Play tennis outside	6/13/2017 5:02 PM
168	play on a clay court	6/13/2017 4:23 PM
169	Play tennis outside	6/13/2017 3:40 PM
170	Play area for kids, Tennis	6/13/2017 1:38 PM
171	Play tennis outdoors	6/13/2017 1:34 PM
172	outdoor tennis	6/13/2017 12:52 PM
173	Play outdoor tennis	6/13/2017 12:45 PM
174	There is no meeting place for families with kids outside on the south end (opposite Kings pond). A playground would be awesome and well used. I feel there is wasted space by having two baseball diamonds. That space is really only used two months out of the year.	6/12/2017 8:22 PM
175	Nothing I can think of.	6/12/2017 3:59 PM
176	Young children love the ducks at King's Pond but it would be nice if there were one or two spots around the trail where a mom or grandparents could park a stroller and the children could safely play in a natural habitat. (and far away from golf balls!) As much as it is fun to feed the ducks, I would be in favour of a 'do not feed the ducks/wildlife' sign (I have seen a car with one adult park at King's Pond and open the trunk and haul out great loads of seed....very unnecessary and attracts the rats) and this trend seems to be catching on elsewhere (the seals at the inner harbour eg)	6/12/2017 1:06 PM
177	ride bikes on all trails, play in a playground, enjoy a social evening atmosphere at derby golf building like pub nights with music and food and drinks say 6 till 11 pm. Maybe darts and pool tables +/- pingpong. Maybe a teen center and skate park similar to gordon head. Would love a pool at cedarhill rec.	6/11/2017 7:47 PM
178	Play with children, esp. activities involving many children at once. Focus of golf at publicly subsidized rates abnormally favours one small segment of the community. With the myriad golf courses in Victoria and lower V.I., it just makes sense from an inclusivity point of view, and in line with the values of Saanich Parks, to open this beautiful space to a more diverse population.	6/11/2017 3:30 PM
179	Outdoor social space including kids playground, gathering area, picnic, close to rec. centre. Better use of golf club house to focus on community: meetings, informal gathering and fun for the WHOLE community. We need the park to reflect our community not just Saanich's corporate identity.	6/11/2017 12:57 PM
180	Clay court tennis.	6/11/2017 8:04 AM
181	No	6/10/2017 5:13 PM
182	Picnick tables.	6/10/2017 9:00 AM
183	Off leash dog area	6/10/2017 8:35 AM
184	Pickleball courts	6/9/2017 10:02 PM
185	kids playground	6/9/2017 8:46 PM
186	yes, i would like to have a playground - the one at Doncaster school isnt reallymeant for toddlers and there is no swings, which are big at my kids age (2 y.o.)	6/9/2017 8:08 PM
187	Outdoor tennis courts	6/9/2017 5:46 PM

188	No. It is a good place to walk and chill and meditate. The birds and benches are nice. And even though it's a golf course, it is green, and open: we need more spaces like these. Less busy, and peaceful.	6/9/2017 5:14 PM
189	Ride my bike from Derby St through to Queensbury Avenue.	6/9/2017 1:39 PM
190	Disc golf	6/9/2017 12:22 PM
191	I would like to be able to play outdoor pickle ball.... especially in a party shaded area	6/9/2017 8:32 AM
192	Have a beer/snack at clubhouse looking at the mountains	6/9/2017 7:37 AM
193	The value of the park is greatly reduced by the limited natural area, and lack of maintenance of non-golf areas. There should be more space allocated to native landscape and riparian areas to increase the value of the park for walking, birdwatching, accessing Doncaster/Queensbury by bike. Kings pond is neglected and the environment around it crowded & made inaccessible by the golf course.	6/9/2017 3:00 AM
194	I would like to walk every inch of the park freely, crisscrossing it from all directions, in all directions, across the greens, at all times	6/9/2017 2:18 AM
195	No. Our family likes the park the way it is. It's nice to go for a walk there. Also if my son has programs at the rec centre we walking him through the park to the centre. We also feed the ducks there.	6/8/2017 9:38 PM
196	Fly a kite	6/8/2017 7:48 PM
197	Outdoor physical activity gym, children's play area	6/8/2017 7:43 PM
198	walk and play in the area dedicated to golfing	6/8/2017 6:58 PM
199	Outdoor tennis courts	6/8/2017 6:34 PM
200	Be able to connect by bike from Queensbury to Doncaster	6/8/2017 6:33 PM
201	Picnic tables & chairs (even moveable ones) are necessary. How about extending the Park by buying "Jenkins Pond" or whatever that pond is called and redesigning the whole water course there now that "upper Kings Pond" is Saanich property	6/8/2017 5:08 PM
202	outdoor exercise stations (near the rec centre) would be a good addition	6/8/2017 1:15 PM
203	Play pickleball outdoors	6/8/2017 11:57 AM

**Q10 Reach 17, a tributary of Bowker Creek, flows through the park. Which of the following enhancement/restoration efforts would you like to see for Reach 17? (check all that apply)**

Answered: 441 Skipped: 164

ANSWER CHOICES	RESPONSES	
Expansion of wetland to reduce downstream flooding	52.83%	233
Enhancements to creek to follow a more curved natural stream channel	58.28%	257
Open and restore areas currently enclosed in a culvert – exposing the creek to daylight	64.85%	286
Including art and sculptural elements into the restoration design	26.98%	119
Boardwalk/viewing area incorporated into the restoration design	61.22%	270
Educational signs	56.01%	247
Total Respondents: 441		

## Q11 Do you have any other comments or concerns about Bowker Creek 'Reach 17'?

Answered: 98 Skipped: 507

#	RESPONSES	DATE
1	If the size of the golf course (that is make it par 3/9 hole) needs to be reduce to enhance the creek that would be a good thing.	9/6/2017 10:48 AM
2	It is an important example of a natural system. We need to repair and preserve to educate future generations about nature and wildlife	9/6/2017 10:18 AM
3	Restore more natural area for birds, pollinators and native plants	8/21/2017 3:54 PM
4	Signs: only if circumspect...not large ugly signs. The current situation is not ideal	8/21/2017 3:42 PM
5	I think the Friends of Bowker Creek would be a very good resource to know what could be done and should be done. Know that one change affects another so one has to be careful of those changes.	8/9/2017 3:01 PM
6	Wetland expansion, while desirable should not promote mosquitoes (Lyme disease) or ticks.	8/7/2017 1:04 PM
7	Wetland construction and flood control should dominate decisions but integration into the design of the golf course a requirement.	8/7/2017 10:48 AM
8	Sometimes adults with young children are around the pond and are in danger from golfers off #5 tee. Need to make sure "walkers" stay off the golf course. Please have appropriate signage!	8/6/2017 10:32 AM
9	Would be against art/sculptural/viewing components - best as natural and undisturbed as possible once restored.	8/5/2017 9:51 AM
10	I'd want more education regarding creeks and their best routes, etc, before answering the above questions	8/5/2017 9:45 AM
11	Its fine the way it is. Keep the artists and other do gooders away from spoiling its natural beauty.	8/4/2017 8:58 PM
12	Didn't really know that it was covered up	8/4/2017 7:54 PM
13	Adhere to objectives set out in the Bowker Creek Blueprint	8/2/2017 12:03 PM
14	Restoration will help mitigate downstream effects of climate change; raise natural wildlife habitats	8/2/2017 11:49 AM
15	Support the 100 year plan	8/2/2017 10:43 AM
16	Turn southern parking lot into a flower parking lot	8/2/2017 10:35 AM
17	Whichever of these is the most needed/beneficial for the ecosystem is what I'd like to see done. If it is only for cosmetic reasons I don't see the need.	8/2/2017 10:05 AM
18	Consider renaming that section of Bowker? Who's ever heard of that? First nations or other historical recognition?	7/31/2017 10:13 PM
19	I'm not an art hater but including art and sculptural elements does seem unnecessary, given the natural beauty of a restored natural stream. That's gilding the lily.	7/30/2017 11:34 AM
20	Keep it clean.	7/29/2017 7:42 AM
21	I support all restoration efforts.	7/29/2017 7:20 AM
22	Strongly support restoration. It's a shame to hide the stream	7/29/2017 12:32 AM
23	I think its fine as is.	7/28/2017 1:55 PM
24	I love Bowker Creek! It flows behind out house - having a natural water stream in the neighbourhood is wonderful - let's take good care of it.	7/27/2017 8:31 AM
25	It has been too long neglected. I look forward to improvements.	7/26/2017 5:58 PM
26	It's a beautiful area of the park that appears to be overgrown with invasives	7/26/2017 4:50 PM

27	Educational signs may draw groups of school children to trail.	7/22/2017 7:59 AM
28	Maybe a multi-use trail could run parallel to the creek.	7/17/2017 4:16 PM
29	Pretty crowded part of trail with people & ducks at times.. improved flow would help	7/16/2017 1:32 PM
30	Sorry I am up to speed with the creek and think any decisions should be made by qualified individuals who have the best interests of the park at heart	7/14/2017 10:37 PM
31	winter drainage is non existant	7/14/2017 8:48 AM
32	Danger to citizens with viewing areas next to golf course ie number 5 hole people walk around pond without realizing the danger from Tee box up the hill	7/13/2017 9:22 PM
33	Leave as is	7/13/2017 4:20 PM
34	Creating a small "beach" area for children to access the creek.	7/11/2017 2:45 PM
35	It is a great chance to restore the wetland ecosystem.	7/10/2017 12:37 PM
36	I have often observed suds or some kind of discoloured foam draining out of a culvert from the clubhouse parking lot into a creek. I'm not sure if that is part of 'reach 17' but it is something I'm concerned about.	7/7/2017 10:11 PM
37	Portions of the creek are under the 7th and 5th holes. Care must be taken not to disturb the golf holes.	7/6/2017 9:04 PM
38	Perhaps provide a photo, I've no idea what reach 17 is	7/6/2017 3:36 AM
39	I am in favour of all the efforts already being made to care for this properly. I really enjoyed the educational presentation about Bowker Creek that were made as part of an event last year, " A Walk in the Park".	7/4/2017 4:42 PM
40	I worry that it will become a garbage bin. I would hope the art and sculptural works would fit in with a natural space and enhance it.	7/2/2017 9:10 AM
41	Bowker Creek is an important part of our park. Please treat it with respect - open it out to flow freely and provide more wetlands. Do not make this into an artshow.	7/2/2017 7:33 AM
42	Just daylight it using as natural contours as you can. It will make the golf course more interesting to plan as well as making it more attractive habitat for birds and the eye.	6/30/2017 10:16 PM
43	None	6/29/2017 2:09 PM
44	Great idea	6/28/2017 6:41 PM
45	Hold a Paint-In event where artists and children can set up and paint en plein air all along the pathway.	6/28/2017 10:12 AM
46	Only add art/boardwalk/education if it will not interfere with restoration or increase habitat damage.	6/24/2017 10:11 PM
47	I didn't even know about it. We need to protect our urban wilderness.	6/23/2017 7:16 AM
48	Educational programs and incentives to reduce storm water flows and improve quality leading to the creek itself	6/22/2017 7:37 PM
49	Daylighting and restoration are wonderful ideas - so few natural creeks left in Saanich	6/21/2017 9:36 PM
50	I would like to see more waterways restored and un-enclosed from culverts whenever practical.	6/20/2017 3:23 PM
51	A map showing it would be nice to better understand the scope of the work you're referring to above.	6/19/2017 6:07 PM
52	as above - but don't allow it to flood the ball field...	6/19/2017 3:56 PM
53	I would keep it as natural as possible, and certainly not try to re-design it; I would try to restore it to, say, 1960s nature, but not 'improve' it. What would be lost by exposing the creek to daylight? I see the advantages, but would avoid too much 'development' in achieving this.	6/19/2017 1:33 PM
54	I do not know specifically "reach 17" but I see wildlife enjoying all the wetlands in this park and encourage management that enhances habitat	6/19/2017 10:42 AM
55	If restored, would be a beautiful centre focus of the overall park space	6/19/2017 10:40 AM
56	Use as demonstration area to encourage residents to restore other areas on private land.	6/19/2017 8:11 AM
57	My opinion should place second to expert analysis as to water/wetland needs	6/19/2017 7:38 AM

58	I feel that because this is an urban park the emphasis and funding should be on activity. There are numerous other options for nature experiences in greater Victoria.	6/18/2017 10:26 AM
59	would love to see more of it day-lighted. It is a huge asset to the urban environment. An important place for kids to explore and know about	6/18/2017 8:36 AM
60	Flooding downstream should be prevented.	6/17/2017 9:29 PM
61	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
62	I rarely think about that creek when I go for walk. It's quite hidden.	6/17/2017 8:28 PM
63	Publicise it more - few people realise that it is in the park, encourage resting sites closer to the creek	6/17/2017 10:59 AM
64	Don't give it much/any thought	6/16/2017 4:44 PM
65	Need to be mindful of cost.	6/16/2017 3:24 PM
66	I hope this new push on planning will result in restoration of this portion of Bowker Creek. The clay court development would have kickstarted restoration, but I worried that its demise might delay restoration indefinitely.	6/16/2017 7:46 AM
67	The focus should be on preserving the natural environment. The creek does not need a boardwalk, sculptures etc. The natural environment is beautiful and engaging as it is.	6/15/2017 9:59 PM
68	No	6/15/2017 7:13 PM
69	Pls develop connections to bike trails	6/15/2017 1:07 PM
70	Any enhancement may fill with golf balls.	6/15/2017 12:32 PM
71	I love art but not in Natural settings unless maybe a wood-carving	6/15/2017 11:37 AM
72	I think Bowker Creek has been ill used over the years and anything we can to do to restore it would really add to our neighbourhood.	6/15/2017 10:16 AM
73	I am in favour of restoration but only to the extent that it can be done with minimal interference or disruption to the current park, trails, and golf course.	6/15/2017 9:36 AM
74	I support any plan that is to preserve nature. i do not know about any problems with the creek, but if there are any then i approve of doing something to fix them	6/15/2017 8:16 AM
75	I would hope that any enhancements to the creek would not alter the existing walking trail.	6/15/2017 8:09 AM
76	I see pollution in the stream. Neighbours need education that their fertilizer and spilled lawnmower gas gets into the stream.	6/15/2017 7:09 AM
77	No.	6/15/2017 6:49 AM
78	Do not add art or sculpture to it. It will wreck it and it's a waste of money.	6/15/2017 6:14 AM
79	Bowker Creek is a treasure, a former salmon stream; restoring it and using it for educational purposes and salmon enhancement should be a top priority	6/14/2017 9:57 AM
80	Don't let the blackberries dominate the creek	6/13/2017 2:53 PM
81	It's a shame Saanich council members turned down the clay court proposal a few years ago, which had a spectacular site improvement plan for Bowker Creek	6/13/2017 12:47 PM
82	no, it's FINE	6/13/2017 8:29 AM
83	Don't change golf course	6/12/2017 4:25 PM
84	I am not well educated as to what needs to be done here but am in favour of anything positive to bring it back to life.	6/12/2017 1:19 PM
85	While these are 'nice-to-have's' they are not my personal top priorities, so it depends on the cost.	6/12/2017 11:01 AM
86	This is a great opportunity. Plan for Bowker needed that integrates with golf and activities in "Ball Fields". The area is full of invasive willow and blackberry. Long term commitment to maintaining the area is needed. Gravel parking and dumping is a problem.	6/11/2017 1:26 PM
87	Any improvements other than re-vegetation should not impact the operation of the golf course nor should be expensive. Daylighting any areas should only be done when other infrastructure work in the area is already going to be done.	6/10/2017 11:54 AM

88	I would encourage you to spend money on upgrades/development before education.	6/9/2017 8:47 PM
89	MOst people are totally unaware its there	6/9/2017 8:14 PM
90	I'm not sure about expansions, restorations and enhancements. The important thing is to protect the creek, and to keep the biodiversity on it healthy.	6/9/2017 5:19 PM
91	Remove the invasive species	6/9/2017 4:20 PM
92	Upgrade bridge as non-slip open grate and viewing spot,	6/9/2017 10:47 AM
93	Enhancing the park environment in this way will increase park usage at a relatively low cost, making the park a more valuable public asset while improving the environment and supporting ecosystems.	6/9/2017 3:19 AM
94	Ensure that the creek is not impacted and protect wildlife that use the creek.	6/8/2017 9:41 PM
95	Pollution runoff from the golf course.	6/8/2017 7:02 PM
96	Restore wetland and enhance native plants for wildlife and pollinators	6/8/2017 6:39 PM
97	all six are desirable now the thing is to get a design funded so work can begin. Surely BCI knows what would work well. \$\$\$\$\$\$	6/8/2017 5:37 PM
98	erosion, spread of invasive species in riparian zone, e.g., Himalayan blackberry, garbage dumping, removal of vegetation	6/8/2017 1:21 PM

## Q12 Do you have any ideas regarding the following areas: (please elaborate)

Answered: 285 Skipped: 320

ANSWER CHOICES	RESPONSES
Baseball Diamonds	63.16% 180
Hill below McRae House (historical house on the hill overlooking the Recreation Centre)	65.61% 187
Parking Lots off of Finlayson Street	40.70% 116
King's Pond	52.98% 151
Queensbury Ave Parking Area (near Kings Pond)	36.14% 103

#	BASEBALL DIAMONDS	DATE
1	please don't add baseball diamonds - there are lots in Victoria already	9/6/2017 10:30 AM
2	underused	9/6/2017 10:18 AM
3	not being used	8/21/2017 3:54 PM
4	The green space is beautiful. Family's can come out and enjoy	8/9/2017 3:01 PM
5	keep and encourage their use	8/7/2017 2:20 PM
6	promote use as they always seem empty	8/7/2017 1:04 PM
7	Seems largely unused -- is there no demand?	8/6/2017 2:13 PM
8	Do not expand these. Keep the one that's already there.	8/6/2017 11:04 AM
9	maintain - appreciate use for informal sports	8/5/2017 6:23 PM
10	Are these used frequently enough?	8/5/2017 1:12 PM
11	retain them	8/5/2017 9:45 AM
12	Desperately need improving. Field is rough and players can be injured.	8/5/2017 8:47 AM
13	I have not seen them used when I have been at the park	8/5/2017 8:11 AM
14	Underused.	8/4/2017 8:58 PM
15	Update fencing as looking rather shabby. More nearby seating for fans of the game	8/4/2017 11:10 AM
16	go down to 1	8/2/2017 11:32 AM
17	off leash area	8/2/2017 11:22 AM
18	enough ball fields	8/2/2017 11:18 AM
19	outdoor fitness and place for family area	8/2/2017 10:51 AM
20	leave as is	8/2/2017 10:43 AM
21	No more	8/2/2017 9:47 AM
22	Address drainage issues, if not too expensive	7/31/2017 10:13 PM
23	Outdoor pool	7/30/2017 11:34 AM
24	improve the baseball diamond and build a fastball diamond	7/29/2017 7:54 AM
25	Pickle Ball	7/29/2017 7:42 AM
26	Pickle ball Court.	7/29/2017 7:20 AM
27	get read of these, they are not used AT ALL	7/28/2017 3:06 PM

28	keep one or both	7/28/2017 1:55 PM
29	Make it a pump track fir kids to bike on	7/27/2017 7:53 AM
30	Make it a pump track fir kids to bike on	7/27/2017 1:05 AM
31	At least one and perhaps both need to be removed. The space could be better used by a broader section of the community and larger variety of possible activities	7/26/2017 4:50 PM
32	These don't appear to get much use. Perhaps they could be turned into something else	7/26/2017 3:35 PM
33	make good use of them	7/25/2017 12:29 PM
34	Seem underused, could a kids league or lessons be there	7/22/2017 10:35 PM
35	promote more...it's a great location	7/21/2017 1:51 PM
36	Convert to waterpark for Rec Centre	7/20/2017 2:06 PM
37	great idea, I have played ball there and also people let their dogs run there	7/20/2017 11:09 AM
38	As long as they are used by children	7/19/2017 9:14 PM
39	low priority but important to add more than just golf	7/19/2017 11:26 AM
40	I have never seen them used	7/17/2017 8:44 AM
41	Keep them, encourage more use /activity	7/16/2017 1:32 PM
42	maintain them	7/15/2017 8:54 PM
43	not used often when I am there. Away in thr summer	7/15/2017 6:44 PM
44	Use for outdoor concerts and events when not being used for baseball	7/15/2017 2:04 PM
45	Ok do not convert to green tennis courts	7/15/2017 7:42 AM
46	Great It is always good to encourage sport activities for all ages	7/14/2017 10:37 PM
47	Could use some upgrading. Maybe a fence	7/14/2017 8:58 AM
48	why are the baseball diamonds not utilized more? If no interest, convert to other activities	7/13/2017 9:35 PM
49	Not used anymore expand Creek there	7/13/2017 9:22 PM
50	I fully support the extra facities for team sports	7/13/2017 5:40 PM
51	promote more...it's a great location	7/13/2017 4:54 PM
52	Leave as is	7/13/2017 4:20 PM
53	it should be kept, people love playing ball	7/13/2017 2:58 PM
54	not needed	7/11/2017 3:57 AM
55	get rid of them. Use the space for other sporting activities	7/10/2017 10:03 PM
56	Keep them as this is the only flat open area for many activities.	7/10/2017 12:37 PM
57	Convert to tennis courts	7/9/2017 8:17 PM
58	keep expand facility to match other saanich baseball facilities.	7/6/2017 9:04 PM
59	I wouldn't like to see those	7/4/2017 10:11 PM
60	Preserve them! It is wonderful to see teams playing again when they had been denied for years as part of the manipulation in favour of the clay court proposal.	7/4/2017 4:42 PM
61	I think the existing diamonds are enough. Any additions should be permeable surfaces to allow for water to penetrate into the ground.	7/2/2017 9:10 AM
62	Maintin low impact useage or convert to wetlands. Do not upgrade public acess and DO NOT MAKE INTO TENNIS COURTS!!!	7/2/2017 7:33 AM
63	Does not seem to get much use, but prefer it to putting in hard surfaces or any infrastructure. Don't know if it would be possible to make a wetland out of it - but that would be very nice and reduce the chance of flooding downstream.	6/30/2017 10:16 PM
64	Outdoor swimming pool instead	6/29/2017 3:08 PM

65	I have never seen anyone use them	6/29/2017 2:09 PM
66	Install a disc golf course	6/28/2017 9:37 PM
67	could use upgrading	6/28/2017 6:41 PM
68	retain or turn into dog park	6/28/2017 4:22 PM
69	N/a	6/28/2017 12:36 PM
70	Please keep - promoting physical activity is very important	6/28/2017 7:20 AM
71	No	6/26/2017 9:43 PM
72	Keep at least one	6/25/2017 1:41 PM
73	improve drainage, its a swamp in the winter/spring	6/25/2017 6:21 AM
74	Leave as is (I did not support the tennis courts)	6/24/2017 10:11 PM
75	Fine as is	6/23/2017 7:16 AM
76	Add a playground	6/22/2017 7:37 PM
77	Need maintenance!	6/21/2017 8:20 PM
78	Need better upkeep & drainage	6/21/2017 11:26 AM
79	could be updated	6/21/2017 10:43 AM
80	suitable use if kept at present level	6/20/2017 5:17 PM
81	Encourage use by leagues, school groups, etc.	6/20/2017 3:23 PM
82	Nice they're available for casual or organized games..	6/19/2017 3:56 PM
83	keep area open, 'unimproved' so all kinds of people can use it, as in the past; do not build anything on or near it	6/19/2017 1:33 PM
84	Keep the one on the west side, replace the other with a few picnic tables, maybe an eating pavilion.	6/19/2017 12:08 PM
85	use more or redevelop for a better purpose (underutilized and only for a few months when used)	6/19/2017 10:42 AM
86	No. Will disturb the quiet.	6/19/2017 8:50 AM
87	No expansion	6/19/2017 7:38 AM
88	no	6/18/2017 10:26 PM
89	very under utilized, and could serve the public better if the space was used for high demand activities, such as tennis and pickleball.	6/18/2017 10:26 AM
90	More shade in evenings	6/18/2017 7:39 AM
91	I've never seen it in use	6/18/2017 12:03 AM
92	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
93	Get rid of them	6/17/2017 8:28 PM
94	Have used them in the past and the one closest to the rec centre is a bit small	6/17/2017 7:42 PM
95	I never see anyone using these, could there be a better use?	6/17/2017 7:23 PM
96	change to sand volleyball courts and badminton courts	6/17/2017 1:42 PM
97	They are not used very much - could we put the space to better use?	6/17/2017 10:59 AM
98	not a play area as hidden away at back could be problem with older kids hangout	6/17/2017 9:41 AM
99	Not supported	6/17/2017 8:13 AM
100	I never see them being used	6/17/2017 7:48 AM
101	Seems underused. Playground or water park, picnic area, skatepark might be better use of space	6/17/2017 6:57 AM
102	Hardly ever used; poor drainage; paved, lit walking path for seniors	6/16/2017 4:44 PM
103	Frizbee golf with removable goals so that the space is not "developed"and remains open.	6/16/2017 11:48 AM

104	Make more natural, either gardens or trees	6/16/2017 11:15 AM
105	Have actually never seen it in use (except by dog walkers)!!! always looks empty, and often flooded.	6/16/2017 8:58 AM
106	Don't seem to be used very often - are there alternative uses?	6/16/2017 8:19 AM
107	Frankly, I agreed with arguments that the baseball diamonds are largely anomalous in this setting. I'd prefer either expansion of the Reach 17 restoration, or expansion of racquet sport amenities (Cedar Hill has the potential to build on its strength, and the footprint is MUCH smaller than the golf footprint.	6/16/2017 7:46 AM
108	Never used and hard see them being used	6/16/2017 6:00 AM
109	Pretty dilapidated. Need a facelift to be functional.	6/15/2017 10:52 PM
110	improve drainage, better used as multipurpose playground area (see comments above)	6/15/2017 10:14 PM
111	Put in a pump track/dirt jump park	6/15/2017 7:13 PM
112	Are they even used? Never seen them used after many years of walking around the park	6/15/2017 7:09 PM
113	not needed, we have lots elsewhere	6/15/2017 3:27 PM
114	take them out - there are other less natural parks for them	6/15/2017 2:59 PM
115	think land should be used to build indoor pool. There are lots of baseball diamonds in Saanich.	6/15/2017 1:59 PM
116	In an ideal world where all dog owners are responsible, it would be really great to be able to use these fields as an off-leash play area in the morning/daytime hours when not in use by baseball teams.	6/15/2017 1:40 PM
117	Remove one B Diamond and install Pickle ball courts	6/15/2017 12:32 PM
118	Useful, appreciated by local teams	6/15/2017 11:42 AM
119	don't	6/15/2017 11:37 AM
120	A good idea if you have sign-up for age-appropriate teams.	6/15/2017 10:59 AM
121	other then they tend to wet leave them be.	6/15/2017 10:16 AM
122	Create multipurpose fields for soccer and baseball with improved parking. Do not need to be at Cedar Hill park.	6/15/2017 8:40 AM
123	do not put one in	6/15/2017 8:16 AM
124	Please remove it	6/15/2017 7:57 AM
125	never seen it used, replace with outdoor exercise equipment	6/15/2017 7:37 AM
126	Should have a sponsored resident team	6/15/2017 7:09 AM
127	Better utilization or alternate usage	6/15/2017 6:52 AM
128	I don't use them but might in the future. One would be enough I believe.	6/15/2017 6:49 AM
129	They appear to be little used - possibly eliminate them.	6/15/2017 6:15 AM
130	don't appear to be heavily used	6/14/2017 8:24 PM
131	Remove 1 diamond for pickleball	6/14/2017 6:09 PM
132	okay as is	6/14/2017 6:00 PM
133	retain them	6/14/2017 5:24 PM
134	If they are to remain encourage more regular use	6/14/2017 2:51 PM
135	Future should be considered based on wetland development. Diamonds should be removed if the wetland should be located there because the fields are not often useful anyway.	6/14/2017 2:41 PM
136	Keep. Encourage use by local groups, pick-up games, etc. Saanich has been very irresponsible with this.	6/14/2017 1:32 PM
137	create or incorporate drainage systems that actually work so these areas can be used by children, families and the public at large more often	6/14/2017 12:42 PM

138	only if they do not infringe on the remnant "natural" areas	6/14/2017 9:57 AM
139	Never seen them in use	6/13/2017 7:34 PM
140	More tennis courts	6/13/2017 5:08 PM
141	if it is used once a year - eliminate	6/13/2017 4:25 PM
142	I visit the Rec Centre at least 3-4 times a week and never see them used	6/13/2017 3:42 PM
143	Keep it up. Encourage its use	6/13/2017 2:53 PM
144	Use for music performances.	6/13/2017 1:42 PM
145	Eliminate - they're not used enough	6/13/2017 12:47 PM
146	REMOVE (unused and v. ugly when viewed from gym)	6/13/2017 8:29 AM
147	is there a real need for more?	6/13/2017 7:12 AM
148	Keep them	6/12/2017 8:29 PM
149	boggy and space not well used.	6/12/2017 8:25 PM
150	keep as a green space....the diamonds don't stop the area from being used for many other activities so they are fine to stay.	6/12/2017 1:19 PM
151	Expand	6/12/2017 1:07 PM
152	These are never used when I'm there -- maybe replace with a grove of trees and picnic tables.	6/12/2017 11:01 AM
153	good spot for rec facility expansion - currently underused	6/11/2017 10:01 PM
154	use them or lose them	6/11/2017 8:56 PM
155	Build a community pool instead there	6/11/2017 8:05 PM
156	used infrequently	6/11/2017 3:37 PM
157	Balancing baseball usage with other outdoor priorities including restoration of Bowker is a challenge. This should not be regarded as "future space for building development"	6/11/2017 1:26 PM
158	Keep them as is, young families are starting to move into the area too early to see what their needs will be	6/11/2017 8:43 AM
159	Drainage is poor and field not well used	6/11/2017 8:07 AM
160	please keep them there	6/10/2017 2:35 PM
161	Prefer not to have these at all.	6/9/2017 11:08 PM
162	Eliminate	6/9/2017 10:03 PM
163	I have never seen them used. If they are not being used, the area should be for community things like picnics, renting the area for group games/parties/picnics, etc.	6/9/2017 7:48 PM
164	Never see them used, reconsider outdoor tennis	6/9/2017 5:48 PM
165	These are enough; do not add.	6/9/2017 5:19 PM
166	Continue to allow community use.	6/9/2017 4:20 PM
167	Remove the diamond closest to the Rec Centre, You can't let anyone play on it as it would be dangerous - foul balls would go straight down the chip trail, or at the windows in the Rec Centre. Take out this diamond and put something else there.	6/9/2017 1:51 PM
168	Expansion of Rec Centre facilities	6/9/2017 12:28 PM
169	consider adding below-grade rainwater retention	6/9/2017 10:47 AM
170	Underutilized space. Re-locate users and re-purpose this space. It costs money to maintain the diamond for few users.	6/9/2017 10:20 AM
171	not used, replace with fitness equipment, playground	6/9/2017 10:05 AM
172	They seem too wet for baseball much of the time and seldom used. Is there not a better use for that space? Did it used to be a riparian zone that was filled? Should it be returned to that use?	6/9/2017 3:19 AM
173	keep as is — available to all	6/9/2017 2:41 AM

