An Invitation

Culture Days is a national celebration of arts and culture! You are invited to get hands-on & behind the scenes with arts and culture activities in our community! Saanich Parks and Recreation and Island Illustrators Society along with participating arts and culture groups invite you to the **Cedar Hill Recreation and Arts Centre** for free activities Sept. 27, 28 & 29.

Island Illustrators Society leads up to Culture Days with “Every.Day.Art,” an exhibition and community arts project starting September 11 and culminating on the Culture Days weekend.

Activities will include a Lekwungen Traditional Dancers performance and a hands-on drumming workshop with the African Caribbean Cultural Society, participatory dance, interactive theatre with Story Theatre Society and hands-on art-making sessions to name just a few!
