About the Park:

Through a lease agreement with BC Hydro, Saanich Parks teamed up with Bike Track Ltd. to create this bike park for youth in our community. The park features the paved Powerline Pumptrack, Dynamo Dirt Jumps and other skills trails around the park all named after electrical terms to add to the character of the park. The design considers rider progression, maintenance, safety and is intended to be a family friendly environment providing a fun, safe, free, healthy, active recreation amenity for our community.

Dogs must be on leash at all times.

Dogs are not permitted on Pumptrack or Bike Jumps.