174	Leave everything just as it is.	6/8/2017 11:22 PM
175	None. We don't use	6/8/2017 9:41 PM
176	No thank you	6/8/2017 7:53 PM
177	Children's play area and adult fitness circuit	6/8/2017 6:39 PM
178	Incorporate its use into Bowker Creek re-planning	6/8/2017 5:37 PM
179	underutilized, reduce to one?	6/8/2017 2:57 PM
180	improved drainage	6/8/2017 1:21 PM
#	HILL BELOW MCRAE HOUSE (HISTORICAL HOUSE ON THE HILL OVERLOOKING THE RECREATION CENTRE)	DATE
1	Create a garden for flowers and shrubs as a browse and rest park	9/6/2017 11:07 AM
2	add a swimming pool here	9/6/2017 10:50 AM
3	should have a playground at the base	9/6/2017 10:18 AM
4	Gives a nice vista	8/21/2017 4:00 PM
5	build playground and fitness area	8/21/2017 3:54 PM
6	late summer seating to watch a parking lot movie; four-season flower bulbs creating a walkable pattern	8/7/2017 2:20 PM
7	allotment gardens - perhaps Shelbourne Community Kitchen use	8/7/2017 1:04 PM
8	Natural area is nice. Could add trees for habitat and greenhouse gas mitigation.	8/7/2017 10:48 AM
9	Benches to rest	8/7/2017 8:47 AM
10	Great! Leave it wild.	8/6/2017 2:13 PM
11	Leave it wild and carry out more restoration to bring back plants native to the Garry oak ecosystem.	8/6/2017 11:04 AM
12	This would be a lovely place to have a picnic lunch. Not sure many people know about it, and the nearby parking.	8/6/2017 10:32 AM
13	keep as sledding hill (build ramp) in winter and picnic area in summer	8/5/2017 6:23 PM
14	Keep this, and use appropriately	8/5/2017 1:12 PM
15	retain it as it is	8/5/2017 9:45 AM
16	Its fine but remove the dead Oak Tree remnants.	8/4/2017 8:58 PM
17	off leash dog run	8/4/2017 7:54 PM
18	never been in it!	8/4/2017 11:10 AM
19	amphitheatre; mountain bike course	8/2/2017 11:32 AM
20	allotment gardens	8/2/2017 11:22 AM
21	I like the ideas of allotment Gardens and an amphitheatre--though I realize the next door neighbours might not like it--but imagine how great it would be to have music in the park in the summer.	8/2/2017 10:59 AM
22	possibly picnic area--to stop garbage and damage done in the natural areas, plus has beautiful view of mountains	8/2/2017 10:51 AM
23	as is? more Garry Oak?	8/2/2017 10:43 AM
24	leave as is	8/2/2017 9:47 AM
25	stop mowing the grassy field	8/2/2017 9:39 AM
26	playground/pool/nature house	8/2/2017 9:18 AM
27	garry oak meadow	8/2/2017 9:05 AM
28	A pump track in this area? Innovative playground area at base of hill	7/31/2017 10:13 PM

29	amphitheatre for outdoor performances	7/30/2017 11:34 AM
30	include tours	7/29/2017 7:54 AM
31	Disc Golf Course	7/29/2017 7:42 AM
32	Disc Golf Course	7/29/2017 7:20 AM
33	remain as is - I grew up in the area and loved running through that big open space	7/28/2017 1:55 PM
34	Keep as open field - it is a beautiful space that complements the house, was part of the farm.	7/27/2017 8:31 AM
35	Leave it for winter sledding	7/27/2017 7:53 AM
36	Leave it for winter sledding	7/27/2017 1:05 AM
37	Please DO NOT allow any development there.	7/26/2017 5:58 PM
38	Excellent spot for an outdoor amphitheatre	7/26/2017 4:50 PM
39	flatten and make use of it	7/25/2017 12:29 PM
40	Amphitheater or nature playground	7/22/2017 10:35 PM
41	add children's playground	7/22/2017 6:55 PM
42	grass....picnic tables	7/21/2017 1:51 PM
43	Expand parking lot for Recreation Centre	7/20/2017 2:06 PM
44	clean up the area below it on the slope put picnic tables have people enjoy it	7/20/2017 11:09 AM
45	native gary oak meadow restoration	7/19/2017 11:26 AM
46	preserve	7/17/2017 10:12 PM
47	Beautiful Garry Oak grove. A good place for education signs and a trail or viewing area.	7/17/2017 4:16 PM
48	Community gathering space or cafe	7/17/2017 7:15 AM
49	playground area on the grassy area below Mcrae house	7/15/2017 8:54 PM
50	Picnic and play areas	7/15/2017 3:48 PM
51	Community garden if soil conditions permit..need to know how rocky it is and condition of soil. Need water.	7/15/2017 2:04 PM
52	I have no information of the house other than it houses the Saanich Volunteer organization. if repairs or renovations are required to keep the building in good condition I would agree with that	7/14/2017 10:37 PM
53	Perhaps a playground	7/14/2017 8:58 AM
54	level hill and utilize for activities	7/13/2017 9:35 PM
55	Beautiful area no building here please	7/13/2017 9:22 PM
56	An enviable piece of land with many possibilities	7/13/2017 5:40 PM
57	grass....picnic tables	7/13/2017 4:54 PM
58	Leave as is	7/13/2017 4:20 PM
59	the road should be lined with trees to separate the course from the house and the tee box.	7/13/2017 2:58 PM
60	For either the ball diamonds or the hiiside: create a picnic area with trees and tables--not too many.	7/11/2017 2:45 PM
61	Build a large Geodesic dome next to it on the unused ridge to grow food inside and bring young students to learn about the system	7/7/2017 8:24 AM
62	no private tennis courts	7/6/2017 9:04 PM
63	Community gardens? If not, a playground for kids and family.	7/4/2017 4:42 PM
64	naturalize it, plant native plants, use as education area	7/4/2017 12:06 PM
65	Community gardens grow food	7/4/2017 7:27 AM
66	great place for picnic tables	7/2/2017 5:50 PM

67	Beautiful. Keep it natural. Maybe add another bench if needed. It's a good workout for those of use who walk or run it.	7/2/2017 9:10 AM
68	This is a beautiful meadow. Very wet in winter - leave as is!	7/2/2017 7:33 AM
69	Put in a local coffee shop with proceeds going to the park	7/1/2017 8:19 PM
70	It is nice to have an open space. Would it be possible to reintroduce more native plants like camas, fawn lily and other Garry oak ecosystem plants including more Garry Oaks and maybe even a few Doug firs. The big Garry Oak seem to be under some stress as it is.	6/30/2017 10:16 PM
71	Dog park	6/29/2017 3:08 PM
72	Great art/music venue	6/29/2017 2:09 PM
73	Install a disc golf course	6/28/2017 9:37 PM
74	love the openness	6/28/2017 6:41 PM
75	perfect site for meadow restoration	6/28/2017 4:22 PM
76	N/a	6/28/2017 12:36 PM
77	Grass, wildflowers, picnic tables, benches and water station	6/28/2017 10:12 AM
78	Don't know enough about it to comment	6/28/2017 7:20 AM
79	Dog park ?	6/27/2017 8:30 PM
80	Natural Meadow	6/26/2017 7:21 PM
81	great gardening space	6/26/2017 11:45 AM
82	Natural amphitheatre space	6/25/2017 1:41 PM
83	Leave as is, or restore habitat	6/24/2017 10:11 PM
84	love this natural space	6/24/2017 2:13 PM
85	Build Senior Care facility	6/23/2017 11:16 AM
86	Community gardens	6/23/2017 10:28 AM
87	Nice to have open green space. Could be great area for community garden space	6/23/2017 7:16 AM
88	Native plant restoration	6/22/2017 7:37 PM
89	a dog park perhaps?	6/22/2017 12:12 PM
90	What happens there now?	6/21/2017 9:36 PM
91	Stay on top of intrusive plant and.	6/21/2017 8:20 PM
92	Plant fruit trees	6/21/2017 8:12 PM
93	Love open space	6/21/2017 11:26 AM
94	better landscaping and addition of flowers.	6/21/2017 10:43 AM
95	playground, seniors rose garden, community gardens	6/21/2017 8:05 AM
96	Enclosed (fenced) dog off-leash area.	6/20/2017 3:23 PM
97	Create a children's playground there...	6/19/2017 3:56 PM
98	fine as is; the open area is wonderful	6/19/2017 1:33 PM
99	Create a path, flanked with some easy care, deer resistant shrubs few benches	6/19/2017 12:08 PM
100	too wet to enjoy but a path to access that side of the chip trail from cedar hill/Finlayson would be appreciated	6/19/2017 10:42 AM
101	Maintain	6/19/2017 8:50 AM
102	Garry oak meadow restoration - possible camas harvesting area - plant young oaks	6/19/2017 8:11 AM
103	Absolutely use that space for something. Utilize the views and have seating.	6/18/2017 3:36 PM
104	I think this would be a lovely sitting area, with benches or tables	6/18/2017 11:38 AM

105	Keep as natural as possible with perhaps trail to a picnic area	6/18/2017 10:49 AM
106	children's waterpark	6/18/2017 10:26 AM
107	it enhances lives to view and learn about our history	6/18/2017 12:03 AM
108	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
109	Kids playground	6/17/2017 8:28 PM
110	This area seems under utilized. An outdoor exercise area with stairs to climb might be useful	6/17/2017 7:23 PM
111	none	6/17/2017 1:42 PM
112	Maybe a good spot for a playground	6/17/2017 1:26 PM
113	Have it as natural as possible.	6/17/2017 10:59 AM
114	Natural plantings	6/17/2017 8:13 AM
115	It is steep and tricky to maneuver.....I zig zag down it!	6/17/2017 7:48 AM
116	More landscaped; can't use it for anything the way it is	6/16/2017 4:44 PM
117	Leave it alone	6/16/2017 11:48 AM
118	leave it alone	6/16/2017 11:15 AM
119	Allotment Gardens	6/16/2017 9:56 AM
120	Could be a good location for a community garden	6/16/2017 8:58 AM
121	Wet soggy area. Just walk by it.	6/16/2017 6:00 AM
122	see above	6/15/2017 7:13 PM
123	If there is a purpose that can be provided (i.e. education on house, history of area) add it here.	6/15/2017 7:09 PM
124	beautiful - keep wild - deer walk there	6/15/2017 6:56 PM
125	restore a native growth environment	6/15/2017 3:27 PM
126	Restore/leave it as a natural Garry Oak meadow for camas and other GOE species.	6/15/2017 1:40 PM
127	Community garden	6/15/2017 12:32 PM
128	Nice historical building	6/15/2017 11:42 AM
129	leave it alone	6/15/2017 11:37 AM
130	Leave it be	6/15/2017 10:16 AM
131	Would be a great place for a playground or dog park!	6/15/2017 9:36 AM
132	leave wild - do not mow	6/15/2017 8:37 AM
133	leave it as it is	6/15/2017 8:16 AM
134	community gardens?	6/15/2017 7:37 AM
135	Seed it with wildflowers	6/15/2017 7:11 AM
136	Beautiful historic flowers are there, please preserve hillside	6/15/2017 7:09 AM
137	Nature house?	6/15/2017 6:49 AM
138	Leave as a volunteer centre.	6/15/2017 6:15 AM
139	Leave as is	6/14/2017 6:09 PM
140	community gardens/ more Garry Oak trees	6/14/2017 6:00 PM
141	leave the natural grass to remain at full height or consider converting to garden plots for locals	6/14/2017 2:51 PM
142	If building wetlands could alleviate some of the boggy nature of this area, perhaps some of it could be set aside for community gardening.	6/14/2017 2:41 PM
143	This is a natural slope that can be used on numerous annual occasions such as seating for concerts, play areas, dog training, festival set-ups, arts programs, and much more.	6/14/2017 1:32 PM

144	Cut grass more often	6/14/2017 1:17 PM
145	restore to camas meadow	6/14/2017 9:57 AM
146	It's a little steep for disabled people	6/14/2017 12:36 AM
147	Community allotment gardens.	6/13/2017 8:35 PM
148	keep as it is an historical building	6/13/2017 4:25 PM
149	It is of the few open fields in the the south of Saanich. Cut the grass and sell it for animal feed	6/13/2017 2:53 PM
150	nice, natural, love grass blowing when long	6/13/2017 8:29 AM
151	much restoration work can be done here	6/13/2017 7:12 AM
152	Off leach dog ?? area	6/12/2017 8:29 PM
153	playground :)	6/12/2017 8:25 PM
154	If possible, keep most of it in a natural state. However, I would like to see the steep trail take a more meandering route to allow for better access to those with mobility issues. The surface if very loose and cycles speed down at times.	6/12/2017 1:19 PM
155	remain the same	6/12/2017 1:10 PM
156	More wildflowers!	6/12/2017 11:01 AM
157	a good natural area	6/11/2017 10:01 PM
158	fitness circuit	6/11/2017 8:56 PM
159	An outdoor amphitheatre for outdoor concerts or education programs.	6/11/2017 8:05 PM
160	open to public?	6/11/2017 3:37 PM
161	Expand the small area of Garry Oak meadow we have on the bluff... it's beautiful. Building here would be a travesty.	6/11/2017 1:26 PM
162	Keep it natural no developement	6/11/2017 8:43 AM
163	Benches	6/10/2017 5:18 PM
164	keep it as the open hay field it is, but sell the hay instead of just letting it rot on the field	6/10/2017 2:35 PM
165	Kite flying	6/10/2017 12:12 PM
166	Return to natural state. Trees. Picnic tables.	6/10/2017 9:05 AM
167	Install an orchard. Use as allotments.	6/10/2017 7:35 AM
168	Leave it as it is.	6/9/2017 11:08 PM
169	what is this currently used for besides the volunteer organization? Are their opportunities to rent it out ?	6/9/2017 8:47 PM
170	PLEASE PRESERVE THIS DO NOT TOUCH!!!! Children need to see grass. It is so beautiful when it is long, and when it is cut, it smells so good. JUST LEAVE BE.	6/9/2017 5:19 PM
171	Create amphitheatre as per old plans	6/9/2017 4:20 PM
172	How about summer concerts? Folks can sit on the hill looking down to the artist(s).	6/9/2017 1:51 PM
173	keep it as a natural space, we do not need expand the rec centre as that would only decrease its social atmosphere.	6/9/2017 11:27 AM
174	Leave as is	6/9/2017 10:20 AM
175	children's nature park	6/9/2017 9:54 AM
176	Lacrosse box, tennis courts,	6/9/2017 8:25 AM
177	restore to meadow instead of grasses	6/9/2017 7:40 AM
178	Create a healthy Gary Oak meadow, with a trail & benches	6/9/2017 3:19 AM
179	maintain in as natural state as possible; reintroduce native plant species	6/9/2017 2:41 AM
180	leave as is.	6/8/2017 11:22 PM

181	No	6/8/2017 9:41 PM
182	Outdoor classroom	6/8/2017 7:53 PM
183	could be a good place for children's play space	6/8/2017 7:02 PM
184	Adult fitness area	6/8/2017 6:39 PM
185	Keep this vista. It is good for the soul and at the historic heart of the entire Park	6/8/2017 5:37 PM
186	naturalize it	6/8/2017 2:57 PM
187	natural amphitheatre	6/8/2017 1:21 PM
#	PARKING LOTS OFF OF FINLAYSON STREET	DATE
1	that could be upgraded if needed. Not as significant to the adjoining neighbours, etc. More view from the street, etc. so upgrade would improve not too much	8/9/2017 3:01 PM
2	fine as is with additional trees	8/7/2017 1:04 PM
3	More trees along this end of the trail. Separate from golfers better.	8/7/2017 10:48 AM
4	Do not expand.	8/6/2017 11:04 AM
5	remove. add green space. Need shade/seats for seniors waiting for busses	8/5/2017 6:23 PM
6	Keep these	8/5/2017 1:12 PM
7	seem fine as they are now	8/5/2017 9:45 AM
8	Possible to enlarge by a few spots and line for parking spots.	8/5/2017 8:47 AM
9	Are fine	8/4/2017 8:58 PM
10	would be great to have more space and better marked parking spots	8/4/2017 11:10 AM
11	parking now	8/2/2017 11:18 AM
12	make much more attractive, welcoming as entrance signage	8/2/2017 10:43 AM
13	turn into a floral garden	8/2/2017 10:35 AM
14	1	8/2/2017 9:47 AM
15	floral amphitheatre sounds great!	8/2/2017 9:18 AM
16	Upper level lot is outmoded. Replace with garden or green space.	7/31/2017 10:13 PM
17	arrange for better traffic flowwhile allowing the door to door pickup/dropoff some parents use. Better access for handy-dart.covered area just around walkways of building	7/30/2017 11:34 AM
18	Maintain	7/29/2017 7:42 AM
19	Continual Maintenance	7/29/2017 7:20 AM
20	reduce the amount of parking	7/28/2017 10:03 AM
21	Don't need paving. There's enough paved parking by Rec.Centre.	7/26/2017 5:58 PM
22	change it to a swimming pool.	7/26/2017 4:55 PM
23	Need to be upgraded. Is there a way to better connect them to the rec centre parking areas?	7/26/2017 4:50 PM
24	Would be nice to have the trail not get so close to Finlayson. There could still be a connector trail to the parking lot	7/26/2017 3:35 PM
25	Pave and widen for more chip trail access	7/20/2017 2:06 PM
26	alwasy need extra parking	7/20/2017 11:09 AM
27	replace with something useful	7/19/2017 1:21 PM
28	They look rough and are muddy when wet. Require upgrading	7/15/2017 8:54 PM
29	For now it probably needs to be a parking lot, but if Saanich can work to encourage people to come to the rec centre by transit, bike or on foot, this area could be freed up for other uses.	7/15/2017 2:04 PM
30	Could improve their appearance, with increased natural planting around.	7/15/2017 1:35 PM

31	I have never used them but I do notice that at times they are full	7/14/2017 10:37 PM
32	white lines for organized parking instead of random park jobs	7/13/2017 9:38 PM
33	Seem popular	7/13/2017 9:22 PM
34	I would think they could be expanded or applied as needed	7/13/2017 5:40 PM
35	Leave as is	7/13/2017 4:20 PM
36	good idea for those walking the trail and	7/13/2017 2:58 PM
37	Maintain the lot	7/13/2017 2:04 PM
38	use the space for more sporting activities	7/10/2017 10:03 PM
39	Keep it gravelled	7/10/2017 12:37 PM
40	keep	7/6/2017 9:04 PM
41	Is the top one necessary? Could some sort of future expansion of rec centre happen up there if needed?	7/4/2017 4:42 PM
42	Big trees would be nice	7/2/2017 5:50 PM
43	I am there almost daily and have never seen them full. Leave them as is, maybe naturalize.	7/2/2017 9:10 AM
44	Remove	7/2/2017 7:33 AM
45	Some landscaping would be nice to make it more attractive. Don't pave it, let the water permeate into the ground.	6/30/2017 10:16 PM
46	Expand?	6/29/2017 3:08 PM
47	Leave as is	6/29/2017 2:09 PM
48	Install a disc golf course	6/28/2017 9:37 PM
49	N/a	6/28/2017 12:36 PM
50	Could be expanded and better accessibility/pave for mobility	6/25/2017 1:41 PM
51	I never use	6/24/2017 10:11 PM
52	thank goodness they are there - sometimes the other ones fill up!	6/24/2017 2:13 PM
53	Keeping parking spots	6/23/2017 11:53 AM
54	Fine as is	6/23/2017 7:16 AM
55	Could it be enlarged slightly to allow to rows of Parking?	6/21/2017 8:20 PM
56	Very handy, have also used to go to rec center when that lot is full	6/21/2017 1:51 PM
57	Enlarge	6/21/2017 11:26 AM
58	repave	6/21/2017 10:43 AM
59	improve	6/21/2017 8:05 AM
60	Create a "proper" entrance to the Cedar Hill Park	6/19/2017 3:56 PM
61	do not expand	6/19/2017 1:33 PM
62	develop into useful ammenities (skateboard park, water park, outdoor gym, community gathering place or gardens)	6/19/2017 10:42 AM
63	Necessary as not everyone can walk to the park	6/19/2017 8:50 AM
64	No expansion	6/19/2017 7:38 AM
65	Summer market area!	6/18/2017 8:36 AM
66	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
67	Keep	6/17/2017 8:28 PM
68	These seem under utilized most of the time	6/17/2017 7:23 PM
69	keep	6/17/2017 1:42 PM

70	Have it more orderly. Check to make sure that it is not over-used as a long term daily car-park. Maybe have a donation box on a voluntary basis. Educate (signs?) that parking is not free, it costs us all to have a car-park on site.	6/17/2017 10:59 AM
71	play area so that it is visible	6/17/2017 9:41 AM
72	Need to be better lined/set up; perhaps paved	6/16/2017 4:44 PM
73	something to draw people, maybe a cafe & gallery	6/16/2017 11:15 AM
74	Should be restored.	6/16/2017 7:46 AM
75	Very basic, and feel like abandoned gravel lots.	6/15/2017 10:52 PM
76	keep for parking	6/15/2017 7:13 PM
77	barrier to reduce traffic noise	6/15/2017 6:56 PM
78	Just fine	6/15/2017 11:42 AM
79	not needed	6/15/2017 11:37 AM
80	It's functional but it's not pretty - perhaps a cosmetic make-over	6/15/2017 9:36 AM
81	Need more access to other Cedar Hill trails with ability to cut across the golf areas.	6/15/2017 8:40 AM
82	leave things as they are	6/15/2017 8:16 AM
83	Stop the delivery business from using for their transfer station	6/15/2017 7:09 AM
84	Pave them.	6/15/2017 6:49 AM
85	okay as is	6/14/2017 6:00 PM
86	I see this used as overflow parking which makes sense. Should be maintained and/or improved for this purpose.	6/14/2017 1:32 PM
87	Why not restore the skateboard park? (not that I would use it, but the kids need a place to play)	6/14/2017 12:36 AM
88	More indoor tennis courts	6/13/2017 7:34 PM
89	Need more parking	6/13/2017 5:07 PM
90	enlarge, quite often not enough parking at CHRC and if there is going to be development at CHRC you will need extra parking	6/13/2017 4:25 PM
91	Pave	6/13/2017 3:42 PM
92	The upper lot is scruffy with weeds and garbage. It needs to be part of a scheduled maintenance.	6/13/2017 2:53 PM
93	fine, don't waste money	6/13/2017 8:29 AM
94	Work well	6/12/2017 8:29 PM
95	Keep them.	6/12/2017 8:25 PM
96	Plant a hedge to separate this ugly area and the road noise from the trail	6/12/2017 2:10 PM
97	Signage - map/welcome sign/distance markers/washrooms! Also, there is no access from the parking lot on the Cedar Hill Road side of the CHRC building to direct people how to get to the trail (no path either...a big oversight when they added the extension)	6/12/2017 1:19 PM
98	no problem	6/12/2017 1:10 PM
99	The ugliest part of the park -- replace with some sort of sound barrier, such as lots of trees.	6/12/2017 11:01 AM
100	more environmentally friendly parking/paving - better design	6/11/2017 10:01 PM
101	pave	6/11/2017 8:56 PM
102	perhaps expand it so that a teen center and skate park could go in existing parking lot adjacent to cedar hill rec gym building	6/11/2017 8:05 PM
103	Close the small lot on Finlayson. Improve the gravel lot. More buffer to Bowker creek.	6/11/2017 1:26 PM
104	Keep it as is	6/11/2017 8:43 AM
105	Leave as they are.	6/9/2017 11:08 PM

106	Bring back skate to park	6/9/2017 8:29 PM
107	Parking seems sufficient.	6/9/2017 5:19 PM
108	Leave as is unless needed.	6/9/2017 4:20 PM
109	The upper lot should be improved and maybe expanded.	6/9/2017 1:51 PM
110	It seems under utilized and should be the site of something useful, including a vegetative screen to separate that area of the park from traffic on Findlayson	6/9/2017 3:19 AM
111	install plant / tree barriers to separate / hide parking lot from view, from the park. Also, to act as sound barrier from traffic on Finlayson	6/9/2017 2:41 AM
112	leave as is.	6/8/2017 11:22 PM
113	No	6/8/2017 9:41 PM
114	wish there was a hedge so we did not have to see the cars	6/8/2017 7:24 PM
115	Native plant area	6/8/2017 6:39 PM
116	Make FED EX and other delivery vans pay for parking. They use it daily. But after that, create a formal entrance to Saanich municipality with a native plant garden and teeny amphitheatre. Or tie it all in with the design of Bowker Creek. Preserve some parking but make it more formal	6/8/2017 5:37 PM
#	KING'S POND	DATE
1	Improve viewing of pond by heavy trimming. Improve pathway and rail at pond edge.	9/6/2017 11:07 AM
2	Ducks/Children crossing signage re feeding ducks only at water side, not roadway - to avoid duck congestion on road creating a hazard	9/6/2017 10:57 AM
3	maintain pond viewing area - presently big holes below fence	9/6/2017 10:21 AM
4	Wildlife habitat is it's most important value	8/21/2017 4:00 PM
5	Improve native habitat for wildlife. Remove red-eared slider turtles	8/21/2017 3:54 PM
6	This is a real mess. Is an eye sore, smells and not public friendly except for the ducks!	8/21/2017 3:42 PM
7	King's Pond is a quiet area - it does not need to have an extensive upgrade. Keep it part of the natural environment.	8/9/2017 3:01 PM
8	can pathways be kept cleaner?	8/7/2017 2:20 PM
9	remove parking, dead end Ascot and Queensbury with no parking at either dead end	8/7/2017 1:04 PM
10	Have a thorough review of configuration by wildlife experts and design pond and outlet channel to optimize habitat.	8/7/2017 10:48 AM
11	Provide a buffer around it so no run-off of fertilizer is going into it.	8/6/2017 11:04 AM
12	maintain. Protect animals from current overfeeding.	8/5/2017 6:23 PM
13	Ensure this remains	8/5/2017 1:12 PM
14	seems to serve it purpose very well as is	8/5/2017 9:45 AM
15	Get rid of the rats. (I wish)	8/5/2017 8:47 AM
16	Is fine	8/4/2017 8:58 PM
17	picnic area?	8/4/2017 7:54 PM
18	protect! Fix rail--more benches; education signs	8/2/2017 11:32 AM
19	Just clean it up	8/2/2017 10:59 AM
20	needs clean-up	8/2/2017 10:43 AM
21	needs an in and out - so water circulates more (less smelly)	8/2/2017 9:47 AM
22	make railings more child-friendly, fix potholes	8/2/2017 9:18 AM
23	needs cleanup, esp for smell, mosquitos and rats	8/2/2017 9:05 AM
24	Popular. Sidewalks, viewing area could be upgraded.	7/31/2017 10:13 PM

25	Aeration System	7/29/2017 7:42 AM
26	Keep up with maintenance, erosion at viewing point of pond and broken railings need continual maintenance. Post guidelines on what not to feed the ducks and what to feed them.	7/29/2017 7:20 AM
27	Perhaps prune some foliage along north shore? Getting very overgrown and reducing pond views for birdwatching.	7/27/2017 8:31 AM
28	Signs explain why you can't feed ducks bread	7/27/2017 1:05 AM
29	Needs signs to stop people feeding the ducks on the path. Needs willows cleared.	7/26/2017 5:58 PM
30	Keep it	7/23/2017 4:15 PM
31	How to discourage people from throwing seed on path (as they then seem upset when you run or walk through)	7/22/2017 10:35 PM
32	pave the path area (too wet and muddy in winter)	7/22/2017 6:55 PM
33	Leave alone	7/20/2017 2:06 PM
34	Clean up area, cut back overgrown bushes etc.	7/20/2017 11:43 AM
35	great place for kids to feed the ducks and and enjoyable for all	7/20/2017 11:09 AM
36	Ducks really make a mess here	7/20/2017 7:55 AM
37	Clean up . It is a disgrace at this time of the year.	7/19/2017 9:14 PM
38	preserve	7/17/2017 10:12 PM
39	make more general park land, take away from golf course	7/17/2017 4:16 PM
40	Cut back the willows they seem to be choking the pond	7/17/2017 3:20 PM
41	maintain trail at the pond	7/15/2017 8:54 PM
42	Good as is	7/15/2017 6:44 PM
43	The ducks and turtles are fun to watch...the willows are beautiful with bright yellow twigs in winter. But we need expert opinion on what needs to be done ecologically. I don't know..Get a report done and share the information and options with the community.	7/15/2017 2:04 PM
44	Keep it as wild as possible	7/14/2017 10:37 PM
45	A Nature area that could be expanded. I suppose the deer population would be disappointed to see it diminish.	7/13/2017 5:40 PM
46	Remove the willows that have been allowed to overgrow and hide the pond!	7/13/2017 4:20 PM
47	Needs some clean up	7/13/2017 3:32 PM
48	nice area lots of birds	7/13/2017 2:58 PM
49	Bike racks	7/11/2017 2:45 PM
50	add educational signs about natural species and varieties of birds, open it up to take water off the golf course	7/11/2017 12:36 PM
51	Remove the non-native willows. Perhaps redredge the pond.	7/10/2017 12:37 PM
52	put up some bat or owl houses? It might be prudent to find some way to control the rat population.	7/7/2017 10:11 PM
53	Keep this protected for the duckies!	7/6/2017 3:36 AM
54	Preserve this lovely area	7/4/2017 4:42 PM
55	Some improvement to the shrubs and beds near the pond at Queensbury Ave	7/4/2017 4:09 PM
56	cleaner walking area, improved access, better water flow	7/2/2017 5:50 PM
57	Tidy up rail and eroded areas, increase riparian vegetation, add interpretive signs, e.g. edges have sedges, rushes are round, grasses have knees that bend to the ground. Make it easy for people to learn to really love this place and to get to know about it and the native species here. Also, educate people about the damaging effects of feeding bread to ducks, or feeding them period.	7/2/2017 9:10 AM
58	Leave as is - a very sensitive area for wildlife. Do not improve public access.	7/2/2017 7:33 AM

