

SAANICH NEIGHBOURHOOD PLAYGROUND PROGRAM (SNPP)

IT'S ALL IN THE NEIGHBOURHOOD!

This summer we're kickin' it old school! We're committed to bringing back that feeling of community in the only way we know how – through fantastically fun, amazingly awesome and chaotically creative local camps with all your neighbourhood friends. We're doing our part to help fight climate change – so join us by carpooling, grab your bike, scooter or skateboard or just put on those walking shoes and meet us at the park! We can't wait to enjoy what the super-natural environment has to offer – right in our own backyards. Build a beach fort, play an epic battle of aces in the forest, get soaked with crazy water games, and use your imagination as we engage with all things creative. Our themes, activities, **walking out trips** and experiences will be based on campers' interest in collaboration and guidance with our summer camp counsellor team.
