FOR  
ARTISTS**

## **ARTS IN THE COMMUNITY PROGRAM**

Are you a visual, performing or community-engaged artist, poet or storyteller interested in sharing your creativity with the community outdoors this summer?

Saanich Community Services invites proposals from artists and arts groups for small-scale outdoor activities and activations connecting the community with the arts in Saanich parks and public spaces.

Activities are designed for engagement with and the enjoyment of the community. Pop-ups can be performances, creative productions, activities or community-based art projects! A limited amount of funding is available to cover small honoraria for activities that may need financial support.

Saanich is committed to equity, diversity and inclusion and all artists are invited to apply. Proposals are reviewed as received, and successful proposals are notified.

*Please Note:* Arts in the Community is not seeking proposals for musical performances as music programming is included in other Community Services Summer 2021 initiatives.