59	This is a valuable resource. I wonder if it could use a bit of dredging as it is getting pretty shallow which could lead to warming water and the possibility of an outbreak of bacteria that are toxic to waterfowl.	6/30/2017 10:16 PM
60	Open area to public behind new builds on Ascot	6/29/2017 3:08 PM
61	Leave as is	6/29/2017 2:09 PM
62	pretty good as is	6/28/2017 4:22 PM
63	Clean it	6/28/2017 12:36 PM
64	The area could have more grass and less gravel.	6/27/2017 5:15 PM
65	Sign showing what is ok and not ok to feed ducks	6/26/2017 11:02 AM
66	I don't appreciate that people park right on the main trail. Perhaps a barrier?	6/24/2017 10:11 PM
67	Needs careful protection and preservation	6/24/2017 2:18 PM
68	love king's pond	6/24/2017 2:13 PM
69	Viewing area	6/23/2017 11:53 AM
70	Put up "Don't Feed The Ducks" signs. too many rats in the neighbourhood.	6/23/2017 11:16 AM
71	Protect it	6/23/2017 7:16 AM
72	Trap the rats!!!!	6/21/2017 8:20 PM
73	Love seeing the children there	6/21/2017 1:51 PM
74	Needs attention to over growth	6/21/2017 11:26 AM
75	improve the borders.	6/21/2017 10:43 AM
76	annual maintenace	6/21/2017 8:05 AM
77	Better rat control if possible.	6/20/2017 3:23 PM
78	Needs Park's attention re weeding!	6/19/2017 3:56 PM
79	attend to mud in winter and spring	6/19/2017 1:33 PM
80	Fill in the large hole at the edge of the railing so little ones and older folk don't stumble and fall when watching the wildlife.	6/19/2017 12:08 PM
81	good balance between non-accessible portions and viewing opporunities	6/19/2017 10:42 AM
82	paths need better upkeep	6/19/2017 8:50 AM
83	love it	6/18/2017 10:26 PM
84	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
85	More structured trail along it with defined edges, etc,	6/17/2017 8:57 PM
86	Love!!!!!! Perhaps more educational signs	6/17/2017 8:28 PM
87	Love it!	6/17/2017 7:23 PM
88	none	6/17/2017 1:42 PM
89	Have it more orderly. Voluntary donation box for parking. No such thing as FREE PARKING.	6/17/2017 10:59 AM
90	fix some of the stony areas and the fences	6/17/2017 9:41 AM
91	Perhaps more habitat information!	6/17/2017 7:48 AM
92	Just a duck pond; something you have to go around when walking	6/16/2017 4:44 PM
93	Could this be dredged on a regular basis and fresh water added as it is a very smelly area in the summer and I would think unpleasant for the wild life.	6/16/2017 11:48 AM
94	Part of the path is washed out. Someone is going to get hurt.	6/16/2017 10:24 AM
95	A boardwalk could be helpful here -- always feel like I am walking through duck shit and tracking it into my home when I walk that part of the trail	6/16/2017 8:58 AM

96	A high amenity for neighbours and children, but a bit of an ecological mess--highly eutrophic pond that was created. Can it be tied to a larger restored wetland complex at the north end?	6/16/2017 7:46 AM
97	Lovely. The duck identifying sign could be refreshed.	6/15/2017 10:52 PM
98	Preserve this, the jewel of the park.	6/15/2017 9:20 PM
99	keep for wild life viewing	6/15/2017 7:13 PM
100	open it up a bit more by removing some vegetation	6/15/2017 7:09 PM
101	more signs saying don't feed bread to the birds	6/15/2017 2:59 PM
102	Love it. Take my grandchildren there to feed the ducks.	6/15/2017 1:59 PM
103	clean it up to make it more enjoyable	6/15/2017 1:09 PM
104	Lovely...Leave as is!	6/15/2017 11:42 AM
105	continue with some restoration	6/15/2017 11:37 AM
106	barrier to keep cars off of the walking trail	6/15/2017 10:27 AM
107	Consider water aeration for the health of the pond/ water feature	6/15/2017 10:21 AM
108	More seating	6/15/2017 9:36 AM
109	leave it as it is	6/15/2017 8:16 AM
110	expand and maintain natural environment around pond	6/15/2017 7:37 AM
111	Is it possible to lay chip there in the winter months? Gets very slippery from the ducks	6/15/2017 7:11 AM
112	None.	6/15/2017 6:49 AM
113	We live right near here, and can't believe how much food is given to the ducks. Most of it is uneaten, and feeds huge rats. Some educational information about this would be great.	6/14/2017 9:26 PM
114	It would be great to have a turtle log for them to sun.	6/14/2017 6:13 PM
115	Raised walkway over duck congregation area.	6/14/2017 6:09 PM
116	more native plants on bank	6/14/2017 6:00 PM
117	Needs more maintainance such as repair of runoff after rains. Also, should anchor a log in pond to serve as sunning area for turtles.	6/14/2017 1:32 PM
118	Fix eroded areas in viewing area.	6/14/2017 1:17 PM
119	remove invasive willows and promote native willows and cottonwoods; promote the small tree frogs and ensure that the pond isnt invaded by bullfrogs; protect the ducks and other wildlife	6/14/2017 9:57 AM
120	The area needs some tending. Over grown black berries etc	6/13/2017 2:53 PM
121	fine, don't waste money	6/13/2017 8:29 AM
122	Install a turtle log!!!! And remove most of the vegetation from the viewing side and improve the use of the installed benches.	6/12/2017 1:19 PM
123	remain the same	6/12/2017 1:10 PM
124	Find some way to discourage people from feeding the ducks. Otherwise, this is perfect the way it is.	6/12/2017 11:01 AM
125	viewing platform	6/11/2017 8:56 PM
126	A boardwalk around or across with protective netting against golf balls	6/11/2017 8:05 PM
127	open up area surrounding the pond to public access	6/11/2017 3:37 PM
128	Restore the berms. Put a nature trail in the area south of Queensbury and Ascot. Restoration plan required.	6/11/2017 1:26 PM
129	What was once a place to hold golf course run off	6/11/2017 8:43 AM
130	clean and freshen it - a source of delight to all ages to feed the ducks, watch the ducklings and turtles and birds	6/10/2017 2:35 PM
131	Improve water supply/retention for dry season.	6/10/2017 12:12 PM

132	Clean it up. Filthy really.	6/10/2017 9:05 AM
133	Sometimes people block the area by parking their cars	6/10/2017 8:39 AM
134	Ensure it's healthy for the wildlife that live there.	6/9/2017 11:08 PM
135	Cute!	6/9/2017 5:19 PM
136	Leave as is.	6/9/2017 4:20 PM
137	I like it the way it is.	6/9/2017 1:51 PM
138	stop people from feeding the wildlife	6/9/2017 11:27 AM
139	improvements for pedestrian walking	6/9/2017 9:54 AM
140	This is a potential important migratory bird habitat and viewing area. It should be improved and restored with golf course being reduced to make space for the riparian uses and non-golfers.	6/9/2017 3:19 AM
141	maintain health and biodiversity of pond	6/9/2017 2:41 AM
142	enlarge as time, opportunity and funds permit	6/8/2017 11:22 PM
143	leave as is	6/8/2017 9:55 PM
144	No	6/8/2017 9:41 PM
145	Benches and education area	6/8/2017 7:53 PM
146	Maintenance so not so smelly	6/8/2017 7:45 PM
147	discourage duck feeding	6/8/2017 7:02 PM
148	Improve wildlife habitat and viewing area	6/8/2017 6:39 PM
149	This is the 1st memory for youngsters of feeding the ducks. Get a turtle log too. But mainly repair the railings, get rid of the willows, and link Kings Pond to the water way with which it is associated MONEY \$\$\$ is needed New design should accommodate a few cars or parking on Ascot Drive should be encouraged and managed.	6/8/2017 5:37 PM
150	more info signs (including do not feed the ducks bread)	6/8/2017 2:57 PM
151	enhancement of riparian zone	6/8/2017 1:21 PM
#	QUEENSBURY AVE PARKING AREA (NEAR KINGS POND)	DATE
1	speed signage on Ascot and Queensbury	9/6/2017 10:57 AM
2	Do not fix what isn't broken. The people that come are aware of where to park, etc. If you change too much, you pose a whole host of other problems, i.e., drug use at night, theft at night, etc. Those that are concerned about the wildlife dont' want to have to have extra lighting when the animals and birdge need to rest.	8/9/2017 3:01 PM
3	as above	8/7/2017 1:04 PM
4	As part of King's pond review, see if the ducks need more open land. Define separation between parking and trail better.	8/7/2017 10:48 AM
5	Do not expand or pave.	8/6/2017 11:04 AM
6	Remove. add green space.	8/5/2017 6:23 PM
7	Keep this	8/5/2017 1:12 PM
8	have never seen it crowded, so assume it's fine as is.	8/5/2017 9:45 AM
9	Seems to be the right size. Onlya max of a few cars	8/5/2017 8:47 AM
10	Is fine	8/4/2017 8:58 PM
11	Better signage. I wasn't sure I could part there the first time	8/2/2017 10:05 AM
12	Do not expand, plenty of space. Clean and tidy up at most.	7/31/2017 10:13 PM
13	Marked Parking Spots	7/29/2017 7:42 AM
14	Designated parking spots as it is unclear where to park vehicles.	7/29/2017 7:20 AM
15	reduce the amount of parking	7/28/2017 10:03 AM

16	Please do not expand it or pave it. If you do, there will be more vehicle. Maybe add a bike rack? traffic.	7/26/2017 5:58 PM
17	Something put in place to keep cars from parking on the walking trail	7/26/2017 4:50 PM
18	Detailed parking layout	7/20/2017 11:43 AM
19	it is fine people need to park	7/20/2017 11:09 AM
20	Could be utilized better with proper parking layout.	7/19/2017 9:14 PM
21	quite busy. could use a couple more parking spots	7/15/2017 8:54 PM
22	big enough now	7/15/2017 6:44 PM
23	No ideas..wish people would walk and not arrive by car when possible.	7/15/2017 2:04 PM
24	Again sometimes this area is full	7/14/2017 10:37 PM
25	Possibly tarmac the parking area? However, the ducks may not appreciate it as they peck a lot in this area.	7/14/2017 2:39 AM
26	This parking crosses the chip trail which makes the chip trail not very safe.	7/13/2017 9:35 PM
27	I would imagine that walkers, bird watchers and naturalists are happy for this area	7/13/2017 5:40 PM
28	Leave as is	7/13/2017 4:20 PM
29	Barriers to stop parking on the path. As in a curb.	7/13/2017 2:30 PM
30	Formalize the parking area with a low barrier so people don't park blocking the walking trail.	7/11/2017 2:45 PM
31	Create better parking and improve the traffic corner. Many ducks and deer have been killed at this corner. Perhaps a traffic circle would slow cars down. One day a child will be hit.	7/10/2017 12:37 PM
32	Can be difficult to park with ducks.	7/6/2017 8:01 PM
33	It sometimes seems disturbing to have parking there yet I can see that it's convenient for families with young children to feed the ducks.	7/4/2017 4:42 PM
34	move further away from pond to protect the wild life	7/4/2017 12:06 PM
35	make the walking space clear and clean to separate vulnerable users from vehicles	7/2/2017 5:50 PM
36	As a daily visitor to the park, I have never seen this place with more than one or two cars in it. Leave it as is.	7/2/2017 9:10 AM
37	Ducks frequent this parking area. Keep minimal level of parking to restrict public access.	7/2/2017 7:33 AM
38	Resist more "physical improvements" like impervious surfaces for parking. I'm there frequently and rarely is a parking problem - besides, walking to the park should be encouraged, not driving.	6/30/2017 10:16 PM
39	Make one way and include *slow, wildlife/children* signage	6/29/2017 3:08 PM
40	Leave as is	6/29/2017 2:09 PM
41	Clean it	6/28/2017 12:36 PM
42	better division between edge of parking and circle trail	6/26/2017 7:21 PM
43	I never use	6/24/2017 10:11 PM
44	Improved parking	6/23/2017 11:53 AM
45	Area needs to be cleaned up, remove blackberry vines etc.	6/23/2017 11:16 AM
46	Maybe Mark spaces better but not bad as is	6/23/2017 7:16 AM
47	No changes needed.	6/21/2017 8:20 PM
48	Great for families	6/21/2017 1:51 PM
49	Make area safer for ducks crossing as cars park or pass by.	6/21/2017 1:41 PM
50	Don't use	6/21/2017 11:26 AM
51	leave as is.	6/21/2017 10:43 AM
52	could be defined a bit more	6/20/2017 5:17 PM

53	Separate parking area from pedestrian walking area..	6/19/2017 3:56 PM
54	do not expand; regulate to permit entry	6/19/2017 1:33 PM
55	is this formal parking? how about some bike racks?	6/19/2017 10:42 AM
56	expand for people who drive to experience the park	6/19/2017 8:50 AM
57	No expansion	6/19/2017 7:38 AM
58	needs to be improved	6/18/2017 8:36 AM
59	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
60	More structured trail along it with defined edges, etc, (Safer)	6/17/2017 8:57 PM
61	Fine	6/17/2017 8:28 PM
62	It can be a bit confusing where the path is vs the parking lot. Maybe having more clearly seifnaged spots would be good	6/17/2017 7:23 PM
63	keep	6/17/2017 1:42 PM
64	More order. A donation box for paying to park. The only free parking, any where, is for Santa to keep his sleigh and reindeer on the off-season. Santa is an illusion and a myth. So is free parking.	6/17/2017 10:59 AM
65	close it people should park elsewhere and walk in	6/17/2017 9:41 AM
66	Never park there	6/16/2017 4:44 PM
67	Cars park and block path	6/16/2017 6:00 AM
68	Ok, but can get swampy	6/15/2017 10:52 PM
69	keep for parking	6/15/2017 7:13 PM
70	Add parking is it doesn't alter the roads etc here for disabled access in particular	6/15/2017 7:09 PM
71	more benches	6/15/2017 2:59 PM
72	Discourage feeding ducks here	6/15/2017 1:40 PM
73	area already congested; no further parking needed	6/15/2017 1:09 PM
74	Enough, don't need more cars	6/15/2017 11:42 AM
75	I worry about the ducks being run over.	6/15/2017 10:16 AM
76	leave it as it is	6/15/2017 8:16 AM
77	Put some guards up to define the path so car don't park so asto block the trail	6/15/2017 7:17 AM
78	None.	6/15/2017 6:49 AM
79	The traffic flow around the corner off Queensbury is way too fast - a scary mix of runners, parked cars, kids, ducks, dogs, and cars flying by with poor visibility =yikes! Please calm traffic here, and redesign the trail & parking to have more separation. I suspect the answer may involve removing the shrubs in front of the pond so there is more space, or perhaps building a boardwalk? Some creative thinking may be needed.	6/14/2017 9:26 PM
80	Leave as is. Nice to visit Kings pond, if not very mobile	6/14/2017 6:13 PM
81	okay as is	6/14/2017 6:00 PM
82	Sign to indicate path area. Some people pull right up ontp path making it necessary for pedestrians to walk behind vehicles	6/14/2017 1:17 PM
83	make sure a trail width is kept open so cars do not park over the trail	6/14/2017 9:57 AM
84	Too small and parkers block the walking trail.	6/13/2017 2:53 PM
85	fine, rarely used, don't waste money	6/13/2017 8:29 AM
86	This spot has: vehicles, pedestrians, pets, wildlife all using the same small area right next to a narrow roadway. Definitely needs an improved design for safety and enjoyment of all users.	6/12/2017 1:19 PM
87	no problem	6/12/2017 1:10 PM
88	Clean-up and restore.... very popular area with children and parents.	6/11/2017 1:26 PM

89	not very tidy	6/10/2017 2:35 PM
90	Need road bumps to slow through traffic	6/10/2017 12:12 PM
91	Leave as it is.	6/9/2017 11:08 PM
92	make a more clear pathway on the roadway side of the berm so cars don't block the existing running path when parking	6/9/2017 8:47 PM
93	Needs a sign to tell people not to park their cars right over the pathway.	6/9/2017 7:48 PM
94	Needed???	6/9/2017 5:19 PM
95	Leave as is.	6/9/2017 4:20 PM
96	I walk or bike so car parking is of no concern to me.	6/9/2017 1:51 PM
97	improvements for more parking	6/9/2017 9:54 AM
98	also install some kind of barrier between road, parking lot and park perimeter	6/9/2017 2:41 AM
99	a necessary evil	6/8/2017 11:22 PM
100	No	6/8/2017 9:41 PM
101	Connect by bicycle to Doncaster	6/8/2017 6:39 PM
102	Yikes. Remember Joni Mitchell! They paved Paradise to put up a parking lot.	6/8/2017 5:37 PM
103	improved vegetatve screen between parking and the natural areas	6/8/2017 1:21 PM

## Q13 Imagine your ideal Vision for Cedar Hill Park in the year 2035. What would it be like?

Answered: 273 Skipped: 332

#	RESPONSES	DATE
1	Well controlled and maintained foliage and trail. Tranquil safe haven. Undeveloped!	9/6/2017 11:07 AM
2	Mainly status quo - preserving a most wonderful sanctuary for all.	9/6/2017 10:57 AM
3	do not disturb	9/6/2017 10:52 AM
4	That it still exists and be very natural. We don't loose it to development. That the children get to continue to enjoy and visit.	9/6/2017 10:48 AM
5	keep it like it is	9/6/2017 10:40 AM
6	Resurrecting the restaurant. I co-hosted many lunches for groups as well as family - social events. So many people never knew there was a restaurant there! It needed proper advertising and could be a money-maker if proper management (or a restaurant host) took it on.	9/6/2017 10:38 AM
7	as is	9/6/2017 10:33 AM
8	A naturally developed greenspace for golfers, walkers, runners and families, with wildlife supporting wild spaces restored the park can provide education about nature and activities within nature.	9/6/2017 10:18 AM
9	Well used outdoor recreation area	8/21/2017 3:54 PM
10	Who uses the park and who pays for the park? Regionalization of parks & rec across Victoria. Need another strategy to allow brainstorming a vision for the future!	8/21/2017 3:42 PM
11	It would be a place of natural beauty, a place where walking is encouraged.	8/9/2017 3:01 PM
12	The same with upgrades as required	8/7/2017 8:22 PM
13	Easy trails for my walker	8/7/2017 2:20 PM
14	more trails and natural areas - less golf area	8/7/2017 1:04 PM
15	Same as now with the few improvements I've suggested :-)	8/6/2017 2:13 PM
16	I would like to see a lot more of the park restored to the native ecosystems (alien invasives removed and native species planted), the golfing part of the course much less groomed and not expanded, a lot more variety of people and activities focused on nature appreciation, less focus on golfing, wetlands and waterways restored and healthy, a really great restaurant featuring local food in the clubhouse.	8/6/2017 11:04 AM
17	Preservation and enhancement of this wonderful green area. Great walking area for people, and environmentally friendly for animals. (Could some birdhouses help attract birds?)	8/6/2017 10:32 AM
18	Ideally, sheep used to keep grass down, no golf course. But, failing that, just more nature, protection from urban encroachment and development (including too many signs)	8/5/2017 6:23 PM
19	I don't play golf but I love it that there's an affordable nearby course for locals. Golf can be so inaccessible financially so I hope it will still be there.	8/5/2017 11:02 AM
20	I've been using the Park for over 30 years and intend to continue for 30 more. Don't have any personal need for any change, but will be interested to see how others feel differently.	8/5/2017 9:51 AM
21	Just as it is today	8/5/2017 9:45 AM
22	Easy access, kids programs, couple events a month outdoors.	8/5/2017 8:47 AM
23	The way it is with the suggestions earlier made.	8/4/2017 8:58 PM
24	Tour the park in flying cars!! :-)	8/4/2017 7:54 PM

25	Chip trail has seating with little tables around the entire perimeter to encourage community use/visits. Creekway maintained and not encroached by blackberries or other weeds.	8/4/2017 11:10 AM
26	Protected with a thriving art and rec center and a restaurant that appeals to everyone not just golfers	8/3/2017 8:17 PM
27	it is still all public space and use for mixed recreational activities.	8/3/2017 9:42 AM
28	The golf course would be reduced to 1/3 of park area. Natural areas would make up another 1/3 and publicly accessible community park amenities would make up the last 1/3 (sports fields, trails, ponds, recreation facilities, etc.)	8/2/2017 12:03 PM
29	Healthy functioning green space	8/2/2017 11:49 AM
30	A place to come with my family to enjoy some nature, have a walk and a picnic	8/2/2017 11:41 AM
31	Something for all ages Young (very young and 6-11), tween, young adult, seniors Incorporate library (+ pool?) - more young kids (its not just for old people)	8/2/2017 11:32 AM
32	Saanich's Beacon hill park equivalent	8/2/2017 11:22 AM
33	Hope park is improved. Encourage golf course to reduce use of artificial fertilizers	8/2/2017 11:18 AM
34	Lovely natural area	8/2/2017 11:12 AM
35	Maintain area as a park and prevent development of housing	8/2/2017 11:07 AM
36	Keeping the natural areas as much as possible for birds and pleasure to look at and breath.	8/2/2017 10:51 AM
37	Beautiful natural area within increasingly built environment; well-used gathering place for community with enticing cafe and restaurant	8/2/2017 10:43 AM
38	Improve the ugly southern end	8/2/2017 10:35 AM
39	Thriving Garry Oak ecosystem park with trails for walking and biking. Places for people (families, individuals, etc) to be in nature.	8/2/2017 9:39 AM
40	WaterPark!!!!	8/2/2017 9:25 AM
41	A natural oasis with family-friendly elements such as a playground/pool/nature house/picnic tables; families congregating on hill below McRae house	8/2/2017 9:18 AM
42	A more popular park with more diverse and variable recreation/sports uses (not just golf). Some limited, diverse commercial space (not just club house) i.e. classy coffee shop, small pub/hub.	7/31/2017 10:13 PM
43	Outdoor pool, better programs, restored stream, natural beauty supported	7/30/2017 11:34 AM
44	Families participating in the outdoor space	7/29/2017 7:54 AM
45	Cycling Paths for commuters.	7/29/2017 7:42 AM
46	Completely user friendly for walkers, runners and cyclists.	7/29/2017 7:20 AM
47	make sure it is kept as a park even if the golf course is closed. NO DEVELOPMENT	7/28/2017 3:06 PM
48	I'd love to be able to take my children there and give them the same experience I grew up with.	7/28/2017 1:55 PM
49	I would like to see it remain the same as it is now - it's lovely and I have enjoyed it and used regularly for 14 years. It is a great asset to the neighbourhood. I would only add trees and shrubs to the south end of the trail, to screen from traffic on Finlayson.	7/27/2017 8:31 AM
50	School age programs and field trip opportunities for the 4 elementary schools within walking distance	7/27/2017 7:53 AM
51	Bike, walk, school trips, more/better food options using healthy local ingredients. You could grow food onsite	7/27/2017 1:05 AM
52	Keep the chip trail, have more lighting along the trail to make it safe at night. Have a better cycling connection for East West.	7/26/2017 10:09 PM
53	It would be more natural without any further homes built close to the walking trail. Essentially, it needs to stay the same and still be maintained to the same level.	7/26/2017 5:58 PM
54	people enjoying recreation and respecting others rights to enjoy the park safely. Tourists playing golf and a safe cycling path.	7/26/2017 4:55 PM

55	I'd like to see the ball fields re-developed for other activities that serve a wider cross section of the population and promote health and social connection. Lots of walk ways, water features, artistic elements that create interest and a reason for more people to come. The golf course is a gem. As the population ages, it will become more popular because it's short and has a variety of options (9,13 or 18 holes). Something for every golfer's needs. Maybe a croquet pitch and pickle ball. People can bring their own equipment for impromptu play	7/26/2017 4:50 PM
56	I like it the way it is	7/25/2017 10:28 PM
57	Make sure there is still an 18 hole golf course	7/25/2017 12:29 PM
58	CHP would be a model for integrated urban land-use; accessible, inclusive; golf, community, environment, recreation... recognized around the world! I've never seen a space like this. What an opportunity!	7/24/2017 9:33 AM
59	Golf course gone. Large park similar to Beacon Hill Park	7/23/2017 4:15 PM
60	How the park could facilitate inclusion of all abilities	7/22/2017 10:35 PM
61	Continue to be the lovely park in the city that it is - a gem in our community. Continue to develop and promote the golf course.	7/22/2017 7:59 AM
62	Improvement in golf course drainage so that it is playable through winter. Maintain the natural elements of the walking trail	7/22/2017 7:45 AM
63	a park for multi use recreation and socialisation	7/21/2017 1:51 PM
64	Enhanced golf facility	7/20/2017 2:06 PM
65	Natural walking and sightseeing trail and area.	7/20/2017 11:43 AM
66	A lovely natural walk or run for all ages	7/19/2017 9:14 PM
67	Not a golf course anymore, replaced with housing and other amenities.	7/19/2017 1:21 PM
68	no golf, growing trees and walking paths. playgrounds for kids.	7/19/2017 11:26 AM
69	More quiet spaces away from errant golf balls. A covered playground just a roof. It is usually warm enough but rain makes playgrounds inoperable.	7/18/2017 11:17 AM
70	More like beacon hill park, less golf.	7/17/2017 4:16 PM
71	It would be highly accessible and have all ages participating in physical activity both indoor and outdoor	7/17/2017 11:21 AM
72	A quiet place for everyone to enjoy a walk and a place to escape the urban environment. A sea of green.	7/17/2017 7:15 AM
73	Park enjoyed by all ages with large playground between Mcrae house and the rec centre, walking path, natural setting with lots of trees and water features	7/15/2017 8:54 PM
74	No change.	7/15/2017 8:35 PM
75	Less invasive species and a more natural Garry Oak area	7/15/2017 6:44 PM
76	A gathering place for all in the community	7/15/2017 3:48 PM
77	Natural areas remain and golf course has Audobon certification. Public recognizes it as an important area for wildlife. More people come to the park to walk on the chip trail and enjoy activities at the rec and community centres. If interest in golf wanes, or if it becomes too expensive to maintain the golf course, the golf course will become park land. Otherwise it will remain a golf course. Good food and coffee will be served breakfast, lunch and dinner and there will be evening entertainment some nights of the week. Local food will be featured as much as possible...that needs to be a goal from the beginning.	7/15/2017 2:04 PM
78	It would look similar to 2017, with no heavy housing developments surrounding this beautiful area. People of all ages enjoying the walkable area as now.	7/15/2017 1:35 PM
79	Golf course enhanced to allow winter golfing ( fix drainage issues and discourage ducks from ruining grass). Also houses are being built TOO CLOSE to course and trail.	7/15/2017 7:42 AM
80	A welcoming community based centre offering a wide variety of indoor and outdoor activities for all ages	7/14/2017 10:37 PM
81	Very much as it is now. It's a delightful place to walk, watch wildlife and to enjoy its charms.	7/14/2017 2:39 AM

82	Outside social area that doesn't conflict with the golfers and the cyclist. Cyclist should be separated from the walkers and the golfers. This golf course is an excellent golf experience and I would like to ensure it remains an 18 hole course.	7/13/2017 9:35 PM
83	That it remain as beautiful as it is today.	7/13/2017 9:22 PM
84	Golf with improved natural areas.	7/13/2017 9:22 PM
85	It is a gem. I hope it is essentially the same as today.	7/13/2017 9:21 PM
86	Same as it is now	7/13/2017 9:19 PM
87	My image for the Golf Course is the same as the very first day I was there in 1959. The golf course being the centre of a very popular environmental jewel.	7/13/2017 5:40 PM
88	a natural multi-activity recreation/social area	7/13/2017 4:54 PM
89	Looking much the same as it does today.	7/13/2017 4:20 PM
90	No major changes as is.	7/13/2017 3:32 PM
91	Maintain the golf course so that it is accessible to all. Keep fees down to not out price the facility.	7/13/2017 2:41 PM
92	Remain a golf course. Remain as a trail for running and walking. Open up kings pond from over growth	7/13/2017 2:30 PM
93	Multiuse sports playzone with golf, disc golf, tennis, walking and running trails, etc.	7/10/2017 10:03 PM
94	Improved natural areas.	7/10/2017 12:37 PM
95	A safe place to walk and enjoy nature.	7/9/2017 11:46 AM
96	Just about the same as it is now. More trees are always welcome. Perhaps a more aggressive program to remove english ivy or other invasive species.	7/7/2017 10:11 PM
97	a daylighted Reach 17 and birds everywhere with a restored camas meadow on the hill below McRae House	7/7/2017 6:02 PM
98	The park would look like a model for the world on how to build a sustainable community. It would serve as an educational model with multiple geodesic domes growing food in vertical arrays inside. This would be a technological showcase for the world to see with multiple tours of elementary students having field day trips to see it. IT would also produce a lot of food for future local public market.	7/7/2017 8:24 AM
99	A well run club house facility, privately managed on a cost recovery basis that does not directly compete with private sector for such things as wedding receptions - as is the case now. Overall a smaller club house would suite citizens demands.	7/6/2017 9:04 PM
100	The golf course would be an off leash park	7/4/2017 6:32 PM
101	A happening place where everyone enjoyed being outside doing things. I'd like to see art-making in nature be a big part of how the arts centre links to the park itself.	7/4/2017 4:42 PM
102	Much more native and naturalized areas. Less noise from homes, traffic. Indigenous activities incorporated into park. Regular silent walks. No golf course.	7/4/2017 12:06 PM
103	Develop further arts programs	7/4/2017 7:27 AM
104	Park completely accessible to citizens for various community events. NO GOLF!	7/2/2017 8:38 PM
105	A meeting place for families and people on foot or by bike. Green, lush, lots of interesting nature to explore.	7/2/2017 5:50 PM
106	A little bit more wild. A place of verdant green in a dry city.	7/2/2017 9:10 AM
107	An area of Saanich preserved for future generations which includes a mix of public activities and natural environments for wildlife to flourish. This park has some unique views - one of the only places in Canada where you can see a flourishing coastal environment (flora and fauna) with the backdrop of snow covered mountains. A place to let your imagination soar.	7/2/2017 7:33 AM
108	A healthy Garry Oak ecosystem with more trees, especially tall ones and brush that is conducive to bird habitat.	6/30/2017 10:16 PM
109	Swimming area, more trails through the park (not just around the edge), expanded boardwalk by Bowker Creek, safe area for dogs.	6/29/2017 3:08 PM

110	Outdoor tennis courts. Outdoor gathering space.	6/29/2017 2:09 PM
111	A park with a good playground or skatepark	6/29/2017 1:40 PM
112	I actually like it the way it is, imperfect but beautiful. Wabi sabi.	6/29/2017 10:42 AM
113	I'd play disc golf daily. There is nowhere in town to play disc golf.	6/28/2017 9:37 PM
114	People-oriented, with opportunities for passive and active enjoyment.	6/28/2017 6:41 PM
115	Expanded and restored oak woodland, meadow, wetland; dedicated open space for picnic/field, separate dog area	6/28/2017 4:22 PM
116	A safe neighbourhood hub and green space for the community, used by all demographics.	6/28/2017 10:12 AM
117	Have it more utilized by the community	6/28/2017 7:20 AM
118	It continues to be an oasis in an urban area	6/27/2017 5:15 PM
119	same	6/27/2017 4:09 PM
120	residents walking, meeting and gardening together	6/26/2017 11:45 AM
121	A larger part of the community. Both a conduit for pedestrians and cyclists and a destination for coffee and meals.	6/26/2017 9:29 AM
122	Evenings and days full of outdoor walking, golf, ball and entertainment (music/plays) and the occasional event with good/various food options	6/25/2017 1:41 PM
123	A place like today where people come to walk/exercise, get fresh air, socialize, a multi-use park in the city.	6/24/2017 10:11 PM
124	The walking trail will be the same. perhaps a native species garden down the hill below McRae house with benches, an outdoor pool in the space behind the tennis courts with benches, ball diamonds full of kids playing, dogs welcome!!!	6/24/2017 2:13 PM
125	Keeping with natural area and loop trail	6/23/2017 11:53 AM
126	More like the big parks in Europe. Educational signs and green space. Interactive things for adults and kids. A nature house would be great. Teach people about bees and how to protect them. Interactive displays about water use and what pesticides etc will do to our world. The Netherlands has wonderful examples of well used park space. Not a big beckwith type playground tho, more of a wilderness interactive educational area of park on McRae hill near parking lot.	6/23/2017 7:16 AM
127	A dynamic place that fosters community connection with people and nature	6/22/2017 7:37 PM
128	Unchanged	6/21/2017 10:49 PM
129	A place for gathering amd recreation. Restored natural areas, habitat and creek. The Golf Course is replaced by a natural open space, small communitrt farm, and affordable family housing.	6/21/2017 9:36 PM
130	A common area outside near the ball diamonds for community events. Farmers markets, family days, art shows, etc	6/21/2017 8:20 PM
131	More trees	6/21/2017 8:12 PM
132	A huge central park where the entire green space can be used for natural habitats and recreational activities with families.	6/21/2017 12:08 PM
133	Maintain as is	6/21/2017 11:26 AM
134	And ideal golf course well manicured with well kept trails.	6/21/2017 10:43 AM
135	see above, large playground with viewing area, seniors rose garden in same area, wheelchair access around periphery of ball diamond	6/21/2017 8:05 AM
136	much as it is now - natural setting retained	6/20/2017 5:17 PM
137	Much as it is now with additional improvements including: enclosed dog park; wider pathways to better accommodate multiple uses (maybe separate bike/walk lanes in congested areas such as connection through middle of golf course); clubhouse cafeteria to encourage walk and then snack/meal. Continue to maintain path well.	6/20/2017 3:23 PM
138	Keep it as GREEN SPACE - we'll always need parkland and there will always be people wanting to use it for something else!	6/19/2017 3:56 PM

