

The Colquitz Creek has safe trees,
protected plants and helpful spiders.
The Colquitz Creek has calm water,
but most of all the Colquitz Creek
has nice people, us!

Colquitz Creek Poem

The trees are shimmering in the wind,
the salmon are in the stream.
You look up and see the sun, you also see the leaves.
You see the wonderful nature and think, boy,
That sure is a beautiful thing.
