Water Slide Guidelines and Features

- The new slide is fully enclosed with colourful patterned sections that provide riders with a thrilling light show.
- The minimum rider height is 102 cm or 40 inches (20 cm or 8 inches lower than the previous slide).
- The maximum rider weight is 136 kg or 300 lbs.
- Only one rider is permitted on the slide at a time. Children 7 years of age and under require adult supervision at all times while riding the slide. Guardians (16 years of age or older) must accompany children to the top of the slide and either ride first and wait for them at the bottom of the slide or walk down the stairs to wait for them.

Lifejackets are not permitted on the slide, and swimwear must not have buckles, zippers or other ornaments that may damage the slide.