139	pretty much as it is today, which is probably not possible, given projected population trends; can a few more trails be developed? I would introduce some periods when dogs were not permitted on the trails, so that with more walkers and runners, pedestrians could move more freely.	6/19/2017 1:33 PM
140	A natural setting, that emphasizes the Garry Oak ecosystem. One that draws and accommodates people of all ages to enjoy the outdoors and hopefully appreciate the unique flora and fauna of the park	6/19/2017 12:08 PM
141	trail is much wider around Golf course, golf course and golfing less of a focus, more Garry oaks planted and prospering, picnic and community gathering spot with outdoor festivals and special events where ball diamonds are. Multipurpose spaces rather than a mix of single uses. Better use of Clubhouse (limited refreshments/restaurants and pubs in that neighborhood)!	6/19/2017 10:42 AM
142	a mixed use rec space mixed with multiple varied gardens. 8 golf holes not 18, giving room for Rose garden, Japanese gardens, etc....large pond and play area for children... while cultivating and maintaining the perimeter path to be as naturally indigenous as possible.	6/19/2017 10:40 AM
143	If golfing becomes of less interest due to changing demographics I would like to see the whole golf course restored to a Garry oak ecosystem and become the best wildlife sanctuary in the city. Otherwise, at least have components of this remain on areas that presently just have invasive grasses or invasive shrubs (including the invasive native shrub species such as snowberry).	6/19/2017 8:11 AM
144	A beautiful natural preserve within the city in which people can be active outside	6/19/2017 7:38 AM
145	more natural habitat areas for birds and animals	6/18/2017 8:00 PM
146	Walking trails and gathering areas for park goers. More facilities in the rec centre. Would love a pool.	6/18/2017 3:36 PM
147	Idyllic natural setting	6/18/2017 10:49 AM
148	Expanded arts and recreation services in the rec center.	6/18/2017 10:26 AM
149	9 holes of golf; expanded natural area; opportunities for disc golf; east-west and North-south bike paths	6/18/2017 8:36 AM
150	Pretty much the same	6/18/2017 7:39 AM
151	There would be people of all ages walking and enjoying the views and the rec centre and walking and enjoying a round of golf. children laughing at the ducks.	6/18/2017 12:03 AM
152	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
153	A large kids playground Tennis courts	6/17/2017 8:28 PM
154	A very natural park with green space but designed to ensure it's used to the fullest	6/17/2017 7:23 PM
155	maintaining natural environment while adding some sports venues (sand volleyball and badminton)	6/17/2017 1:42 PM
156	The golf course footprint has been reduced in size or completely eliminated. Much greater area of Garry oak and associated ecosystems have been restored and these areas are being maintained. There are well loved community gardens producing food. There is a community centre offering programming similar to what Saanich neighbourhood plce offers. There is a great playground with facilities for all age groups.	6/17/2017 1:26 PM
157	Lush and natural greenspace	6/17/2017 8:13 AM
158	More benches to sit and observe the natural environment. Vegetable gardens for the apartment dwellers in the community.	6/17/2017 7:48 AM
159	Multigenerational with good accessibility nature based activities.	6/17/2017 6:57 AM
160	Chip trail has art pieces around it; rec centre has expanded with a gymnasium and outdoor public tennis courts; playground for kids to play; scenic views have been preserved	6/16/2017 4:44 PM
161	The wild flowers negatively impacted by the increased width of the trail ...particularly in the Noth west section have been restored. The geese have been removed. The food service restored.	6/16/2017 3:24 PM
162	not much different.....leave the building of "things"alone as the most precious thing we have is space.Building things does mean that progress is being made.....usually the opposite.	6/16/2017 11:48 AM
163	Much the same, except more trees in the lower half.	6/16/2017 11:15 AM
164	The chip trail would be maintained but not poluted with over designed changes. Keep the big changes to the center or golf pond areas.	6/16/2017 10:24 AM

165	Wetlands, trail, allotment gardens, art centre, sculptures, space for a market.	6/16/2017 9:56 AM
166	The same	6/16/2017 9:46 AM
167	Golf gone. Community gardens, restored Gary oak meadows with sitting and walking paths, demonstration gardens of native plants. Bowker Creek daylight and restored. A gracious restaurant and coffee shop.	6/16/2017 8:58 AM
168	Hopefully not changed much	6/16/2017 8:28 AM
169	A community oriented natural area that is a center not only for physical activities but social/community ones.	6/16/2017 8:19 AM
170	A public park that is far less about golf (although I'm not opposed to some golf), and much more about a coming together of nature and people in an urban setting. I think of Cedar Hill in the future as more like Stanley Park or Beacon Hill Park, and less like a golf course.	6/16/2017 7:46 AM
171	Less development. ...left in a more natural state .	6/16/2017 7:24 AM
172	Opening up of the creek area	6/16/2017 6:00 AM
173	Lots of activities for all ages. Functions that constantly draw members of the community to gather curretly	6/15/2017 10:52 PM
174	It would be the community hub with a weekend farmer's market, a great coffee shop in the clubhouse with nice seating inside and out, more community events such as cooking classes, seminars, etc in the clubhouse, and a really fun mixed use sports area and playground for kids in the grassy slope and ball diamond area	6/15/2017 10:14 PM
175	Maintained as it is now, with the natural environment protected and the chip trail well maintained.	6/15/2017 9:59 PM
176	A more multi use park that incorporates cycling	6/15/2017 7:13 PM
177	open to general public, well used but controlled access.	6/15/2017 7:09 PM
178	not too crowded, not surrounded by highrise buildings... lovely trees...	6/15/2017 6:56 PM
179	a natural environment with wetlands, gary oak sections, wild sections, attraction for birds, animals ... trails for all "walking" capabilities,	6/15/2017 3:27 PM
180	more natural, more wooded, no water sucking golf course	6/15/2017 2:59 PM
181	Gardens. Native plants, boardwalk along the creek. Outdoor pool with a retractable roof Outdoor art and sculptures. More open space in building, and fewer doors.	6/15/2017 1:59 PM
182	Very much the same as it is now but with enhanced natural GOE values and a vibrant, inclusive food and beverage services scene at the clubhouse that takes advantage of incredible views in a beautiful setting.	6/15/2017 1:40 PM
183	NEVER any housing complexes. Leave this beautiful area as it is; clean ponds and creek areas. Maintain the trails.	6/15/2017 1:09 PM
184	Relatively the same	6/15/2017 11:42 AM
185	Restored with a balance of the Golf with the natural areas surrounding.	6/15/2017 11:37 AM
186	Much as it is today.	6/15/2017 11:05 AM
187	Lush, with permaculture and community gardens and trails.	6/15/2017 10:59 AM
188	A beautiful green space park maintained in it's present condition for future generations to enjoy.	6/15/2017 10:54 AM
189	No golf course - entire area as parkland	6/15/2017 10:27 AM
190	Maintenance of the green space, inclusive of all age groups.	6/15/2017 10:21 AM
191	It would look much the same except that the nature spaces would be restored.	6/15/2017 10:16 AM
192	There would be something for everyone!! A true place where everyone in the community has something that they enjoy	6/15/2017 9:36 AM
193	It would be a watered green space (not natural brown in summer). A place with trees, shrubs and flowering plants. Rest and outdoor excersize areas. A place we can walk and feel safe in the eveing at night as a family.	6/15/2017 8:40 AM
194	No changes, except minor ones as listed	6/15/2017 8:37 AM

195	It would be inspirational if it were left as it is, with the possible improvements you have mentioned to the stream if needed	6/15/2017 8:16 AM
196	Just the way it is today. If it ain't broke, don't fix it.	6/15/2017 8:09 AM
197	continued natural green space with outdoor recreational for non-group/team activities	6/15/2017 7:37 AM
198	Maintain access to good walking/running trails with exposure to wildlife in the park.	6/15/2017 7:20 AM
199	Pretty close to what it is now. A little more art around outside, open up Bowker culverts, exercise stations along the trail.	6/15/2017 7:11 AM
200	It would ideally be green with natural plants and a refuge for birds.	6/15/2017 7:09 AM
201	Much as it is now but with the changes I've suggested.	6/15/2017 6:49 AM
202	would include Pickleball courts for public use	6/15/2017 6:19 AM
203	Expanded golf course.	6/15/2017 6:15 AM
204	more mature trees	6/15/2017 5:26 AM
205	It would be a huge park, with the golf course turned into gardens, lawn for picnicking and lounging, a bandstand for community music programs, expanded natural areas, community garden, stargazing, and maybe even an outdoor pool.	6/14/2017 9:26 PM
206	Same as now but with even more native flowers and native plants in general, also with an effort to educate the public about the (former) indigenous use of the area, especially the indigenous use of various plants and animals, prior to contact.	6/14/2017 9:00 PM
207	Hopefully it would still be the lovely special spot that it is today	6/14/2017 6:13 PM
208	Walking trails, golf course, more indoor & outdoor courts. Expanded gym.	6/14/2017 6:09 PM
209	More Garry Oak trees and native plants and habitat along the chip trail preserved.	6/14/2017 6:00 PM
210	A cohesive outdoor fitness loop along the trail.	6/14/2017 5:49 PM
211	still able to walk around the golf course and enjoy the space and the people	6/14/2017 4:40 PM
212	Similar to what it now is	6/14/2017 3:59 PM
213	Preservation and enhancement of natural features. The walk on the South Slope, coming down from the club House could have more character.Planting trees to replace those that regularly fall	6/14/2017 2:51 PM
214	Natural environment maintained and encouraged to allow people to continue to enjoy the forests, stream, ponds without impacting the environment too much.	6/14/2017 2:41 PM
215	same as now with all invasive plants removed	6/14/2017 1:55 PM
216	More walking trails and an off leash dog area	6/14/2017 1:40 PM
217	By 2035 I think there will be a big demand for 'natural areas' with a conserved greenbelt, wild birds and animals and well maintained paths.	6/14/2017 1:32 PM
218	Accessible and natural. Part of a cohesive and unified picture with the rec centre, gold course, club and public.	6/14/2017 12:42 PM
219	A beautiful example of the historical environment of the Victoria area, supporting communities of plant and animal species; an open and healthy Bowker Creek with salmon spawning; a refuge for bats, songbirds, native frogs, snakes, and lizards; an example of how we humans can live with nature without destroying it	6/14/2017 9:57 AM
220	Nature!	6/14/2017 6:45 AM
221	Still here for everyone to enjoy (not likely I'll still be here as I'm almost 75 now)	6/14/2017 12:36 AM
222	Golf course is still there. Not houses built on it. More tennis courts built.	6/13/2017 5:07 PM
223	the property at the back would be developed into something everyone can use - it is not used much now. The chip trail around the golf course is well used. Maybe a children's playground	6/13/2017 4:25 PM
224	More usable outdoor facilities	6/13/2017 3:42 PM
225	More tennis courts	6/13/2017 3:06 PM

226	That is still available as a park for us and for all that fly to it, the birds. Good trails that drain well in the winter rains	6/13/2017 2:53 PM
227	Family friendly outdoor space.	6/13/2017 1:42 PM
228	Retained and restored natural green space with additional outdoor facilities	6/13/2017 1:37 PM
229	quality tennis center	6/13/2017 12:54 PM
230	It would be exactly like the Cedar Hill Clay Court proposal that was so carefully and thoughtfully created a few years ago	6/13/2017 12:47 PM
231	it would still look like it does today and will be a wonderful place for everyone to get out and enjoy nature, work on their fitness and experience the beauty.	6/13/2017 11:46 AM
232	As is with a bunch of busy tennis courts instead of crappy ball diamonds, preferably clay but I'd be happy with any type, indoor and/or outdoor : ) Just more!	6/13/2017 8:29 AM
233	Wild space with minimal human interference	6/12/2017 8:21 PM
234	Leave as is	6/12/2017 4:25 PM
235	Improvement of the trail to deal with traffic noise and unsightliness on Finlayson. A really fabulous restaurant, cafe at the clubhouse with lots of outdoor seating and ice cream for everyon.	6/12/2017 2:10 PM
236	More accessible to all. And if not all of it, then be clear on maps/signage as to where people with mobility issues can go to safely use and enjoy some areas of the park.	6/12/2017 1:19 PM
237	Expanded baseball/softball field	6/12/2017 1:07 PM
238	A green oasis with beautiful vistas -- trails that are never too muddy -- a perfect place for a walk, some exercise and a picnic.	6/12/2017 11:01 AM
239	A place full of fit, healthy people	6/11/2017 10:01 PM
240	Enviably mix of activities and facilities to provide recreation	6/11/2017 8:56 PM
241	Social pub style gathering place at derby building. Outdoor amphitheatre for concerts and nature education programs. Community pool at rec center and a teen center and skate park for kids. More connecting trails with netting to protect from golf balls. More community events including summer bbqs and markets and halloween bonfires. More pedestrian and cycling paths safe against stray golf balls. Kids playground and maybe a small adventure/ nature park for kids. Lighted paths for nighttime safety especially from derby to derby. I still like the golf course use of the park even though I don't golf. Run proD day camps for kids at the park. Indoor and outdoor programming. And summer camps. Could consider building a lacrosse box too. Manage an outdoor winter ice surface for community skating near christmas Near one of the existing buildings with food and beverage service. Run star gazing education programs in concert with the center of the universe observatory that closed.	6/11/2017 8:05 PM
242	Multi-use, community-minded, inclusive natural space that focuses on the benefits of physical activity and the preservation of natural areas. A much reduced golf course in favour of program goals that highlight this synergy.	6/11/2017 3:37 PM
243	An urban jewel forever. Balance retained. Natural and open areas respected, retained and restored. Community and historical identity celebrated. An icon of community collaboration with Saanich Parks.	6/11/2017 1:26 PM
244	Natural growth allowed for trees, trail still there.	6/11/2017 8:46 AM
245	There would be an expansion of the tennis courts and some nice pathways for people with restricted mobility, with improved protections for bowker creek. Also some drinking fountains	6/11/2017 8:07 AM
246	Much like it is today.	6/10/2017 8:11 PM
247	Entire area becomes a park & wildlife refuge - no golf course.	6/10/2017 12:12 PM
248	It would be the same.	6/10/2017 8:39 AM
249	Open creek which supports insects and birds and mammals.	6/10/2017 7:35 AM
250	Very much as it is now. I love the fact that there is no cycling on the walking paths, unlike the Galloping Goose, which is very dangerous for pedestrians because of the out-of-control cyclists.	6/9/2017 11:08 PM
251	Forested. Savannah n wetland ecosystems Collecting oak nuts and observing flowers along with an educational center about all the life there from the insects to plants to birds n mammals	6/9/2017 9:58 PM

252	green space, walking/running path, kids play area, trees	6/9/2017 8:47 PM
253	Various meandering footpaths instead of the golf course	6/9/2017 8:14 PM
254	a go to place for parents and their children, a beautiful, accessible, well planned outdoor space with a playground, picnic area and nature trails.	6/9/2017 8:11 PM
255	Still a centre of beauty, recreational diversity and habitat for birds and other wildlife.	6/9/2017 7:53 PM
256	A place where people can go to have a picnic, throw a frisbee or ball around, hang out, relax and meet people in the community.	6/9/2017 7:48 PM
257	Much as it is now. It would be great if the golf course could be freed up as an open green natural space, but that could be very expensive, and the old people need exercise too! Ideally, the Park would not be NOT be threatened by more playgrounds, more parking, more rec center. It would be: nature, and natural beauty.	6/9/2017 5:19 PM
258	Preserve as "lungs" of four core municipalities	6/9/2017 4:20 PM
259	Additional indoor tennis courts, with a viewing area. Another gym to allow more pickeball, table tennis etc. A larger weight room. All of these generate revenue - which would offset the costs of construction.	6/9/2017 1:51 PM
260	Golf course reduced to a long 9 holes (2 par 5, 4 par 4, 3 par 3 holes) - based on declining popularity of the sport, with the space from the removed holes going to: - Daylighting of and naturalized area around Bowker Creek - 18 holes of Disc Golf with a complete tree canopy - BMX/Mtn bike skills area - Rec Centre building expansion	6/9/2017 12:28 PM
261	Rec Centre Expansion, fitness areas	6/9/2017 10:05 AM
262	The golf course is gone, replaced with a spectacular, healthy, natural park accommodating a variety of uses including active play, fitness and community gatherings,	6/9/2017 3:19 AM
263	Fully revitalized / restored back to its original state — before contact — as much as possible and if that is not possible, then restored back to its former farm-like state. Reintroduce indigenous plant and grass species, replant as many indigenous trees as possible. Develop low impact trails in all directions throughout the park. Install sight and sound barriers between park and surrounding houses to enhance park-like feel and atmosphere.	6/9/2017 2:41 AM
264	More or less just the same as it is now.	6/8/2017 11:22 PM
265	Very similar to how it is now. Ensuring that it's not taken over by development. It's nice to have the green space. Such a beautiful walk.	6/8/2017 9:41 PM
266	Active people of all ages outside enjoying fresh air and free of electrical and non essential mechanized devices	6/8/2017 7:53 PM
267	Lots of greenery!	6/8/2017 7:45 PM
268	rich, lush, more types of grasses and plants...	6/8/2017 7:24 PM
269	No golf just trails and natural areas with play space for all ages.	6/8/2017 7:02 PM
270	A community green space where everyone can enjoy the outdoors and nature	6/8/2017 6:39 PM
271	Imagination is easy. Thinking BIG is necessary. I'd like to know who will get improvements funded and continuing maintenance properly funded. Easy to buy land; desperately difficult to fund restoration, maintenance and repair. If you get the \$, you could dream big. So my ideal vision for the Park includes a strong financial base for protection etc for the FUTURE, as well as a missionary passion in Saanich Parks Department for advocating for people and flora & fauna of CHP.	6/8/2017 5:37 PM
272	a golf course with a restaurant within a totally naturalized green space	6/8/2017 2:57 PM
273	preserve the natural features, protect the waterbodies and riparian areas	6/8/2017 1:21 PM

# Q14 Do you feel pedestrian/cycling connections could be improved in the park?

Answered: 445 Skipped: 160

ANSWER CHOICES	RESPONSES	
Yes	43.82%	195
No	22.70%	101
Not Sure	33.48%	149
TOTAL		445

## Q15 What ideas do you have regarding pedestrian/cycling connections in the park?

Answered: 255 Skipped: 350

#	RESPONSES	DATE
1	No cycling on trail at all. Quiet signs near trail side homes. Voices carry, disturbing residents.	9/6/2017 11:07 AM
2	There should be NO cycling anywhere including east/west connection - it is too dangerous. I have encountered many cyclists on a daily basis, including slow ones, mountain bikes at speed, even a bike club - this is around the trail in general. There should be signage please as we have joggers, people with dogs and most especially women carrying or pushing babies - it's an accident waiting to happen!	9/6/2017 10:57 AM
3	not being cyclists, we have no opinion	9/6/2017 10:48 AM
4	separate the bikers from the walkers. The bikers rarely dismount when going through the park.	9/6/2017 10:43 AM
5	I though cycling wasn't allowed.	9/6/2017 10:40 AM
6	walk from Inverness Rd	9/6/2017 10:33 AM
7	no cycling	9/6/2017 10:24 AM
8	widening of paths	9/6/2017 10:18 AM
9	Access for pedestrians is good. Bikes should be kept off the chip trail	8/21/2017 4:00 PM
10	Much conflict at clubhouse between walkers, bikers and golfers!	8/21/2017 3:54 PM
11	bicycles and pedestrians do not mix...eliminate one or the other or separate the functions. Even runners seem to have priority over pedestrians.	8/21/2017 3:42 PM
12	I sat on the committee to look at bicycle riding in the various paths. The groups are involved walked the chip trail and discovered the trail is too steep in areas and it isn't meant for bike riding on much of the trail. Pedestrians can't see the bikes, etc.	8/9/2017 3:01 PM
13	No bikes on circular trail but allow bikes on east west trail. Bikers do not dismount thru congested clubhouse area - suggest rerouting so dismount not required.	8/7/2017 1:04 PM
14	Biggest investment should be across middle of golf course (accommodating golfers, carts, walkers and bikers. Separate and define paths for walkers and bikers in other areas where possible (can be done in NE corner). Cranbrook to Queensbury is high conflict area so extra work needed here.	8/7/2017 10:48 AM
15	A map in the parking areas, showing the various loops and their respective length would be helpful for "new" visitors	8/7/2017 8:47 AM
16	I think it should be made clearer where cycling should not be taking place. I've come close to being hit by cyclists on parts of the trail they should not be on. It would be nice as a pedestrian to be able to access more areas besides the perimeter and across the middle.	8/6/2017 11:04 AM
17	Bikers sometimes zoom along the walkway between the clubhouse and the pro shop even tho' signage says they must dismount. I do not walk cycling on the chip trails!	8/6/2017 10:32 AM
18	More signage - directions	8/5/2017 8:45 PM
19	remove bicycle access. It's terrible to walk or jog quietly to have to suddenly jump out of a bike's path	8/5/2017 6:23 PM
20	Better signage. I got "lost" the first few times I walked it. Golfers redirected me	8/5/2017 11:02 AM
21	the present east/west (Derby Road) connection appears to work OK as long as cyclists remain alert to walkers and ride in single file. I would not want to see any further connections through the park on the chip trail	8/5/2017 9:45 AM
22	They are fine the way they are. I'd hate to see the cyclists create dangers for walkers as they do on the Galloping Goose. Keep the cyclist at bay. I am a cyclist and think many who use the Goose are irresponsible. Don't let that happen to the park.	8/4/2017 8:58 PM

23	Other than a thoroughfare across by the golf buildings, the perimeter is a walking trail and should not have cycling use.	8/4/2017 11:10 AM
24	Judge Place and Blenkinsop needs a cross walk to safely cross to path to golf course	8/3/2017 8:17 PM
25	designated paths for each.	8/3/2017 9:42 AM
26	The E/W route connecting Derby Rd. needs to be reconfigured for bicycles. Reduce conflict zones near clubhouse and parking lot.	8/2/2017 12:03 PM
27	The cycling connection at the southwest corner is difficult to navigate and follow. Clarification needed on busy Finlayson.	8/2/2017 11:52 AM
28	Designated bike lanes	8/2/2017 11:49 AM
29	Separate N/S bike trail - allow but separate; improve bike access up Cedar Hill Rd and Doncaster	8/2/2017 11:32 AM
30	The walking trail from the rec centre going east to the top of hill on Finlayson should be where a parallel cycling trail could be put in, it's a much easier grade than going up Finlayson.	8/2/2017 11:18 AM
31	If golf activity is ..no longer, keep area as a public park	8/2/2017 11:07 AM
32	Repeat the crosswalk between Tattersall and Cedar Hill X road	8/2/2017 10:59 AM
33	Usually use the park after commuting time so no comment	8/2/2017 10:51 AM
34	better signage?	8/2/2017 10:43 AM
35	ramps	8/2/2017 9:52 AM
36	Currently not very cycling-friendly. Just more paths.	8/2/2017 9:39 AM
37	widened	8/2/2017 9:18 AM
38	Not sure what this means	8/2/2017 9:05 AM
39	Doncaster school and Shelbourne are important nearby destinations. Access from Judge, Queensbury to Derby could be a better shared use path. A twin path (fine gravel & chip trail) might work.	7/31/2017 10:13 PM
40	Need to be able to travel in all directions through park. Make Bike paths throughout.	7/29/2017 7:42 AM
41	We need a cycling network to easily commute through the park.	7/29/2017 7:20 AM
42	The east west connector is very important for cyclists. Unfortunately it's a busy walkway for golfers too. Maybe a separated lane for cyclists going through so they don't have to dismount? Could widen the gravel trails on either side of the paved bit too.	7/29/2017 12:32 AM
43	I think the trail is very well maintained as a frequent runner. I don't think anything should be added in terms of cycling since it would impede on the current state that the trails are in. I also believe that the through-fare connecting Derby Rd is sufficient for cyclists to cut across.	7/28/2017 1:55 PM
44	No specific ideas, but they're good to have	7/28/2017 12:28 PM
45	1. Paved east-west bike lane. 2. Separate bike and pedestrian paths.	7/27/2017 12:27 PM
46	It's ok. Cyclists cut across the middle of the park on the gravel trail. I don't think bikes should go on the chip trail - the tires cut into the trail, not a good mix with walkers.	7/27/2017 8:31 AM
47	Separate paths for foot traffic and bike	7/27/2017 7:53 AM
48	Separate trails for bike and foot traffic running the whole park.	7/27/2017 1:05 AM
49	Have a paved, lit cycling path connecting East to West	7/26/2017 10:09 PM
50	Paving, lights and wayfinding signs	7/26/2017 9:21 PM
51	It would be great if there were room for a cycle path alongside the chip trail at the top of Epsom Drive - but not at the expense of nature. As it is, I am happy to walk my bike along that stretch or to cycle on Maplewood on the other side.	7/26/2017 5:58 PM
52	a few more protective fences would help	7/26/2017 4:55 PM
53	Cycling separated from golf cart and pedestrian traffic for safety purposes.	7/26/2017 4:50 PM
54	I often end up on the golf course by accident! Signage could improve	7/26/2017 11:51 AM

55	should be for pedestrians , not cycling. Not enough room for both on existing path	7/25/2017 10:28 PM
56	more fencing between Derby road (West side) and parking lot/Clubhouse. The current path is very exposed to golfers and can be dangerous	7/25/2017 1:12 PM
57	cyclists need to walk there bikes through congested areas	7/25/2017 12:29 PM
58	Segregated bike lane on Cedar Hill rd	7/23/2017 4:15 PM
59	paved cycling lanes	7/22/2017 6:55 PM
60	Cyclists dismount in golf club and pro shop area. No one drive to pro shop. Move all parking to parking lot.	7/22/2017 7:59 AM
61	bicycles using the chip trail are a danger to walkers... cyclists passing in front of the pro shop, often do not dismount	7/21/2017 1:51 PM
62	Better signage placed at eye level	7/20/2017 7:40 PM
63	There are enough cycling options in Saanich that don't get used.	7/20/2017 2:06 PM
64	Children are the only ones that obey signage	7/20/2017 11:43 AM
65	Have the cycling people dismount going through the area of the pro shop and club house, they have signs but they are too high to see some older and young kids have nearly been hit, and the cycling people are travelling at a high rate of speed. This needs to be monitored	7/20/2017 11:09 AM
66	Children are the only ones obeying the signs and rules	7/19/2017 9:14 PM
67	Pave the east/west trail, have it lit, remove the silly dismount sign.	7/19/2017 1:21 PM
68	more paths and ensure cycle and pedestrian paths are seperated or at least faciliate both.	7/19/2017 11:26 AM
69	Walk bike throw course	7/17/2017 4:16 PM
70	Add lighting to the current cycling connector. Remove the walk your bike signs, replace with yield to other users and add a north south multi-use trail, preferably with some lights.	7/17/2017 4:16 PM
71	cycling through the park by the pro shop and the clubhouse should be discouraged. Some cyclists travel too fast through that area	7/17/2017 3:20 PM
72	One of the features of the walkway that I like is the chip trail. Bikes and wheeled modes of transport would require a more hard-pack surface which would take away from the comfort of walking on the path as it is now. I'd prefer to not have the trail changed from the current chip trail.	7/17/2017 1:06 PM
73	I like the way it is	7/17/2017 8:44 AM
74	preferably more pedestrian	7/16/2017 3:20 PM
75	make it a walk only.	7/16/2017 12:28 PM
76	better signage for cyclists on the east/west cycle path at the golf course.	7/15/2017 8:54 PM
77	More trails	7/15/2017 3:48 PM
78	Too many people in Saanich rely on their cars because the infrastructure for cycling and walking is so poor. Cedar Hill Road right by the rec centre has DITCHES, which is something you wouldn't find in many other cities. If we had good sidewalks and good bike lanes and traffic calming measures, walking to the park and rec centre from all directions would increase.	7/15/2017 2:04 PM
79	Too much traffic to allow safe biking through the area	7/15/2017 1:56 PM
80	Connect Northwest, king pond area to east side, Derby for a safer route.	7/15/2017 10:37 AM
81	Signage warning of pedestrians (walkers with or without dogs) and golfers. A limit on the speed of the cyclists would hopefully slow some commuters down. They seem to ride too fast in the areas around the Pro shop and Clubhouse.	7/14/2017 10:37 PM
82	keep cycling out of golf course before someone gets injured	7/14/2017 8:48 AM
83	Access is very good now.	7/14/2017 2:39 AM
84	Wider pathways clearly marked lanes for walkers and biking	7/13/2017 9:38 PM
85	alternative route from the walkers and golfers.	7/13/2017 9:35 PM
86	Better infrastructure for walkers to understand differences between golf path and walking paths	7/13/2017 9:22 PM

