

Word Art In the Park Through February 2021

Celebrate Family Day and Family Arts Festival with Saanich Parks, Recreation and Community Services in partnership with Saanich Peninsula Literacy.

Walk, Jog, Bike or Stroll and explore 4 Saanich Parks along the Lochside Trail while searching for letters in each park that combine to create a secret phrase.

Individual letters on top of artwork created by Mrs Kenny's Grade Three class at Lochside Elementary School are located in [McMinn](#), [Doris Page](#), [Doumac](#) and [Lochside](#) Parks. Access these parks on the entrances closest to the Lochside Trail to find the letters most easily.

Your mission is to work together with your family to unscramble the **21 letters** to create a secret **6-word phrase**.

Once you've decoded the phrase, email your entry to: recreation@saanich.ca with Word Art in the Park as the subject line. All successful entries will be placed in a draw for a gift certificate to Tanner's Books.
