## About the Park:

In May, there is a spectacular show of colour throughout the rhododendron and azalea garden. Some of these plants are over 50 years old. The park also features a Garry oak meadow that boasts a show of spring wildflowers and an ornamental perennial garden that blooms all summer. There is a playground nestled in the trees with a washroom building next to it. These facilities are open year-round (weather permitting).

Dogs must be on a leash at all times, except between the hours of 6am and 9am, when they are permitted to be off-leash, but under control.

Dogs are not permitted on playgrounds, off trail in the rhododendron area or in seasonal Camas gardens.

Dogs must always be leashed within 10m of the playground.

There are picnic tables available around the park. You can [reserve picnic areas through our park permit system](#). Unreserved tables are available on a first come basis with the understanding that any reservations will be able to ask you to relocate.

Please identify which area(s) you wish to reserve when making a park permit reservation. Garbage, recycling and/or compostable materials need to be disposed of properly and picnic areas cleaned up after use.