87	Do not expand. Already well used and no need to increase.	7/13/2017 7:00 PM
88	The main use of the park for cyclists is to travel east and west on Derby road. I do not see it as a destination for them.	7/13/2017 5:40 PM
89	the chip trail should be off limits for bikes	7/13/2017 4:54 PM
90	Pedestrian connections are already good, nothing to improve	7/13/2017 4:20 PM
91	larger signs depicting trails and golf course paths	7/13/2017 4:09 PM
92	the cycling people should get off their bikes before they enter the area by the pro shop, and the club house a few times adults and kids have been nearly hit, and this causes a lot of distraction when you are walking.	7/13/2017 2:58 PM
93	Pedestrian access on the trail only and the same for the cyclists. I have seen cyclists cutting across the golf course which is EXTREMELY dangerous	7/13/2017 2:40 PM
94	Cyclists need to slow down in the park. Use of off set curbs to force them to ride around but not so close to interfere with greens crew.	7/13/2017 2:30 PM
95	Maintain chip trail for pedestrians only - no bikes	7/13/2017 2:04 PM
96	Please see previous page--things I cannot do in the park. Also more bike racks at access points.	7/11/2017 2:45 PM
97	cyclists ride through a very congested area (past pro shop and clubhouse)...supposed to dismount but none ever do. Signage for pedestrians has improved a lot...thank you...but it still gets missed and people get lost on the golf course, oblivious to how dangerous that might be.	7/11/2017 12:36 PM
98	Cyclists do not yield to pedestrians on the path and it can be quite dangerous. Perhaps there could be signs saying no bicycles between certain hours or asking them to find an alternate route.	7/7/2017 10:11 PM
99	Do not allow cycling on chip trail or on golf course ( safety issues)	7/6/2017 9:04 PM
100	pavement perhaps?	7/6/2017 3:36 AM
101	Pedestrians and cyclists do not belong together	7/4/2017 6:32 PM
102	Designate a bike route for people to access the commuter route...for example, on nearby streets. I use Glacier and Diana to get to Derby for example.	7/4/2017 4:42 PM
103	Cycling should be only for commuting through periphery, kept to minimal use so that main use is on foot.	7/4/2017 12:06 PM
104	Adequate but awkward passing golfers at clubhouse by bike	7/4/2017 7:27 AM
105	ELIMINATE GOLF	7/2/2017 8:38 PM
106	Improved signage and pathways. Bike-specific pathways.	7/2/2017 5:39 PM
107	A bike cut through/connector	7/2/2017 11:28 AM
108	I am not comfortable with cycling in the park having been crowded off the pathways. Cyclists and pedestrians both need to know the etiquette for sharing the paths.	7/2/2017 9:10 AM
109	Signage to restrict bikes to the east - west connector and keep them off the chip trail.	7/2/2017 7:33 AM
110	Keep the cycling connection through the middle of the park by the clubhouse	7/1/2017 8:19 PM
111	While I do occasionally bike on part of the path connecting Derby with Queensbury, I would not like to take out more habitat to make a separate bike trail. The connector across the park by the Clubhouse to Persimion might be more clearly make to permit bikes.	6/30/2017 10:16 PM
112	Be able to walk through the park not just around it.	6/29/2017 3:08 PM
113	More visible corners to avoid collisions	6/29/2017 1:40 PM
114	Safety is paramount, especially for children.	6/28/2017 6:41 PM
115	Pedestrian connections good as is. No need for cycling routes.	6/28/2017 4:22 PM
116	I suppose bikers could use a safe shortcut across the middle of the park. Not sure if it's feasible through a tunnel or overhead bikeway?	6/28/2017 10:12 AM
117	Bicycling should be minimized. Ok to cross Derby.	6/27/2017 5:15 PM
118	dont feel cycling should be included in this park	6/27/2017 4:09 PM

119	improve circle trail to allow cycling on sections without parallel road	6/26/2017 7:21 PM
120	paving the Bike shortcut off Finlayson, near the top of the hill. A north/ South connector	6/26/2017 11:45 AM
121	perhaps some efficient LED lighting along the main cycling conduit for night time travel	6/26/2017 9:29 AM
122	Separation or more bike path options to get through the park without intruding on walkers.	6/25/2017 1:41 PM
123	I was almost run over by a cyclist on the trail. I do not wish bikes anywhere near the trails.	6/25/2017 6:21 AM
124	Some cyclists come barreling through the trail with no regard/respect for pedestrians. But I doubt there is anything that can be done about them.	6/24/2017 10:11 PM
125	It seems to work well to me	6/24/2017 2:13 PM
126	Sings for bike connections through the park	6/23/2017 11:53 AM
127	No cycling please. They fly through there and it's dangerous. They aren't allowed on sidewalks and should not be on trails.	6/23/2017 7:16 AM
128	North / south route; better bike parking at club house Also - 24 bus is very infrequent	6/22/2017 7:37 PM
129	Remove the stop signs by the club house; no one actually stops... I find that the majority of cyclists will go slow and adjust accordingly if there's traffic. The stop signs create unnecessary friction between user groups.	6/22/2017 2:33 PM
130	The hard gravel trails should include aoft surfaces for running and walking. Consider twinninf the E-W trails for bikes (harder surface) and for peds (softer surface).	6/21/2017 9:36 PM
131	Don't see how it could be developed for cycling given the golf course dominates the site.	6/21/2017 8:20 PM
132	Paths connected to outside cycling trails	6/21/2017 8:12 PM
133	Am concerned that if cycling connections were increased that the walking trail would have even more bikes on them. I don't think they are allowed now but that doesn't seem to stop cyclists taking shortcuts. I don't want to share the walking trail when I am with my dog or friends. I share the galloping goose usually without a problem but it is a wider trail.	6/21/2017 1:51 PM
134	Formalize the path that cuts across the golf course for non-golfers, so golfers of course don't resent the pedestrian thru traffic. Put in a bike path around perimeter so pedestrians and children are not in danger.	6/21/2017 1:41 PM
135	I don't think bikes should be on the chip trail.	6/21/2017 10:43 AM
136	north south connector	6/21/2017 8:05 AM
137	Improve cycling.	6/20/2017 8:40 PM
138	bike lanes could be added	6/20/2017 7:14 PM
139	pedestrian path is fine but hardly suitable for cycling. CYCLING SHOULD BE CONFINED TO PATH BISECTING GOLF COURSE	6/20/2017 5:17 PM
140	widen the "through" pathway that cuts through golf course to allow cyclists and pedestrians to share it more safely.	6/20/2017 3:23 PM
141	better bus service for routes 24/25	6/20/2017 12:05 PM
142	Very important to give everyone access	6/19/2017 9:48 PM
143	Show a map so we know if you're referring to more than the pathway through the parking lot and center of the golf course.	6/19/2017 6:07 PM
144	No cycling within the park - just along the Derby pathways through the golf course .	6/19/2017 3:56 PM
145	the present situation is OK; I would not encourage cycling on the paths (except for the Derby connection)	6/19/2017 1:33 PM
146	They seem fine to me but I generally walk.	6/19/2017 12:08 PM
147	very hilly to cycle around park so a proper (promoted) trail through the park is encouraged to promote alternate transportation that links to bike trails. Pedestrian (chip trail) seems well used and sufficient	6/19/2017 10:42 AM
148	need a compatible way to cycle N-S using pathways	6/19/2017 10:40 AM
149	Keep them separate as cyclists disregard pedestrian rights	6/19/2017 8:50 AM

150	I would hope any retained park trail would not be shared with cyclists, but if there are important ways in which the park needs to be traversed, these could be addressed on the roadways.	6/19/2017 7:38 AM
151	oppose cycling in park, strongly against it	6/18/2017 8:05 PM
152	strongly oppose cycling in park	6/18/2017 8:00 PM
153	I commented earlier - Yes - reconfigure to enable cyclists to travel from Queensbury/Epsom, to Jennifer/Derby.	6/18/2017 11:38 AM
154	Cycling kept separate from walking areas. Cyclists have nearly hit me in golfing area	6/18/2017 10:49 AM
155	Need to legitimize the east-west connection (remove the sign telling cyclists to dismount; pave half the path and leave the other half chip for walkers/runners). Need to create a N-S bike connection - should be paved and divided from the walkers/runners. The Golf course is an important biking and walking route for students traveling to Doncaster Elementary School. Improving bike infrastructure and routes in the golf course is important for providing safe routes to Doncaster students to get to school.	6/18/2017 8:36 AM
156	Might be nice to have separated space for pedestrians and cyclists travelling by the club house	6/18/2017 7:39 AM
157	Pave some of the connecting trails to get you through the park	6/17/2017 9:29 PM
158	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
159	I wouldn't really call it bike friendly. I think bikes need their own designated lanes and that would take away a greenspace and be costly. Also, chips are not nice or easy to bike on	6/17/2017 7:23 PM
160	maintain trails better in wet conditions	6/17/2017 1:42 PM
161	Remove cars parking at the pro-shop. Educate cyclist and golfers that the pathway is a shared facility and the carts, bikes and people should not gather in the centre of the path. It is for all users to share. Publicise and educate.	6/17/2017 10:59 AM
162	this is a touchy area but it is a park not a cycling route and if we need a bike path then maybe it should be around the area somewhere not shared	6/17/2017 9:41 AM
163	I have not really had any encounters with bicyclists only runners. The trails are not for cycling and if it was introduced would really change the peacefulness of the walk about. The building at top of the hill could be transformed to include a washroom facility.	6/17/2017 7:48 AM
164	I personally would like to be able to enter by the club house and exit by the pond on my bike.	6/17/2017 6:57 AM
165	Never think of the park as a connector	6/16/2017 4:44 PM
166	Keep the cycles off the perimeter trail as there are blind corners and cyclists are going too fast to be safe for pedestrians. There are signs for cyclists to dismount but that will never happen	6/16/2017 11:48 AM
167	Keep bikes off chip trail. Don't add another trail for bikes...they can ride around on all the other fancy bike lanes or trails everywhere else. Pedestrians need a place of their own.	6/16/2017 10:24 AM
168	Broaden the cross park connector to create more space for cyclists + walkers.	6/16/2017 8:58 AM
169	keep bicycles out of the park except for access to rec centre and golf clubhouse. No bicycles on the chip trail!!	6/16/2017 8:28 AM
170	As a daily cyclist, I feel like an interloper on what for all intents and purposes is a golfing hub. This is a HEAVILY used commuter link, and an adequate trail is needed that is wide enough for cyclists and walkers, and doesn't flood in the winter(!). The connectors on each side of the park could be improved, too. There's also an opportunity to create a cycle trail on the south end of the Park through trail improvements, and potentially (although this more ambitious) to create a walking/cycling trail that would direct people from the west-central side of the park more directly to the Rec Centre (and not along the perimeter).	6/16/2017 7:46 AM
171	A paved two way connection.	6/16/2017 6:00 AM
172	Currently there's no clear way to cycle from kings pond to the rec center without zigzagging through neighborhoods.	6/15/2017 10:52 PM
173	Walkers and golfers should have priority. I do not think the park is very suitable for cyclists.	6/15/2017 9:20 PM
174	Make the trail between Epsom Dr/Queensbury Ave and Diana Rd multi use for cyclists too.It is a much safer way to ride rather than on narrow roads with no bike lanes.	6/15/2017 7:13 PM

175	I thought cycling wasn't allowed around the park and that should remain that way. Perhaps the ability to cycle from Derby to Derby across the park would be useful as it is cumbersome to have to go around the park to go east/west.	6/15/2017 7:09 PM
176	would prefer to not have cycling within the park,although I am an avid cyclist... the chip trail is one of the few places people can walk without being on pavement. Cyclists tend to go too fast and not show regard for pedestrians.	6/15/2017 6:56 PM
177	As a frequent pedestrian in the park over the past 10 years, I feel the connections for pedestrians and cyclists are user-friendly, effective and adequately-signed. Both the rec centre and clubhouse should have/maintain bike lock-up structures to encourage access via cycling.	6/15/2017 1:40 PM
178	Complete the bike lanes on Cedar Hill Road	6/15/2017 1:07 PM
179	Cycling corridor from Derby Rd to Queensbury Ave.	6/15/2017 12:32 PM
180	NO cycling in the park	6/15/2017 12:09 PM
181	Just fine with the walking trail, don't need more access for bikes, I am a biker but don't feel the need to use those trails,. Best for walkers	6/15/2017 11:42 AM
182	Simple inexpensive: Paint cycling logos with arrows in each direction on the paved area in front of the clubhouse.	6/15/2017 11:37 AM
183	Once again, too much land committed to golf.	6/15/2017 10:59 AM
184	I do not believe the trails are wide enough for bicycles except past the proshop and clubhouse.	6/15/2017 10:46 AM
185	I'd like to see cycling banned in the park with the exception of the connector across the middle	6/15/2017 10:27 AM
186	pedestrian controlled crossing/ cross walk crossing on lower maplewood	6/15/2017 10:21 AM
187	There could definitely be a better connection point between the parking lot at the Rec Centre and the chip trail. I always feel like I'm wandering around somewhere I shouldn't be when I try to get on the chip trail from there. Also, if there are going to be cyclists and pedestrians on the trail, some areas definitely need to be wider. We typically enter the trail from the Rec Centre, Club House, or off Ocean View Rd.	6/15/2017 9:36 AM
188	Paved and chip paths side by side or a special short cut narrow paved routes through the park path designed to shorten commuter routes.	6/15/2017 8:40 AM
189	better signage, separate (or wider) spaces for cycling and pedestrians across the park where cyclists link their routes together on either sides; clarify route through parking lot for cyclists too if possible (safer for all)	6/15/2017 8:00 AM
190	Proper sidewalks on tattersall and provide crosswalk at Salisbury and tattersall . And as far as biking on tattersall , it's a death wish	6/15/2017 7:17 AM
191	Please do not change the chip trail to accommodate cyclists!!!! They are downright dangerous on the Goose if you are walking!	6/15/2017 7:11 AM
192	More cycling-friendly paths, not just the one in the centre of the golf course.	6/15/2017 6:52 AM
193	As I commute on two wheels throughout the year I could see paved parts of trails to be more appealing to cyclists looking to cut through E-W and even N-S and also as a more appealing way to access the park for a visit.	6/15/2017 6:49 AM
194	They are dangerous	6/15/2017 6:14 AM
195	widen	6/15/2017 5:26 AM
196	The East-West connector (Derby) should be widened and paved, with two textures - smooth, for cyclists, and 'bumpy' or 'ridged' for pedestrians. This will help golf carts and wheelchairs as well. Also, there should be some cycling infrastructure in the North. Cyclists coming off Queensbury from the west can shortcut at King's Pond, but then are stuck trespassing through the Oak View (?) townhouses to get to Doncaster. Please make a safe designated cycle route through the park in this area (yes, it's tough because of the hills). If it was wide, it would also work for wheelchairs.	6/14/2017 9:26 PM
197	We all need to keep in mind that many children must cross the golf course every school day, going to and coming home from Doncaster School. some of the younger ones will be walking, while older children will probably be riding bikes... we need to realize that this is a daily commute for these young people and not try to restrict them from using the crossing paths this way, each school day.	6/14/2017 9:00 PM
198	There should not be any Bicycles on the trails, they just chew it up	6/14/2017 6:13 PM

199	No bicycles on trails, crossing only.	6/14/2017 6:09 PM
200	Not allow cycling except across Derby to Derby	6/14/2017 5:15 PM
201	perhaps widen the path so that there is room for cyclists	6/14/2017 4:40 PM
202	Am not sure; though it is only natural that cyclists would want to use to route as a connector, the conditions;visibility, chip trail surface, pedestrian traffic with children and dogs can make it precarious.	6/14/2017 2:51 PM
203	I think that the use of the middle trail for bicycling is fine but I don't believe the rest of the trail should be accessible to bicycles. I also believe that no new cycling trails should be built in the park but that better access to the cut through would be useful (Maplewood and Cedar Hill Roads). Cyclists should continue to walk their bikes through congested areas.	6/14/2017 2:41 PM
204	Problem with bikes on chip trails. Should be for pedestrians only.	6/14/2017 1:32 PM
205	Cyclists should not be riding on footpath	6/14/2017 1:17 PM
206	Label or better-label the fact that drivers need to share Derby with cyclists.	6/14/2017 12:42 PM
207	the chip trails are too wide and they infringe on the camas, chocolate lilies, and other native plants; some plants (e.g. wild caraway) have already been extirpated because of the trails	6/14/2017 9:57 AM
208	The east/west connection could be better marked. The first time I used it from east to west, I almost went the wrong way which would have put me on the golf course in my mobility scooter.	6/14/2017 12:36 AM
209	Please don't do anything about cycling. You're ruining Shelbourne street already and the downtown is already ruined.	6/13/2017 5:07 PM
210	No bikes in parks. There are enough biking trails.	6/13/2017 4:25 PM
211	Love the trails - don't want bikes using them too much	6/13/2017 3:42 PM
212	please never allow bicycles on the trails	6/13/2017 3:10 PM
213	Signs to alert you to blind corners, reduce speed for cycles.	6/13/2017 2:53 PM
214	Improvements to North Dairy or other access to intersection of Cedar Hill and Finlayson.	6/13/2017 1:37 PM
215	It's ridiculous that cyclists are expected to dismount while carts are whizzing around, often too fast. Cyclists are quite accustomed to looking out for ALL POTENTIAL DANGERS. Slowing down would be a more realistic and logical suggestion. It feels like cyclists are being discriminated against.	6/13/2017 8:29 AM
216	No bikes	6/12/2017 4:25 PM
217	Keep bikes off the pedestrian trails. My experience at Playfair Park since 'improvements' were made, is that bicyclist are now speeding along, mindless of blind curves and pedestrians.	6/12/2017 3:07 PM
218	the top end should have signs to show locations of the many connecting paths. with a safe crosswalk at Blenkinsop and Judge one could access from Shelborne to quadra/MacKenzie and all the schools in between	6/12/2017 2:11 PM
219	Cyclists should not have to dismount when going past clubhouse area. This lane should be smooth and safe for the cyclists so that donot have to inteerrupt their ride to and from work.	6/12/2017 2:10 PM
220	Many cyclists speed through the 'Derby Rd' throughway with not a care in the world! Perhaps barriers need erecting so that they have to dismount.	6/12/2017 1:19 PM
221	people need to respect each other	6/12/2017 1:10 PM
222	What is a pedestrian/cycling connection?	6/12/2017 11:01 AM
223	Please dont make them the priority - the pendulum is swinging too far as usual.	6/11/2017 8:56 PM
224	Lighted paths at night. Pedestrian and separate cycling path derby to derby. A cycling path running north south	6/11/2017 8:05 PM
225	Needs careful study of road infrastructure in the whole Maplewood area. Pedestrians are not a problem in the parks but bike transit routes E to W and N to S could really impact the park. N to S bike paths should be provided outside of the park by utilizing and improving existing roadways.	6/11/2017 1:26 PM
226	Add a cycling connection from Queensbury parking lot to Cedar Hill Road that does not require travelling on the walking path or through the stratas private road	6/11/2017 11:03 AM
227	No bikes on the waking trails	6/11/2017 8:43 AM

228	No to cycling connections.	6/10/2017 5:18 PM
229	limit the bikes to the middle cross road only - very dangerous for young children and old folks to encounter gung-ho bikers on the chip trails and hills.	6/10/2017 2:35 PM
230	Reduce golf area and increase area accessible to walkers (not bikes). Separate north-south bike path. Separate runners and walkers	6/10/2017 12:12 PM
231	I'm not aware of any problems with the present connections.	6/10/2017 9:05 AM
232	Cyclists should dismount when they drive through the middle of the park but they dont	6/10/2017 8:39 AM
233	Bike access from kings pond to club house.	6/10/2017 7:35 AM
234	Leave it as it is.	6/9/2017 11:08 PM
235	That initial cycling section to the golf course is annoying. Maybe have a small trail that enters the trails thru the golf course instead of having to go thru the parking lot and wait for traffic at times.	6/9/2017 9:58 PM
236	I think there are areas for improvement near the clubhouse parking lot for cyclists; although this would not be high on my priority of things to do in the park.	6/9/2017 8:47 PM
237	Connect Queensbury to North Dairy with a bike trail parallel to the existing chip trail	6/9/2017 8:14 PM
238	They seem pretty good. There's a path through the middle. More paths may damage more land. Are these necessary?	6/9/2017 5:19 PM
239	There should be an east-west connector corridor.	6/9/2017 4:20 PM
240	Create a bike path from Derby Road through to Queensbury Avenue. Allow bikes to ride from Derby Rd through past the restaurant and pro shop to the other side of Derby Rd. Currently they are suppose to dismount - nobody does.	6/9/2017 1:51 PM
241	no to more cycling in the park heavy bike usage tends to destroy the trails	6/9/2017 11:27 AM
242	Path or trail that goes completely around the rec centre.	6/9/2017 10:20 AM
243	Re-do paved portions of pathways. Make wider.	6/9/2017 10:06 AM
244	widen the trail	6/9/2017 10:05 AM
245	It would be nice if it could be hooked up with Swan Lake	6/9/2017 8:43 AM
246	The east/west connection by the clubhouse - the golfers, golf carts and cars create conflict with other users. It is not reasonable to have a connection that expects cyclists to dismount (which is why virtually none do). A cycling connection between Doncaster & Queensbury would also be useful. The other cycle connection that may be valuable is to connect more or less on grade from Derby to the top of the Findlayson hill to the West of the park, enabling cyclists to get between those two points without being on Cedar Hill and Findlayson, and avoiding going up and down the hills. Not all of this connection would need to be in the park, but a trail in the park may make such a connection possible. The ride to Quadra (a proposed cycle route) is then relatively flat.	6/9/2017 3:19 AM
247	bipedal mobility in and around the park only, except the bisecting corridor in the middle of the park could be expanded to provide a specific lane for bike-through-only traffic	6/9/2017 2:41 AM
248	Would rather not focus on cycling ... chip trail is more conducive to slower modes such as walking.	6/8/2017 7:53 PM
249	just getting to Cedar Hill via Judge place is a pain.. crossing that street ...we asked for a cross walk...	6/8/2017 7:24 PM
250	Widened trails in busy areas. Make cycle connection north south with packed gravel trail separate from walking wood chip trail	6/8/2017 7:02 PM
251	Connect Queensbury to Doncaster and improve connection from club house through to Derby. Much conflict in parking lot with walkers, bicycles with golfers, cars and carts	6/8/2017 6:39 PM
252	I think cycling should be permitted	6/8/2017 6:36 PM

---

253	speeding adult bikes have no place here except on the Derby throughway. Youngsters riding to Doncaster school are fine. Put bikes on a leash! CHP is a magnet/connector/crossroad for walkers between several destinations: Quadra Street, the Goose, Hillside Mall, University Height Mall, Shelbourne Street, Camosun, and Uvic, and Jubilee Hospital. E & W & N & S. Plenty of signs point the way to the Golf Course BUT NOT TO Park nor to the connector that it is. Too much traffic will kill the park if it is allowed to disintegrate but CHP is could be a natural heaven for commuters and walkers. No signs on Blenkinsop at the alleys (about 3799 Blenkinsop) point the way to the Park; Tolmie Street entrance to the Park goes unsigned; no invitation to the Park exists outside the Rec Centre like at the steel bridge; and at the entrance to the golf course no invitation to use the trail exists. Few walkers know about the Derby Street connector. Ascot Drive is unsigned. GOOGLE MAPS doesn't even know about Cedar Hill Park except for a near invisible "pin".	6/8/2017 5:37 PM
254	the signs for the majority of cyclists to dismount are too high on the post and obviously too small as the cyclists can't see them as they don't dismount. Better signage of where the paths are for pedestrians to keep them off the golf course (safety)	6/8/2017 3:49 PM
255	I don't know if bikes are currently allowed on the chip trail. Either way, they should not be. The trail is best suited to a walking/jogging path.	6/8/2017 1:21 PM

---

## Q16 What are your ideas for making accessibility improvements and features in the park (for those in wheelchairs or with mobility challenges)?

Answered: 163 Skipped: 442

#	RESPONSES	DATE
1	Viewing platforms at the park entrances with areas cleared for viewing. Mobility cannot be catered for on the trail.	9/6/2017 11:07 AM
2	If the duck pond is a priority for improvement (for example that the needs mentioned in the question are addressed) by accessible viewing areas.	9/6/2017 10:48 AM
3	Improve the bus-stop across the street!!	8/21/2017 3:54 PM
4	Not sure I agree with providing park access to all. Can be some localized access but not be expanded to whole park.	8/21/2017 3:42 PM
5	That is a great question. I think there are people within the area that have mobility issues (? committee in Saanich??) that could be asked for their input.	8/9/2017 3:01 PM
6	Make (half of width of) trails accessible for those in wheelchairs or with mobility challenges; not with	8/7/2017 2:20 PM
7	Need opinions of disabled community.	8/7/2017 1:04 PM
8	Integration of access and viewpoints could be considered at Kings pond. Access to clubhouse. A new viewpoint at north end of parking lot (over the par 5's green)?	8/7/2017 10:48 AM
9	Wheelchair ramp into the club house	8/7/2017 8:47 AM
10	at least parts of the trail could be accessible & perhaps create new trails where the ground permits.	8/6/2017 3:13 PM
11	use parking area near Finlayson as rest area for those with mobility challenges (or King's Pond) ; do not make all of park trail accessible because it will ruin the natural appeal of the trail	8/5/2017 6:23 PM
12	Maybe the top loop can have a wheelchair path	8/5/2017 11:02 AM
13	other parks already have lots of accessibility features. Not every park needs them	8/5/2017 9:45 AM
14	The people with mobility challenges should not ruin the trail for the vast majority. I've never seen a scooter or disabled person on the path. The terrain is just too difficult so don't change things just because some disabled person cannot enjoy the park as an able bodied person can.	8/4/2017 8:58 PM
15	with seating areas, ensure level areas that allow scooters and wheelchairs to join in and have room and not feel in the way.	8/4/2017 11:10 AM
16	All parks not just Cedar Hill should be accessible to all people with disabilities	8/4/2017 10:01 AM
17	Paved trail sections	8/2/2017 12:03 PM
18	No specific ideas but it is desirable to make trails more accessible.	8/2/2017 11:18 AM
19	improve access from Maplewood Road	8/2/2017 11:07 AM
20	Probably by golf course and lower part of park with one way access up to the duck ponds	8/2/2017 10:51 AM
21	please don't pave chip trail	8/2/2017 10:43 AM
22	Paving path from parking lots to circumference trail	8/2/2017 10:35 AM
23	?	8/2/2017 10:05 AM
24	boardwalks?	8/2/2017 9:18 AM
25	Boardwalks??	8/2/2017 9:05 AM
26	Some limited paving near clubhouse parking lot could allow mobility-challenged people partial access.	7/31/2017 10:13 PM

27	If there was an extended care or assisted living facilities abutting the park (this could be cost shared thing between a credit union, builder and Saanich), the parks should have accessible features.	7/30/2017 11:34 AM
28	Widen paths and make designated paths for them.	7/29/2017 7:42 AM
29	Widen areas of paths around golf course trail system. Make specific wheelchair friendly paths.	7/29/2017 7:20 AM
30	The chip trail is nice but obviously difficult for things with wheels. Maybe a portion could be paved for increased accessibility? Maybe not the whole thing though.	7/29/2017 12:32 AM
31	Not sure. I really like the chip trail surface for walking and running - it's easy on the joints. I would not want to see the chip trail paved.	7/27/2017 8:31 AM
32	Paved bike trail	7/27/2017 7:53 AM
33	Accessible viewing arwas. Paved bike trail around the park.	7/27/2017 1:05 AM
34	Paving	7/26/2017 9:21 PM
35	Hmmm, there must be experts who can answer that question. Please consult them!	7/26/2017 5:58 PM
36	they seem adequate already. Maybe an elevator in the clubhouse.	7/26/2017 4:55 PM
37	Maybe an area with 1 km boardwalk loop?	7/26/2017 11:51 AM
38	Pave the path that runs between Derby road (west side) and pro shop	7/25/2017 1:12 PM
39	Pathways should be paved and widen to allow for more accessibilty	7/20/2017 2:06 PM
40	Most areas of upper area of golf course are accessible to wheelchairs although pushing is a problem	7/20/2017 11:43 AM
41	Some areas of the park are easily accessible for wheelchairs while other areas are almost non accessible.eg.large hill on East side of walking trail	7/19/2017 9:14 PM
42	path like Francis King park would be amazing.	7/19/2017 11:26 AM
43	an area with paved paths/ramps.	7/18/2017 11:17 AM
44	Better axcces	7/17/2017 4:16 PM
45	Make a loop trail that is accessible near some of the Gary Oak groves. Add a viewing platform near Kings Pond.	7/17/2017 4:16 PM
46	Limited due to grade/slop at certain areas of trail. Chip trail is limiting to mobility aids & stroller so maybe a crushed gravel would be better	7/16/2017 1:32 PM
47	Pave the east/west pathway at the golf course so it is accessible for wheelchairs, etc. designate one side for cycle use to improve safety.	7/15/2017 8:54 PM
48	Not enough	7/15/2017 3:48 PM
49	The improvements to infrastructure (such as decent sidewalks in neighbourhoods surrounding the park) would enable those with mobility challenges to better get to the park. Any improvements to buildings and parking areas also need to meet current standards for accessibility.	7/15/2017 2:04 PM
50	Not qualified to comment	7/15/2017 1:56 PM
51	The central access/bike route is made more accessible through some kind of ?paving or surface that is more readily accessible.	7/15/2017 1:35 PM
52	Paving would be expensive but would give access to our population in wheelchairs.	7/14/2017 10:37 PM
53	I find little problem with general wheelchair or disability accessibility.	7/13/2017 5:40 PM
54	Ensure upper part of chip trail is accessible for those with mobility challenges.	7/13/2017 2:04 PM
55	Create mobility-challenged access to King's Pond and possibly to lookouts on walking trail on west side of the upper park by upgrading paths to a harder surface which wheelchairs and walkers could maneuver on easily. Same should apply to Bowker Creek area.	7/11/2017 2:45 PM
56	The buildings are currently accessible. The chip trail may be difficult given the soft nature of the material.	7/6/2017 9:04 PM
57	You would need some improvement to paths in some selected sections	7/4/2017 4:09 PM

58	I am privileged to be able bodied and in good health. I think a consultation with these stake holders/rate payers would be important. The cedar paths are wonderful for me to walk on but would make it difficult for a wheelchair. I wonder if there is a place to have donated motorized wheel chairs available for use in a section of the park that does not have hills. The motorized chairs could be kept at the golf course, possibly the volunteer centre.	7/2/2017 9:10 AM
59	A lot of good walking trails are wrecked in the name of "accessibility". As someone approaching that stage and needing to use walking sticks, I do not want to see soft hiking trails hardened for my convenience - as it would ruin it for far many more and there are not that many places with "soft" trails that are easier on our joints. Perhaps you can put a couple of access point to particular features, but don't pave the park in the name of accessibility.	6/30/2017 10:16 PM
60	Wooden ramps at steep areas on west side.	6/29/2017 3:08 PM
61	Improvement of key trails, but not all trails	6/29/2017 1:40 PM
62	While I recognize the slope of the park is a challenge for those with disabilities, I do not see a way forward that would respect nature.	6/29/2017 10:42 AM
63	Not sure, but feel it is important to be inclusive in this respect.	6/28/2017 6:41 PM
64	Boardwalks over wet areas? Perhaps you should ask your integrated recreation dept.	6/28/2017 10:12 AM
65	Although I have mobility problems I do not expect the trail to be improved. Just having access to short distances satisfies me.	6/27/2017 5:15 PM
66	not needed - goose has that covered	6/27/2017 4:09 PM
67	more sections of chip trail converted to hardpack	6/26/2017 7:21 PM
68	perhaps an area near the golf course entrance could be made with benches and pavement or gravel in amongst the trees	6/26/2017 11:45 AM
69	Packed gravel might be more conducive to mobility than chip trail.	6/26/2017 9:29 AM
70	Love the chip trail, but some paved pathways would be good	6/25/2017 1:41 PM
71	Yes, the steep rough hills can be a problem for people with mobility issues. I don't have an issue and appreciate the slightly technical nature of these parts. But if improvements can be made, it is probably a good thing for the community.	6/24/2017 10:11 PM
72	Soften the grade on hilly areas	6/23/2017 10:28 AM
73	Could have a couple viewpoints paved from parking areas. Perhaps offer rentals for "off road wheelchairs" that would allow access on non paved trails.	6/23/2017 7:16 AM
74	create a smaller loop (or portion of the main loop) that is paved and wheelchair accessible, e.g. a portion of the trail off of the main golf course parking lot	6/22/2017 2:33 PM
75	Consider having some area of the trail, such as near King's Pond, paved to increase access for wheelchairs	6/21/2017 10:49 PM
76	Saanich parks team does a great job of maintaining the trail.	6/21/2017 8:20 PM
77	Hard to do without changing the natural aspect of the walking trail. Pavement would change the whole experience. Chips are a lovely surface to walk on.	6/21/2017 1:51 PM
78	Wide Boardwalks with handrails over wetlands & kings pond.	6/21/2017 1:41 PM
79	wheelchair access to playground and seniors rose garden	6/21/2017 8:05 AM
80	Yes	6/20/2017 8:40 PM
81	the more accessible parts for those with mobility issues be paved so more user friendly.	6/20/2017 5:17 PM
82	alternate, paved pathways on hilly areas that accommodate wheelchairs. Add benches to allow mobility challenged places to rest during walks. Create a walking path without elevation changes for wheelchair/mobility challenged pedestrians.	6/20/2017 3:23 PM
83	Pave the Derby foot/cycle path! Also, possibly pave a path around the Rec Centre and/or around the ball field.	6/19/2017 3:56 PM

