## About the Park:

Rithet's Bog Park was donated to Saanich in 1994 by the Guinness family of Britain. This municipal park is home to the Rithet's Bog Conservation Society. It is one of the last remaining peat bogs on the Saanich Peninsula and is zoned as a nature sanctuary.

Primary street access is from Chatterton Way or Dalewood Lane. Rithet's

Bog loop is a perimeter gravel trail around the conservation area. Please keep dogs on a leash or chain and lock your bike at the bike rack as no cycling is permitted on the trail.
