

Stewart, William (Private)

Family photos:

"In the picture of the four young lads, William (Bill) is in the bottom right hand corner. We have the names of the others as they are on the back of the picture [Chester Scott, Earl Pearce, Cousin Jim, Bill (William Stewart)]. Directly below the picture of the four is a poor picture of William. In the top right hand corner of the attached scan there is a very good portrait of young William, probably taken just before he shipped out. The picture in the bottom right hand corner shows him in the field and you can see the tents in the background." Photos by Gibsons Studio, Victoria. The card also says "Star Studio, 1214 Government St. Victoria, B.C." on the back.