84	parallel trails, I suppose, if paving is the issue; the problem with paving is that it attracts faster traffic, such as skateboarders and bicycles, whether forbidden or not. So (as someone who will have mobility challenges very soon) I hope 'improvements' can be avoided if improving means paving. I can see no alternative except the development of a separate system of trails intended for those with special needs.	6/19/2017 1:33 PM
85	I would have to think more on that.	6/19/2017 12:08 PM
86	any development should include accessibility (for everyone)	6/19/2017 10:42 AM
87	a few more hard surface walkways. incorporate into Bowker Creek re-do	6/19/2017 10:40 AM
88	Dedicated area in the eastern portion for this.	6/19/2017 8:11 AM
89	That's tough. we can't pave parks for accessibility, that rather defeats the purpose. Depends on the needs expressed by the community requesting accessibility.	6/19/2017 7:38 AM
90	Circular walk near parking areas	6/18/2017 10:49 AM
91	The fact that the chip trail is easy on the body to walk is of great importance to me and those I share the park with. Its a soft trail so wheelchairs must be difficult but perhaps boardwalks in some areas around view points might make limit accessibly possible	6/18/2017 12:03 AM
92	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
93	An accessible children's playground Widen some parts of the trail	6/17/2017 8:28 PM
94	Wider pathways, maybe alternative routes for large hills	6/17/2017 7:42 PM
95	The buildings are accessible but that's about it.	6/17/2017 7:23 PM
96	I have none	6/17/2017 1:42 PM
97	Too hard to comment, as not being in that category I do not fully appreciate their challenges.	6/17/2017 10:59 AM
98	the kings pond area could be made easier and safer other areas are possible near the views on the west side but it is a golf course still and you need to make sure it is safe for all	6/17/2017 9:41 AM
99	I like the option of providing two choices in certain tricky parts...a smooth path and then the natural path.	6/17/2017 7:48 AM
100	Trail surface would need to change; a paved lit walking path around the current ball fields; ball field area is under utilized	6/16/2017 4:44 PM
101	The trail is too steep for many scooters and the chips are unsafe.....paving of some kind would be needed but that would impact the joggers and make it VERY inviting for bikes.Perhaps the paths used by the golf carts could be used by the mobility scooters early in the mornings before the golfers hit the links.	6/16/2017 11:48 AM
102	Maybe I'm being selfish but any drastic changes on the west side to allow for better accessibility would remove what I like best about the trail and keep me from returning.	6/16/2017 10:24 AM
103	access to the chip trail at Ocean View Rd on the west side is difficult for strollers, wheelchairs, and other assistance devices...That is an area for improvement	6/16/2017 8:28 AM
104	I would support them so long as they don't detract from the natural aspects of the park (e.g., I would not support extensive paving).	6/16/2017 8:19 AM
105	There are opportunities in the "middle" of the Park, where ground is level and some hard infrastructure is already in place. Again, if trails were improved and the network expanded, this would allow for increased mobility.	6/16/2017 7:46 AM
106	We have enough accessibility for wheel chairs.... we don't want the park looking like a parking lot	6/16/2017 7:24 AM
107	no ideas	6/15/2017 7:13 PM
108	add parking to Kings Pond for disables access.	6/15/2017 7:09 PM
109	I believe there could be less golfing and put in some more multi capable trails	6/15/2017 3:27 PM
110	nice to have perhaps the lower half of the chip trail paved for wheelchairs	6/15/2017 2:59 PM
111	Just about anything other than paving the chip trail.	6/15/2017 1:40 PM
112	Paved trail east-west next to the existing gravel path	6/15/2017 1:07 PM

113	Paved paths beside difficult areas of chip trail	6/15/2017 12:39 PM
114	Not necessary	6/15/2017 11:42 AM
115	Would not like to see more pavement and Asphalt.	6/15/2017 11:37 AM
116	None. With due respect and compassion, I believe that not all areas of our environment should be modified to provide access for those in wheelchairs or with mobility challenges. This is one such area.	6/15/2017 10:54 AM
117	Trail surface could be improved for wheelchairs	6/15/2017 10:46 AM
118	Using an accessible trip surface such as engineered wood fibre instead of wood chips, or minus 1 basalt finings	6/15/2017 10:30 AM
119	none	6/15/2017 10:27 AM
120	Perhaps a board walk around King's pond.	6/15/2017 10:16 AM
121	Again, wider trails in some areas. I think that the trail is nice because it's not paved and therefore it's much easier on the knees for running and walking. However, I can see that it could create accessibility issues, so perhaps a solid surface that is not as tough as concrete or asphalt? Perhaps the bouncy rubber surface used in playgrounds?	6/15/2017 9:36 AM
122	If you can improve the pathways to chip and paved then walking a wheelchair or walker is greatly improved.	6/15/2017 8:40 AM
123	Perhaps the upper loop which is the most level section could be paved for wheel chair use.	6/15/2017 8:09 AM
124	Better utilize flat open areas near recreation building	6/15/2017 7:37 AM
125	Sure	6/15/2017 7:11 AM
126	I would be open to this so long as it did not require paving in natural areas (e.g., perhaps it would be suitable for some areas of the park but not others)	6/15/2017 6:52 AM
127	Haven't thought about it but acknowledge that is important.	6/15/2017 6:49 AM
128	Some accessible sections of the loop trail would be very helpful. This could include facilities (accessible parking, slower traffic, paved trail surface) near King's pond and perhaps in other sections too.	6/14/2017 9:26 PM
129	fine how it is unless wheelchair trails might be possible in some of the more level areas? (as in Francis King park, I mean)	6/14/2017 9:00 PM
130	The soft trail is best for me, which I realize makes wheelchair accessibility more difficult	6/14/2017 5:15 PM
131	Perhaps in specific areas like around King's pond and lower Bowker Creek?	6/14/2017 2:51 PM
132	I think that if Bowker creek is daylighted and wetlands developed, an accessible boardwalk through these areas would be great. I believe Kings Pond is accessible but it's true that parking could be improved in that area.	6/14/2017 2:41 PM
133	Excellent question! I would be interested in some form of access to wheelchair in key areas of the trail (i.e., Kings Pond, etc.)	6/14/2017 1:32 PM
134	there should be access points and some trails that would be usable, but it would be sad to pave the walking trails and would change their nature considerably. motorized vehicles should not be used on the trails.	6/14/2017 9:57 AM
135	Make the whole chip trail accessible and provide washrooms at Kings Pond and more washrooms at the club house. Us old fogies need to go more often.	6/14/2017 12:36 AM
136	Not sure how you could flatten the park.	6/13/2017 5:07 PM
137	A soggy chip trail is not conducive for prolonged wheelchair access. Consider sections of trail with appropriate surface for wheelchairs and walkers	6/13/2017 2:53 PM
138	Unfortunately one of the best part is the chip trail and the change in elevations. Might not be possible to improve access to those.	6/13/2017 1:42 PM
139	Path could be renovated to provide Ramos or otherwise acceptable grades for wheelchair/walker users on steep pitches.	6/13/2017 1:37 PM

140	Easy enough at strategic spots (ponds, lookout points) but too difficult/expensive overall considering the natural terrain.	6/13/2017 8:29 AM
141	Boardwalks	6/12/2017 8:21 PM
142	given the elevation changes such changes should be focused on the flat areas at the south end and around Kings pond	6/12/2017 4:32 PM
143	Involve people from the disability center, who have actual knowledge of what it is like to be mobility challenged.	6/12/2017 3:07 PM
144	Include these and ensure that signage/maps are clear to show where these users can enjoy the park.	6/12/2017 1:19 PM
145	Widen trails, make sure any platforms have ramps	6/11/2017 8:56 PM
146	Need to look at the challenging sections of the chip trail to improve safety and accessibility for older people. Access to ball fields from Rec. Centre parking is very poor via either side of building. Could provide accessible paths (not asphalt!!) in ball fields area.	6/11/2017 1:26 PM
147	Smooth pathways throughout with surfaces conducive to people who use mobility devices	6/11/2017 8:07 AM
148	Some areas are too hilly for the disabled to comfortably get to, but there could be viewing areas and level places to sit/walk where folks can enjoy the various 'flavors' of the park, and get fresh air and "feed" their souls with nature.	6/10/2017 2:35 PM
149	It would be great but I'm not sure how. Maybe flatten out some of the trail so those in walkers can use it?	6/10/2017 8:39 AM
150	Ask those who know	6/9/2017 8:14 PM
151	Not my area of expertise!	6/9/2017 5:19 PM
152	Support this idea, but have no solutions in mind.	6/9/2017 4:20 PM
153	I have no ideas about this. I leave this to folks in the know.	6/9/2017 1:51 PM
154	Those with mobility challenges really don't have an easy way to access the park. Level, wide, paved paths to and, possibly, around the area would provide an option to exercise outside in nature.	6/9/2017 10:20 AM
155	flat walking loop, perhaps where diamond currently are.	6/9/2017 10:05 AM
156	Perhaps a boardwalk on the east side by the clubhouse to have access to the wooded area.	6/9/2017 7:40 AM
157	An excellent idea. Not all areas need to be accessible, but far more should be.	6/9/2017 3:19 AM
158	if the golf course was eliminated then there would be more room within the park to accommodate those with wheelchairs or other mobility challenges. As it is now, there is no room for such improvements. The perimeter trail is inadequate as it is for dealing with high volume pedestrian traffic as it is, on very active days and the golfing greens aren't available to anyone except golfers, on most days.	6/9/2017 2:41 AM
159	Benches to rest, a walkway across the middle for folks who cannot make it around the whole loop, and area (smaller loop? That is wheelchair/Walker friendly... perhaps near the recreational centre	6/8/2017 7:53 PM
160	Improve the bus stop across the street from Rec Center on Cedar Hill	6/8/2017 6:39 PM
161	There are experts on this subject. They can tell you when you get the \$\$ to fund improvements. In the meantime, the Rec Centre should offer classes on getting around the park.	6/8/2017 5:37 PM
162	if you change the naturalness of the paths that exist you will spoil the park. Sorry for the folks with wheelchairs and mobility issues	6/8/2017 3:49 PM
163	There could be limited sections of trail that have improved accessibility, but need to be mindful of not removing too much vegetation or not paving more surface area than absolutely necessary.	6/8/2017 1:21 PM

**Q17 Cedar Hill Recreation Centre is a key facility in the park. It strives to meet current demand for services and programs. In the future, improvements in and around the facility (e.g., better pedestrian connections or improved program areas) may be required. Do you have any comments or ideas about this?**

#	RESPONSES	DATE
1	For those many elderly and immobile folk who cannot use the trails. A rose or flower garden with level paths easily accessible from teh car park created on McRae slope.	9/6/2017 11:08 AM
2	CHRC is an excellent facility. Perhaps add outdoor workout equipment that seniors/children could use.	9/6/2017 10:31 AM
3	It has good public facilities and is well maintained.	8/21/2017 4:01 PM
4	Open the Café earlier!! Recreation Centre is currently 'overused'	8/21/2017 3:55 PM
5	Expand the center for more uses, spectator sports, community building use.	8/21/2017 3:45 PM
6	Keep the green areas green. If extra services are needed, satellite rec center in the area that may serve various programs i.e., yoga, badminton in the evening or various programs. I also believe structural work was done to allow for the expansion upwards in the rec centre. I attended the meetings to discuss all of this and I believe that structural capability exists.	8/9/2017 3:07 PM
7	Yes! Please include GENTLE FIT type of classes weekday EVENINGS at Cedar Hill for those of us 55+ who still work weekdays. Sadly, I don't use CHRC because of this.	8/7/2017 2:29 PM
8	Expansion northwards toward the McRae house would be acceptable as long as some of the land is kept natural or reforested.	8/7/2017 10:52 AM
9	Cedar Hill Open Art is a valued asset.	8/7/2017 8:50 AM
10	I would like to see a really good restaurant in the club house featuring local food. Maybe it could be a partnership with chef training programs. Some of the food could even be grown on site.	8/6/2017 11:11 AM
11	I occasionally take classes here, and facility is adequate for my needs.	8/6/2017 10:36 AM
12	Bigger ceramics studio!	8/5/2017 8:47 PM
13	Yes. I'm completely opposed to such improvements which will urbanize one of very very few remaining natural spots in the area	8/5/2017 6:26 PM
14	no comment	8/5/2017 9:48 AM
15	Great Rex centre. Keep it friendly and welcoming.	8/5/2017 8:49 AM
16	Try to maintain the natural feel of the park. No paved trails	8/5/2017 8:12 AM
17	not a problem as long as thee improvements do not significantly encroach on the walking trails.	8/4/2017 9:00 PM
18	no concerns.	8/4/2017 11:11 AM
19	A good start would be improving sidewalks in all neighbourhoods not just a park	8/4/2017 10:04 AM
20	I would be in favor of creating more room for art and rec programs, without disrupting the natural environment. maybe a second floor?	8/3/2017 8:20 PM
21	Don't build out, build up. Make bike and pedestrian access the focus not cars.	8/2/2017 11:50 AM
22	outdoor programs and climbing park for kids	8/2/2017 11:42 AM
23	Library; outside gazebo/education; tennis facility outside (open to public); mountain bike course; picnic tables; older kid playground; waterpark	8/2/2017 11:34 AM
24	Centre has lots of good art shows	8/2/2017 11:19 AM

25	No. -- though some indoor/outdoor art shows/demos would be great--maybe already exist. Cedar Hill Paint in?	8/2/2017 11:01 AM
26	Signage for the entry ways, as there are several but unmarked.	8/2/2017 10:53 AM
27	If additional space is needed, don't encroach on remaining green space, go up or elsewhere in community	8/2/2017 10:45 AM
28	It is good the way it is.	8/2/2017 9:48 AM
29	Pool	8/2/2017 9:19 AM
30	Better ped and bike access for sure. Current drive in from Cedar Hill Rd. is designed for cars-only.	7/31/2017 10:15 PM
31	improved program areas are key...if it's good, people will come	7/30/2017 11:35 AM
32	build a pool	7/29/2017 7:55 AM
33	Better cycling routes to commute through park in all directions.	7/29/2017 7:45 AM
34	Better access for cyclists to commute around and through the golf course.	7/29/2017 7:25 AM
35	Rec centre is great, too bad it doesn't have a pool. It seems like the green space immediately around the rec center could be better utilized - there's the baseball diamond but otherwise empty fields. It's not quite clear if those empty fields are okay to hang out on or if they're golf territory. A playground would be cool, and maybe a clear picnic / multi use field / clearing with trees.	7/29/2017 12:39 AM
36	The gym needs updating. The equipment is aging and not replaced when broken.	7/28/2017 3:08 PM
37	Expand the gym	7/28/2017 11:15 AM
38	I think the art gallery and pottery/art studios are great additions, as well as the covered bike parking. No comments here - I don't use the rec centre a lot. Like to exercise outdoors!	7/27/2017 8:39 AM
39	It meets all my needs. The younger members of my family would appreciate better bicycle connections to save them using busy Cedar Hill Road and steep uphill Doncaster St.	7/26/2017 6:03 PM
40	it needs a pool.	7/26/2017 4:56 PM
41	I'd like to see the rec centre expanded. Particularly for racquet sports and the arts and more spaces for the community to gather for social activity.	7/26/2017 4:52 PM
42	Not more buildings. No private buildings.	7/25/2017 10:30 PM
43	More programs for young adults	7/24/2017 11:49 PM
44	It is a very tricky spot to bike to with kids	7/22/2017 10:36 PM
45	...I would love to see a swimming pool on this complex	7/21/2017 1:57 PM
46	It's a busy Centre and could use more parking options	7/20/2017 2:08 PM
47	They have great hours, the club house at the course should be open like the rec center.	7/20/2017 11:12 AM
48	Better connections needed.	7/19/2017 1:22 PM
49	swimming pool, outdoor play ground	7/19/2017 11:28 AM
50	a safe bridge over cedar hill rd.	7/18/2017 11:21 AM
51	New buildings and urban development is not the answer. Design multi use, recreation site that integrates art and athletics ...	7/17/2017 7:17 AM
52	for me it is adequate	7/16/2017 3:25 PM
53	make the food and beverage more accessible to the golfers by opening earlfire.	7/16/2017 12:33 PM
54	Yes, build a second story community centre. And, as I've indicated before, improve the sidewalks and cycle lanes on Cedar Hill Road and Finlayson...not to mention Shelbourne. Get Shelbourne done!	7/15/2017 2:08 PM
55	No	7/15/2017 2:00 PM
56	The rec Centre should not extend beyond its current footprint. Instead, if more space is needed, rec staff should utilize other local centres that can provide the necessary space. Brings programs 'closer to home'.	7/15/2017 1:40 PM

57	There is a wide variety of programs available for all ages. A good facility,	7/14/2017 10:40 PM
58	I do not use the Centre	7/14/2017 2:43 AM
59	Not at this time	7/13/2017 5:44 PM
60	...depends on your budget...bigger gym...swimming complex	7/13/2017 4:59 PM
61	Build a swimming pool.	7/13/2017 3:38 PM
62	if needed, it could expand upward. Don't take away parking...it's tight as it is now.	7/11/2017 12:39 PM
63	Expand the facility if possible.	7/11/2017 3:58 AM
64	There should be a teen centre. The fitness centre could be enhanced and expanded. There could be a better food and beverage area.	7/10/2017 10:08 PM
65	There certainly could be a path on the north side of the building to connect the east parking lot to the trail.	7/10/2017 12:40 PM
66	More tennis courts - additional indoor plus outdoor (at least 3) Washroom facilities along trail	7/9/2017 8:21 PM
67	I have a general concern about developing the land around the rec centre. I am cautious about sacrificing the fields in favour of more buildings or parking lots.	7/7/2017 10:14 PM
68	I'm ok with improvements in pedestrian connections and program areas but not at the expense of eco-system restoration.	7/7/2017 6:03 PM
69	The large tennis court structure could be generating power with solar panels. Cedar Hill Rec Centre should strive to become a model of sustainability for the community.	7/7/2017 8:26 AM
70	None	7/6/2017 9:10 PM
71	I remain concerned about what seems to be an obsession with taking over the ball diamonds and filling up that space with buildings, tennis or something else. I already resent this question, designed to get public support for "improvements" you have yet to name, at the expense of that green space that many folks already enjoy, playing with their kids itr their dogs.	7/4/2017 4:53 PM
72	no	7/4/2017 4:18 PM
73	There are lots of young families in the area. Baby and toddler classes or drop in groups would be great.	7/2/2017 5:52 PM
74	Keep it clean. Keep it natural. No hard scaping. No multi-day events that damage land and generate garbage and noise. I believe single-day multi-cultural events would build community, help us to know our neighbors. For example a community potluck welcoming the Syrian families to Saanich. Embracing the diversity in our communities helps us to better understand the diversity in nature, manifest in the park itself.	7/2/2017 9:16 AM
75	Good idea. Keep the major public access near the rec centre	7/2/2017 7:36 AM
76	I think the rustic beauty of the park should be preserved.	7/1/2017 9:09 PM
77	CHRC is a great facility. Focus on getting more of us to walk or bike to the park instead of driving. Why not walk to the exercise room or tennis courts. Enhances ones fitness.	6/30/2017 10:41 PM
78	Desperate need of a swimming pool in this area.	6/29/2017 3:11 PM
79	Cedar Hill road can be risky to bike along en route to the park	6/29/2017 1:42 PM
80	Any chance of a pool or whirlpool? I think water would bring in a lot of people who go to Gordon Head.	6/29/2017 10:44 AM
81	Love the centre. Could always use improvement or expansion of programming.	6/28/2017 6:43 PM
82	More affordable or subsidized programs for those with low or no incomes. Add an outdoor workout loop. More First Nations classes, cultural activities or events.	6/28/2017 10:24 AM
83	Enhance senior programs at this location. (I.e. Work with senior homes to bring groups there for a walk at the park or other programs at the centre)	6/28/2017 7:22 AM
84	Please the park as natural as possible.	6/27/2017 5:19 PM
85	improve away!	6/26/2017 11:47 AM

86	I do mostly outdoor activities at this time so do not currently utilize the programs and services of the facility, but as I get older know that I will be looking at more of these.	6/25/2017 1:43 PM
87	its fine the way it is.	6/25/2017 6:23 AM
88	I think it would be very nice to have an outdoor pool at Cedar Hill Rec. Pool space is very limited here and with the only outdoor pool now closed (Ian Stewart), I think it would be a wonderful addition to Cedar Hill and Saanich	6/24/2017 2:15 PM
89	Making a paved loop around the building for those that would want to walk but can't access the whole cedar hill chip trail. Improving the back end of the Cedar hill rec centre - around near the baseball diamonds	6/23/2017 11:55 AM
90	Increase variety of programming. I've taken Pilates, pottery and painting classes. All great but would be nice to try some new classes too. TED type talks in the park would be fun. Create a gathering space for public with tables and shade. Large outdoor chess board would be awesome too. People would gather to watch. Check out the variety of Netherlands parks and public gathering spaces ??	6/23/2017 7:24 AM
91	There are very few toddler / preschool classes. Music together would be great.	6/22/2017 7:39 PM
92	It would be great to have more drop-in (or registered) evening athletic programs available. I'm happy with the current accessibility by options (sometimes arriving by walking, bike or car).	6/22/2017 2:35 PM
93	Lets provide a varsity of arts and recreation opportunities for all ages. I live that we have an arts centre - build on the arts for the community!	6/21/2017 9:42 PM
94	i think it is good currently	6/21/2017 10:44 AM
95	Yes, all for wider community facilities	6/21/2017 8:06 AM
96	Do it.	6/20/2017 8:42 PM
97	Agree, better pedestrian and cycling connections.	6/20/2017 7:15 PM
98	Great! Always try to keep improving the facility. Do not neglect ongoing maintenance!	6/20/2017 3:26 PM
99	I like the current size of this Rec Centre.	6/19/2017 4:05 PM
100	I hope further expansion of buildings can be avoided; if it cannot, keep new structures close to the existing centre; do not sacrifice any of the open spaces to building.	6/19/2017 1:36 PM
101	I would welcome expansion if it included a swimming pool, but otherwise keep it as is.	6/19/2017 12:20 PM
102	any development should be as "welcoming" and human scale as possible (big walls of existing gym seem to exclude human scale)	6/19/2017 10:46 AM
103	Improve selection and monitoring of instructors. Most course i have taken at other facilities have a standard survey handed out at end of courses. Confidential, professionally handed out with independent handing back to management, who then benefit from the process. At Cedar Hill, having now taken 6? or so courses, only once was a comment sheet handed out, but the teacher who stood over me while i filled it out, then said it was to be given back to her. I suspect management never saw my less than favourable comments. she was unprofessional throughout the course - and enabled apparently to continue.	6/19/2017 10:40 AM
104	The area behind the recreation centre is underused - best uses need to be determined and make it into a quality area - better field or other quality facility - clay courts, soccer field, other uses	6/19/2017 8:17 AM
105	I'm a strong supporter of the Rec Centres, but their needs have to be balanced with the park's, and I'd tend to be more protective of the park.	6/19/2017 7:43 AM
106	more tennis courts are needed	6/18/2017 10:27 AM
107	better bike paths and side walks up Cedar Hill. North-South Bike path connection through/around the golf course	6/18/2017 8:36 AM
108	The baseball field doesn't seem to get much use as a baseball field. Its a large area that could be used for other activities.	6/18/2017 12:11 AM
109	Great Recreation Facility: squash, tennis, workout room, and arts and crafts.	6/17/2017 9:32 PM
110	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
111	I would support bigger/ wider paths as long as the greenspace is preserved	6/17/2017 7:26 PM

112	add some outdoor sand volleyball courts and outdoor badminton courts	6/17/2017 1:45 PM
113	Programming more towards a community centre (rather than strictly a rec centre) would be most welcome. E.g. Baby groups, drop in play groups, space for the community to use, community scale events (such as what the city of Victoria community centres offer).	6/17/2017 1:32 PM
114	Maybe institute play parking for the centre, to be offset lower, of less rapidly raising, costs for programmes and facility use.	6/17/2017 11:02 AM
115	I don't use the rec center facilities	6/17/2017 8:14 AM
116	It would be easy to get disoriented in the park...I would love to see some signage for entrance and exit points.	6/17/2017 7:55 AM
117	Don't separate the seniors area from the rest of the rec centre.	6/16/2017 6:01 PM
118	Playground; public square for community events	6/16/2017 4:46 PM
119	No	6/16/2017 10:26 AM
120	I really like the facility and the programs. Could add more cultural and skills programming (not only recreational-physical).	6/16/2017 9:01 AM
121	better access from Ocean View Rd, as mentioned above. Bring back the restaurant	6/16/2017 8:37 AM
122	I would support better connections and improved program areas so long as they would not increase bike/pedestrian traffic significantly and result in overuse.	6/16/2017 8:29 AM
123	Please see my earlier supportive comments about better pedestrian and cycling connections. I would strongly encourage some measured improvements to racquet sport facilities. In the contentious and bitter disputes over the clay court proposal, what became lost was the idea of Cedar Hill being a regional hub for racquet sports. There is no good and accessible facility of this kind anywhere in the region (except perhaps now Bear Mountain, a private facility for tennis), and the existing facilities are heavily tapped. Could there be a way of creating better facilities that build on strength without polarizing the community? I was really torn: as someone who cares deeply about the ecosystems, I was also keen on seeing improved amenities at the Rec Centre. And, I'm reminded daily that racquet sport facilities take up a tiny fraction of the land that is presently given over to golf.	6/16/2017 7:54 AM
124	A proper pathway all around the center.	6/16/2017 6:02 AM
125	I'd love to see more fitness classes here that cater to a younger group. Boot camp or family boot camp perhaps.	6/15/2017 10:58 PM
126	Upgrade and enlarge the weight room.	6/15/2017 7:17 PM
127	No	6/15/2017 7:14 PM
128	The front desk staff is known throughout the city for its kindness, friendliness and efficiency. The [REDACTED] there go the extra mile, often. Recently, new staff have been hired on; they do NOT exhibit the same great service. They need to change attitudes. The new staff [REDACTED] are not kind, and don't extend in the ways we have so very much appreciated.	6/15/2017 7:00 PM
129	Seems pretty good to me!	6/15/2017 1:55 PM
130	Drop in child minding would be wonderful for joggers, golfers, and baseball players.	6/15/2017 12:41 PM
131	Pickle Ball courts.	6/15/2017 12:40 PM
132	Love the drop- in Strength and Stretch. Would love another day added. Lovely Gallery and Art classes	6/15/2017 11:42 AM
133	No further expansion within Cedar Hill Park.	6/15/2017 10:59 AM
134	Keep these services in that corner of the park so the rest can be modified for natural improvements. Put more trees around it so from the rest of the park you don't see the facility.	6/15/2017 8:53 AM
135	Do not enlarge the footprint	6/15/2017 8:38 AM
136	No	6/15/2017 8:12 AM
137	I love the mix of athletics and arts. Keep up the good work on that front.	6/15/2017 7:11 AM
138	The connection with the loop trail is awkward at best - could be improved significantly.	6/14/2017 9:31 PM

139	seems ok as it is now	6/14/2017 9:02 PM
140	The gym seems quite crowded at times and will likely need to be expanded as demands increase	6/14/2017 2:57 PM
141	I believe Rec Centres should be community hubs and if the community agrees on new program areas or pedestrian connections that do not impact the natural environment adversely, I would be in favour.	6/14/2017 2:46 PM
142	no	6/14/2017 1:56 PM
143	I teach art here and am delighted with the facility as it currently stands. It is the top art-teaching facility in metro Victoria. I don't see any problems with pedestrian connections.	6/14/2017 1:39 PM
144	don't expand parking; improve bus access	6/14/2017 10:01 AM
145	A small pool would be nice, but I'm daydreaming. It's a long way on a mobility scooter to Gordon Head.	6/14/2017 12:39 AM
146	I have to show up twice a year to try and get a block booking for tennis. Seems like we have less and less availability for people wanting to play tennis in the winter time. Not happy about that.	6/13/2017 5:10 PM
147	I use CHRC a great deal - playing tennis and maybe dropping in for pickleball and this centre is used a lot. It is wonderful to see so many people coming out to the programs. No sure how it could be improved - only with the parking	6/13/2017 4:27 PM
148	More indoor tennis courts - with the lessons, it is often very hard to get a court	6/13/2017 3:43 PM
149	more seniors fitness programs - need more in the neighbourhood	6/13/2017 3:12 PM
150	More tennis courts are needed	6/13/2017 3:06 PM
151	More tennis courts are needed	6/13/2017 12:48 PM
152	I use the gym regularly. The physio people don't have a designated space and utilize the main gym's stretching area which takes away from the public users. In general, the gym is too small for the number and type of users. It's difficult to find any time of day when it's not busy. Signs are desperately needed re. NOT TEXTING (or reading!) ON EQUIPMENT! This is a chronic problem (especially in the evenings) that no one in charge seems to care about. The gym is for working out in.	6/13/2017 8:46 AM
153	As long as they don't affect the nature in the park!!	6/12/2017 10:41 PM
154	size of facility areas should be related to amount of usage by general public - tennis area is very large in relation to number of participants	6/12/2017 4:36 PM
155	Seems fine as is	6/12/2017 4:26 PM
156	None that I can think of.	6/12/2017 4:05 PM
157	It is a fabulous place. Just add more and better services for outdoor eating and drinking here and up at the clubhouse.	6/12/2017 2:13 PM
158	Yes, the signage for the trail is non-existent. It is like the CHRC doesn't want to advertise that there is such a trail right outside its doors. There is no path/access from the parking lot (along side the gym portion) to direct/invite people to the trail.	6/12/2017 1:28 PM
159	no	6/12/2017 11:02 AM
160	As above, expanded recreation and tennis facilities.	6/11/2017 10:05 PM
161	I go there every week - I find the weight room very overcrowded - the special physio programs should have their own space. The roadways could have bike lanes to help anyone who would like to bike.	6/11/2017 8:58 PM
162	I would love to see a community pool, teen center and skate park. Maybe consider a lacrosse box. I would love to use cedarhill rec the way I use gordon head but I could walk or ride there. Could be primarily swimming lessons, lengths and waterfit with weekend family shared use. Would like to see pro d day kids programs/ summer camps. eg swim and gym or eco education for kids.	6/11/2017 8:17 PM

163	A pool instead of baseball diamonds would be a significant improvement to the facility. With pools at Oak Bay Rec, Gordon Head Rec, and Crystal, there is a huge "hole" of population in the middle of this triangle: Oaklands and Saanich south that are equidistant to all pool facilities and therefore disadvantaged. A pool and all of it's related public safety and team sport aspects would employ many people and serve a segment of inter-municipality border population that seems to be caught in the middle of the artificiality of map lines.	6/11/2017 3:45 PM
164	Any such planning needs to be undertaken in context of a vision for Saanich Parks services including all providers and all locations. If Parks only focus on a CHP solution it will less optimal and the source of conflict. If/when expansion is clearly justified, build up... not out.	6/11/2017 1:44 PM
165	Build a swimming pool for the neighbourhood	6/11/2017 11:04 AM
166	I think the facility is lovely. Parking seems adequate when I am there.	6/11/2017 8:48 AM
167	Please expand the tennis facility. Seniors are having trouble accessing courts and programs and this sport is wonderful as one ages. Also there are social benefits.	6/11/2017 8:09 AM
168	Bigger gym and more gym equipment.	6/10/2017 5:19 PM
169	Possibly more benches around the different sides of the building - like the sunny west side. The view from the top of the hill by the historic house (the volunteer centre) is splendid and would be a fine place for seats for folks with limited mobility to take the air.	6/10/2017 2:41 PM
170	Gymnasium needs to be expanded - too crowded these days.	6/10/2017 12:15 PM
171	Support improvements to programs and facility	6/10/2017 7:37 AM
172	I think it does a very good job but need to encourage more people to walk or cycle there instead of paving ever larger car parks	6/9/2017 8:17 PM
173	my comment is more about age driven accessibility. Currently, there is only one class my child could take there and it is only 45 min long, because she is under 3. i would like there to be more classes and activities for kids 0-2, like an ECE led playgroup, kindergym, music or other early development classes.	6/9/2017 8:15 PM
174	Outdoor fitness stations as part of a circuit.	6/9/2017 7:56 PM
175	Build UP not OUT. Part of Cedar Hill Rec is its low-key versatility. It is welcoming because of the coffee bar, and the socializing. Adding more may, ironically, take away what already works well.	6/9/2017 5:22 PM
176	As well as an east-west connector for cycling, there should be some sort of north-south connector as well. This should be SEPARATE from the walking trail.	6/9/2017 4:22 PM
177	More indoor tennis courts, another gym and a bigger weight room.	6/9/2017 1:55 PM
178	The Rec Centre should be expanded - it's already hitting capacity in some areas. Increased population growth in the region will see increased traffic to the Centre, and being highly accessible via transit and bike should make it a priority - we should be working to keep people out of cars.	6/9/2017 12:41 PM
179	keep it small maintain the community social atmosphere let the private sector take up the slack in providing recreational services.	6/9/2017 11:31 AM
180	No	6/9/2017 10:59 AM
181	Consider adding creek and wetland educational art programming.	6/9/2017 10:49 AM
182	The rec centre is busy and there is not much available space. With the growing older adult population and additional need for wellness and prevention, Cedar Hill needs more space to meet the demand. For example, dedicated rehabilitation space, larger weight room with adapted equipment. Also, more community meeting space and open areas for people to gather and socialize.	6/9/2017 10:25 AM
183	fitness studio, weight room expansion , health services, more meeting space	6/9/2017 10:07 AM
184	See above	6/9/2017 3:21 AM
185	no expansion of current buildings, or additions of new buildings. While the park is large, it is not that large to be able to afford further land loss to accommodate more recreational buildings. As a society we spend enough time indoors. Presence in the outdoors needs to be encouraged more.	6/9/2017 2:57 AM
186	No comments here. I like everything as it is.	6/8/2017 11:23 PM
187	It would be nice to have a pool included with the facility.	6/8/2017 9:57 PM

188	Ensure the park is not impacted by any work the recreational centre needs done.	6/8/2017 9:44 PM
189	Does not seem to have many activities for kids or young adults. This could be improved as there are many in the area. Perhaps more outreach to encourage youth leadership, and innovative ways to engages youth (skateboard park?).	6/8/2017 7:59 PM
190	Improve pedestrian access across parking lot	6/8/2017 6:42 PM
191	Design more program activities which integrate the CHP with the Rec Centre and with the Golf Course---leave badminton to Cadboro Bay club--make PARK & ART the niche for this Recreation Centre.. Be a leader in moving MOVES to the out of doors. Forget bricks and mortar. No more bricks & mortar unless it is a second or third story upwards or on a Parking Lot currently in place.	6/8/2017 5:54 PM
192	Do not expand except, if needed.... expand up	6/8/2017 3:23 PM
193	An outdoor play area for older children is needed. Also, consider allowing increased access to the current play structure (the rec centre is a public space and should have improved public access to facilities).	6/8/2017 1:26 PM

## Q18 Cedar Hill Park contains beautiful natural areas, which volunteers work hard at restoring. What else could be done to improve the conservation and restoration of the Garry Oak Ecosystems and Natural areas in the park?

