

# SWAN CREEK PARK

**Area:** Carey

**Location:** Many access points (mainly McKenzie Avenue)

**Size:** approx. 13.81 ha

**Amenities:**

Green Space

Naturescape

Trails

## About the Park:

This municipal park follows Swan Creek as it meanders from Swan Lake to Interurban and joins the Colquitz River. This park features many walking trails connecting surrounding residential homes. A mix of heavily treed areas of the park transition to grassy open fields. Swan Creek Park is home to the Capital City allotment gardens that are accessible from an informal parking lot at the end of Kent Road.
