BYTE CAMP: 3D ANIMATION

11-14yrs

Dreaming of a career with PIXAR? Ever wonder how those awesome 3D animated movies like Shrek, Toy Story and Frozen are made? Spend the week learning how by modeling, animating and telling your own stories in 3D. You'll use Blender, a wonderful (& free!) 3D software, to design characters that jump off the screen and then make them come alive by adding voices, soundtracks and completing your own animated short film. Final projects are usually group projects with each student contributing a character and a scene.

JUNIOR WATER POLO CAMP

8-15yrs

This high energy, fun water polo camp is taught by national certified coaching staff of Saanich Water Polo. Novice and intermediate athletes will practice an actual water polo game each day. Camp will also have a dryland technical component so participants will need to bring running shoes. Camp is suitable for all skill levels. Groups will be split according to age and skill. Participants must be comfortable in deep water.

Summer Camps 2023

REGISTRATION TIP

For a smooth registration process, please register for **barcode 97800** before signing up for any camp. By entering your child's contact and emergency information into this program, all future 2023 Camps will auto populate this information.

GENERAL CAMP INFORMATION

Our summer day camps operate out of our Saanich recreation centres, parks, local schools, and independent sports facilities.

They offer general and interest-based day camp experiences led by enthusiastic and professional leaders. Many mix indoor and outdoor activities. Camp times and costs vary depending on the activity and duration.

HELP US PREPARE

We want your child to have the best week possible!

To better prepare us, please share any unique needs or limitations your child might have with their Camp Supervisor. To keep your child safe and happy, extra documentation may be required before your child attends camp.

Please contact your Camp Supervisor if any of the following apply:

- Your child has a severe allergy, including anaphylaxis with an EpiPen.
- Your child has a unique need: behavioural, emotional, physical, intellectual, social, etc. Examples include but not limited to ADHD, autism, diabetes, etc.
- Your child will be attending camp with a support worker.

Allergy?

Parents are asked to fill out an Anaphylaxis Action Plan form for campers with allergies and an EpiPen. EpiPens must not be expired. Please connect with your camp supervisor with any questions.

Child Protection Policy

Saanich Recreation's primary responsibility is to provide a safe and fun environment for your children. As such, Police Information Checks are required for all Saanich staff, contractors and volunteers. As part of orientation, all staff, contractors and volunteers receive training in appropriate conduct with children, recognizing signs of neglect and abuse, as well as responding to disclosures.