Answered: 177 Skipped: 428

#	RESPONSES	DATE
1	The volunteers are doing an AMAZING JOB!!! More volunteers!	9/6/2017 10:19 AM
2	Information sign for the Friends of the Park? Most people would be likely unaware of their work -- some might consider joining in.	8/21/2017 4:01 PM
3	Less Golf, more Garry Oak areas	8/21/2017 3:55 PM
4	The whole issue of a public park in an urbanized area needs to be discussed as it relates to Environmentally Sensitive Areas.	8/21/2017 3:45 PM
5	Perhaps more trees could be planted (but workers need the time to care for them). One just can't add things without the capability to look after new plantings, etc.	8/9/2017 3:07 PM
6	Are there federal government infrastructure programs or Federation of Canadian Municipalities funding programs that would support some of these initiatives?	8/7/2017 10:52 AM
7	Much is already being done. I appreciate the care that the community has for the natural areas.	8/6/2017 3:15 PM
8	Put some resources into park restoration in addition to the volunteer work. Use salvaged plants from development sites to restore native plants to areas from which invasives have been removed. Stop using chemicals to maintain the golfing areas. Provide more educational signs about the natural areas.	8/6/2017 11:11 AM
9	Love the restoration work being done. Looking forward to seeing the waterways, and less blackberry canes. Some golf courses have installed birdhouses, and have fenced off areas to preserve the habitat....more informational signage would help ensure that everyone complied with this.	8/6/2017 10:36 AM
10	i'd love to help with the restoration projects but they are typically scheduled for Monday mornings - making it impossible for those of us who work to participate.	8/5/2017 6:26 PM
11	Continue what is being done now.	8/5/2017 9:48 AM
12	They are doing a great job! Keep working on the broom and blackberries.	8/5/2017 8:49 AM
13	Not sure!	8/4/2017 11:11 AM
14	Start by getting rid of the EDPA and have a program dedicated to Saanich parks. Get politicians and government worker weasels out of our private properties	8/4/2017 10:04 AM
15	public education tours, school tours	8/3/2017 9:44 AM
16	Much more needs to be devoted to garry oak natural ecosystem areas in the park.	8/2/2017 12:04 PM
17	Plant more indigenous plants and trees	8/2/2017 11:50 AM
18	Educational signs explaining to public what work is going on.	8/2/2017 11:19 AM
19	Keep housing away	8/2/2017 11:12 AM
20	Volunteer opportunities on the weekend.	8/2/2017 11:01 AM
21	As long as the areas are kept that would be important	8/2/2017 10:53 AM
22	Pulling Together team needs help with holly removal	8/2/2017 10:45 AM
23	Develop a system to kill stumps of unwanted trees--contact Director of Canadian forest Service. They have developed a biological control system for some species of unwanted species of trees to be applied immediately after cutting down.	8/2/2017 10:37 AM

24	More manpower/\$ to keep invasive species out	8/2/2017 9:48 AM
25	Dedicate resources to help get rid of invasives in the park and plant more natives.	8/2/2017 9:40 AM
26	Nature house would support this through education	8/2/2017 9:19 AM
27	Build garry oak meadow in hill lose to house	8/2/2017 9:07 AM
28	More volunteers, and natural local plantings.	7/31/2017 10:15 PM
29	Aerate King's Pond. Fix erosion at front of King's Pond.	7/29/2017 7:45 AM
30	King's pond could use an aeration system to help clean the water.	7/29/2017 7:25 AM
31	The Blackberry bushes are obviously invasive but tasty. It must be difficult to keep them in check. Planting more native plants would be nice.	7/29/2017 12:39 AM
32	I have mixed feelings about the restoration work being done by volunteers. I think the Garry Oak trees were doing fine the past 14 years, without pulling out a lot of greenery and making areas so bare. I am also wondering if native plants are planted in their place, how they will get growing without the deer browsing them to death, and if they are not watered, not surviving. Then all will have been wasted. I have seem other baby trees planted in the park and other areas that did not grow. I think the Garry Oak areas are fine as is, like the Garry Oaks on Mt. Tolmie - the other plants do not seem to be threatening them. We have so many other introduced species in the area, why are we trying to make this "natural" now??	7/27/2017 8:39 AM
33	Restoration program for elementary kids and seniors	7/27/2017 7:54 AM
34	See above. You MUST NOT allow any more houses to be built in the buffer area beside the chip trail on the west side of the park. Even if you don't allow garry oaks to be cut down, the undergrowth and nearby growth is badly affected.	7/26/2017 6:03 PM
35	Keep houses far away.	7/26/2017 4:56 PM
36	Remove Golf course	7/23/2017 4:16 PM
37	...the volunteers do a great job...some professional help??	7/21/2017 1:57 PM
38	Enough is already being done.	7/20/2017 2:08 PM
39	Volunteers need more help.They do a wonderful job both summer and winter	7/20/2017 11:48 AM
40	I think you do a good job now	7/20/2017 11:12 AM
41	It is quite obvious the volunteers need more help.	7/19/2017 9:17 PM
42	remove the golf course.	7/19/2017 11:28 AM
43	more space away from golf. involve community to restore forest in many areas	7/18/2017 11:21 AM
44	Reduce the amount of land used for golf and expand the Garry Oak ecosystems.	7/17/2017 4:18 PM
45	prevent the deer destructive activity	7/16/2017 3:25 PM
46	More of the same	7/15/2017 6:45 PM
47	More of the same	7/15/2017 3:50 PM
48	Educate the public about the areas. Hold nature walks monthly. Hold bird walks. Have a youth program (young ecologists) volunteer in the park.	7/15/2017 2:08 PM
49	Not sure	7/15/2017 2:00 PM
50	Parks staff to assist the volunteer restoration on a more regular basis? I am not sure how much time Parks staff currently put into maintenance and restoration of the natural areas (i.e. not golf course)	7/15/2017 1:40 PM
51	They are doing a great job removing invasive species.	7/15/2017 7:46 AM
52	Cannot think of any	7/14/2017 10:40 PM
53	Chip trail is brilliant. The natural areas are delightful and 'natural'.	7/14/2017 2:43 AM
54	better management of the blackberries.	7/13/2017 9:37 PM
55	Good job with broom and blackberry removal. Could we make the golf course AUDUBON certified?	7/13/2017 9:25 PM

56	Garry Oaks while stately beings are naturally a hazardous type of tree. Care should be taken to husband these trees in a manner that will provide safety as they age or become damaged	7/13/2017 5:44 PM
57	...the volunteers are doing an excellent job...hire a couple of "groundsmen" to coordinate	7/13/2017 4:59 PM
58	Keeping invasive plants away	7/13/2017 1:48 PM
59	Shouldn't depend solely on volunteers...Saanich needs to maintain it as well.	7/11/2017 12:39 PM
60	I think park staff could be used to work in the natural areas. At present the golf course staff have little time to devote to this.	7/10/2017 12:40 PM
61	Control ivy, conduct tree inventory, replant where feasible. consider broadcast application of herbicides to control ivy. reliance on had tending with volunteers may be good for community relations but is not effective in the big picture. I speak form experience.	7/6/2017 9:10 PM
62	I see them working every day and I'm sure they knowledgable and committed.	7/4/2017 4:53 PM
63	Not sure	7/4/2017 4:18 PM
64	Educate people. I have always wanted to volunteer but I work when the clean up times are typically scheduled. Expand volunteer hours and opportunities. I know this usually causes more work for the steady volunteers. I'll have to educate myself more about this.	7/2/2017 9:16 AM
65	Restoration takes time. Keep up the good work.	7/2/2017 7:36 AM
66	The biggest challenge is the English Ivy - it chokes out anything else from coming up and is too hard to remove by hand. I fear will have to use some kind of short term herbicides as with the Ivy, it is unlikely that new plantings will be able to take hold. I'd like to see a goal of at least 5,000 new trees planted in the next 10 years. I'd even welcome more flowering trees and shrubs on the golf course. There is no reason we could not have CHGC looking a lot more like Augusta with dogwoods and rhodos and azaleas alongside tees and behind greens with more tall trees like Garry Oaks and Grand and Doug Firs lining the fairways. It would make a fairly plain course into a real place of beauty and draw rave reviews.	6/30/2017 10:41 PM
67	Education for visiting walkers.	6/29/2017 3:11 PM
68	Community involvement and education on invasive species	6/29/2017 1:42 PM
69	Probably more money and support from Saanich Parks. Volunteers are great but do have some limitations.	6/28/2017 6:43 PM
70	Expand meadow and oak woodland restoration to reclaim parts of golf course; restore meadow below McRae house.	6/28/2017 4:27 PM
71	Plant more flowering trees and fruit trees, Add rain gardens to improve drainage. Cultivate and maintain First Nations plants/medicines with interpretive signage.	6/28/2017 10:24 AM
72	Collaborate more with schools (all levels) to get students involved in conservation and restoration.	6/28/2017 7:22 AM
73	Encourage Gary Oak meadows to spread. Plantings.	6/27/2017 5:19 PM
74	not sure	6/26/2017 11:47 AM
75	More work on elimination of invasive species.	6/24/2017 2:19 PM
76	Signage and educational tours for tourists and students	6/23/2017 10:31 AM
77	Get schools involved. Kids could plant more Gary oaks and native plants. More signs to educate. The big one by McRae house is great but more along the way would point out what plants are as you see them.	6/23/2017 7:24 AM
78	Native plantings and invasive species removal; prohibition of dogs in certain areas; addition of bird boxes	6/22/2017 7:39 PM
79	Check out what Playfair Park has been doing nearby; their restoration efforts are truly amazing.	6/22/2017 2:35 PM
80	Replace parts of the gold course with natural areas.	6/21/2017 9:42 PM
81	Pull the blackberries; and broom on the hill (5th hole I think)	6/21/2017 8:23 PM
82	Local First Nations people spearheading controlled burns, caretaking, teaching others	6/21/2017 8:14 PM
83	Keep deer herds under control	6/21/2017 11:28 AM
84	i think they do a great job at the moment	6/21/2017 10:44 AM

85	reintroduce indigenous wild flowers	6/21/2017 8:06 AM
86	Support the volunteers	6/20/2017 8:42 PM
87	Limit scope of development around park (houses, townhouses). Identify areas within golf course that are not being utilized and see if they can be restored to natural state and made accessible to walkers.	6/20/2017 3:26 PM
88	specialists/ arborists could perhaps be involved more than now; they could direct paid and volunteer workers (and I suggest employment of more workers, if necessary to get on with this project)	6/19/2017 1:36 PM
89	Not sure	6/19/2017 12:20 PM
90	management practices reflect ethic to conserve existing remnant populations (I've seen chips bury native wildflowers and mowing, expanding of chip trail on those populations) before further enhancements are considered	6/19/2017 10:46 AM
91	Plant more young oak trees all over the golf course, or there will eventually be none - removing invasive grass species- removing invasive native shrub species - create Garry oak meadow on slope above the recreation centre - work with First Nations to create a demonstration camas and other species harvesting site. Saanich needs to put significant funding into restoration here and in other parks with former Garry oak ecosystems.	6/19/2017 8:17 AM
92	That's for an expert to answer, and their advice should be heeded.	6/19/2017 7:43 AM
93	More benches	6/18/2017 3:43 PM
94	daylight bowker creek and restore the habitat around the creek. Keep some of the natural environment for kids to explore, and some for conservation.	6/18/2017 8:36 AM
95	The volunteers do an amazing job. I understand the creek required a lot of work to keep it clear but I don't know what could be done to assist in this.	6/18/2017 12:11 AM
96	Well done volunteers!	6/17/2017 9:32 PM
97	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
98	Keep up the great work!	6/17/2017 8:30 PM
99	Provide funding! Develop a site conservation and ecological integrity plan. Identify areas of the park with natural values and work to restore them. Convert some of the golf course to native ecosystem. Identify potential recovery habitat for rare species and opportunities to (re)introduce rare species.	6/17/2017 1:32 PM
100	Looking for and coming up with new ideas. I am not an expert in the field, so I cannot comment with accuracy.	6/17/2017 11:02 AM
101	it seems that we need a whole park plan for what we remove, some areas now are regrowing invasive species, are we planting any natural species?	6/17/2017 9:45 AM
102	Natural plantings	6/17/2017 8:14 AM
103	I love the bablackberry bushes and really think we should maintain them as a food source for birds and humans.	6/17/2017 7:55 AM
104	No idea	6/16/2017 4:46 PM
105	Spear grass removal	6/16/2017 10:26 AM
106	Really good work being done with the blackberries, I notice and appreciate every time!! Can we bring back some Camas and other native wildflowers?	6/16/2017 9:01 AM
107	Get rid of the blackberries	6/16/2017 8:37 AM
108	Related to the above, I would be very cautious about making changes that might result in overuse of the park and damage to sensitive environmental areas.	6/16/2017 8:29 AM
109	Connectivity. There are presently isolated Garry oak ecosystem patches that could be connected ecologically through clever design and restoration. I recommend undertaking historical and ecological mapping of communities, and then creating a design that emphasizes connectivity.	6/16/2017 7:54 AM
110	Get rid of the golf course.	6/15/2017 7:17 PM

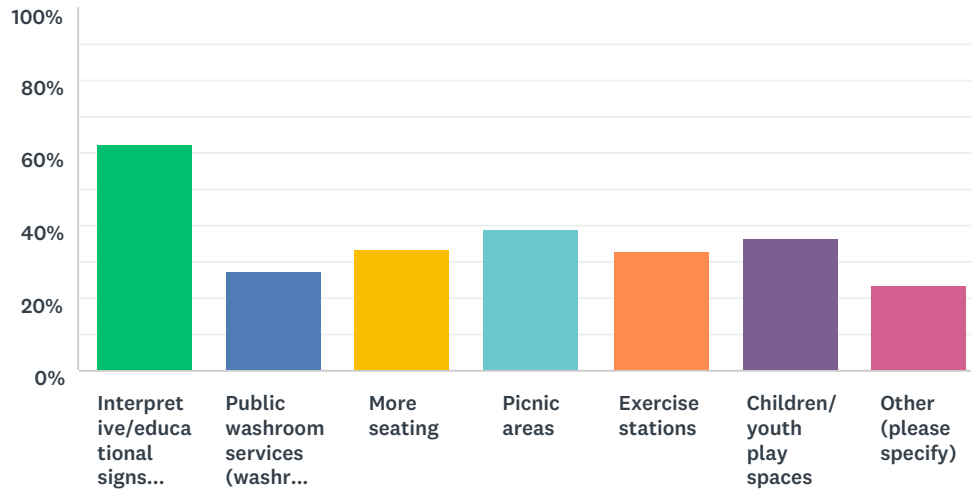

111	Continue supporting the volunteers and provide assistance in keeping a natural balance between golf course and natural areas (ex. fertilizers and their effect on Bowker Creek )	6/15/2017 7:14 PM
112	we should ensure wetlands and quiet spaces for migratory birds as well as other wildlife, plus some flowering shrubs etc for our native hummingbirds	6/15/2017 3:30 PM
113	get rid of the golf course	6/15/2017 3:00 PM
114	educational signage	6/15/2017 2:38 PM
115	While the volunteers do commendable work, it is unclear if there is a restoration strategy in place for eradicating invasive species (such as blackberry & ivy) and allowing native species to return & flourish? It is disheartening to see how quickly & robustly the blackberries in particular return after being cut back.	6/15/2017 1:55 PM
116	Keep up the good work	6/15/2017 1:08 PM
117	Replace the over grown grass near Epson/Queensbury with something native.	6/15/2017 12:40 PM
118	Require set-back and height restriction on the new mega houses that are going up.	6/15/2017 11:42 AM
119	Parks Department to continue to support efforts of Pulling Together, Friends of Cedar Hill Park and Bowker Creek Restoration Project and Plan.	6/15/2017 10:59 AM
120	Hire students in the summer to speed up the restoration process	6/15/2017 10:29 AM
121	Improve pods of tree types so that garry oak, fir, cedar and shrub areas are not mixed to enable their long term sustainability. Do not need to be really large but more pods for natural growth and greenery.	6/15/2017 8:53 AM
122	Make sure no chemicals are used on the golf course	6/15/2017 8:38 AM
123	The volunteers are doing a wonderful job!	6/15/2017 8:12 AM
124	Love that these areas are being restored and conserved - keep up the good work.	6/15/2017 8:02 AM
125	Continue to remove the invasive species.	6/15/2017 7:11 AM
126	Too much emphasis is being placed on "Natural" areas. Instead of focusing on "Natural" areas, just beautify the entire park with all manner of plantings.	6/15/2017 6:18 AM
127	They do an excellent job	6/15/2017 6:15 AM
128	The extent of the ivy and blackberry brambles is rather depressing.	6/14/2017 9:31 PM
129	as said previously, help retain and multiply the various native flowers and flowering plants, in appropriate areas, as in Playfiri park	6/14/2017 9:02 PM
130	I appreciate the hard work of the volunteers	6/14/2017 4:41 PM
131	More tree planting at the south end, North Dairy hill	6/14/2017 2:57 PM
132	I am not sure. Perhaps more visits from experts in Botany and Ethnobotany would be useful to volunteers? Perhaps Saanich could provide more labour for this work?	6/14/2017 2:46 PM
133	Expand the park	6/14/2017 1:43 PM
134	The fact that volunteers HAVE to maintain the natural areas should be a big embarrassment for Saanich Parks & Rec. And I imagine it is a big relief for them too. Parks & Rec should pony up more resources to support and/or take over this important work! The current operating plan, where Cedar Hill Park is self-funding is unique to all other parks and has led to this lack of support!	6/14/2017 1:39 PM
135	do not widen the trails and apply the chips with more care so they do not constantly spill over into the wildflower areas; better protect the camas when it is sprouting in the early spring; it's always getting trampled on by people and dogs and bicycles	6/14/2017 10:01 AM
136	More natural flowers.	6/14/2017 12:39 AM
137	Don't build cycling trails.	6/13/2017 5:10 PM
138	Areas that have been cleared have given magnificent camas displays. But I am seeing rapid return of ivy and blackberries in those areas that have been cleared. Better ads to getting more volunteers - can clearing the undergrowth be a " course" managed by the rec centre?	6/13/2017 3:09 PM
139	Open volunteer days for invasive removal or restoration of meadows cf. Fort Rodd Hill	6/13/2017 1:39 PM

140	Not my area of expertise but do feel a bit threatened at times regarding the dead branches that over-hang the walking trail.	6/13/2017 8:46 AM
141	Increased signage identifying the uniqueness of GOEs and their cultural significance.	6/13/2017 7:14 AM
142	Getting more volunteers in the park, especially youth volunteers. Collaborating more with the Greater Victoria Green Team!!	6/12/2017 10:41 PM
143	None that I can think of.	6/12/2017 4:05 PM
144	Parks could hire staff to do this also!!! And educate people. Maybe local schools could oversee/maintain a certain 'plot' and businesses such as garden centres could become more involved in being partners. The current volunteers work very faithfully in restoring the park but it is a huge park area to keep ahead of the invasives.	6/12/2017 1:28 PM
145	Cedar Hill is an "active" park, and environmental areas should enhance, not override, this fundamental use	6/11/2017 10:05 PM
146	Nature walks and talks	6/11/2017 8:58 PM
147	Dogs on leash and continue invasive species removal.	6/11/2017 8:17 PM
148	The reduction of the golf course to nine holes in favour of returning the upper course portion to it's natural habitat would rival popularity with Summit Park (Victoria), Beaver lake, Swan Lake and other large parkland areas.	6/11/2017 3:45 PM
149	I'm a volunteer... we need clearer Parks policy, more coordination, collaboration, better planning and a better balance of funding with Rec. priorities. Natural areas have been neglected for 20 plus years and berms created by golf course construction never properly restored. Invasive willow trees, dumping, blackberry, holly, broom, etc. Process is being made but need more focus.	6/11/2017 1:44 PM
150	I don't see this as a huge priority for change. It's fine the way it is.	6/11/2017 8:09 AM
151	Could the various schools get involved in the restoration and conservation activities?	6/10/2017 2:41 PM
152	Need less golf, more trees.	6/10/2017 12:15 PM
153	I have volunteered for this. It's hard physical labour. It's unfair to expect volunteer senior citizens to undertake this work. Why isn't this work covered by the city. ?	6/10/2017 9:09 AM
154	Attract more birds	6/10/2017 8:42 AM
155	Redesign the golf course to facilitate more wildlife. Like put wildlife areas where golfers wont be trying to hit into as much as possible. Or simply reduce the golf course area but i know thats likely not happening. Education on the wildlife like swanlake christmas hill sanctuary or saltspring nature reserve	6/9/2017 10:04 PM
156	Well I believe ecosystem restoration is important, I also believe family connections and teaching kids about food is important and in that sense I would hope that you find a balance between removing all the blackberry bushes around the golf course and leaving some for families to enjoy and kids to learn about. I have seen many families & kids excited about picking these berries and believe it's an important to keep this as part of our park.	6/9/2017 8:47 PM
157	PLanting more trees in place of the golf course	6/9/2017 8:17 PM
158	Educational signage and awareness activities - guided birdwatching etc.	6/9/2017 7:56 PM
159	More volunteers dealing with invasive species and getting the help of Saanich Parks to haul the plant matter away.	6/9/2017 7:51 PM
160	This is so true. Please put your money here.	6/9/2017 5:22 PM
161	Continue to remove the invasive species.	6/9/2017 4:22 PM
162	sorry, no ideas about this question.	6/9/2017 1:55 PM
163	Perhaps a greenhouse to grow native plants and trees needed to further build out the restored areas, in order to reduce purchasing costs for the city. The Rec Centre could offer programs where local citizens and schoolkids could help work in the greenhouse, creating a greater sense of involvement with the park.	6/9/2017 12:41 PM
164	more invasive species removal, if Saanich wants residents to maintain natural eco systems they have to lead by example	6/9/2017 11:31 AM

165	Little natural pockets where people can sit comfortably and enjoy the environment ... on benches that do not slant back or curve	6/9/2017 8:46 AM
166	Host a native plant planting day in one of the restored areas to get people aware of the wide variety of plants that this type of ecosystem supports, as a learning tool to understand that native plants are not secondary in gardens. Also, encourage neighbours to understand which invasive species in their own gardens can cause serious problems when they encroach in the natural areas.	6/9/2017 7:45 AM
167	Allocate budget to support the volunteer work with staff and equipment. The budget appears to be disproportionately assigned to support golf, yet the natural areas are more important.	6/9/2017 3:21 AM
168	Saanich Parks needs to hire people to keep up with the task of full time maintenance required within the park. Relying solely on volunteers is not only inadequate, it is also unacceptable. The work in restoration is urgent; it is real work, hard work and as such, it needs to be compensated with wages! Less people in Saanich offices in front of computers and more boots on the ground doing actual physical work. The amount of work allotted for the maintenance of grass on the golf course for golfers would be better redirected toward the restoration and maintenance of the park's overall health.	6/9/2017 2:57 AM
169	Nothing that I can see. Staff and volunteers are doing a fantastic job.	6/8/2017 11:23 PM
170	Ensure Garry oaks aren't impacted. Trim any dead branches off of Garry oaks so they don't fall on people. One time I was walking through the park and it was windy and a huge branch fall down right in front of me.	6/8/2017 9:44 PM
171	Provide guided naturalist walks .... partner with local environmental groups to know how this site connects to other regionally important sites, offer Intro birding /naturalist courses to better engage community ...	6/8/2017 7:59 PM
172	remove the golf course	6/8/2017 7:02 PM
173	Remove all blackberry. Convert golf areas to native plant/ Garry oak meadows	6/8/2017 6:42 PM
174	What could be done? Create a clear/transparent budget for CHP and no doubt other parks,too. As long as the restorations services are mostly FREE to SAANICH , and maintenance and repair and vegetating of the Park is off the side of the desk of a manager of Recreation, the Park will never be a priority for funding nor fulfill anyone's hope for a restored Garry Oak Ecosystem vision. This question has no place here; it's just wishful thinking. You folks at Saanich Parks are learning these days the many things that have to happen to conserve and restore CHP. I hope you know/have/hire a great "grant writer" who knows how to get big money for CHP. Once I see you vegetate "Persimmon Pond" and repair the railings at Kings Pond, I'll believe CHP has hope of a future in your eyes.	6/8/2017 5:54 PM
175	Education, preservation, watershed health	6/8/2017 3:23 PM
176	attract more volunteers or paid workers to restore it	6/8/2017 2:58 PM
177	Consider limiting or preventing access to some of the natural areas to prevent erosion and destruction of native vegetation. More educational signage would help.	6/8/2017 1:26 PM

# Q19 Are there additional features around the perimeter trail you'd like to see? (check all that apply)

Answered: 396 Skipped: 209

ANSWER CHOICES	RESPONSES
Interpretive/educational signs (environmental, historical, cultural and First Nations)	62.37% 247
Public washroom services (washrooms are located in both the Recreation Centre and the Golf Club House)	27.27% 108
More seating	33.33% 132
Picnic areas	39.14% 155
Exercise stations	32.83% 130
Children/youth play spaces	36.62% 145
Other (please specify)	23.48% 93
Total Respondents: 396	

#	OTHER (PLEASE SPECIFY)	DATE
1	It would be great if the golfers could have a toilet at the north end section of the course to avoid seeing them use the bushes or open areas!	9/6/2017 10:58 AM
2	Toilets: only if modest and maintained	8/21/2017 3:45 PM
3	A calthithenics outdoor temple for serious muscle building.	8/7/2017 10:02 PM
4	signage in local First Nations language	8/7/2017 2:29 PM
5	off leash dog play area	8/7/2017 1:11 PM
6	water fountains	8/6/2017 2:14 PM
7	You have improved the trail signage but there are still too many walkers coming onto the golf course. I suggest stronger signage...like Walkers Keep Out!	8/6/2017 10:36 AM
8	Explicitly none of the above, with the exception of environmental and cultural signage but not along trail - rather at trail entrance or some other already urbanized spot	8/5/2017 6:26 PM
9	PLEASE don't add children's play structures. I'm a preschool teacher and it breaks my heart when people think that we need a playground. If anything, maybe some signage stating the health benefits of playing in nature. Climbing rocks is good for your muscle and bone development, core strength as well as eyesight	8/5/2017 11:11 AM

