About the Park:

This is a natural green space with direct trail connections to surrounding neighborhoods as well as [Swan Lake-Christmas Hill Nature Sanctuary](#). Access via Rogers Way, Rainbow Street or the Christmas Hill Nature Sanctuary.

The park, originally named Christmas Hill Park, was renamed Vic Derman Park in 2017 to honour the late Saanich Councillor who served our community from 2002 to 2017. Vic Derman was an avid cyclist and tireless community advocate who championed many causes relating to sustainability, climate change mitigation, smart growth and livable, affordable communities.

Dogs must be on a leash at all times, except between the hours of 6am and 9am, when they are permitted to be off-leash, but under control.

Note: Dogs are not allowed in the adjacent Nature Sanctuary.