10	Don't have any personal need for any of these features and would likely not use them.	8/5/2017 9:54 AM
11	Bat houses	8/4/2017 7:55 PM
12	pullup bar setup	8/4/2017 3:59 PM
13	dog off leash area	7/30/2017 11:35 AM
14	Bike trails throughout the golf course. What to feed and not feed the ducks sign.	7/29/2017 7:45 AM
15	Bike trails throughout the golf course.	7/29/2017 7:25 AM
16	I don't think any of the things listed above are necessary.	7/28/2017 1:57 PM
17	Perhaps a couple of benches, but the attraction of this park is the nature and being able to be immersed in it on the chip trail, without a lot of structures, man-made things - I do not want to see buildings, exercise stations, picnic areas - keep it simple as it is!!	7/27/2017 8:39 AM
18	No more exercise stations!	7/27/2017 7:54 AM
19	Please keep it natural. No need for any of the unchecked items above.	7/26/2017 6:03 PM
20	An outdoor exercise circuit in one location and not stations spread out all around the trail. People don't want to stop running to use an exercise station but they would do a circuit before or after a run or just come to the park for the circuit. Great examples in New York.	7/26/2017 4:52 PM
21	There must be something to learn from the Europeans re: exercise stations!	7/24/2017 9:35 AM
22	Water bottle filling station	7/22/2017 10:36 PM
23	Waterpark instead of ball fields	7/20/2017 2:08 PM
24	It is a trail, not long so the washrooms are located just fine at the moment, have the children play area By Mcrae house on the slope going down to the rec center	7/20/2017 11:12 AM
25	seperated bike and pedestrian path.	7/19/2017 11:28 AM
26	water fountains that actually work!	7/18/2017 11:21 AM
27	More signs to direct walkers OFF golf course.	7/15/2017 7:46 AM
28	Better signage. Lots of people wander on to the golf course	7/14/2017 9:01 AM
29	Perhaps washrooms at the Kings Pond end?	7/14/2017 2:43 AM
30	Only where it is safe from the golfers	7/13/2017 2:41 PM
31	Water fountains	7/13/2017 2:31 PM
32	more fencing in high risk areas for golf ball strikes	7/7/2017 8:26 AM
33	Art installations	7/4/2017 4:53 PM
34	Listening stations	7/4/2017 12:07 PM
35	Do not over develop this park. There are plenty of seats and we dont need exercise stations!	7/2/2017 7:36 AM
36	Let the children play in a natural playground. Exercise stations rarely are used and take up more habitat. Picnic with your blanket. There are lots of nice park benches, which are not used a lot - but there when you want to sit and rest or just take in the beauty.	6/30/2017 10:41 PM
37	Dog safe area on field below house	6/29/2017 3:11 PM
38	A disc golf course	6/28/2017 9:38 PM
39	More water stations for humans/dogs	6/28/2017 10:24 AM
40	Community gardens	6/26/2017 11:47 AM
41	Perhaps a bike repair & water station	6/26/2017 9:30 AM
42	Water stations. I don't think we need playgrounds but small educational play areas would be good.	6/23/2017 7:24 AM
43	Wider in areas where it's possible and enforcement of leashed dog requirements.	6/22/2017 2:35 PM
44	Soft surfaces along the entire trail.	6/21/2017 9:42 PM
45	Seating at the ballpark too.	6/21/2017 8:23 PM

46	More trees	6/21/2017 8:14 PM
47	keep it natural - no exercise stations, play spaces, picnic areas, etc.	6/19/2017 5:26 PM
48	I would avoid further development; there are facilities elsewhere for picnics and play, and I see 'exercise stations' as likely to interfere with free-walking	6/19/2017 1:36 PM
49	Plant trees along pathway to keep golf balls away from walkers.r	6/17/2017 9:32 PM
50	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
51	The chips are soft but get stuck in your socks etc. Would gravel be better? It might make the trails more accessible	6/17/2017 7:26 PM
52	accessible are areas for walkers wheelchairs etc	6/17/2017 9:45 AM
53	Anything we can do to bring younger people to the facility is essential...get them away from digital hobbies!	6/17/2017 7:55 AM
54	Art installations; could be part of a temporary art program	6/16/2017 4:46 PM
55	An outdoor gym( I have only seen the one in Courtenay)would be a great attraction and could possibly go on the hill by the rec centre	6/16/2017 11:50 AM
56	Bring back the restaurant.	6/16/2017 8:37 AM
57	Perhaps a small bandshell for concert performances or other live events.	6/16/2017 8:29 AM
58	nice coffee shop in the club house	6/15/2017 10:15 PM
59	V	6/15/2017 9:21 PM
60	Dedicated cycling areas	6/15/2017 7:17 PM
61	play space near the rec centre rather than ner the golf course	6/15/2017 7:14 PM
62	I quite appreciate that it is in a natural state, and woud not like to see it overwhelmed with signage, etc. leave it, so few places are >unmarked>	6/15/2017 7:00 PM
63	public art	6/15/2017 2:01 PM
64	No additional feature - keep it natural	6/15/2017 12:10 PM
65	Leave it as is!	6/15/2017 11:44 AM
66	None of the above, please.	6/15/2017 10:59 AM
67	Fenced off-lease dog area	6/15/2017 9:40 AM
68	No, I would prefer it to stay as is without the above	6/15/2017 8:38 AM
69	Keep it natural	6/15/2017 7:11 AM
70	Pickleball courts built somewhere for public use	6/15/2017 6:20 AM
71	Sculpture features and /or landscape design especially in area immediately adjacent to the Rec.Center	6/14/2017 2:57 PM
72	Any features like picnic areas and seating should be limited to areas outside of the environmentally sensitive areas.	6/14/2017 2:46 PM
73	Washroom I can take my dog into so I don't have to leave dog outside unattended	6/14/2017 1:43 PM
74	keep the perimeter trail as natural as possible please	6/14/2017 10:01 AM
75	Adequate parking for walkers including parking at the end of some of the side streets that lead to the park	6/13/2017 3:09 PM
76	more usage etiquette signs e.g. dog management, passing on trails	6/12/2017 4:36 PM
77	Upgrade the filthy washrooms	6/12/2017 4:26 PM
78	if there are particular spots that continue to be regularly unsafe due to errant golf balls....please address that for everyone's safety	6/12/2017 1:28 PM
79	Nature play spaces with benches and garbage cans/ waterfountain	6/11/2017 8:17 PM

80	Picnic/gathering area at the rec. centre where we have washrooms, parking, transit, security, services	6/11/2017 1:44 PM
81	Drinking fountains	6/11/2017 8:09 AM
82	Please keep human activity to a minimum. I prefer it to be left to wildlife.	6/9/2017 11:10 PM
83	Pickleball courts	6/9/2017 10:04 PM
84	More plants other than the lawn grasses. If u really still need grasses. Have native grasses and put a sign up about their ecological importance cause there's always going to be some person saying it looks bad	6/9/2017 10:04 PM
85	definitely a playground and a picnic area at the North End would be a huge hit with parents like myself in the community	6/9/2017 8:15 PM
86	concert area?	6/9/2017 1:55 PM
87	climbing wall or area	6/9/2017 10:25 AM
88	a public toilet at Kings Pond (the north end is the farthest from the other facilities. I've watched golfers relieving themselves in the bushes at that end.)	6/9/2017 2:57 AM
89	I like it the way it is.	6/8/2017 6:43 PM
90	Improve chip trail to reduce conflict	6/8/2017 6:42 PM
91	Exercise stations were suggested by the consultant; not one of the stakeholders mentioned it VERY OFF BASE, I hope.	6/8/2017 5:54 PM
92	children/youth play spaces nearer the rec center	6/8/2017 3:51 PM
93	natural outdoor amphitheatre	6/8/2017 1:26 PM

## Q20 Do you have any other comments or concerns about Cedar Hill Park?

Answered: 131 Skipped: 474

#	RESPONSES	DATE
1	Defending the green space for all ages - not just sports enthusiasts.	9/6/2017 11:08 AM
2	It can be noisy for neighbours near the tees, especially during tournaments, and the end of the day when the beer has unfortunately now been flowing!	9/6/2017 10:58 AM
3	Need: Playground, Improve the Chip Trail and add an Outdoor Fitness Area	8/21/2017 3:55 PM
4	Be aware that it is a park enjoyed by so many. Any upgrades to be simple and not deterring from the park. The natural areas are the beauty and need to be preserved. With climate change, it does appear that in the winter we can be exposed to more flooding, etc. Perhaps more money for the chip trail during the fall and winter months would be helpful. Interpretive signs are ok if there is a place for them without exposing the park users to lots of signage.	8/9/2017 3:07 PM
5	In those very rare winters when there is snow or cold weather to freeze golf ponds, children skate or bring out snow sleds. Allow this to happen and perhaps augment if not disruptive or costly	8/7/2017 1:11 PM
6	The signs about the dogs-on-leash bylaw should be re-worded. Currently they say that dog leashes are restricted, not that dogs should be on leash at all times. I'm not sure whether this contributes to the lack of compliance but enforcement should be stepped up.	8/6/2017 11:11 AM
7	We are very lucky to have CHP. Saanich, keep up the great work with preserving this important green space!	8/6/2017 10:36 AM
8	If features were added to the trail it would disappoint me if they changed the natural atmosphere of the trail. I want to see nature when I go around, not workout stations, signs, art etc.	8/5/2017 9:54 AM
9	no.	8/5/2017 9:48 AM
10	Let's reduce the amount of space devoted to a single use (golfing).	8/2/2017 12:04 PM
11	I'm worried that in the future, more paring lots and building will take away from the existing green space	8/2/2017 11:50 AM
12	perhaps a water feature or water park would be nice	8/2/2017 11:42 AM
13	I suppose there's no room for a farmers market, maybe the new one @ the school will fill the gap.	8/2/2017 11:01 AM
14	Was not aware the Golf Club washrooms were for public use, good to know. Not to add more pavement unless for mobility challenges.	8/2/2017 10:53 AM
15	Love it pretty well as is!	8/2/2017 10:45 AM
16	This park is a real treasure.	8/2/2017 9:40 AM
17	have made other comments on poster boards	8/2/2017 9:07 AM
18	Thanks for the survey	7/31/2017 10:15 PM
19	Make it accessible for everyone and expand the trail systems.	7/29/2017 7:45 AM
20	Remove cut Blackberry branches to expose Blackberries for picking.	7/29/2017 7:25 AM
21	1. Additional trees would help block noise from Finlayson on the south side. 2. The weird pit with a few sad trees in it (also south side) is a bit ugly and seems a bit unsafe despite the guard rails. 3. Love the garbage cans around the trail 4. Love the duck pond at the tolmie part of the path. Maybe some expansion of wetland vegetation around it would increase the wildlife and naturalness	7/29/2017 12:39 AM
22	I think the LONG term future of the park does not include a golf course that benefits a rather small group. Saanich should not be in the golf business in my opinion.	7/28/2017 4:32 PM

23	Please preserve and protect as a simple green space for people to enjoy for walking, running, a quiet area within the city that you can escape to - we need that so much! Don't tamper with a good thing - take care of it and preserve it for all time.	7/27/2017 8:39 AM
24	Better use of food places	7/27/2017 7:54 AM
25	Just the safety at night. I would like to feel safe going for a walk or run around the trail when it is dark.	7/26/2017 10:11 PM
26	See above. How did the developers get permission to build in the buffer zone (south of Derby and Camrose)?	7/26/2017 6:03 PM
27	Ensuring walkers on path are aware they are walking next to an active golf course and that balls could potentially leave the course and land on path.	7/25/2017 1:13 PM
28	Its a jewel. I'm 62. I've lived and travelled across this country... I've never seen a space like it.	7/24/2017 9:35 AM
29	Improve signage on golf course warning about walking trails and homes. The existing signs are indirect and meaningless. Be more direct. Add signage at selective tee boxes.	7/22/2017 8:05 AM
30	Keep it natural	7/19/2017 9:17 PM
31	amazing green space in the centre of the suburbs, let's change from golf course to park.	7/19/2017 11:28 AM
32	a better outdoor meeting space with chairs/tables. The current one is near parking lot in front of rec centre. It is noisy and often dark. A lovely sun room would be awesome.	7/18/2017 11:21 AM
33	Please preserve and maintain the golf course	7/17/2017 3:21 PM
34	When walking, runners often come up from behind. Many announce their coming, but some don't. Though I've never had an accident, many of my fellow walkers have been startled by a runner's approach. Though I joke some, I think bells on running shoes - like a bell on a bike, would help to announce a runners approach. Maybe a sign "Pass on the Left"; "Give warning when passing"?	7/17/2017 1:12 PM
35	Just want more of a community involved feel	7/15/2017 3:50 PM
36	If it is to be both a park and a golf facility, subsidies from Saanich should be equal for both. Currently, the golf course members and their tournaments are paying for some improvements to make the course even more of a draw.	7/15/2017 2:00 PM
37	Keep it natural!	7/15/2017 1:40 PM
38	It is a wonderful park. Do not build houses all around or it will take away the natural feeling of the park. We need trees, hedges to keep it peaceful.	7/15/2017 7:46 AM
39	None	7/14/2017 10:40 PM
40	I enjoy the golf course very much and the walking trail is one of the best walks in Victoria	7/14/2017 9:01 AM
41	Don't want it to lose its present charm.	7/14/2017 2:43 AM
42	More money to improve the driving range and practice areas	7/13/2017 9:25 PM
43	Increased open hours for restaurant	7/13/2017 9:21 PM
44	Not at this time	7/13/2017 5:44 PM
45	I feel very strongly that Cedar Hill Golf Course/Club not be adversely impacted by change.I fear that unrelated operating charges are already being overly attributed to the Budget,inflating the true expenses picture and driving up our user fees.There was a 20 % increase in Passholders fees already this Year.	7/13/2017 3:38 PM
46	I would love to see the restaurant return to the clubhouse. It was a popular place for local people, especially seniors, to go for a meal. I think advertising would have made it more viable.	7/11/2017 2:47 PM
47	The golf course is fun to play, but it seems like two separate courses. The front nine could be removed and the space used for other activities like disc golf and expanded walking trails. The back nine is longer and could benefit from alternative tee boxes. The course plays way too slow because it is in between skill levels. Too hard for most amateurs and too short/easy for stronger players.	7/10/2017 10:08 PM
48	No	7/8/2017 1:54 PM

49	The golf course must be treated in the same fashion as the commonwealth pool facility. Saanich needs to invest in the golf course. Jacking fees up by 20% a year over the last 3 years is not the way to encourage sustainability.	7/6/2017 9:10 PM
50	I am concerned about the trend to improve parks which seem fine as they are	7/4/2017 6:33 PM
51	I do really love Cedar Hill Park as it is and would prefer it to remain a quiet green space rather than too much development.	7/4/2017 4:18 PM
52	Eliminate golf	7/2/2017 8:39 PM
53	This park has some unique views - one of the only places in Canada where you can see a flourishing coastal environment (flora and fauna) with the backdrop of snow covered mountains. A place to let your imagination soar.	7/2/2017 7:36 AM
54	Restrict houses and condo's corraling in the park. They are crowding the limits of the park. The grassy area behind King's Pond is full of rats and it is prime duck nesting habitat. Either trap it out or let young teenage boys in with pellet guns:))) years ago, berms were put in without a lot of thought. perhaps this can be ameliorated with more trees planted on the berms? Build on the oasis aspect of the park in a suburban area.	6/30/2017 10:41 PM
55	It's too golf centric.	6/29/2017 3:11 PM
56	I think you need to find a better way to attract more folks and diverse groups or entire families to golf, at affordable or even subsidized prices, to create a better more inclusive hub at the Clubhouse for the entire community. We love and appreciate the green space but it can be used by more than sports minded golfers if sponsors and partnerships could be formed.	6/28/2017 10:24 AM
57	We should always remember that humans need to escape from the urban environment on a regular basis	6/27/2017 5:19 PM
58	Dont feel the need to improve	6/27/2017 4:34 PM
59	These additional features are all great but all this stuff costs money and I consider are optional nice-to-have features.	6/24/2017 10:16 PM
60	Right now the chip trail is overgrown in some places.	6/23/2017 11:20 AM
61	It's my favourite local park. I live two blocks away on Oakmount. It's a great space already. Small enhancements are good but don't change too much please.	6/23/2017 7:24 AM
62	Don't lost the connection to nature!	6/22/2017 2:35 PM
63	The park is a wonderful area. They soft trails, the arts and thw ecosystem are all valuable. This park could be so much more. Replacing some of the golf holes with natural habitat, restoring the creek, adding areas for picnicing, childrens play, would make this more of a community place. Longer term, I believe we need to be asking if acres upon acres of golf course is the best use for land in a constrained urban area. I can see a balance of restorwd habitat and affordable family housing.	6/21/2017 9:42 PM
64	It's a great park!	6/21/2017 8:23 PM
65	Don't change too much ...people love it now	6/21/2017 11:28 AM
66	I fear 'development' because it may compromise the simplicity of the park (I like it as unadorned as it is...) This is a good questionnaire, but it would have been even better if it had included room for a final comment. Mine would be: this is the most important public space in Victoria for me; I hope it can be kept as open and 'undeveloped as possible. I regret I was unable to attend the 8 June meeting. I am content to contribute money to the work of the Friends, since I cannot contribute labour.	6/19/2017 1:36 PM
67	I would like to see the Golf club house cafe developed into a nicer pub or restaurant.	6/19/2017 12:20 PM
68	I love this park. I live in Victoria but it's the park I visit in Saanich most often. Natural values make it a beautiful place/oasis to recreate within the urban environment. Please continue to balance the need to create more facilities with the need to preserve the natural values in this park.	6/19/2017 10:46 AM
69	I would love to have a place for the kids to play - swing set etc.	6/19/2017 9:05 AM
70	The recreation center is a wonderful facility - great staff - wonderful spaces and uses.	6/19/2017 8:17 AM
71	regarding question below..hours of fair were far to restricted and limited for any real imput from community as most people would not have been able to attend during brief hours open	6/18/2017 8:03 PM

72	less golf. The golf course fees should be kept low and to provide a more affordable golf opportunities for youth and those who wouldn't be able to afford other golf courses. However the holes should be reduced to 9 - this would be consistent with attracting youth and allowing it to be affordable while making space for other uses that are more inclusive.	6/18/2017 8:36 AM
73	Love it!	6/17/2017 9:32 PM
74	Leave the park alone, give it back to First Nations.	6/17/2017 9:10 PM
75	Don't change too much!	6/17/2017 7:43 PM
76	educational signs on trail would increase understanding of the ecosystems / wildlife / flora. Don't add steel and concrete exercise stations or playgrounds on the trail. Keep it natural.	6/17/2017 1:45 PM
77	Basically, it is a well run facility which deserves thanks, and appreciation for everyone's efforts.	6/17/2017 11:02 AM
78	I love this place and feel totally blessed to have it in my neighbourhood! Thank you to everyone who works and volunteers there! Thank you for this opportunity too!	6/17/2017 7:55 AM
79	Not much actual park as the rec centre and golf course are entities within it that are serving the community.	6/16/2017 4:46 PM
80	Lawn mowers on the golf course start at an ungodly hour in the morning and wake up the neighbourhood at a time people would rather be sleeping. If I mowed my lawn at that hour the bylaw enforcement officer would be at my door. Bring back the restaurant. I could be a money maker if well run and would be a good social addition to the neighbourhood.	6/16/2017 8:37 AM
81	I would like the visioning and planning to also consider new uses for the park oriented around community events. For example, part of the south end of the park could be used for live entertainment (e.g., jazz or acoustic concerts, spoken word, theatre) outdoor movies, neighborhood "block" parties, and similar events.	6/16/2017 8:29 AM
82	It's a park with so much potential. Thanks for undertaking this consultation, and I look forward to a much more diverse--ecologically and culturally--place for Saanich in the future.	6/16/2017 7:54 AM
83	I think that the park needs more to attract youth. Saanich has a skate park, but does not have a pump track/dirt jump park. I think this would be a beneficial addition to Cedar Hill Park for all users.	6/15/2017 7:17 PM
84	The loss of the café or pub at the club house creates a problem. Only 9ndine on Tuesday now available. Surely this could be worked out somehow.	6/15/2017 7:14 PM
85	Beautiful space that could be somewhat developed for greater use. You can't swim on grass.	6/15/2017 2:01 PM
86	It is a very special place with wonderful services and great access. It is one of my favourite places to walk in the mornings for many reasons. How great would it be to see the morning walkers & joggers & volunteers and golfers, even the cyclists riding through, stopping to socialize over a coffee and/or a quick bite on the clubhouse terraces??	6/15/2017 1:55 PM
87	Don't overdo trying to please all, leave it natural as it is, encourage more golfers to continue playing, there's your income	6/15/2017 11:44 AM
88	It's my favourite Rec Center. Love the art and the large gym for exercise classes.	6/15/2017 11:42 AM
89	Too much land dedicated to golf.	6/15/2017 11:00 AM
90	Please leave it alone. It's wonderful just the way it is! Find other locations for desired fitness and community-building facilities.	6/15/2017 10:59 AM
91	Item 1) above is usually for first time park users so not really needed. Item 4) above. Adding picnic tables to key areas is a nice touch but putting lots of them in pods is not a desired situation. Good to have 2-3 in playground areas as in Beckwith park.	6/15/2017 8:53 AM
92	Just to say that it is wonderful just the way it is.	6/15/2017 8:12 AM
93	Sometimes flying golf balls can be a hazard - as a cyclist I am happy I have a helmet on; as a pedestrian on the paths, I have been startled a few times by golf balls landing near me. Not sure what can be done about this.	6/15/2017 8:02 AM
94	appreciate both the trails for walking as well as the recreation centre's programs and facility	6/15/2017 7:40 AM
95	Thanks for the efforts to improve this great aspect of Saanich!	6/14/2017 9:31 PM
96	no	6/14/2017 9:02 PM

97	I appreciate having Cedar Hill Park in my neighbourhood and do not want the Garry Oak Ecosystems lost or destroyed by urban development.	6/14/2017 6:02 PM
98	Large buildings encroaching on the perimeters	6/14/2017 2:57 PM
99	the people who do mowing and trail edge clearing should receive a quick training course in plants to look out for, nesting birds, etc. and take greater care in protecting the native plants and in removing invasive species	6/14/2017 10:01 AM
100	Think I provided them.	6/13/2017 5:10 PM
101	It's beautiful. Don't let any one group change it too much	6/13/2017 3:12 PM
102	It is remarkable park Each season gives the user a treat not found anywhere in southern Saanich, uninterrupted walking, ever changing nature, and new friends. Don't let any commercial venture impede this park. Such as the attempt by the private tennis venture to take over the lower playing field.	6/13/2017 3:09 PM
103	As I use the walking trail on a daily basis I can really only comment on that. I love everything about it and am not interested in seeing much change.	6/13/2017 11:48 AM
104	Only spend money on things that will actually be used. Check the demographics. Some of the ideas put forth at the clay court meetings were absolutely ridiculous, very tacky and junky sounding. The current 'natural' look of the golf course, the course's club house and the beautiful addition to the rec center have been tastefully done. I hope this theme continues.	6/13/2017 8:46 AM
105	fantastic outdoor asset	6/12/2017 4:36 PM
106	None that I can think of.	6/12/2017 4:05 PM
107	It is wonderful and we are proud to have it in our neighbourhood of 29 years.	6/12/2017 2:13 PM
108	Please act on this vision soon and not let it drag on for another five or ten years !	6/12/2017 1:28 PM
109	I worry that many groups of "active" users - golfers, tennis players, etc. are targeted as special interest groups by more passive interests.	6/11/2017 10:05 PM
110	I believe its a gem - I hope the balance of citizen needs is kept.	6/11/2017 8:58 PM
111	I do not want too much development so keep the natural setting but create a stronger sense of community by organizing family events for gathering, eg outdoor amphitheater for concerts and talks, weekend or evening markets, halloween bonfire, outdoor winter skating rink, Pub nights at golf course building on derby, easter egg hunt for kids, first nations pow wow, etc.. Safer trails from stray golf balls for esp the kids.	6/11/2017 8:17 PM
112	It's an amazing natural asset that will increase in value as Greater Victoria expands and densifies. It is NOT land for future construction. Collaboration and communication with Saanich Parks must continue to be built and supported. It is an essential asset for building a healthy community.	6/11/2017 1:44 PM
113	This seems to be the wrong time to make park changes, let's wait another 5 years and than review	6/11/2017 8:45 AM
114	The ball diamond is poorly drained and utilized. Could be used to expand the facility.	6/11/2017 8:09 AM
115	We have been so blessed to have this park to enjoy, and so far to be able to walk around its trails SAFELY, without fear of physical danger from others. i guess one concern is how to keep it healthy and safe, and free from homeless setting up tents, etc. in the bushes.	6/10/2017 2:41 PM
116	Replace concessionaires with MacDonald's :-). The current coffee is expensive and terrible, while food is mediocre at best.	6/10/2017 12:15 PM
117	Please don't build any tall buildings. Please don't over improve.	6/10/2017 8:42 AM
118	I'd hate to see Cedar Hill Park become over-run with people, who inevitably leave garbage everywhere and scare away the wildlife.	6/9/2017 11:10 PM
119	If there are opportunities for more seating, I'd suggest encouraging the use memorial benches.	6/9/2017 8:47 PM
120	Cedar Hill Park is a jewel and the exclusive use of so much of the park by a golf course may not be the best or most environmental usage.	6/9/2017 8:17 PM
121	Love love love it!	6/9/2017 7:56 PM
122	I hope Cedar Hill doesn't try to become like the other Rec Centers. I hope it can maintain its strengths (welcoming, green, low key and peaceful). It stands out because of this.	6/9/2017 5:22 PM

---

123	Keep it public forever !	6/9/2017 4:22 PM
124	The Rec Centre staff are the best!!!!	6/9/2017 1:55 PM
125	I am very concerned about the potential impact of the [REDACTED] group upon the process. In their campaign against the public/private clay court facility, their conduct was disturbing - their misrepresentations, fabrications, slander, and outright lying in that instance would severely taint the process around the park planning if they resurrect their tactics. They absolutely should be involved in the process and have their voice heard, but they should not be allowed to steamroll or degrade the process by bringing public discourse down. There need to be stronger protections in place against their tactics for both city staff and residents with opposing opinions.	6/9/2017 12:41 PM
126	Very concerned about it being turned over to / sold to developers in the future to increase the tax base. This came up as a very real possibility under the previous mayor.	6/9/2017 2:57 AM
127	I absolutely love this space!	6/8/2017 7:59 PM
128	lighting	6/8/2017 7:26 PM
129	Give people priority- not golfers	6/8/2017 6:42 PM
130	10001---- Lets keep in touch!	6/8/2017 5:54 PM
131	I have concerns about potential loss of natural areas (through neglect or destruction, or by development). I am also very concerned about loss of access to public space. e.g., private facilities being built that the general public has limited or no access to.	6/8/2017 1:26 PM

---

## Q21 Did you attend the Ideas Fair on June 8th at the Cedar Hill Recreation Centre?

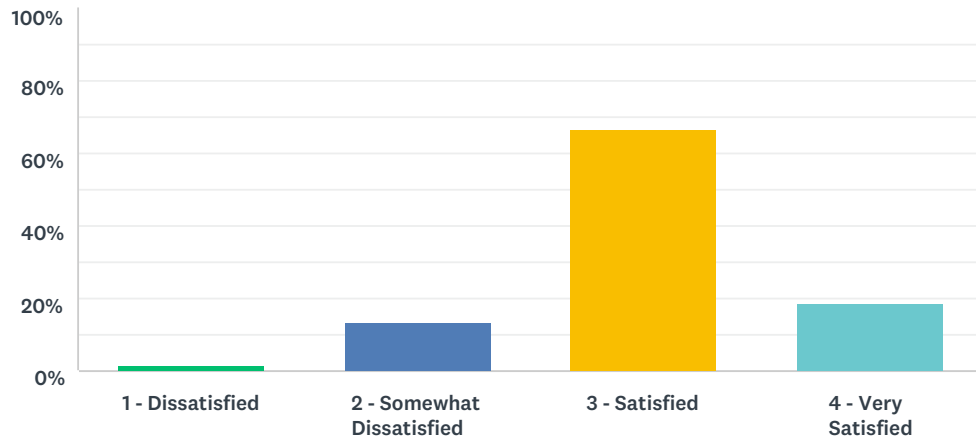

Answered: 486 Skipped: 119

ANSWER CHOICES	RESPONSES	
Yes	13.37%	65
No	85.80%	417
Not sure	0.82%	4
TOTAL		486

## Q22 On a scale of 1 to 4 how satisfied, were you with the Ideas Fair?

Answered: 60 Skipped: 545

ANSWER CHOICES	RESPONSES	
1 - Dissatisfied	1.67%	1
2 - Somewhat Dissatisfied	13.33%	8
3 - Satisfied	66.67%	40
4 - Very Satisfied	18.33%	11
<b>TOTAL</b>		<b>60</b>

## Q23 Do you have any suggestions on how to improve future public engagement events?

Answered: 22 Skipped: 583

#	RESPONSES	DATE
1	Yes, need focus, visioning sessions not only simple 'carded' thoughts	8/21/2017 3:46 PM
2	Larger space	8/2/2017 12:05 PM
3	Mind mapping exercises	8/2/2017 11:51 AM
4	more days on weekend	8/2/2017 11:35 AM
5	Have more dates so that more people can attend.	7/29/2017 7:48 AM
6	More publicity	7/15/2017 3:51 PM
7	Use the information garnered from the Ideas Fair to have staff speak about how some of the ideas can be implemented. Ask people who attend if they would like to receive a regular newsletter about what's happening in the park. Find a way to have ongoing engagement with people who turn out for this kind of event. Too often open house events are one-offs with no way for those who attend to build community with each other or work together to achieve outcome. Saanich is big on open houses and small on follow-up.	7/15/2017 2:12 PM
8	Be more transparent in possible affect to golf.	7/13/2017 3:40 PM
9	You had lots of staff there to answer question and some local citizens with their displays featuring aspects of the park. Nice touch.	6/30/2017 10:43 PM
10	It was only by chance that I heard about the event, so improved advertising might help	6/29/2017 1:43 PM
11	Set-up tables at summer events and Hillside Mall. Engage with local businesses and property owners.	6/28/2017 7:23 AM
12	more of them	6/18/2017 8:36 AM
13	Some people took up way too much time of staff; either more staff available to ask questions or techniques needed to disengage from time suckers	6/16/2017 4:48 PM
14	Yes, provide terminology glossary. Some of your early questions lead to unsettling options in interpretation.	6/14/2017 1:41 PM
15	I was very happy that you mailed out cards to the neighbourhood...thank you. I was able to put that on my fridge as a reminder.	6/12/2017 1:29 PM
16	Make the ideas fair an event over multiple weekends so as to reach as many citizens as possible, given the need to accommodate shift workers and those whose jobs include travel away from the Greater Victoria area.	6/11/2017 3:47 PM
17	Appreciated the effort of Saanich Parks. The area around the rec. centre will continue to be an issue. Should we plan to do a more focussed community consultation with more information and better examination of comparative priorities?	6/11/2017 1:48 PM
18	No - it was very well orchestrated	6/9/2017 8:17 PM
19	There were not directions about what to do. I just followed other peoples lead....	6/9/2017 1:56 PM
20	was heartened by the level of public turnout but felt wasn't much info on current usage of the park or current costs or running the park and facilities.	6/9/2017 11:36 AM
21	Better signage to room. Greeters in entry way.	6/8/2017 6:43 PM
22	Many people had no idea how to use the Boards. They expected a meeting at some point. People wondered who the boss of the event was? Introductions would be great throughout the event.	6/8/2017 5:56 PM

## Q24 How did you hear about the Ideas Fair?

Answered: 59 Skipped: 546

ANSWER CHOICES	RESPONSES
Signs in the Park	27.12% 16
